

Readings In Sexology Paperback

Sex and the Spiritual Path - Herbert B. Puryear 1999-10-15

In this enlightening book, Puryear, a clinical psychologist, explores the subject of sexuality and spirituality based on the readings of the renowned American psychic Edgar Cayce.

Women's Studies - Stevi Jackson 1993-05

A comprehensive selection of over 140 writings on women's studies, representing a diverse set of current feminist thinkers Women's Studies: Essential Readings provides a wide range of readers with an entirely comprehensive selection of over 140 readings on women's studies, representing the entire diversity of current feminist thinking. The book is divided into fourteen sections that reflect primary topics within women's studies, covering theory and perspectives, including: feminist social theory; psychological and psychoanalytic theory; cross-cultural perspectives and historical perspectives, as well as themes such as: education and work; marriage and motherhood; sexuality; the law; crime and deviance; politics and the state; science, medicine and reproductive technology; language and gender; feminist literary criticism; and the media tool Features: Introductions to each section provide an overview of the main issues and debates. Commentaries on each extract locate the work of individual authors within wider debates and identify the perspective from which they are writing. Each section contains a guide to further reading.

The Bible, Gender, and Sexuality - Lynn R. Huber 2020

"This volume collects the most important and cutting-edge readings related to gender, sex, sexuality and the bible. Engaging the Hebrew Bible, New Testament, and surrounding texts and worlds, the selected readings reflect a wide-range of perspectives and approaches. The volume is divided into four parts each of which is introduced by the volume editors in order to situate the readings in their broader scholarly contexts. Finally, an annotated list of further readings points researchers towards further engagements with these key themes"--

Sex and the Spiritual Path - Herbert B. Puryear 1980

"Does physical desire affect my spiritual development?" "What is 'normal' sex?" "Is sex outside of marriage a sin?" In this enlightening book, clinical psychologist Herbert Puryear explores the subject of sexuality and spirituality based on the work of renowned American psychic Edgar Cayce. This guide provides excerpts from the Cayce readings to reveal how sex "can be one of the most beautiful modes of expression of love that approaches the Divine," and much more, including: The relationship between sexuality and creativity The body-beautiful as a temple The difference between creative sexuality and selfish sexuality The role of sexuality in your spiritual path Birth control Separation and divorce This thought-provoking book sheds new light on the relationship between the body and the soul, and shows how we can develop a healthier and more spiritually based understanding of sex through the work of renowned seer Edgar Cayce.

"Where Did I Come From?" - Peter Mayle 2000-12-01

With over a million copies sold, this classic children's book has helped parents all over the world discuss the birds and the bees—without any nonsense. First published in 1973, *Where Did I Come From?* has helped generations of parents talk honestly with their children about the intimate world of human sexuality. Told in an age-appropriate voice respectful of young people's natural intelligence and lightheartedly illustrated throughout, *Where Did I Come From?* creates a safe space where families can learn about the traditional facts of life—from the different parts of the body to orgasm and birth. If you've been wondering how to have this talk with your children, look no further for a trusted resource that will give you the tools you need to share this critical information sensitively and factually. "I give this book top grades for humanness and honesty. Some parents will find that its humorosity helps them over the embarrassment." —Dr. Spock

The Book of Minor Perverts - Benjamin Kahan 2019-02-05

Shortlisted for the Modernist Studies Association Book Prize Statue-fondlers, wanderlusts, sex magicians, and nymphomaniacs: the story of these forgotten sexualities—what Michel Foucault deemed “minor

perverts”—has never before been told. In *The Book of Minor Perverts*, Benjamin Kahan sets out to chart the proliferation of sexual classification that arose with the advent of nineteenth-century sexology. The book narrates the shift from Foucault's “thousand aberrant sexualities” to one: homosexuality. The focus here is less on the effects of queer identity and more on the lines of causation behind a surprising array of minor perverts who refuse to fit neatly into our familiar sexual frameworks. The result stands at the intersection of history, queer studies, and the medical humanities to offer us a new way of feeling our way into the past.

