Infidelity - Kenneth Paul Rosenberg 2018-05-15

What the latest science tells us about the brain's reward systems, love, and sex -- and how to prevent an affair from destroying your life How can I prevent an affair from destroying my life? Whether I am the cheater or the betrayed partner, how can I survive, even thrive, in the wake of an affair? Infidelity provides

key insights to find your true sexual and romantic potential and advocates honesty, trust, and integrity--the fundamentals of love. People often cheat in a haze of delusion, believing that it will bring them real love, help them have better sex, lift their spirits, and boost their sagging self-esteem; however, very often, cheating wrecks relationships and erodes self-esteem. In Infidelity, one of America's top doctors combines

neuroscience, addiction theory, and common sense to explain the three types of cheating: emotional, virtual, and physical; why they're so prevalent; and how to live in accordance with our values when we are drawn to stray. Examining what the latest science tells us about the brain's reward systems, love, and sex, Dr. Kenneth Paul Rosenberg reveals what drives men and women to cheat and what they can do about it. At a time when America's pornography obsession rises to the level of a competing sexual interest, when is porn a problem, and when does it count as infidelity? And since it is not the act of infidelity alone that destroys a couple, how does any couple prevent growing apart? Through concrete rules addressing these and other vital questions, Dr. Rosenberg guides couples on how to prevent cheating, stop it from progressing, and repair the damage caused by an affair.

The Secret Life of the Cheating Wife - Alicia M. Walker 2017-10-24

Using a sample collected from Ashley Madison, this book is the result of a yearlong inquiry into women's extramarital experiences. Ultimately, these women reject the binary proposition of marriage that assumes that either we work on our marriages and remain monogamous within them, or we break up the relationship and take up other relationships. These women conceive of an alternate solution to a marriage that is not wholly working, where their own needs are ignored, unmet, and not prioritized. Thus, the women in this study are engaging in secret defiance of the expectations of marriage and primary partnerships. This book gives voice to women's experiences and perceptions regarding their participation in infidelity, and glimpses into the interworkings of our most intimate relationships, and the ways women negotiate marriages that fall short of their expectations.

NOT "Just Friends" - Shirley Glass 2007-11-01

One of the world's leading experts on infidelity provides a step-by-step guide through the process of infidelity—from suspicion and revelation to healing, and provides profound, practical guidance to prevent infidelity and, if it happens, recover and heal from it. You're right to be cautious when you hear these words: "I'm telling you, we're just friends." Good people in good marriages are having affairs. The workplace and the Internet have become fertile breeding grounds for "friendships" that can slowly and insidiously turn into love affairs. Yet you can protect your relationship from emotional or sexual betrayal by recognizing the red flags that mark the stages of slipping into an improper, dangerous intimacy that can threaten your marriage.

I Can't Get Over My Partner's Affair - Andrew G Marshall 2015-10-22

You'd think if someone was caught having an affair that they'd make a full confession. You'd think they would know if they wanted to stay or leave. You'd think they would be able to explain why they were unfaithful. You'd think if they promised to 'fight' for their marriage that their actions would match their words. But for lots of people recovery is not so straightforward and takes far longer than they would have imagined on discovery day. Sometimes the person who has been unfaithful vows to do 'anything' to make it better but the next day sabotages everything. Sometimes the discoverer of the infidelity is constantly besieged by horrible images or overcome with anxiety - even though they want to move forward. Sometimes the betrayal has been so great - several affairs, hook-up sites, prostitutes or cheating with a friend - that recovery is much harder. Alternatively, the couple's marriage was so close or they were childhood sweethearts that the pain is doubled and quadrupled. If you can't get over your partner's affair, it is easy to think that the pain is too great and you need to split up. However, Andrew G. Marshall has spent thirty years working with couples in crisis and has a message of hope. 'It's not that there's something fundamentally wrong with your marriage but you have been so profoundly hurt that you need extra help and to learn special skills to find a way round blockages.' In this compassionate book, he shares: 50 case histories so you don't feel so alone in your struggle. How to diagnose why you're feeling stuck. The common myths about infidelity that make recovery harder. How to communicate better with your partner and stop arguments going round in circles. How to turn the pain of infidelity into something positive.

