*The Passion Prescription* - Laura Berman 2006-02-01

The definitive guide to a sexual makeover for women of all ages. In *The Passion Prescription*, Dr. Laura Berman, the nation's leading sex therapist, offers women a step-by-step guide for making over their sex lives in just 10 weeks. Whether married or single, young or old, every woman can find the tools to create the sex life she wants and deserves. Each chapter explores a different facet of women's sexuality, including tailored recommendations and 'homework,' designed to deliver every woman to sexual satisfaction at the end of the 10 weeks. And since sex is always a couples issue, a Guy's Guide at the end of each chapter summarizes the key points that he needs to know. Dr. Berman also fills in the information gap about medical interventions for women's sex lives. She offers women up-to-the-minute medical guidance for optimizing their sexual health. Her approach includes quizzes for getting to the root of specific sexual challenges and resources for finding the care women need. This ultimate sexual makeover guide includes results from two groundbreaking new studies. One sheds light on the myths surrounding vibrators, letting all women in on the secret benefits that vibrators hold for their sex lives—including enhanced libido, better relationships, and even better quality of life. The second study introduces women to the little-discussed concept of genital self-image and how it affects their sexual satisfaction.

*The Sexual Spark* - Michael Krychman MD 2018-08-31

*The Sexual Spark* is a thoughtful, user friendly and common sense guide to essential exercises meant to reignite passion in the bedroom. It is perfect for any and all couples or individuals, young or older, happy or struggling sexually, straight or gay. It will serve to complement those already in counseling, self help minded, or curious and adventurous. Health care professionals will find this an invaluable tool as well. This book is written by two gynecologists and nationally known experts in female sexual health and medical sex therapy.

**New Sex Therapy** - Helen Singer Kaplan 2013-10-28

First published in 1975. Routledge is an imprint of Taylor & Francis, an informa company.

**New Directions in Sex Therapy** - Peggy J. Kleinplatz 2013-05-13

*New Directions in Sex Therapy: Innovations and Alternatives* focuses on cutting-edge therapy paradigms as alternatives to conventional sex therapy and expands the definition of the field. Replete with helpful clinical illustrations to demonstrate these new approaches in action, this book is intended for anyone who deals with sexual issues and concerns in therapy, clinicians of every kind, in addition to sex therapists.

**Sand Therapy for Out of Control Sexual Behavior, Shame, and Trauma** - Peg Hurley Dawson 2023-09

"This book is designed to educate sex therapists in the power of using sand when treating sexual issues, providing guidance in accessing their

clients' unconscious to seek new ways of healing. Uniquely integrating sex therapy with sand therapy, Dawson describes how understanding and applying non-pathological theories and neuroscience to different modalities, such as internal family systems and polyvagal theory, can help clients move forward from shame, sexual dysfunctions, and trauma. The book begins by introducing how sex therapists can use sand as a doorway into using metaphor and imagery in their practice, with information on how the nervous system keeps somatic experiences trapped in the body being explored. Written in an easy, accessible style, the book also includes handouts, belief cards, and case studies throughout to help therapists see the benefits of using sand with clients in practice. Including forewords by Dr. Lorraine Freedle and Doug Braun-Harvey, this book is geared toward mental health professionals, such as sex therapists and marriage and family therapists, who are working with individuals and couples seeking treatment from complex trauma and sexual issues. It will appeal to students as well as advanced mental health clinicians looking to expand their therapeutic tool kit"--

**Horny Goat Weed for Sexual Health Book** - Eunice Lewis Ph D 2021-07-13

Have you been battling erectile dysfunction? Have you ever been so hot and hungry for sex, and then when the time comes for you to unleash all you have been fantasizing, you realize that your little man has gone limp for just no reason? So, what are you waiting for? Don't let erectile dysfunction continue to cause you pain and frustration. With *Reviving Passion*, you can take the first step towards reclaiming your passion and experiencing a fulfilling sex life. Order your copy today and start your journey towards revitalized intimacy with your partner!