The Bloomsbury Reader in Religion, Sexuality, and Gender - Donald L. Boisvert 2017-01-12

How do religion, gender and sexuality interact? How have they impacted, and continue to impact, human culture? *The Bloomsbury Reader in Religion, Sexuality and Gender* brings together, for the first time, the key texts in the field. Designed as a textbook for use in a classroom setting, it offers thought-provoking selections of some of the most compelling and timely readings available today. The Reader is divided into three parts (bodies; desires; performances). Each considers, from a thematic perspective, the ways in which people have made sense of their religious and sexual experiences, the ways they imagine and talk about gender, sex and the sacred, and the multiple meanings they ascribe to them. Traditions represented include indigenous spiritualities, Christianity, Judaism, Islam, Asian traditions and new religious movements. Some readings are more theoretical or historical in nature, thereby providing wide-ranging contexts for reflection and discussion. The reader includes extensive introductions to the book as a whole and to each of the three parts, as well as short paragraphs contextualizing each of the readings. Each section includes discussion questions for classroom use; additional readings and resources, as well as a glossary of key terms, are also provided. *The Bloomsbury Reader in Religion, Sexuality and Gender* is an ideal resource for courses on religion and sexuality, religion and gender, or religion and contemporary culture more generally.

Constructing Sexualities - Suzanne LaFont 2003

Designed to introduce readers to a broad range of relevant ideas and theories and to encourage critical thinking on a variety of sexuality and gender topics, this collection of articles, classic and current, addresses the relationships between sexuality, gender, and culture. The readings include descriptions of variations in sexual and gender ideologies, expressions of sexuality, gender diversity, and global issues. Gay rights, transgendered movements, intersexed awareness, female genital mutilation, male circumcision, AIDS, sex tourism, and the sex.com explosion on the internet are all current issues addressed.

Sex Matters - Mindy Stompler 2007

This anthology of almost 70 readings—from contemporary scholarly literature, trade books, popular media, as well as contributed articles—examines the many ways in which human sexuality is socially constructed and regulated behavior, and how it is studied by social scientists.

Reading Seminar XX - Suzanne Barnard 2002-07-17

Examines Lacan's key seminar on sexual difference, knowledge, desire, and love.

Genealogies of Identity - Margaret Söner Breen 2005

Genealogies of Identity examines issues of sex and sexuality across a range of critical and cultural perspectives. The volume considers historically specific discourses of sex and sexuality, their effect within public contexts such as the church and the workplace, and the link of those discourses to understandings of individual identity, citizenship, nation, and human rights. As well, the volume analyses representations of sexuality and desire in art, literature, theatre, and theory – representations that serve both to codify and to subvert social norms and aesthetic and theoretical traditions. Finally and more broadly, the volume attests to the critical importance of inter- and multidisciplinary approaches to understanding constructions of gender, sex, and sexuality. *Genealogies of Identity* consists of fifteen essays, versions of which were presented at the First Global Conference on Critical Issues in Sexuality, held in Salzburg, Austria, in October 2004.

Sexuality and the Sacred - Marvin Mahan Ellison 2010-01-01

"Challenges seminarians, clergy, and other religious leaders with provocative essays by leading theologians. Destined to be core reading at seminaries as we prepare the next generation of sexually healthy and responsible clergy." Rev. Debra W. Haffner, Executive Director of the Religious Institute and coauthor of *Religion and Sexuality 2020: Goals for the Next Decade* "Gives much-needed breadth and depth to the discussion of human sexuality and religion." Traci C. West, Professor of Ethics and African American Studies, Drew University, and author of *Disruptive Christian Ethics* "The topics are timely and important, and the scholarship assembled speaks from and to diverse social locations." Ellen T. Armour, Director of the Carpenter Program in Religion, Gender, and Sexuality Studies, Vanderbilt Divinity School "An important book to know," Emilie Townes, Andrew W. Mellon Professor of African American Religion and Theology, Yale Divinity School This updated and expanded anthology featuring approximately thirty contemporary essays includes a wonderfully diverse group of theologians and ethicists addressing issues such as the intersection of race/racism and sexuality, transgender identity, same-sex marriage, and reproductive health. The result is an authoritative selection of essential readings about sexuality, spirituality, and social justice. Marvin M. Ellison teaches Christian ethics at Bangor Theological Seminary in Maine and is the author of *Erotic Justice: A Liberating Ethic of Sexuality and Same-Sex Marriage: A Christian Ethical Analysis*. Kelly Brown Douglas is the Elizabeth Conolly Todd Distinguished Professor of Religion at Goucher College, Baltimore, Maryland. She is the author of *Sexuality and the Black Church: A Womanist Perspective*.

