Dirty Words - Robin E. Jensen
2010-12-03

Dirty Words: The Rhetoric of Public Sex Education, 1870-1924, details the approaches and outcomes of sex-education initiatives in the Progressive Era. In analyzing the rhetorical strategies of sex education advocates, Robin E. Jensen engages with rich sources such as lectures, books, movies, and posters that were often shaped by female health advocates and instructors. She offers a revised narrative that demonstrates how women were both leaders and innovators in

early U.S. sex-education movements, striving to provide education to underserved populations of women, minorities, and the working class. Investigating the communicative and rhetorical practices surrounding the emergence of public sex education in the United States, Jensen shows how women in particular struggled for a platform to create and circulate arguments concerning this controversial issue. The book also provides insight into overlooked discourses about public sex education by analyzing a previously understudied campaign targeted at African American men in the 1920s, offering theoretical categorizations of discursive strategies that citizens have used to discuss sex education

over time, and laying out implications for health communicators and sexual educators in the present day.

Competing Masculinities in the British Netflix Series

"Sex Education" - Lea-Christin Klaas 2023-11-13
Seminar paper from the year 2020 in the subject Gender Studies, grade: 2,0, University of Dortmund (Institut für Anglistik und Amerikanistik), course: British Proseminar, language: English, abstract: This paper deals with the competing masculinities in the British Netflix series "Sex Education". Especially the characters Otis Milburn, Adam Groff and Eric Effiong are taken into consideration. Otis is the typical lovable goof, whereas Adam is more likely to fulfill the stereotype of being a "real man", because of his tendency of being violent. It turns out that Adam's aggression is caused by him being insecure. Eric is also especially interesting to look at, since he serves several contrary stereotypes. He is a black, homosexual young male

that is raised as a second generation immigrant in a traditionally catholic household and is often confronted with homophobia and racism. Eric turns out to be a modern gentleman. Each character's typical behavior patterns will be described and clarified by examples and interpreted in the context of masculinities.

Sex Education: The Road Trip - Katy Birchall 2021-09-28

The only official Sex Education novel. When the screen binge is over, return to the world of Moordale with a brand-new story featuring the show's most popular characters. Maeve gets an unexpected call from her brother Sean. It's no surprise to her that he is in trouble again. But she's the only family he's got, so she must saddle up and ride to the rescue. Or at least, scrounge a lift from Aimee and drive there. . . . Otis and Eric insist they can help, and Maeve's mission becomes a summer holiday road trip. Sean's been partying with a group of decadent rich kids who have no accused him of a crime. The evidence against

*Downloaded from
legacy.opendemocracy.net
on 2019-04-25 by guest*

him is pretty damning. Trying to clear his name, Maeve and friends integrate themselves into the rich kids' circle--it's time to go undercover. Thanks to Eric's dance floor moves, Aimee's easy charm, and Otis's ability to offer good advice, they get to know the group. And they soon discover that Sean is not the only one with a motive for getting even with beautiful party girl Tabitha. This standalone YA/crossover story has everything fans love about the show: favorite characters with real emotional depth, no-holds-barred honesty about teenage relationships, brilliant humor, and a great new storyline, plus a compelling whodunit at its heart.

Sex Education: a Guide to Life - Jordan Paramor

2022-01-25

The official, must-have modern fully fleshed out guide to relationships, sex, and much more from the original Netflix series, Sex Education.

Questioning your body? Not sure about how you feel?

Worried if that thing is normal?

Unlikely educator Otis Milburn and his friends offer frank, feminist, and positive guidance in this life-changing book.

Cover everything from knowing your anatomy, feeling confident about how you look, and understanding how you feel, along with the topics of consent, sexuality, and the minefield that is modern love--this guide answers all the questions you are too scared to ask, in a language you will understand. With insight from your favorite Sex Education characters, quotes to live your life by, therapy notes, diagrams, tips, takeaways, and a whole lot of fun, this fully illustrated book is both a companion to the popular Netflix original series and a practical guide to navigating the real world.