*Women and Kink* - Jennifer Rehor 2021-07-19

Based on original research from nearly 1,600 women from the kink community, this book takes you on a journey into the motivations, meanings, and benefits of kink, in these women's own words. *Women and Kink* presents a diverse range of personal and intimate stories about life, love, relationships, kink, sex, self-discovery, growth, resilience, community, and more. The book offers insight into the breadth of the kink community, with chapters discussing different aspects of kink and forms of engagement, both individually and within relationships. Filled throughout with personal vignettes and examples, the authors provide commentary, reflection questions, and thought-provoking considerations to readers who are looking to explore a new area of their life. By exploring personal stories of love, alternative sexualities, and reasons for participating in the "unconventional," the book supports and empowers each reader to build a relationship and life that best suits their needs. It is also an illuminating resource for sex therapists, counselors, and other mental health professionals interested in developing a kink-affirmative practice.

*When Art Therapy Meets Sex Therapy* - Einat S. Metzl 2016-09-05

*Clinical Handbook of Couple Therapy* - Jay L. Lebow 2022-09-13

Now in a significantly revised sixth edition with 70% new material, this comprehensive handbook has introduced tens of thousands of practitioners and students to the leading forms of couple therapy practiced today. Prominent experts present effective ways to reduce couple distress, improve overall relationship satisfaction, and address specific relational or individual problems. Chapters on major approaches follow a consistent format to help readers easily grasp each model's history, theoretical underpinnings, evidence base, and clinical techniques. Chapters on applications provide practical guidance for working with particular populations (such as stepfamily couples and LGBT couples) and clinical problems (such as intimate partner violence, infidelity, and various psychological disorders). Instructive case examples are woven throughout. New to This Edition \*Chapters on additional clinical approaches: acceptance and commitment therapy, mentalization-based therapy, intergenerational therapy, socioculturally attuned therapy, and the therapeutic palette approach. \*Chapters on sexuality, older adult couples, and parents of youth with disruptive behavior problems. \*Chapters on assessment and common factors in couple therapy. \*Chapters on cutting-edge special topics: relationship enhancement, telehealth interventions, and ethical issues in couple therapy.

*Sex Therapy* - Keith Hawton 1985-02-07

Sexual problems are a major cause of personal distress and marital breakdown, affecting as many as one in ten of the general population. The author, who has had extensive clinical, research, and teaching experience in the field of sexual dysfunction, has written a very practical account of the nature, causes, assessment, and treatment of sexual problems. The various stages of treatment are described in sufficient detail for therapists who are about to start sex therapy. Experienced

therapists will also find this book a source of useful advice. The treatment approach includes behavioural, psychotherapeutic, and educational techniques. In addition to the treatment of couples, the management of sexual problems of individuals without partners, and of the physically disabled, are also described. Practical guidance is backed up by research findings. This book is an up-to-date, straightforward, and practical account which should be of considerable interest to anyone involved in the management of sexual problems.

*Sex Detox* - Ian Kerner 2008-01-29

From the New York Times bestselling author of *She Comes First* and *Be Honest—You're Not That Into Him* either comes a revolutionary 30-day program to detoxify and rejuvenate your love life. The premise is simple: When it comes to sex, dating, and relationships, sometimes we get in so deep the only way out is to start over again. For many of us—whether we're in a relationship, or actively dating in the hopes of finding that someone special—our love lives have become a source of toxicity. *Sex Detox* offers a revolutionary way to start fresh and take action. Just as a physical fast will rapidly alter your metabolism and natural body chemistry, so too will a sex or dating detox impact your mind and body, enabling you to reset, rewire, and ultimately rejuvenate your love life. In this practical, life-changing guide, Ian Kerner lays out a friendly, achievable 30-day course of action that will help you turn off the noise, take a necessary pause, and rebuild your love life from the inside out. If you're in a relationship, you'll learn to see your sexual history not just as a series of physical encounters, but rather as a unique and vital part of your identity, which needs to be nurtured and fed in healthy ways. You'll experience the "thrill of the chaste" and learn how to touch your partner with a renewed sense of passion and possibility. If you're single, the dating detox will give you a chance to step off the dating treadmill, catch your breath, and recover inner strength for the road ahead. You'll recalibrate your aspirations to connect to potential mates from a place of strength and self-knowledge. Whether you're single or coupled, *Sex Detox* will enable you to achieve the relationship results you deserve.

