*The Trinity* Veli-Matti Kärkkäinen 2007-01-01 Unique for its breadth in studying theologians not only from Europe and North America but also from Latin America, Asia, and Africa, this landmark volume introduces the doctrine of the Trinity, examining the work and thought of contemporary theologians throughout the world. Veli-Matti Karkkainen provides an overview of the biblical roots of the doctrine, discussing both the idea of plurality in God in the Old Testament and the rise of Trinitarian understandings in the New Testament. He details the historical growth of Trinitarian traditions and delves into specific theologies, both Western and non-Western. Also including both an introductory consideration of the doctrine's significance and a concluding assessment and agenda for future thought, Karkkainen's *The Trinity* is the broadest and most comprehensive contemporary study on the Trinity available.

*Conceiving with Love* Denise Wiesner 2019-05-28 Supportive, practical advice for couples who are trying to conceive. Denise Wiesner's integrative East-meets-West approach, developed over twenty years of practice, has helped thousands of couples relax, reconnect, and conceive. The stress of trying to get pregnant can wreak havoc with a couple's intimate relationship—right at a time when that connection is most important—and the frustration and shame couples may feel can have a harmful effect and reduce their chances of conceiving. Wiesner gives couples the tools they need to repair their sexual relationship, rebuild their self-confidence, and reclaim their intimacy and desire. She includes advice from leading experts in Western reproductive medicine and Traditional Chinese Medicine; offers sensual practices from yoga, qigong, and Tantra; and answers questions couples have about sex, intimacy, and both naturally occurring and medically assisted fertility.

**Miracles: An Exercise in Comparative Philosophy of Religion** Karen R. Zwier 2022-11-03 This volume provides a comparative philosophical investigation into a particular concept from a variety of angles—in this case, the concept of “miracle.” The text covers deeply philosophical questions around the miracle, with a multiplicity of answers. Each chapter brings its own focus to this multifaceted effort. The volume rejects the primarily western focus that typically dominates philosophy of religion and is filled with particular examples of miracle narratives, community responses, and polemical scenarios across widely varying religious contexts and historical periods. Some of these examples defy religious categorization, and some papers challenge the applicability of the concept “miracle,” which is of western and monotheistic origin. By examining miracles thru a wide comparative context, this text presents a range of descriptive content and analysis, with attention to the audience, to the subjective experiences being communicated, and to the flavor of the narratives that come to surround miracles. This book appeals to students and researchers working in philosophy of religion and science, as well those in comparative religion. It represents, in written form, some of the perspectives and dialogue achieved in The Comparison Project's 2017–2019 lecture series on miracles. The Comparison Project is an enterprise in comparing a variety of religious voices, allowing them to stand in dialogue.

**Soft Shepherd or Almighty Pastor?** Annemie Dillen 2014-10-24 In *Soft Shepherd or Almighty Pastor?* contributors seek to go beyond the taboo on "power" within pastoral contexts. They not only discuss fundamental theological and philosophical questions about power but also develop ways to prevent power abuse in pastoral context. Power is considered as omnipresent and is analyzed in its positive and negative aspects. Not only the classical associations of "power over" or "domination" are discussed in relation to ecclesial and pastoral situations, but also forms of power linked to "service" and "care." A sacrificial spirituality might also be dangerous. *Soft Shepherd or Almighty Pastor?* gathers ten contributions, all of which reflect on the complexity of power issues, also in relation to sexual abuse. The authors argue that dealing adequately with power requires renewed forms of theological thinking, especially about ministry.

**Wade in the Water** Eric E. Peterson 2018-05-02 Whether or not we are aware of it, everyone is being “baptized.” While the church baptizes people in the name of the Father, Son, and Holy Spirit, the culture in which we live is baptizing us into the trinitarian values of consumption, production, and acquisition. The respective baptism we choose to immerse ourselves in is consequential for the type of people we are becoming. *Wade In the Water* alerts us to the presence of these formative forces, so that we can choose the sacred ways that form us in the Jesus Way.

**Renovating Your Marriage Room by Room** Dr. Johnny C. Parker, Jr 2012-05-01 When considering building a home, couples look for the right architect, right builder, and the right decorator to make their dream house a reality. They work with these people to sketch out plans for the structure of the house; determine what materials to use in building the house; and which decorations to use how to make the house warm and cozy. Accomplishing their goal and making sure they get exactly what they are paying for is in part due to everyone working off of the same set of blueprints and plan while they are exercising their unique talents and skills in getting the house completed. With the same care and even more, couples should invest in building their marital houses. Making sure they are working from the same plan, laying a solid foundation in the process

and doing the work needed to keep their house intact and standing strong. In *Renovating Your Marriage*, Dr. Johnny Parker speaks to you and your spouse about building a house of togetherness brick by brick from the foundation up. He encourages you to consider the two possible foundations upon which marriages are built; then walks you through an inspection of your marital house, room by room. Is your marital house standing on a firm foundation or has it been shaken? Are you in need of a marriage renovation? Dr. Parker wants to help you answer these questions and make the changes necessary to give your love a new look.