Healing from Infidelity - Michele Weiner-Davis 2017

"Little compares to the devastation people feel upon discovering their spouse has been unfaithful. Shocked, devastated and overwhelmed, couples often hit stalemates as they struggle to get past intense emotional pain, mistrust, resentment and never-ending arguments about the betrayal. Based on over three decades of experience helping couples recover from betrayal and save their marriages, Weiner-Davis offers a step-by-

step program to help readers: - Deal with traumatic feelings after the discovery - Respond to questions about the affair - Talk about intense emotions without arguing - End the affair - Offer apologies that are sincere and healing - Overcome flashbacks and painful memories - Rebuild trust and accountability - Make their marriage stronger than before the affair - Find forgiveness - Reconnect sexually This book is filled with case vignettes of couples whose lives were shattered by betrayal but have eventually recovered and thrived."--Publisher's description.

Why Do Men Cheat? - Nadine Cross 2019-12-20

'WHY DO MEN CHEAT?' - THE RAW TRUTH In a desperate bid to save their relationship and check the worrisome activities of a cheating partner, a lot of women turn to relationship counselling for help and advice. As with all things in high demand by people, relationship counseling and other such services have now become big business. One that's beyond the financial reach of a lot of desperate women. In this book, Why Do Men Cheat? Nadine Cross, an experienced relationship expert and a knowledgeable woman, has put together some of the best relationship counselling guidance information to straighten you out, and guess what? Both single and married women can benefit. Discussed in detail are over 32 issues, each of which can result in a man cheating on his woman and the complete breakup of any relationship. Strategic solutions are driven home with clear explanations and examples that make it easy to understand precisely what's wrong with your man and how to fix him. Revealed are all that the other woman, the side chick, is doing secretly to seduce your man and draw his attention away from you and your kids. You'll discover exactly where you went wrong with your man and how to get him back! Connect to Love - M. Gary Neuman 2011-01-04

In their own voices, women show how to strengthen your relationship-with surprising revelations from New York Times bestselling author Gary Neuman This breakthrough book, based on the voices of real women from all walks of life and groundbreaking new research, shows couples how to grow stronger by understanding what women need from a romantic relationship. In Connect to Love, family counselor and relationships expert M.Gary Neuman explores the problems that women face in their marriages or relationships that might make them dissatisfied with their partners-or willing to stray. Neuman reveals the startling discoveries he made through his in-depth new research of more than five hundred women. When it comes to sexual intimacy, for instance, wives who are satisfied with their marriages have sex more than twice as frequently than those who are dissatisfied. Includes a step-by-step two-week plan to improve your relationship Filled with dramatic personal stories and surprising findings on sex, emotional issues, intimacy, communication, and more From the author of the New York Times bestseller The Truth about Cheating Neuman has been a frequent guest on Oprah, Today, and other major TV shows Written for couples while addressing both female and male issues Written with a compassionate and down-to-earth tone, Connect to Love will open your eyes to see relationships in a new way while empowering yourself and your partner for change.

Everything Great Marriage - Bob Stritof 2004-01-19

Brimming with helpful information and tips, The Everything Great Marriage Book can help bring harmony to any relationship.

After the Affair - Janis A. Spring 1997-02-14

For the 70 percent of couples who have been affected by extramarital affairs, this is the only book to offer proven strategies for surviving the crisis and rebuilding the relationship -- written by a nationally known therapist considered an expert on infidelity. When I was 15, I was raped. That was nothing compared to your affair. The rapist was a stranger; you, I thought, were my best friend. There is nothing quite like the pain and shock caused when a partner has been unfaithful. The hurt partner often experiences a profound loss of self-respect and falls into a depression that can last for years. For the relationship, infidelity is often

a death blow. After the Affair is the first book to help readers survive this crisis. Written by a clinical psychologist who has been treating distressed couples for 22 years, it guides both hurt and unfaithful partners through the three stages of healing: Normalizing feelings, deciding whether to recommit and revitalizing the relationship. It provides proven, practical advice to help the couple change their behavior toward each other, cultivate trust and forgiveness and build a healthier, more conscious intimate partnership.