*Systemic Sex Therapy* - Katherine M. Hertlein 2019-11-06

*Systemic Sex Therapy*, third edition integrates couple and sex therapy to inform the treatment of sexual problems and to give beginning clinicians the abilities and confidence they need to produce change in their patients' lives. Grounded in the Intersystem Approach, the book considers the biology, psychology, couple dyad, family-of-origin, and larger contextual factors of any sexual disorder or issue. Each chapter examines the definition and description of a sexual disorder or issue, its etiology, assessment, treatment, research, and future directions. This thoroughly revised edition presents 18 updated chapters consistent with the DSM-5 and features new content on sexuality and aging, infidelity, sexual interest/arousal disorder, disability, and kink/BDSM. Experts in the field discuss all the major sexual dysfunctions along with new chapters on culture, technology, and their interplay with sexual functioning. An essential text in the field, *Systemic Sex Therapy* sets out a conceptual framework for graduate students in couple and family therapy programs looking to develop a comprehensive, integrative understanding of sexual issues.

*The Wiley Handbook of Sex Therapy* - Zoë D. Peterson 2017-04-24

*The Wiley Handbook of Sex Therapy* is a comprehensive and empirically-based review of the latest theory and practice in the psychotherapeutic treatment of sexual problems across client populations. Structured in four sections covering specific sexual dysfunctions, theoretical approaches to sex therapy; working with client diversity; and future directions in sex therapy. Advocates a holistic approach to sex therapy with a focus on using a range of psychotherapeutic theories and techniques rather than only the most popular behavioral strategies. Includes case studies which highlight the broad spectrum of diverse conditions that clients can experience and which sex therapists can therefore encounter in the consulting room. Includes contributions by more than 60 experts from a wide range of disciplines.

*When Art Therapy Meets Sex Therapy* - Einat S. Metzl 2016-08-25

Appropriate for both sex therapists and art therapists, *When Art Therapy Meets Sex Therapy* explores sexuality and gender through the use of art making, connecting relevant theories and research from both fields. It begins with a historical review of how explorations of anatomy, physiology, and sexual identity manifested in art making in different cultures and discusses why a clinician must take these spiritual, medical, and socioeconomic factors in account to offer effective and culturally competent therapy. The second part of the book discusses clinically effective treatments in art and sex therapy, and contains numerous case illustrations. Included are interventions for important issues in therapy,

such as exploring gender identity, sexual health and shame, processing sexual abuse, couples' intimacy, parenting concerns regarding their children's sexuality, and treating sex addiction.

**Case Studies in Sex Therapy** - Raymond Rosen 1995-05-19

With simple cases of premature ejaculation or anorgasmia becoming increasingly rare, clinicians are now utilizing a sophisticated array of multidisciplinary approaches to treat a complex variety of challenging problems and patient populations. Bringing together, under one cover, case studies and clinical discussions by the very authorities whose work is changing the field, *Case Studies in Sex Therapy* provides a state-of-the-art guide to current clinical practice. Chapters in the first section focus on cases of sexual desire disorders and explore such issues as desire disparity between partners, clinical interventions in marital and sex therapy, biological aspects of inhibited sexual desire, treatment considerations with a homosexual couple, the application of integrative therapy for treating secondary low sex desire, and the many factors that may contribute to sexual avoidance. The next section demonstrates both the opportunities and the complex challenges posed to the clinician by the array of new medical, surgical, and pharmacological therapies. Addressing the growing interest in sexual addiction and compulsion, the third section covers controversial issues such as the treatment of a sexually addictive client and the treatment implications when a client has been sexually exploited by another therapist.