**Embodied Hope** Veronice Miles 2021-12-29 Embodied Hope explores implications of an embodied theology of hope for preachers' ability to nurture imaginative abundance and purposeful hope-filled action in the most chaotic of times. Embodied hope is grounded in a theological anthropology that foregrounds humanity's inherent identity as imago Dei and capacity to live as a nondistorting nondestructive reflection of God's presence in the earth. The conceptual metaphor embodied Hope represents that which creates within each of us yearning for wholeness and well-being, the always-speaking voice of God's Spirit assuring us of God's power, faithfulness, and redemptive presence and calling us toward loving, just, and restorative action in our world today. Humans possess the capacity to imagine and live toward a qualitatively better state of existence for all creation, but overwhelmed by the despairing realities of life, we often feel despondent and drained of imaginative potential. Preaching amplifies the voice of Hope, bearing witness and inviting us to imagine the possibility and efficacy of a new reality grounded in Jesus's gospel proclamation. Embodied Hope invites us to stand at the intersection of Hope and despair as we explore the contours and possibilities of living with Hope in times such as the present.

**Blessing Same-Sex Unions** Mark D. Jordan 2013-09-03 At most church weddings, the person presiding over the ritual is not a priest or a pastor, but the wedding planner, followed by the photographer, the florist, and the caterer. And in this day and age, more wedding theology is supplied by Modern Bride magazine or reality television than by any of the Christian treatises on holy matrimony. Indeed, church weddings have strayed long and far from distinctly Christian aspirations. The costumes and gestures might still be right, but the intentions are hardly religious. Why then, asks noted gay commentator Mark D. Jordan, are so many churches vehemently opposed to blessing same-sex unions? In this incisive work, Jordan shows how carefully selected ideals of Christian marriage have come to dominate recent debates over same-sex unions. Opponents of gay marriage, he reveals, too often confuse simplified ideals of matrimony with historical facts. They suppose, for instance, that there has been a stable Christian tradition of marriage across millennia, when in reality Christians have quarreled among themselves for centuries about even the most basic elements of marital theology, authorizing experiments like polygamy and divorce. Jordan also argues that no matter what the courts do, Christian churches will have to decide for themselves whether to bless same-sex unions. No civil compromise can settle the religious questions surrounding gay marriage. And queer Christians, he contends, will have to discover for themselves what they really want out of marriage. If they are not just after legal recognition as a couple or a place at the social table, do they really seek the blessing of God? Or just the garish melodrama of a white wedding? Posing trenchant questions such as these, *Blessing Same-Sex Unions* will be a must-read for both sides of the debate over gay marriage in America today.

**Doing Therapy with Intercultural Couples** Sunita Noronha 2022-04-28 Marital concord between couples from different racial and ethnic backgrounds is an issue that needs serious attention to bridge the vast chasms. America welcomes people from all over the world. People of all religions and ethnic backgrounds come here to study and migrants arrive here to work. Interracial marriages are common but the radically different background of each couple can create discords and prove to be bumps on the highway of conjugal life. This can have serious repercussions on the offspring and on the couple and their lives as well. This book seeks to investigate how cultural realities can be addressed within intercultural premarital couples counseling. Using a cultural focus approach couples' stories around their particular culture and relationship were analyzed. Themes related to relationship, family and social ties, and parenting bi-cultural and bi-racial children were examined. Issues of religious and social influence, money, race, ethnicity, extended family, immigration, and biases in family of origin, are explored as are roles and responsibilities, communication, respect, trust, and gender-stereotyping. The book adopts a pastoral theological approach in working towards a deeper understanding of premarital relationships of partners who represent cultural difference and diversity. In conclusion recommendations to therapists and care givers for counseling intercultural couples are made.

**Jesus and the Missional Movement in Galilee** Sun Wook Kim 2019-07-10 In New Testament scholarship, the study of space has been underrepresented in comparison with the study of time. While Jesus' life and ministry have been intensively explored in terms of eschatology—i.e., with time significance—space has tended to be treated as simply a given room or inactive backdrop where events took place. Interest in the space where Jesus ministered has, however, gradually increased, and space has received greater attention from sociological and literary perspectives. In particular, spatial investigations into the social circumstances of Galilee, the place of origin of Jesus' missional movement, have begun to attract serious scholarly attention. The important functions of space in literature are also becoming better recognized: spatial settings serve not only to generate atmosphere but also to disclose the purposes and themes of narratives. This book explores Jesus' Galilean ministry in Mark 4:35—8:21 through the use of spatial analysis, dividing space into three categories: social, geographical, and allusive. The study of each space discovers social, literary, and theological implications of Jesus' missional movement in Galilee.

*Jesus the Bridegroom* Phillip J. Long 2013-11-06 Did Jesus claim to be the "bridegroom"? If so, what did he mean by this claim? When Jesus says that the wedding guests should not fast "while the bridegroom is with them" (Mark 2:19), he is claiming to be a bridegroom by intentionally alluding to a rich tradition from the Hebrew Bible. By eating and drinking with "tax collectors and other sinners," Jesus was inviting people to join him in celebrating the eschatological banquet. While there is no single text in the Hebrew Bible or the literature of the Second Temple Period which states the "messiah is like a bridegroom," the elements for such a claim are present in several texts in Isaiah, Jeremiah, and Hosea. By claiming that his ministry was an ongoing wedding celebration he signaled the end of the Exile and the restoration of Israel to her position as the Lord's beloved wife. This book argues that Jesus combined the tradition of an eschatological banquet with a marriage metaphor in order to describe the end of the Exile as a wedding banquet.
