The Good Girl's Guide to Great Sex - Sheila Wray Gregoire
2012-03-06

Candid and contemporary, this book gives you a Christian place to turn for answers to your most intimate--and embarrassing--questions. Billions

of people have had sex. Far fewer have made love. In *The Good Girl's Guide to Great Sex*, author Sheila Wray Gregoire helps women see how sexual intimacy was designed to be physically stupendous but also incredibly intimate. Whether you're about to walk down the aisle, newly married, or you've been married for decades, *The Good Girl's Guide to Great Sex* will lead you on a wonderful journey of discovery toward the amazing sex life God designed you for. With humor, research, and lots of anecdotes, author Sheila Wray Gregoire helps women see how our culture's version of sex, which concentrates on the physical above all else, makes sex shallow. God, on the other hand, intended sex to unite us physically, emotionally, and spiritually. Gregoire walks through these three aspects of sex, showing how to make each amazing, and how to overcome the roadblocks in each area we often encounter. Drawing on survey results from over 2,000 people, she also includes lots of voices from other Good Girls, giving insight into how other women have learned to truly enjoy sex in marriage.

Sex at Dawn - Christopher Ryan 2021-01-05

The 10th-anniversary edition of the book that radical re-evaluates the origins and nature of human sexuality. Since Darwin's day, we've been told that sexual monogamy comes naturally to our species. Mainstream science — as well as religious and cultural institutions — has maintained that men and women evolved in families in which a man's possessions and protection were exchanged for a woman's fertility and fidelity. In this groundbreaking book, however, Christopher Ryan and Cacilda Jethá argue that human beings evolved in egalitarian groups that shared food, child care, and, often, sexual partners. Weaving together evidence from anthropology, archaeology, primatology, anatomy, and psychosexuality, the authors show how far from human nature monogamy really is. With intelligence and humour, Ryan and Jethá explain how our promiscuous past haunts our contemporary struggles. They explore why many people find long-term fidelity so difficult; why sexual passion tends to fade even as love deepens; why homosexuality persists in the face of standard evolutionary logic; and what the human body reveals about the prehistoric origins of modern sexuality. Shocking, enlightening, and

ultimately inspiring, *Sex at Dawn* offers a revolutionary understanding of why we live and love as we do.

More Joy - Alex Comfort 1975

The Perfect Fit - Edward W. Eichel 1992

Eichel introduces the Coital Alignment Technique (C.A.T.) which enables women to achieve orgasm regularly, intensifies climax and frequently produces simultaneous orgasm.

The Missing Dimension in Sex - Herbert W. Armstrong 1981

MARRIAGE MELTDOWN - Emma Darcy 2020-02-01

Gina has been married to her wealthy, handsome husband, Reid, for seven years. They were blessed with adorable children and supposedly living a happy life as a married couple. But then Gina started to suspect that her husband was cheating on her, and it left her in a state of indecision... Now, to make matters worse, her husband has announced the unthinkable—he and his secretary are heading off on a business trip. The worst part is they'll be staying in the same suite! Has his heart moved on from Gina to another woman? In order to win him back, Gina's going to take drastic measures that will shock even her!

Daughter of the Forest - Juliet Marillier 2001

Sorcha, the seventh child and only daughter of Lord Colum, faces the difficult task of having to save her family from its enemies, who have bewitched her father and six older brothers while forcing her to choose between the life she has always known and a special love.

More Joy of Sex - Alex Comfort 1974

More Joy - Alex Comfort 1987

The book that revolutionized America's thinking on sex is back to meet the needs of the '80s. Dr. Comfort has revised and updated his classic to provide current, caring advice plus important information on health risks of this decade.

