Love at First Like - Hannah Orenstein 2019-08-06
Named a Best Book of Summer by Glamour, BuzzFeed, Cosmopolitan, and many more! From the author of *Playing with Matches*, the rollicking tale of a young jewelry shop owner who accidentally leads her Instagram followers to believe that she's engaged—and then decides to keep up the ruse. Eliza Roth and her sister Sophie co-own a jewelry shop in Brooklyn. One night, after learning of an ex's engagement, Eliza accidentally posts a photo of herself wearing a diamond ring on that finger to her Instagram account beloved by 100,000 followers. Sales skyrocket, press rolls in, and Eliza learns that her personal life is good for business. So she has a choice: continue the ruse or clear up the misunderstanding. With mounting financial

pressure, Eliza sets off to find a fake fiancé. Fellow entrepreneur Blake seems like the perfect match on paper. And in real life he shows promise, too. He would be perfect, if only Eliza didn't feel also drawn to someone else. But Blake doesn't know Eliza is "engaged"; Sophie asks Eliza for an impossible sum of money; and Eliza's lies start to spiral out of control. She can either stay engaged online or fall in love in real life. Written with singular charm and style, *Love at First Like* is for anyone growing up and settling down in the digital age.

Goldie and the Three Bears -

Theodora Taylor 2020-09-17

One is nice. One is smooth. One is gruff. And they're all starving. What would you do if you found yourself desperate

and alone, out in the wilderness, with no one to turn to but three large and extremely hot football players? Well, that's my situation. And here's the story of how I handled three very hungry Bears. **READER WARNING:** The QUARANTALES series starts off steamy and gets hotter with each read before its sweet finale. This is the blazing Quarantale. Please do not one-click without the proper...ahem...support for any feelings that might arise upon reading this crazy hot story. Also please note, this is not a shifter romance. It is an extremely hot contemporary romance, featuring three football player leads. Also, make sure to check out all of the stories in this ultra-modern, special quarantine take on some of your favorite fairytales: *CYNDA AND THE CITY DOCTOR*, *BILLIE AND THE RUSSIAN BEAST*, *GOLDIE AND THE THREE BEARS*, *REINA AND THE HEAVY METAL PRINCE*.

ONE OF NPR'S BEST BOOKS OF THE YEAR! "Bursts with humor, heart, and great energy. I loved it! Park is a hilarious new voice in women's fiction."—Helen Hoang, author of *The Kiss Quotient* "[A] punchy adult debut set in the world of video game design. Park makes tough topics go down easy by couching them in wry humor and lighthearted romance, and her fierce, snarky heroine is irresistible. This smart rom-com is a winner."—Publishers Weekly (starred review) In a debut perfect for fans of Jasmine Guillory and Sally Thorne, a junior video game producer finds herself getting closer and closer to the one person she hates most after a mass troll attack online almost ruins her life. Melody Joo is thrilled to land her dream job as a video game producer, but her new position comes with challenges: an insufferable CEO; sexist male coworkers; and an infuriating—yet distractingly handsome—intern, Nolan MacKenzie, aka "the guy who

got hired because his uncle is the boss." Just when Melody thinks she's made the worst career move of her life, her luck changes. While joking with a friend, she creates a mobile game that has male strippers fighting for survival in a post-apocalyptic world. Suddenly Melody's "joke" is her studio's most high-profile project—and Melody's running the show. When Nolan is assigned to Melody's team, she's sure he'll be useless. But as they grow closer, she realizes he's smart and attractive, which makes Melody want to forget he's her intern. As their attraction deepens, she knows it's time to pump the brakes, even with her Korean parents breathing down her neck to hurry up and find a man. With her project about to launch, Melody suddenly faces a slew of complications, including a devastating trolling scandal. Could the man she's falling hard for help her play the game to win—in work and in love?

people-pleaser. And the secret club that brings them together. Lee Buchanan is a hot mess. Turning one's father in to the feds can do that to a man. He had nothing to do with his father's Ponzi scheme, but he's blacklisted from commercial real estate all the same. Which is how he ends up in Asheville, working at the brewery he inherited with his siblings. He's salty as hell, and he doesn't care who knows it. Until the gorgeous, intriguing Blue Combs issues the most peculiar invitation he's ever received: Come to the Bad Luck Club. We can help you. It sounds like a cult or, worse, a group of Mary Sues, but Blue is different from any woman he's ever met. For better or worse, he's drawn to her. Just like she's drawn to him, even if she has no intention of going all in with another man. She's been there, done that, twice, and the life she's built for herself is too important to risk. What starts as one person's desire to help another turns into a connection too powerful to be denied—but can two broken people grow

together, or will they tear each other apart?

First Down - Ella Kade

My twin sister's best friend is off-limits... But that hasn't stopped me from loving her for the past five years. Every chance my sister gets, she reminds me and Lo of my manwhore ways. That was long before I ever knew she existed, and now I only have eyes for her—but I'm keeping my hands to myself. After her horrific sexual assault, Lo sleeps in my bed, lives in my house, and invades my every thought. Now that she's away from my sister whispering in her ear, warning her away, she's too fragile for me to think about starting something that may wreck us both. She's not ready for me, and the longer she's here, the more my past mistakes come back to haunt me, making me realize I might never deserve her. Trigger warning: The heroine in this story is raped before the book starts. There is no rape in the book, but it is talked about.