The Philosophy of Sex - Alan Soble 1991

Now in its third edition, this fascinating book illustrates how a philosophical approach to sexuality can shed light on various sexual phenomena, such as pornography, prostitution, sadomasochism, homosexuality, masturbation, sexual perversion, and adultery. A definitive work on a provocative topic.

Speaking of Sexuality - J. Kenneth Davidson 2001

Sexuality and Gender in the Classical World - Laura K. McClure 2008-04-15

This volume provides essays that represent a range of perspectives on women, gender and sexuality in the ancient world, tracing the debates from the late 1960s to the late 1990s.

Theatre and Sexuality - Jill Dolan 2010-06-30

Theatre & Sexuality explains the critical validity of using sexuality as a lens for examining theatre's creation and reception. The book offers clear introductions to sexual identity politics, ways of 'reading'

sexuality on stage and a select history of LGBTQ theatre, including a reading of *Split Britches/Bloodlips'* production *Belle Reprieve*.

Theology and Sexuality - Eugene F. Rogers, Jr. 2002-02-01

This much-needed volume draws on a wide range of resources and some of the freshest talent in the field to examine debates about theology and sexuality. Material is drawn from a variety of ancient, medieval, modern and contemporary texts to provide readers with a broad perspective on the issues discussed.

Human Sexual Behavior - 1971

Sexology in Culture - Lucy Bland 1999-02-15

The key founders of sexology, the "science of desire," were Havelock Ellis, Richard von Krafft-Ebing, and Magnus Hirschfeld. This volume examines the impact of their writings on English-speaking culture from the 1880s to the early 1940s. How influential a field was sexology during this period, and how much power did sexologists wield? What was the impact of their work on popular and official attitudes to sex? Lucy Bland and Laura Doan have brought together leading historians of sex, cultural and literary critics, and scholars in gay, lesbian, and queer studies, to reassess current debates on sexology in light of its history. They address issues such as the relation of "sexual science" to the law, government policy, journalism, eugenics programs, marriage and sex manuals, and literary representation. They also map out new readings of transsexuality and bisexuality, and the centrality of race within sexology. *Sexology in Culture* and its companion *Sexology Uncensored* will interest all those concerned with understanding modern sexual discourse in its historical context.

Readings in Sexualities from Africa - Rachel Spronk 2020-02-04

Images and stories about African sexuality abound in today's globalized media. Frequently old stereotypes and popular opinion inform these stories, and sex in the media is predominately approached as a problem in need of solutions and intervention. The authors gathered here refuse an easy characterization of African sexuality and instead seek to understand the various erotic realities, sexual practices, and gendered changes taking place across the continent. They present a nuanced and comprehensive overview of the field of sex and sexuality in Africa to serve as a guide through the quickly expanding literature. This collection offers a set of texts that use sexuality as a prism for studying how communities coalesce against the canvas of larger political and economic contexts and how personal lives evolve therein. Scholars working in Africa, the U.S., and Europe reflect on issues of representation, health and bio-politics, same-sex relationships and identity, transactional economies of sex, religion and tradition, and the importance of pleasure and agency. This multidimensional reader provides a comprehensive view of sexuality from an African perspective.