Sex and Eroticism in Mesopotamian Literature - Dr Gwendolyn Leick 2013-01-11

Sex and Eroticism in Mesopotamian Literature is a new contribution to current debates about sex and eroticism. It gives an insight into Mesopotamian attitudes to sexuality by examining the oldest preserved written evidence on the subject - the Sumero-Akkadian cuneiform sources - which were written between the 21st and the 5th centuries B.C. Using these long-neglected and often astonishing data, Gwendolyn Leick is able to analyse Mesopotamian views of prostitution, love magic and deviant sexual behaviour as well as more general issues of sexuality and gender. This fascinating book sheds light on the sexual culture of one of the earliest literate civilisations.

She Comes First - Ian Kerner 2019-10-10

Did you know that the clitoris has 8000 nerve endings, twice as many as the penis? Here is everything you've wondered about the female orgasm and how to make it happen. A witty, well-researched and revealing guide to giving your lover an orgasm every time. More than just foreplay, Ian Kerner argues that oral sex is the key to a great sex life for both partners. Short sections cover philosophy, technique, step-by-step instructions and detailed anatomical information, essential to both beginners and experienced lovers. 'It's time to close the sex gap and create a level playing field in the exchange of pleasure, and cunnilingus is far more than just a means for achieving this noble end; it's the cornerstone of a new sexual paradigm, one that exuberantly extols a shared experience of pleasure, intimacy, respect and contentment. It's also one of the greatest gifts of love a man can bestow upon a woman.'

Ian Kerner

Girl Boner - August McLaughlin 2018-08-07

In a culture where female empowerment is used to sell everything from sex toys to soap, most sex education continues to bypass pleasure. The results are stark; we've grown accustomed to slut- and prude-shaming and allowed others to dictate how a "good girl" is meant to feel, act, and look. In *Girl Boner: The Good Girl's Guide to Sexual Empowerment*, August McLaughlin offers an inclusive, unfiltered blend of personal narrative and practical tips on relationships, solo play, journaling, gender issues, and more. From the perks of "jilling off" to the 7 types of 'gasms,

Girl Boner will "empower you to own your sexual self and enjoy ... your whole life a great deal more."

Eight Dates - John Gottman 2019-02-05

Strengthen and deepen your love with a fun, ingenious program of eight life-changing conversations—on essential topics such as money, sex, and trust—from two of the world's leading marriage researchers and clinicians. Navigating the challenges of long-term commitment takes effort—and it just got simpler, with this empowering, step-by-step guide to communicating about the things that matter most to you and your partner. Drawing on forty years of research from their world-famous Love Lab, Dr. John Gottman and Dr. Julie Schwartz Gottman invite couples on eight fun, easy, and profoundly rewarding dates, each one focused on a make-or-break issue: trust, conflict, sex, money, family, adventure, spirituality, and dreams. Interactive activities and prompts provide motivation to stay open, stay curious, and, most of all, stay talking to each other. And the range—from the four skills you need for intimate conversation (including Put Into Words What You Are Feeling) to tips on being honest about your needs, while also validating your partner's own emotions—will resonate, whether you're newly together or a longtime couple looking to fortify your bond. You will discover (or rediscover) your partner like never before—and be able to realize your hopes and dreams for the love you desire and deserve.

More Joy of Sex - Alex Comfort 2006

A guide to sex, stressing the refinements and enjoyment of lovemaking. It describes sexual techniques aimed at adding zest and variety to erotic relations between men and women.

The Book of Love - James McConnachie 2009-05-26

An "enticing . . . elegant and stylish" biography of the ancient Hindu manuscript that became the world's most famous sex manual (The New York Review of Books) The Kamasutra is one of the world's best-known yet least understood texts, its title instantly familiar but its contents widely misconstrued as a how-to guide of acrobatic sexual techniques. Yet the book began its life in third-century India as something quite different: a vision of a life of urbane sophistication, with advice on

matters from friendship to household decoration. Celebrated, then neglected, the Kamasutra was very nearly lost—until an outrageous adventurer brought it to the West, earning literary immortality. In lively, lucid prose, James McConnachie provides a rare look at the exquisite civilization that produced this cultural cornerstone. He details the quest of explorer Richard Burton, who—with his coterie of libertines—unleashed the Kamasutra on Victorian society as a slap at its prudishness. And he describes the Kamasutra's exile to the pornographic underground, until the end of the Lady Chatterley obscenity ban thrust it once more into contentious daylight. The first work to tell the full story of the Kamasutra, *The Book of Love* explores how a way of looking at the world came to be cradled between book covers—and survived.