The Secrets of Surviving Infidelity - Scott Haltzman 2013-06

Advocates against ending a relationship due to cheating, teaching both victims and perpetrators of infidelity how to deal with their feelings, reduce their sense of despair, and begin rebuilding a strong relationship.

How Can I Forgive You? - Janis A. Spring 2009-10-13

"If you are struggling with issues of betrayal—or the challenge of whether and how to forgive—here is the most helpful and surprising book you will ever find on the subject."—Harriet Lerner, Ph.D., author of *The Dance of Anger* Everyone is struggling to forgive someone: an unfaithful partner, an alcoholic parent, an ungrateful child, a terrorist. This award-winning book provides a radical way for hurt parties to heal themselves—without forgiving, as well as a way for offenders to earn genuine forgiveness. Until now, we've been taught that forgiveness is good for us and that good people forgive. Dr. Janis Abrahms Spring, a gifted clinical psychologist and award-winning author of *After the Affair*, proposes a radical, life-affirming alternative that lets us overcome the corrosive effects of hate and get on with our lives—without forgiving. She also offers a powerful and unconventional model for earning genuine forgiveness—one that asks as much of the offender as it does of the hurt party. Beautifully written and filled with insight, practical advice, and poignant case studies, this bold and healing book offers step-by-step, concrete instructions that help us make peace with others and ourselves, while answering such crucial questions as these: How do I forgive someone who is unremorseful or dead? When is forgiveness cheap? Can I heal myself - without forgiving? How can the offender earn forgiveness? What makes for a good apology? How do we forgive ourselves for hurting another human being?

Be Happily Married - Abby Medcalf 2018-12-21

ARE YOU READY TO? Feel Closer and More Connected to Your Partner? Stop Having the Same Argument Over and Over? Be Happier and Finally Make Changes that Stick? It's not too late. You can reclaim your relationship AND your happiness. You just need to have the right tools to finally make it happen. Over the last 30 years I've helped thousands of people like you create connection and happiness in their relationships. Combining my hands-on experience and the latest research, I've created a proven system to transform any relationship into a connected, communication machine. My goal is, above all, to provide practical, usable tools that WORK -- not unproven ideas or pie-in-the-sky theories that sound good but do little to help you in your day-to-day life. You can create the relationship of your dreams, even if you're partner won't do a thing! In this book, you'll learn: The secret to why your past attempts at change haven't lasted. Effective tools to get your relationship unstuck, quickly and easily. How small, simple steps can get you BIG results, no matter how long you've struggled. The keys to creating a happy and connected relationship. The level of happiness in your life is DIRECTLY related to the level of happiness in your relationship. This is the last relationship book you'll ever have to read because I'll show you exactly how to get there.

The New Monogamy - Tammy Nelson 2013-01-02

Everyone has their own concept of what "monogamy" means—and most people assume their partners and spouses are on the same page. Couples may assume that they are monogamous, but never discuss exactly what the monogamy agreement means to them. What happens when this implicit agreement is broken? After infidelity, relationships can become strained as both partners lose trust and faith in each other. The New Monogamy offers a way out of these difficulties for couples struggling to stay together after infidelity. Couples make these implicit assumptions and agreements explicit so that each partner knows exactly what is expected of them in the future and what they can expect from their partner. Author Tammy Nelson helps couples regain trust, romance, and intimacy after infidelity by redefining the monogamy contract. The new monogamy contract is an explicit relationship agreement created after the affair that allows each partner to

openly, honestly, and safely share their desires, expectations, and limitations. This agreement does not create an open marriage, but rather, an open conversation wherein each partner can have a say in setting the ground rules for their relationship. The book first helps couples rebuild trust after the affair, then engages in a series of Imago dialogues based on questions about what each partner really wants in the relationship, not what you think you should want or what a partner wants you to want. The New Monogamy includes questionnaires, checklists, and candid questions for partners to ask that help welcome complete honesty and trust back into the relationship. Then, the book helps couples make an erotic recovery from infidelity by addressing erotic problems that may surface and offers advice for helping couples return to desiring and trusting one another. After an affair, it's impossible to go back to the way the relationship was before, but this book offers the chance for a new beginning.