HONEST: Everything They Don't Tell You About Sex, Relationships and Bodies -

Milly Evans 2022-06-09

Sex is EVERYWHERE. So why don't we talk about it properly?

A bare-all, refreshingly honest guide for teens, written by

someone who isn't thirty years

*Downloaded from
legacy.opendemocracy.net
on 2019-04-25 by guest*

older than you. Being a teen is tough enough without having to navigate the minefields of discovering sex, love and bodies. And let's be real: sex education at school doesn't always cut it. Sex educator and journalist Milly Evans is here to help - as a young adult who is still figuring life out, she knows exactly what teens are going through. And she's here with answers to all those questions that aren't in their school textbooks. From orgasms to anatomy, gender identity to masturbation, positive relationships to first times, it's all here, and in candid detail. With playful and informative black-and-white illustrations by Lucia Picerno throughout, *HONEST* is the searingly frank, inclusive and witty guide that every 21st century teenager needs. Enough foreplay! Let's do this.

Get Real About Sex - Pam Allred 2007-07-16

"Up-to-date and accessible, this book manages to be both theoretically subtle and attuned to the realities of classroom practice." Dr Rachel

Thomson, The Open University "[This] book is a great success and provides a wealth of insights into the realities of teaching and being taught about sex and relationships."

Michael Reiss, Institute of Education What are the different values and perspectives on sex and relationship education within a single secondary school? How do young people think sex education should be taught? What are the challenges facing the provision of good sex and relationship education at the classroom level and at the political level? Young people often receive mixed messages about gender and sexual relationships. When providing sex education lessons, schools should take into account different ideas and values, including the general British embarrassment over intimate matters and differing political and personal views about sex education. This book combines young people's views of sex education, schooling and parenthood, with those of teachers, school nurses and

Downloaded from
legacy.opendemocracy.net
on 2019-04-25 by guest

head-teachers. It brings together these varied perspectives and considers how they reveal different values, aims and agendas. The authors highlight the potential conflict between approaches to education and health, and reveal the complexity of dealing with sexuality and gender in real-life situations. Focusing on young people's identities in the classroom, contemporary theoretical approaches in the social sciences are employed to explore how gender is enacted and experienced by individuals, and how social pressures and government agendas operate at the level of the individual. This book contains original, first-hand empirical material from a detailed study of all the schools in one English city, and offers a critical analysis of broader political and cultural ideas and values. Get Real About Sex is key reading for students and professionals in education, health and the sociology of gender and sexuality.

The New Naked - Harry Fisch,
2014-04-15

"Harry Fisch knows more about sex than anyone on earth, with the possible exception of Colin Farrell. This book will improve your love life. You should trust Harry Fisch. I do, and there are few I'd let anywhere near that subject."—A.J. Jacobs, New York Times bestselling author of *The Year of Living Biblically* and *Drop Dead Healthy* Fire Up Your Sex Life and Your Relationship with This Smart, Refreshingly Candid Guide from Dr. Harry Fisch. Let's be honest: If it's been years since you had the "talk," it's going to show—in the bedroom and out. As Dr. Fisch, a sexual health and fertility expert at Cornell Medical College and a hit radio talk show host, discovered, lots of couples are having lots of sex...but that doesn't mean they're any good at it. Or satisfied. But life between the sheets doesn't have to be lackluster! In *The New Naked*, Dr. Fisch brings you the ultimate sex education for grown-ups. This indispensable guide: •Helps couples master bedroom basics they were never taught in any health

class •Lays bare both men's and women's various sexual needs and perceptions •Shows couples how to decode their partner's sex speak, navigate the risky business of porn, medical issues, and bad bedroom habits, and fulfill each other's fantasies. •Unlocks the secrets to successful foreplay with Dr. Fisch's unique LSD system (Listening + Security + Desire), a three-step approach to put the sizzle back in your sexy time! Packed with easy-to-follow advice and stories from real couples, *The New Naked* will prime you for the greatest sex of your life—and the happiest relationship too.

