Never Alone - Melanie Jongsma  
1993

"It's OK to be single," claims NEVER ALONE. "It's OK to be married, too, but most people don't need to be convinced of that." NEVER ALONE was written to affirm the value of the single lifestyle. It calls on

the Bible to offer comfort, reassurance, & renewed confidence to single adults. If you know someone who is frustrated with our society's unintentional prejudice against the unmarried minority, this book would make a great gift.

### Stop Dating the Church! -

Joshua Harris 2009-01-21

Putting in their hour or two on the weekend, many Christians take the rest of the week off, neglecting the church and her needs. It's not a serious relationship. Some shop around, looking for a church that suits their lifestyle. It's dating, with no assurances, no obligations. Bestselling author Joshua Harris calls Christians to stop playing the field and commit, just as Christ is committed to us, His bride. In his new book, Harris explores the ramifications of Ephesians 5:25-32, which proclaims the intensity and the breadth of Jesus Christ's love for His church. God has designed us to build our lives around a local church; we cannot be indifferent or uninvolved.

Rather, we must be in love with and committed to God's plan and purpose through the church. Are you dating the church, or are you committed? Are You Dating the Church?

We are a generation of consumers, independent and critical. We attend church, but

we don't want to settle down and truly invest ourselves. We're not into commitment — we only want to date the church. Is this what God wants for us? Stop Dating the Church reminds us that faith was never meant to be a solo pursuit. The church is the place God grows us, encourages us, and uses us best. Loving Jesus Christ involves a passionate commitment to His church — around the world and down the street. We can't be apathetic. It's time to fall in love with the family of God. Story Behind the Book Like all my books, this one is very closely tied to my own journey. I've been a church-dater. And I've learned just how good it is to get serious about the church. I want to see my generation get a hold of God's purpose and plan for the local church, too. The same month this book is released I'll become the senior pastor of my church. This awesome responsibility is being passed on to me by my mentor, C. J. Mahaney, a pastor who has faithfully served for over 26 years. So this book is

marking a very important transition in my life. The church isn't some other generation's responsibility—it isn't somebody else's business. I have to take responsibility. I have to be passionate and committed to it. Through the pages of this book, I'm calling my generation to do the same. From the Hardcover edition.

Never Alone - Tiffany Bluhm  
2018-02-06

From the time we're little girls, we long to be loved and accepted—from the playground to the lunchroom to the places where we live and work as grown women. We do our best to prove we're lovable and to avoid being left all alone. But the truth is that it's impossible to walk through life without experiencing the pain and loneliness of betrayal, shame, guilt, loss, judgment, or rejection. These wounds can shape our views of ourselves, others, and God and even make us question if we are worthy of love and acceptance. Whether old or new, our heartache can

convince us there's no one who understands or cares. Yet Jesus tells us a different story. In *Never Alone*, author Tiffany Bluhm offers hope and encouragement that as our plans, hearts, and lives change, God does not miss a beat. What we may have mistaken for absence was only our mind questioning his goodness and grace. Tiffany reveals the depth and healing power of Jesus' unconditional love for us and how we will never escape his love. We do not possess that kind of power. If we are willing, we can discover the sacred truth that we indeed, are never alone. Accept your invitation to find healing for your deepest hurts as we experience the unfailing companionship of Jesus—the Rescuer and Redeemer of broken lives and wounded hearts. A companion six-week Bible study *Never Alone: Six Encounters with Jesus to Heal Your Deepest Hurts* is also available for those who would like to dig deeper into the book's topic. Study components, each available

separately, include a Participant Workbook with five days of lessons per week, Leader Guide, DVD with six 20-25 minute sessions (with closed captioning), and boxed Leader Kit containing one of each component.