The Joy of Sex - Alex Comfort, M.D., D.SC. 1986

After 30 years—with more than eight million copies sold—"The Joy of Sex" is still considered the quintessential sex manual by millions of readers. Featuring an exuberant combination of newly updated text and illustrations, this classic sex manual tells readers everything they want—and need—to know about sex in the 21st century. 20 full-color photos. 80 line illustrations.

And It Was Very Good - Earthly Parents 2019-01-31

And It Was Very Good is the marital intimacy book written specifically for Latter-day Saints. "A practical, forthright guide to marital sexuality. *And It Was Very Good* offers important sex education and relationship guidance that many Latter-day Saint couples need." --Jennifer Finlayson-Fife, PhD, LCPC, host of the "Ask a Mormon Sex Therapist" podcast. "And It Was Very Good is a valuable resource of clinically accurate and comprehensive sexual education that fits within the value structure of Latter-day Saints. Many problems I see as a sex therapist could be avoided if couples had this type of information prior to or at the beginning of their marital relationship." --Natasha Helfer Parker, LCMFT, CST, host of the "Mormon Sex Info" podcast. By reading *And It Was Very Good*, an engaged couple will prepare for the wedding night with confidence in the purity of the act. A newlywed couple will join in the marriage bed ready to make the act one of joy. A long-married couple

will find new ways to share the act of marriage. *And It Was Very Good* is much more than the "facts of life." Subjects discussed in detail include the "thou shalt" of marriage, desire, anatomy, foreplay, female pleasure, male pleasure, the wedding night and much more. The frank but respectful advice in *And It Was Very Good* is presented in a tasteful manner along with framing in gospel principles. All married couples will find themselves drawing closer together by reading *And It Was Very Good*. *And It Was Very Good* is a perfect give for an engaged couple, newlyweds, or a spouse.

Healing Love through the Tao - Mantak Chia 2005-07-15

A new edition of the bestseller • The first book to reveal in the West the Taoist techniques that enable women to cultivate and enhance their sexual energy • Reveals Taoist secrets for shortening menstruation, reducing cramps, and compressing more chi into the ovaries for greater sexual power • Teaches the practice of total body orgasm For thousands of years the sexual principles and techniques presented here were taught by Taoist masters in secret only to a small number of people (sworn to silence), in the royal courts and esoteric circles of China. This is the first book to make this ancient knowledge available to the West. The foundation of healing love is the cultivation, transformation, and circulation of sexual energy, known as jing. Jing energy is creative, generative energy that is vital for the development of chi (vital life-force energy) and shen (spiritual energy), which enables higher practices of spiritual development. Jing is produced in the sexual organs, and it is energy women lose continually through menstruation and child bearing. Mantak Chia teaches powerful techniques developed by Taoist masters for the conservation of jing and how it is used to revitalize women's physical, mental, and spiritual well-being. Among the many benefits conferred by these practices are a reduction in the discomfort caused by menstruation and the ability to attain full-body orgasm.

Joy of Lesbian Sex - Emily L. Sisley 1986-05-02

A forthright, illustrated exploration of the lesbian life-style covers a wide range of topics including lesbian motherhood, legal matters, romance, and every possible sexual technique

The Way of the Superior Man - David Deida 2008-09

Deida explores the most important issues in men's lives--from career and

family to women and intimacy to love and spirituality--to offer a practical guidebook for living a masculine life of integrity, authenticity, and freedom.