Love At First Kiss - Olivia T Turner 2020-05-04

It was only supposed to be one night. A thousand dollars to pretend to be Nolan Cline's girlfriend. How could I say no to that? I was probably the only virgin escort on the planet, but Mr. Cline didn't have to know about my lack of experience for the job. All I had to do was hang onto his arm, smile, and look presentable to the rich CEO billionaire's friends and coworkers. It was all great until I saw the possessive and territorial look in Nolan's eyes when he first spotted me in my red dress... Then, I knew that there wouldn't be any pretending between us. It started in the limo... it continued at the gala... until we were so consumed with need for each other that I ended up looking anything but presentable. I might have been the first virgin escort on the

planet at the start of the date... But I definitely won't be by the end of it. After one look at his pretend date, Nolan Cline shows Arya just how much of an Over-The-Top possessive alpha he really is. SAFE, no cheating, and a sweet HEA that will have you grinning and blushing! Enjoy!

Love at First Fight - Carrie Aarons 2020-09-03

This summer was supposed to be spent lounging on the beach, madly in love with my boyfriend. Until he decided to move to Singapore, and break up with me an hour before his plane left. Now I'm stuck in a Hamptons house share with six of his closest pals, including his best friend ... who despises me. Since the moment Smith Redfield laid eyes on me, he's hated my guts. I'm serious, I think the raven-haired restaurateur gets physically sick just being in my presence. And he's never been shy about hiding that fact. There was the time he cackled when I landed face first in a pile of Manhattan trash bags. Or the night I tried to throw my ex-boyfriend a

surprise party, and Smith had strippers crash the bash. Or maybe it was New Year's Eve, when he got in my face and called me a sheltered goody two-shoes who wouldn't know passion if it smacked me in the lips. He's rooming right next door for the summer months, and I don't think more animosity could exist than in the hallway of our vacation rental. As if I wasn't already sporting a bruised ego and broken heart from the way his best friend left me. But the more midnight run-ins we have, the more I can't help but think about the way his mouth would feel against mine. With each heavy-eyed glance over the dinner table, I'm starting to wonder if the damaged alpha male doesn't harbor more than just loathing towards me. After all, they say hate is the closest emotion to love. And with the way we're skating that thin line, it's bound to burn this whole house down.

Marie Force is most definitely a keeper. It is an astounding book. I loved every single word!” —Wild on Books, 4.5 Bookmarks “Ms. Force did a wonderful job of drawing you in to the story. She made it very realistic in the sense that not only did I fall madly in love with Michael, but she forces you to really feel for Jeremy (Juliana’s first love). You are struggling inside as to which man you really want her to be with.” —Book Lover, 4.5 Stars “I read this book in less than a twenty-four hour period. I can’t remember the last time a story held me as mesmerized as LOVE AT FIRST FLIGHT; I couldn’t get enough and wanted more... Ms. Force pens so much more than a simple romance, her voice has that “certain something” which captivates the reader from first word to the last. She creates a story and characters the reader can embrace and cheer on whole-heartedly with a smile and a lump in the throat.” —Once Upon A Romance “And to you, Marie Force, what a talented author you are—your

characters are captivating and come to life through your writing—they jump out of the pages and into the reader’s heart. The plot is well-developed, flows smoothly, and engages the reader from beginning to end. Emotions are strong and written with such clarity that you feel them inside as if they were your own.” —World According to Books “This isn’t just a romance novel or a legal story or any other classification but a mixture of many that cannot be separated. It’s a fantastic mix of romance against a legal story with danger lurking around every corner. There are high-speed car rides as well as romantic dinners with walks along the beach. An assassin comes into play as well as a teenage witness. It’s a book that should interest a broad spectrum of readers.” —Night Owl Reviews, 4.75 out of 5, Reviewer Top Pick “LOVE AT FIRST FLIGHT by Marie Force is most definitely a keeper. I have to give kudos to her for writing such an unconventional romance so well. The fact that she could engage my emotions throughout the whole book really is a testament to her skillfulness of storytelling.” —Book Binge “What I really liked about these two characters is the way they take care of each other. There is an art to that, to doing small things for each other without thinking, with pleasure even, because you know the other will appreciate it. Julianna is a nurturing person, with everyone around her, and that’s just what Michael needs. For his part, Michael offers Julianna a helping hand when she needs it, and some space to be an adult, even when he would prefer to get closer.” —AlphaHero

This is one debut you

An enemies-to-friends-to-lovers story that’s sure to delight rom-com fans.” —Kirkus Reviews [All About Love](#) - bell hooks 2018-01-30

A New York Times bestseller and enduring classic, *All About Love* is the acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation" trilogy. *All About Love* reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. “The word ‘love’ is most often defined as a noun, yet we would all love better if we used it as a verb,” writes bell hooks as she comes

out fighting and on fire in *All About Love*. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society’s failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question “What is love?” her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The *Utne Reader* declared bell hooks one of the “100 Visionaries Who Can Change Your Life.” *All About Love* is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.

Love at first sight. That's what it was when Rip Myers came up to me in kindergarten. From

that point on, we were inseparable best friends. When I work up the courage to tell Rip that I love him, I am met with rejection. He tells me he treasures our friendship too much. That statement might as well be a knife to my heart. I want to hold out hope that he'll change his mind. Instead, he moves on. The only choice I have is to pretend that doesn't slay me. So, I say yes...to the man I love. But he isn't the man I've been in love with nearly my entire life.
