10 Prayer Points Against Sexual Demons - M. S. Cross 2018-10-30

It is important to understand that for one to succeed in anything in this realm one need virtues. Virtues in essence is the anointing that equips the person to become all that God has destined them to be, when these unclean spirit sleep with the individual there is consistent delay, progress is stalled, poverty is imminent in most cases and so on and so forth because they drain the persons virtues.

The Reality of Spirit Marriage - Prayer M. Madueke 2017-05-14

There are angel that are referred to as angel that left there estate and their own habitation who go about without respect, defiling people in their dreams. This angels despise dominion, defile the fresh, dehumanize her victims and speak evil of dignities. The personality we are discussing here does not know that you are hundred years old, legally married, a virgin, tender in age or so tired for the day. Once the want you, nothing can stop them unless you know how to deal with them. These are no longer angel but demons, living in our midst. They are responsibly to all problems on earth and if you ignore them they will mess you up. Get involved in this program with all seriousness.

Demoniality - Sinistrari Ameno 2019-04-23

This 17th century treatise on demonology, written by the respected theologian, Catholic priest, and exorcist, Rev. Father Sinistrari, examines a particular class of spirits known as the incubus and succubus. These minor demons crave sex and often attack their victims while they sleep. Though incubus and succubus are considered less dangerous than possessing demons, they can be relentless in pursuit of their desire and grow violent when resisted. Demoniality advances novel theories about occult biology, claiming demons can reanimate corpses to have sex and impregnate victims with demonic seed to produce offspring who are "tall, hardy, bold and wicked." An expert on witchcraft and sexual sin, Rev. Father Sinistrari included sections on related phenomena, including: bestiality, necrophilia, demonic pacts, witchcraft, witches' marks, devil worship and magical beings such as fauns, centaurs and elves. Father Sinistrari was a learned Franciscan Friar who used deductive reasoning to examine the characteristics of the spirit world. For example, do demons have mass? He concludes they do, but determines they are porous-allowing for their supernatural feats of passing through objects

and appearing from nowhere. He also classified the demonic spirits by their actions, explaining that some seek out corrupt pacts with witches or wizards, while others are parasitic and indiscriminately attack the innocent. As a primer on demonic behavior, *Demonality* is extremely detailed. Father Sinistrari was schooled in the sciences of the time, including herbalism, alchemy, elements, humors and the symptoms of witchcraft-even serving as an advisor to the notorious Inquisition. Because of this, he focuses on diagnoses and remedies to expel the pests, using his alchemical knowledge to devise herbal formulas for countering a demon's specific elemental nature. These elaborate herbal recipes are similar to the elixirs found in a magician's grimoire or a witch's book of shadows. The title of the book is a play on the word bestiality, which conveys Father Sinistrari's belief that copulating with demons is, similarly, a sinful act and a crime. But while incubus and succubus are spirits doing evil deeds, Father Sinistrari is not dismissive of their salvation. He advances the theological argument that these minor demons have souls, and can be saved from damnation. He distinguishes them from the more vulgar type that tend to possess humans in terrifying displays. As proof, he shows how this latter class of demon greatly fears religious relics, while incubus and succubus do not object when in their presence: clear evidence, according to Sinistrari, that they are not damned, but are likely in limbo. As a prominent exorcist of his time, Father Sinistrari encountered victims of demonic activity on a regular basis. Many of the afflicted were, ironically, nuns and priests in the service of God or people under their care. In one story, a young maiden of noble birth is romantically pursued by a spirit that, out of frustration with her chastity, finally attacks her. Another story involves a nun who disappeared to her cell where two voices are heard along with groaning and the creaking of her bed. A rival nun drilled a hole through the partition to see an attractive young man lying with her sister who mysteriously disappeared when the two were confronted. References to demonic attack were carved into stone four thousand years ago, long before Jesus Christ, the greatest exorcist of them all, walked the earth. As Christianity took hold, encounters with these entities were often laid

out in moral terms. Father Sinistrari took a different approach: applying reason to understand this curious phenomenon along with theology, history and science. The result is this interesting treatise.

Incubi and Succubi Or Demonality - Sinistrari Of Ameno 2017-07-26

This book is a revised English edition of Sinistrari's fascinating 17th century study on the orgasm-stimulating sex demon. The incubus is its male shape, the succubus visits men. The intercourse with this astral visitor was called demonality. Nowadays people are still having these mysterious incubus/succubus-"sexperiences."

Incubus and Succubus Magic - Lisa McGarner 2021-11-18

This is one of the rare books that deals with the subject of Succubus and Incubus. In fact, this book is even rarer because it doesn't cover theoretical and speculative subjects about these beings, this book is one of the very few books that covers practical magic with Incubus and Succubus. In this book, spells and rituals will be discussed so that everyone, exactly everyone, has a good experience with these beings, and have results. In addition to tackling a subject with few reliable literary references, this book makes this rare magic accessible to everyone, bringing the variations to straight women, lesbian women, straight men, and gay men. If the magician doesn't consider this and where he fits in these 4 variations, magic with Succubus and Incubus is unfeasible, and your preferences influence the decision of these beings to come to you or not. And there are practical details that make contact easier and lessen the weight of the practitioner's sexual preferences.

Sexual demons can do more than just have sex or attack priests and nuns. These beings have unexplored abilities, but in this book, we'll explore that. One of the few books with practical magic for working with Succubus and Incubus.

Demons of Desire - Debra Dunbar 2014-07-20

Fall in love with this sexy, new adult urban fantasy romance by author Debra Dunbar. *** Amber's succubus desires are driving her, as well as every man within a five mile radius, crazy - and, Irix, the sexy incubus sent to tutor her, isn't helping one bit. Determined to find some balance in her life as well as get away from his tempting presence, she escapes to visit a college friend in New Orleans. But the Big Easy is anything but peaceful. Two powerful witch covens are battling for control of the mighty river and the potent ley lines that run through the city. Amber discovers her half-elven heritage may just resolve their differences, but the covens have other, more lethal, ideas. She knows she can restore the

elemental energy to balance, but it's not easy to play peacemaker when her succubus side wants to drown the whole city in a tide of lust. The tensions between the covens aren't her only trouble. There's nowhere Amber can run to escape the siren-call of her demon nature, and nowhere she can run to escape the seductive incubus who won't seem to take "no" for an answer. *** If you like Shannon Mayer, K.F. Breene, Hailey Edwards, or Yasmine Galenorn, you'll love this series. The Half Breed series is set in the Imp world and includes an incubus, a half succubus / half elf, demons, and more.