THE MATCHMAKER : AT YOUR SERVICE - Dr Ezekiel Olusegun Alawale 2014

"Young people, wow, what a gift you are holding in your hands! Reading through this book, I can't stop thinking of how lucky you are. You live in a world of lies and deceptions. How precious it is, therefore, to meet somebody that tells you the truth. Truth, in a world of false, is in fact becoming a scarcity. And this is why this book is so precious. I, therefore, wish to express my deepest appreciation to Pastor Ezekiel; for taking the time from his very busy schedule to write this book. Thank you and God bless you!"- Pastor Sunday Adelaja, Founder and Senior Pastor of the Embassy of the Blessed Kingdom of God of All Nations

*Friends With Benefits 101* - Marcus Woods 2019-06-08

Fellas, do you reallllly know what it means to be friends

with benefits (FWB) with the opposite sex? If you ever cried yourself to sleep after an FWB partner stops contacting you, you don't. If you ever lied to an FWB partner, you don't. If you ever stalked her social media pages, you CERTAINLY don't! FWB has been thrown around like champagne in a championship team's locker room, yet most fellas have no idea what it truly means. Outside of a 4-year committed relationship, I've been in dozens of FWB unions since 2006. I have had pleasurable FWB situations and chaotic ones. Some lasted a few years while others lasted longer than a virgin's first stroke of pussy. So, I have the credentials and experience to speak on this subject. In *Friends With Benefits: The Casual Dating Bible*, you will learn the following things: -What FWB truly is -The rules & regulations of being FWB -How to spot women online who are open to being FWB -How to see things from a female's perspective to have a fun, non-drama FWB relationship -Signs that she's

not FWB ready -Signs that you're not FWB ready -Body language signals to determine if she's interested.... or not -How to set the mood when alone with her (Unfortunately, a lot of guys still don't know how to do this!) -Signs that your FWB partner is crazy -How to reprogram your mind to get women more "sex-ready" -How to bypass the small talk & get straight to the sex -How to be a Real Man (This is the integral lesson of this book) -And so much more..... You can do whatever the hell you want to do with your \$19.99. But just know that if you don't have the proper mindset for this FWB game, you will be susceptible to: -Baby mama drama (AKA having a child with the wrong woman) -Messing with a crazy woman (You gotta love a female who puts eggs in the gas tank because you didn't text her back ASAP) -Settling for women below your standards -Dating women who are using you -Paying for pleasure Most of those problems cost way more than \$19.99! I personally know guys

who have experienced these things because they didn't know or respect the FWB game. So if you desire to take your casual dating lifestyle to heavenly heights -- minus the drama -- then I am ready to teach ya'!

*Talks Your Dad Never Had With You* - Dr. Harold D. Davis  
2008-06-01

God created fathers to love, protect, support and encourage

their daughters to live a life of integrity and purity. However, many fathers have failed in their responsibility. The father/daughter relationship is especially crucial in today's society. Across the country, many young ladies suffer from the lack of a loving father, whether present or distant. Every young lady longs to know and be close to her father- to chat with him, to laugh with him, and receive the assurance from a needed hug or talk. *Talks Your Dad Never Had with You* gives us a loving father's voice. Dr. Harold D. Davis's biblical knowledge, practical advice and "telling it like it is" tone, offers young women hard truth and tough love on issues such as purity, boys, sex, and their value.

**Can I Call You Soldier?** - Dr. Harold D. Davis 2006-09-01  
The war is at home and the battlefield is in the lives of our young men. In any community, and particularly in the black community, millions of young men feel the void of a role model. For every absent father, complacent leader, and passive

bystander, there is a man who will step in and be a father figure--whether he is a trustworthy man of God or a dangerous enemy, someone will fill the void. It's up to us to win this battle and prepare for the next generation to join in the fight. For the many men wondering how to win...Can I Call You Soldier? will be their strategy for victory.

*Studies in the New Perspective on Paul* - Don Garlington

2008-06-15

This collection of essays follows upon its predecessor, originally entitled *In Defense of the New Perspective on Paul: Essays and Reviews* (Wipf and

Stock, 2005). This second edition differs from the first in that five new chapters have been added and one review article has been deleted. The change of the main title to *Studies in the New Perspective on Paul* is due to the conviction that the "New Perspective on Paul" actually represents a return to the original context in which Paul proclaimed the gospel of Christ. Therefore, it is not something to be "defended," but propounded in the most positive terms possible.
