Vital Signs Gregg Levoy 2014-12-26 Rediscover—or discover for the first time—the things that make you passionate in life Vital Signs is about what inspires passion and what defeats it. How we lose it and how we get it back. And ultimately it's about the endless yet endlessly fruitful tug-of-war between freedom and domestication, the wild in us and the tame, our natural selves and our conditioned selves. Each chapter in Vital Signs will contain a core sample, an intimate biography of one of the strategies we employ to gain or regain our passion. The book also affirms the importance of courageous inquiry into dispassion—where we're numb, depressed, stuck, bored—so the reader can recognize and change these tendencies in themselves.

*The Passion Prescription* Laura Berman 2006-02-01 The definitive guide to a sexual makeover for women of all ages In *The Passion Prescription*, Dr. Laura Berman, the nation's leading sex therapist, offers women a step-by-step guide for making over their sex lives in just 10 weeks. Whether married or single, young or old, every woman can find the tools to create the sex life she wants and deserves. Each chapter explores a different facet of women's sexuality, including tailored recommendations and 'homework,' designed to deliver every woman to sexual satisfaction at the end of the 10 weeks. And since sex is always a couples issue, a Guy's Guide at the end of each chapter summarizes the key points that he needs to know. Dr. Berman also fills in the information gap about medical interventions for women's sex lives. She offers women up-to-the-minute medical guidance for optimizing their sexual health. Her approach includes quizzes for getting to the root of specific sexual challenges and resources for finding the care women need. This ultimate sexual makeover guide includes results from two groundbreaking new studies. One sheds light on the myths surrounding vibrators, letting all women in on the secret benefits that vibrators hold for their sex lives—including enhanced libido, better relationships, and even better quality of life. The second study introduces women to the little-discussed concept of genital self-image and how it affects their sexual satisfaction.

**Cuerpo de mujer, sabiduría de mujer** Christiane Northrup 2023-01-20 Este libro ofrece una información completa y detallada de todo lo referente a la salud de la mujer, y combina los últimos avances en medicina con terapias alternativas que implican tanto el cuerpo como la mente. Desde una perspectiva holista que tiene en cuenta las emociones, el desarrollo personal y la vida espiritual, pone al descubierto el patriarcalismo de la profesión médica y muestra la cara oscura de algunas creencias muy extendidas. La sinceridad de los testimonios recogidos y las valientes reflexiones de la autora acerca de las necesidades y los conflictos íntimos de las mujeres llevarán a muchas lectoras a ver sus experiencias bajo una nueva luz. Descubrirán que la ambivalencia de sentimientos hacia los hijos es natural, que el instinto maternal es un impulso creativo que no se agota en la descendencia, y que si quieren sanar y permanecer sanas deberán llevar a cabo cambios radicales en su vida y en su forma de pensar. Esta es una obra de referencia indispensable para todas las mujeres dispuestas a hacerse cargo de su propio bienestar.

Quantum Love Laura Berman, Ph.D. 2017-02-07 Falling in love is a thrilling, transcendent experience . . . but what about staying in love? Once the intense excitement of a new relationship starts to fade, you may think your only options are to somehow recapture that early magic or settle for a less than fulfilling love life. Now love, sex, and relationship expert Laura Berman, Ph.D., taps the latest scientific and metaphysical research to offer an inspiring alternative: a higher level of love beckoning you to move forward, not backward. Using the essential truth we've learned from the study of quantum physics—the fact that at our molecular core, each of us is simply a vessel of energy—Dr. Berman explains how you can use what's happening in your inner world to create a level of passion, connection, and bliss in your relationship that you've never imagined possible. Drawing on her clinical practice and case studies as well as her personal journey, she guides you to: •Plot your unique energetic frequency of love with her Quantum Lovemap •Work consciously with the energy of your body, heart, and mind •Make four key commitments designed to raise your energetic profile •Bring your frequency into harmony with your partner's so that you can grow together •Learn how to have Quantum Sex (which is every bit as good as it sounds)Quantum Love is the best possible experience of love, and it's available to absolutely everyone, whether you're seeking a mate, in a relationship that's struggling, or just finding that love has turned lackluster through the stresses of life. You can't go back to the honeymoon phase, but there is something so much better within your reach. Quantum Love lets you reach new heights of intimacy as you gain a fuller sense of purpose in life and love.

*Ageless* Suzanne Somers 2006-10-10 Can you really feel better as you get older? Is aging without illness possible? Is your own internal fountain of youth waiting to be discovered? Yes, yes, and YES! says Suzanne Somers, the bestselling author of *The Sexy Years*. It can all be true when you take advantage of the science of antiaging medicine—a revolutionary approach to achieving the ageless life. Suzanne Somers has already introduced millions of women to bioidentical hormone replacement therapy and changed the way we look at menopause. Now, in *Ageless*, Suzanne introduces an inspiring, medically validated approach to reversing the

aging process and maintaining a healthy, vibrant, mentally sharp, sexually active life—while building the body’s natural defenses against age-related diseases. Suzanne talks about:

- How antiaging medicine can help detox the body of harmful pollutants and chemicals and strengthen our weakest glands and organs
- The dangers of perimenopause and how women can treat it
- Why so many hysterectomies are unnecessary, how birth control pills may have contributed to the rise of hysterectomies, and how to restore your body to perfect hormonal balance after having one
- How andropause is a real condition for men, and how men can lose weight, regain their youthful physiques, and restore health, energy, and sexuality, all through bioidentical HRT
- The importance of sleep and the healing work that nature does during this time to balance hormones and increase energy

In this “antiaging bible,” Suzanne brings together prominent, Western-trained antiaging doctors to show how the traditional medical approach is woefully inadequate. Its standard of care has been to treat all symptoms with drugs, but in *Ageless* you will find out how this approach does not make us better. With antiaging medicine you can heal your body rather than keep a chronic condition at bay with drugs. *Ageless* shows you how to keep your “insides” young, and how this manifests on the outside.