[Come As You Are: Revised and Updated](#) - Emily Nagoski
2021-03-02

A revised and updated edition of Emily Nagoski's game-changing New York Times bestseller *Come As You Are*, featuring new information and research on mindfulness, desire, and pleasure that will radically transform your sex life. For much of the 20th and 21st centuries, women's sexuality was an uncharted

territory in science, studied far less frequently—and far less seriously—than its male counterpart. That is, until Emily Nagoski's *Come As You Are*, which used groundbreaking science and research to prove that the most important factor in creating and sustaining a sex life filled with confidence and joy is not what the parts are or how they're organized but how you feel about them. In the years since the book's initial publication, countless women have learned through Nagoski's accessible and informative guide that things like stress, mood, trust, and body image are not peripheral factors in a woman's sexual wellbeing; they are central to it—and that even if you don't always feel like it, you are already sexually whole by just being yourself. This revised and updated edition continues that mission with new information and advanced research, demystifying and decoding the science of sex so that everyone can create a better sex life and discover

The Separation Solution? - Juliet Williams 2016-02-02

Since the 1990s, there has been a resurgence of interest in single-sex education across the United States, and many public schools have created all-boys and all-girls classes for students in grades K through 12. *The Separation Solution?* provides an in-depth analysis of controversies sparked by recent efforts to separate boys and girls at school. Reviewing evidence from research studies, court cases, and hundreds of news media reports on local single-sex initiatives, Juliet Williams offers fresh insight into popular conceptions of the nature and significance of gender

differences in education and beyond.

The Sex Education Society - Sex Education Society 1948

Lessons in Depravity - E. S. Williams 2013-06-14

Sex education is a highly controversial subject. The British Government believes that the answer to the teenage pregnancy crisis in the UK lies in providing children with yet more explicit sex education, starting at an even earlier age, with clear guidance on contraception and the 'morning-after' pill. And to encourage children to use contraception, the Government allows doctors to prescribe contraceptives for under-16s without their parents' knowledge or consent.

Opponents argue that sex education is not only ineffective in preventing teenage pregnancies, but that it encourages promiscuity. *Lessons in Depravity* examines sex education in a historical context. As the story of the sex education movement unfolds, so the link between the

Downloaded from
legacy.opendemocracy.net
on 2019-04-25 by guest

messages of the sex educators and the ideology of the sexual revolution becomes increasingly clear. Dr Williams explains that sex education, which has developed from the ideas of the sexual revolutionaries, is one of the great moral evils of our time in that it demoralises sexual conduct and misleads children with promises of 'safer sex'. Within a framework of moral relativism children are presented with sexual facts and encouraged to make 'informed' choices whether to have sex or not. Those who decide to have sex are helped to negotiate 'safer sex' with a partner. And sex educators oppose the 'moralisers', asserting that 'preaching' makes it less likely that children will make the right sexual choices. Lessons in Depravity exposes the moral relativism of sex education to the light of biblical truth. In view of the inherent moral dangers, no parent can afford to stand back and leave the moral instruction of their children in the hands of State sex education

Cleo, Camping, Emmanuelle & Dick - Terry Johnson 1998
Filming's not as glamorous as it's cracked up to be.
Sex Ed - Ruby Rare 2022-01-06
Written by sex educator and body-positivity advocate Ruby Rare, *Sex Ed* is the practical and fun guide to sex that you've always wanted - but never known how to ask for. This is the information you should have been taught at school: a no-holds-barred roadmap that covers everything from how the brain is the most important sex organ and how to communicate what you want to yourself and a partner, all the way down to the messy stuff - solo sex, orgasms, touching, kissing, blow jobs, cunnilingus, anal play, lube, toys, kegels. After all, sex education shouldn't start and end with putting a condom on a banana.
Hedwig and the Angry Inch - Stephen Trask 2003