Out of the Doghouse - Robert Weiss 2017-01-03

DATING, RELATIONSHIPS, LIVING TOGETHER & MARRIAGE. Typically, men are good at creating rifts in relationships but terrible at mending them, especially after they've repeatedly betrayed their partner through sexual infidelity. For the most part, cheating men are both intimacy-challenged and empathy-challenged, and, as such, they lack the skills needed to overcome the damage wrought by their infidelity. Robert Weiss has spent over twenty years in the treatment of sex and intimacy issues, helping both cheating men and their betrayed spouses. In *Out of the Doghouse* he shares his expertise, illuminating the ways in which men can move beyond their usual feeble efforts to smooth things over. Sure, saying "I'm sorry" and trying to "buy forgiveness" with flowers and jewelry may temporarily calm the stormy seas, but these actions do nothing to re-establish trust, which is what a distraught woman needs if she hopes to feel better about her relationship over the long-term.

Blindsided By His Betrayal: Surviving the Shock of Your Husband's Infidelity - Dr. Caroline Madden, Marriage Therapist 2016-05-15

Your husband cheated on you, and now you don't recognize yourself. You feel crazy. You are NOT crazy! You are having a normal reaction to being blindsided by your husband's betrayal! Your reactions are completely rational and expected responses to such a painful experience. You're hurting, this book can help. Dr. Caroline Madden, infidelity expert and licensed marriage therapist describes: *12 Actions that will help you get back to the woman you were *Posttraumatic Affair Syndrome (PTAS) *7 Actions you want to take but should NOT (as They May Backfire Horribly) *Understand the thoughts that plague you *The stupid things your husband says and why he says it This book is geared towards helping you deal with your tumultuous emotions so that you make better, more rational decisions.

The Science of Trust: Emotional Attunement for Couples - John M. Gottman 2011-05-09

An eminent therapist explains what makes couples compatible and how to sustain a happy marriage. For the past thirty-five years, John Gottman's research has been internationally recognized for its unprecedented ability to precisely measure interactive processes in couples and to predict the long-term success or failure of relationships. In this groundbreaking book, he presents a new approach to understanding and changing couples: a fundamental social skill called "emotional attunement," which describes a couple's ability to fully process and move on from negative emotional events, ultimately creating a stronger relationship. Gottman draws from this longitudinal research and theory to show how emotional attunement can downregulate negative affect, help couples focus on positive traits and memories, and even help prevent domestic violence. He offers a detailed intervention devised to cultivate attunement, thereby helping couples connect, respect, and show affection. Emotional attunement is extended to tackle the subjects of flooding, the story we tell ourselves about our relationship, conflict, personality, changing relationships, and gender. Gottman also explains how to create emotional attunement when it is missing, to lay a foundation that will carry the relationship through difficult times. Gottman encourages couples to cultivate attunement through awareness, tolerance, understanding, non-defensive listening, and empathy. These qualities, he argues, inspire confidence in couples, and the sense that despite the inevitable struggles, the relationship is enduring and resilient. This book, an essential follow-up to his 1999 *The Marriage Clinic*, offers therapists, students, and researchers detailed intervention for working with couples, and offers couples a roadmap to a stronger future together.

What Makes Love Last? - John Gottman 2013-09-10

"One of the foremost relationship experts at work today applies the insights of science toward understanding the real meaning of trust between a couple. He decodes the "why" behind betrayal and shows how partners can avoid or recover from unfaithfulness and maintain a loving relationship. Dr. John Gottman, the country's pre-eminent researcher on marriage, is famous for his Love Lab at the University of Washington in Seattle where he deciphers the mysteries of human relationships through scientific research. His thirty-five years of exploration have earned him numerous major awards, including from the National Institute of Mental Health, the American Psychological Association, and the American Association for Marriage and Family Therapy. Now, Dr. Gottman offers surprising findings and advice on the characteristic that is at the heart of all relationships: Trust. Dr. Gottman has developed a formula that precisely calculates any couple's loyalty level. The results determine a relationship's likely future, including the potential for one or both partners to stray. A Love You Can Trust shows couples how to bolster their trust level and avoid what Dr. Gottman calls the "Roach Motel for Lovers." He describes how the outcome of--"sliding door moments," small pivotal points between a couple, can lead either to more emotional connection or to discontent. He suggests a new approach to handling adultery and reveals the varied and unexpected non-sexual ways that couples often betray each other. A Love You Can Trust guides couples through an empirically tested, trust-building program that will let them repair and maintain a long-term, intimate, and romantic relationship"--

