**Bow Down** Lindsay Goldwert 2021-01-19 \*One of Glamour's Best Books of 2020\* Popular podcast host and personal finance expert Lindsay Goldwert explores what professional dominatrices can teach us about confidence, power, and happiness. Imagine, for a moment, a world where the usual power dynamic is turned on its head. Where women not only stop apologizing, but seize—and enjoy—control. This is the quickly mainstreaming world of BDSM (bondage, discipline, sadism, masochism)—and it has a lot to teach women about empowerment, negotiation, open-mindedness, and more. Journalist Lindsay Goldwert, intrigued by this seismic cultural shift, traveled across the United States to meet the stars of the subculture, who spoke frankly with her about their lives and work. In this “lively, funny, thoughtful channeling of wisdom” (Sara Benincasa, author of *Real Artists Have Day Jobs*), these Alpha women show you how you can reset the power dynamic in any situation to get what you want—whether it's from a husband, a boss, or partner. They share strategies for revolutionizing not only your sex life, but your career, your relationships, and most importantly, your inner foundations. With bondage gear popping up on the big screen, the runway, the red carpet, and in celebrity lingerie lines, BDSM is officially moving out of the dungeon and into the sun. Let *Bow Down* help you learn how to use it. “Whether your fantasies lie in the bedroom or the boardroom, Lindsay will give you the courage to go forth and dominate.” (Sarah Cooper, author of *How to Be Successful without Hurting Men's Feelings*).

**Dominatrix** Danielle J. Lindemann 2012-10-03 Our lives are full of small tensions, our closest relationships full of struggle: between woman and man, artist and customer, purist and commercialist, professional and client—and between the dominant and the submissive. In *Dominatrix*, Danielle Lindemann draws on extensive fieldwork and interviews with professional dominatrices in New York City and San Francisco to offer a sophisticated portrait of these unusual professionals, their work, and their clients. Prior research on sex work has focused primarily on prostitutes and most studies of BDSM absorb pro-domme/client relationships without exploring what makes them unique. Lindemann satisfies our curiosity about these paid encounters, shining a light on one of the most secretive and least understood of personal relationships and unthreading a heretofore unexamined patch of our social tapestry. Unpending the idea that these erotic laborers engage in simple exchanges and revealing the therapeutic and analytic nature of their work, Lindemann makes a major contribution to cultural studies, anthropology, and queer studies with her analysis of how gender, power, sexuality, and hierarchy shape all of our social experiences.

I bite you relentlessly, thrusting up against you from behind. Every new attack makes you wince and moan, but still you push back against me until I am shoving you up against the wall, tearing at your skin like I am going to devour you."

Well Met Rachel Lee Rubin 2014-02-22 The Renaissance Faire—a 50 year-long party, communal ritual, political challenge and cultural wellspring—receives its first sustained historical attention with Well Met. Beginning with the chaotic communal moment of its founding and early development in the 1960s through its incorporation as a major “family friendly” leisure site in the 2000s, Well Met tells the story of the thinkers, artists, clowns, mimes, and others performers who make the Faire. Well Met approaches the Faire from the perspective of labor, education, aesthetics, business, the opposition it faced, and the key figures involved. Drawing upon vibrant interview material and deep archival research, Rachel Lee Rubin reveals the way the faires established themselves as a pioneering and highly visible counter cultural referendum on how we live now—our family and sexual arrangements, our relationship to consumer goods, and our corporate entertainments. In order to understand the meaning of the faire to its devoted participants, both workers and visitors, Rubin has compiled a dazzling array of testimony, from extensive conversations with Faire founder Phyllis Patterson to interviews regarding the contemporary scene with performers, crafters, booth workers and “playtrons.” Well Met pays equal attention what came out of the faire—the transforming gifts bestowed by the faire’s innovations and experiments upon the broader American culture: the underground press of the 1960s and 1970s, experimentation with “ethnic” musical instruments and styles in popular music, the craft revival, and various forms of immersive theater are all connected back to their roots in the faire. Original, intrepid, and richly illustrated, Well Met puts the Renaissance Faire back at the historical center of the American counterculture.

**Kinky Sex Tips for Curious Girls** Natasha Strange 2019-09-07 Kinky Sex Tips For Curious Girls provides a fun, shame-free introduction to kink and BDSM, modeled after the activity books you loved as a kid. It mixes solid advice about kink and BDSM with puzzles, games, and coloring pages. Each chapter is based on the most commonly asked questions Natasha is asked when coaching women who are new to exploring kink and BDSM. In addition to the kinky activity and color pages, there is a template for a modern day slave contract (yes, including options for people with real life obligations like work and kids) as well as pair of negotiation forms similar to the one Natasha uses when taking in new clients. Whether you are just trying to spice things up a little - or dive in deep - this book will help you understand yourself and your partner - while providing hours of entertainment! Natasha Strange has been a professional dominatrix since 1995, specializing in creative sadistic escapism. Offering sessions in a wide variety of disciplines, she has cultivated a deep understanding of what draws people to kink. Miss Strange loves deep and longer term relationships with submissives above all, so she can truly invade their brain and bring their kinks to life. She believes that most people who indulge in kink and BDSM are searching to fulfill emotional needs. As a dominant she uses those emotional goals as a guide when addressing physical desires. She is well known for her love of sissification and emasculation, and loves to transform macho men into her sissified playthings. Few things bring her more joy than spanking, caning or whipping a pantied masculine ass. When not tormenting her adoring submissives, she is a BDSM coach and kink educator helping destigmatize non-standard sexual desires. As the co-owner of Sub Rosa, a fully equipped boutique fetish space located in Portland Oregon, she and her business partner, Mistress Viola Parker, strive to create an inviting space for others to learn and practice safe, sane, consensual kink and BDSM. You can read more about her at [www.KittenWithAWhip.com](http://www.KittenWithAWhip.com) and about her fetish space, Sub Rosa at [www.SubRosaPDX.com](http://www.SubRosaPDX.com).