[Affective Sexual Pedagogies in Film and Television](#) - Kyra

Clarke 2017-02-17

Popular film and television hold valuable potential for learning about sex and sexuality beyond the information-based model of sex education currently in schools. This book argues that the representation of complicated—or "messy"—relationships in these popular cultural forms makes them potent as affective pedagogical moments. It endeavours to develop new sexual literacies by contemplating how pedagogical moments, that is, fleeting moments which disrupt expectations or create discomfort, might enrich the available discourses of sexuality and gender, especially those available to adolescents. In Part One, Clarke critiques the heteronormative discourses of sex education that produce youth in particularly gendered ways, noting that "rationality" is often expected to govern

experiences that are embodied and arguably inherently incoherent. Part Two explores public intimacy, contemplating the often overlapping and confused boundaries between public and private.

[De]constructing Identities in/through Sex Education -

Anna Zoë Steininger

2023-11-22

Bachelor Thesis from the year 2023 in the subject English

Language and Literature

Studies - Other, grade: 1,0,

University of Cologne

(Philosophische Fakultät),

language: English, abstract:

When the British comedy-

drama series Sex Education

debuted on Netflix in 2020

(with three further seasons

following in 2020, 2021 and

2023), screenwriter Laurie

Nunn's show was welcomed by

critics and audiences alike as

an innovative addition to the

often rather formulaic canon of

cinematic teen narratives. This

paper will investigate on

various levels what role the

eponymous [Sex-]Education

plays in the series. Education is

part and parcel of Sex

Downloaded from

legacy.opendemocracy.net

on 2019-04-25 by guest

Education. While telling a story that focuses on the lives of students, parents and teachers of Moordale Secondary School, including [sex-]educational matters in the plot, the show clearly has its own didactics to eventually educate its spectators. On the one hand, conventional educational systems, and mechanisms of socialization such as school, therapy, family, and popular culture are part of the plot, which makes visible the kind of influence these might have on adolescent identity formation. On the other hand, common educational structures are taken and playfully converted. Also, well-known educational hierarchies are mentioned, are deconstructed, and finally re-emerge, their original order reversed. The spectator is presented with the question "Who educates who?". Normative, conventional forms of relation are often dissolved and new forms of companionship or even kinship are established. The series subjects its protagonists as well as its spectators to

dichotomies such as direct/indirect education and conscious/unconscious education and it mirrors the different ways in which education can affect and [de-]construct identity. The series investigates the relation between power and knowledge, ultimately obtained through education, it negotiates questions regarding the place and the way in which people receive and share education and it reveals how ideologies are imparted and how they direct a certain discourse. For my analysis of how Sex Education/[Sex-]Education [de-]constructs identities, educational systems and institutions, uncommon educational structures and the development of the characters and their relations within the diegesis and on a metatextual level, the series' didactics will be considered. Recourses to conceptual works by Judith Butler, Kimberley Crenshaw, Donna Haraway, Louis Althusser, and Timothy Shary will be mobilized to conceptualize the manifold role

education plays in this show. **Sex Education: A Guide To Life - The Official Netflix Show Companion** - Sex Education 2021-10-14
The official, no-nonsense sex syllabus and guide to life you always wanted. From the Netflix sensation SEX EDUCATION, with a foreword from the show's creator, Laurie Nunn. Binged all of Sex Education Season 3 and missing Moordale already? Well, unlikely educator Otis Milburn and his beloved friends are back in this frank, funny and 100% official guide to life. With insight from your favourite characters, tips, takeaways and some enlightening diagrams, the guide covers everything you need to know - from understanding your anatomy, feeling confident about how you look and rejecting shame, to consent, sexuality and the minefield that is modern love. Both a perfect companion to the show and practical guide to navigating the real world, this guide answers all the questions we are too scared to ask, in the

show's uniquely hilarious, fun and yet sensitive language that we have come to know and love. So dive in, and start talking, shouting and maybe even screaming about s-e-x!