How to Be Happy Partners - Tina Tessina 2016-05-25

Written by the authors of *How to Be a Couple and Still Be Free*, this book is a handbook for couples who need tools to be happy in their relationships. It's a handbook on how to achieve mutual happiness, through cooperative negotiation and communication. Couples are led through a step-by-step process whereby each one learns how to take care of what he or she wants and care for a partner's happiness at the same time. The clear and concise instructions and guidelines teach couples the skills they need to create a mutually supportive partnership allowing each individual to be satisfied in their relationship. It is based on The Negotiation Tree, an ingenious tool that can help any couple turn a struggle or fight into a cooperative problem-solving session. The book is designed especially for: * People who seek a model for equal partnership. * Couples who want to transform struggle into teamwork. * Couples who are married, cohabiting, or dating. * Couples who are in a traditional or alternative relationship. *How to Be Happy Partners* is the perfect tool for designing and creating a relationship unique to your individual personalities and situation. With it, any couple can learn to work together to create a loving, sustainable, healthy, and happy partnership that both will treasure.

The State Of Affairs - Esther Perel 2017-10-12

NEW YORK TIMES BESTSELLER Is there such a thing as an affair-proof marriage? Is it possible to love more than one person at once? Why do people cheat? Can an affair ever help a marriage? Infidelity is the ultimate betrayal. But does it have to be? Relationship therapist Esther Perel examines why people cheat, and unpacks why affairs are so traumatic; because they threaten our emotional security. In infidelity, she sees something unexpected - an expression of longing and loss. A must-read for anyone who has ever cheated or been cheated on, or who simply wants a new framework for understanding relationships. 'Esther Perel does nothing short of strip us of our deepest biases, remind us of our purpose in connecting as lovers, and save relationships that might otherwise sink into the sea-all with even-handed wisdom, fresh morality, and wise prose. Thank heavens for this woman.' - Lena Dunham 'Beautiful. A brilliantly intelligent plea for complexity, understanding, and - as always - kindness.' - Alain de Botton 'She's the guru on relationships... she's the first person I ask for advice' - Cara Delevingne 'Wisest sex therapist we ever did meet. Her new book, *THE STATE OF AFFAIRS*, proposes a new perspective on infidelity' - GRAZIA 'This is a must-have for all married couples and has completely changed my thinking.' - SUNDAY TIMES STYLE

Healing Your Spouse After Your Affair - Laura Redmond 2019-12-04

Do you want to restore the trust in your marriage after an affair? Are you looking for an effective way to get rid of your guilt and the trauma that occurs after an affair? Would you like to help your wounded spouse find emotional healing and rebuild a stronger relationship? If your answer is yes to any of these questions, then keep reading because you're about to find what you're looking for. Marital infidelity is a traumatic experience to go through, no matter what side you're on - the cheater or the cheated one. The good news is there are many ways to fix and even strengthen the trust in you, your spouse and your marriage. Maybe your affair progressed without you even noticing it, or maybe it was a conscious decision. The truth is, affairs get complicated fast. The real emotional turmoil starts once the affair is out in the open and the person you committed your life and loyalty to feels betrayed. All the emotional pain that follows is going to shake a relationship to its core. This book has the set of tools you can easily employ to move on after an affair, rebuild the relationship with your spouse, and make it stronger than ever. In this guide, you will discover: How to rebuild trust in your marriage even if your spouse seems to resent you The secret weapon to gain your partner's admiration as well as put jealousy at bay, without losing any of your friends How to identify behavioral patterns and specific techniques to prevent the likelihood of an affair happening again 1 essential truth you don't want to believe, but should, to instantly reconnect with your partner and leave your mistakes behind Tried-and-true strategies to help you discover that it's possible to have an even stronger marriage after an affair ... and much, much more! So if you want to rebuild trust in your marriage, click the "Add to Cart" button now!