**Sex Research and Sex Therapy** - Ross Morrow 2013-06-17

Gynaecologist William Howell Masters and psychologist Virginia Eshelman Johnson pioneered research into the nature of human sexual response and the diagnosis and treatment of sexual disorders and dysfunctions from 1957 until the 1990s. This book examines their influential scientific sex research and its groundbreaking implications for sex therapy and the study of human sexuality. Until now, these developments have been largely ignored in sociology. The book illuminates how Masters and Johnson have constructed their apparently scientific ideas about sexual function and dysfunction with reference to dominant Western discourses about sexuality. In addition, the book will explore some of the wider theoretical, conceptual and historical issues relating to the study of human sexuality. These will include a critical evaluation of conventional accounts of the history of the sociology of sex, particularly in the United States, major theoretical frameworks used in the study and understanding of human sexuality, and some of the key concepts underpinning sex research and sex therapy.

**Sex Therapy** - Cate Campbell 2022-09-23

*Sex Therapy: The Basics* offers an introduction to modern sex therapy and is essential reading for anyone working professionally with sexual issues or just interested in sex. This book contains all you need to know to get started, find more information or learn how and when to refer. Current approaches to sex therapy are described, along with detailed interventions and approaches which address an array of sexual issues to bring qualified sex therapists up to date and introduce learners to the essentials. Helping the reader make informed choices about professional development and to find the most appropriate solutions for patients and clients, this book answers all your sex therapy questions. As well as being essential reading for those considering or interested in sex

therapy, this book is a valuable resource for both trainee and experienced therapists, offering contemporary information and advice about assessing and treating a wide range of sexual problems.

**The Principles of Pleasure** - Laura Rademacher 2017-04-21

There are tremendous benefits to discussing the subject of sexual and emotional pleasure with clients, and this book addresses the challenges and misconceptions of doing just that. Laura Rademacher and Lindsey Hoskins teach the skills necessary for mental health professionals and sex educators to build competence in this work with their clients. Readers get techniques to implement in therapeutic, clinical, and educational settings, and learn how to examine pleasure in ways that are currently lacking from academic work on sexual health. This book covers skills for working with populations of all orientations and gender expressions. Language and phrasing for addressing pleasure issues in a wide variety of educational or therapeutic settings is also provided. Information about sexual lubrication and sex toys that is rarely taught in professional training programs is included, as well as how to appropriately incorporate information about these important sexual tools into your work. Issues such as abstinence, sexual orientation, couple therapy, and sexual education will be discussed outside of the standard medical model of sex therapy. *The Principles of Pleasure* will help you feel relaxed and confident while moving clients and students closer to their pleasure goals, and provides the evidence to back up the importance of talking and teaching about pleasure, should you need to justify this work.

**Love in the Time of Corona: Advice from a Sex Therapist for Couples in Quarantine** - Diana Wiley 2020-05-18

Do you want to get the most out of your time together in quarantine? Sex therapist Dr. Diana Wiley tells you how to: \* Enjoy a more sensual and sexual connection with your partner. \* Relieve stress and strengthen your relationship. \* Have more fun!"Dr. Diana is the voice of relationship wisdom-mindful, playful, and pleasure-positive!"-Sheri Winston, author of *Succulent SexCraft* Invite more intimacy and sensuality back into your relationship. Such healthy pleasures will soothe your anxieties amid the coronavirus pandemic and bring you closer together as a couple. You could even heal your relationship. You can make a choice about whether you either enjoy or merely endure this time of forced togetherness. Dr. Diana gives advice and prescribes fun and easy exercises to get to know your partner better, plan your date night at home, be more playful, and even try something new in the bedroom. She offers helpful guidance on using touch to relieve stress and revitalize your senses. Learn ways to integrate gratitude and mindfulness into your sex life. All of these contribute to increased pleasure and satisfaction. You'll even learn about "pandemic sex!" *Love in the Time of Corona* is endorsed by a wide range of professionals: doctors, therapists, researchers, professors, filmmakers, sex educators, authors, a divorce attorney ... and even a porn star! Order now and start reaping the benefits from this unique opportunity to enhance your love life. "Well-written and practical, it's the perfect book for couples who want to pluck something good out of a demanding and dangerous period in world history."-Pepper Schwartz, PhD, professor of sociology and author of *The Normal Bar*
