[Grimm's Trailer Full of Secrets](#) - Rhonda V. Wilcox 2022-01-24

NBC's Grimm is an understudied series full of compelling characters, including Monroe, the charmingly

knowledgeable vegetarian who looks like a werewolf; Wu, the funny cop who beats his way to the truth; Adalind, the enjoyably vengeful, risk-taking witch; Trubel, the furious young loner accused of insanity;

Kelly, a powerful older warrior-woman; Nick, a compassionate detective; Hank, Juliette, Rosalee and others. This book, which includes a chapter on each key figure, explores the fascinating world of characterization in television. The storyline, as well as the dialogue, acting, costumes, scenery, lighting and music, contribute to in-depth depictions that evolve over time. Grimm's figures confound our perceptions of race, age and gender. They demonstrate the ability of TV characters to build unforgettable, meaningful connections.

Normal People - Sally Rooney 2019-04-16

NOW AN EMMY-NOMINATED HULU ORIGINAL SERIES • NEW YORK TIMES BESTSELLER • “A stunning novel about the transformative power of relationships” (People) from the author of Conversations with Friends, “a master of the literary page-turner” (J. Courtney Sullivan). ONE OF THE TEN BEST NOVELS OF THE DECADE—Entertainment Weekly TEN BEST BOOKS OF THE YEAR—People, Slate, The New York Public Library, Harvard Crimson AND BEST BOOKS OF THE YEAR—The New York Times, The New York Times Book Review, O: The Oprah Magazine, Time, NPR, The Washington Post, Vogue, Esquire, Glamour, Elle, Marie Claire, Vox, The Paris Review, Good Housekeeping, Town & Country Connell and Marianne grew up in the same small town, but the similarities end there. At school, Connell is popular and well liked, while Marianne is a loner. But when the two strike up a conversation—awkward but electrifying—something life changing begins. A year later, they’re both studying at Trinity College in Dublin. Marianne has found her feet in a new social world while Connell hangs at the sidelines, shy and uncertain. Throughout their years at university, Marianne and Connell circle one another, straying toward other people and possibilities but always magnetically, irresistibly drawn back together. And as she veers into self-destruction and he begins to search for meaning elsewhere, each must confront how far they are willing to go to save the other. Normal People is the story of mutual fascination, friendship and love. It takes us from that first conversation to the years beyond, in the company of two people who try to stay apart but find that they can’t. Praise for Normal People “[A] novel that demands to be read compulsively, in one sitting.”—The Washington Post “Arguably the buzziest novel of the season, Sally Rooney’s elegant sophomore effort . . . is a worthy successor to Conversations with Friends. Here, again, she unflinchingly explores class dynamics and young love with wit and nuance.”—The Wall Street Journal “[Rooney] has been hailed as the first great millennial novelist for her stories of love and late capitalism. . . . [She writes] some of the best dialogue I’ve read.”—The New Yorker

American Patriotism, American Protest - Simon Hall 2011-06-06

During the 1970s and beyond, political causes both left and right—the gay rights movement, second-wave feminism, the protests against busing to desegregate schools, the tax revolt, and the anti-abortion struggle—drew inspiration from the protest movements of the 1960s. Indeed, in their enthusiasm for direct action tactics, their use of street theater, and their engagement in grassroots organizing, activists in all these movements can be considered “children of the Sixties.” Invocations of America's founding ideals of liberty and justice and other forms of patriotic protest have also featured prominently in the rhetoric and image of these movements. Appeals to the Declaration of Independence and the Bill of Rights have been made forcefully by gay rights activists and feminists, for instance, while participants in the antibusing movement, the tax revolt, and the campaign against abortion rights have waved the American flag and claimed the support of the nation's founders. In tracing the continuation of quintessentially “Sixties” forms of protest and ideas into the last three decades of the twentieth century, and in emphasizing their legacy for conservatives as well as those on the left, *American Patriotism, American Protest* shows that the activism of the civil rights, New Left, and anti-Vietnam War movements has shaped America's modern political culture in decisive ways. As well as providing a refreshing alternative to the “rise and fall” narrative through which the Sixties are often viewed, Simon Hall's focus on the shared commitment to patriotic protest among a diverse range of activists across the political spectrum also challenges claims that, in recent decades, patriotism has become the preserve of the political right. Full of original and insightful observations, and based on extensive archival research, *American Patriotism, American Protest* transforms our understanding of the Sixties and their aftermath.

Study Less, Study Smart - Marty Lobdell 2015-03-16

This book present proven strategies to enhance learning and reduce wasted study time in any learning

situation.

The Duke And I - Julia Quinn 2009-10-13

Simon Basset, the irresistible Duke of Hastings, has hatched a plan to keep himself free from the town’s marriage-minded society mothers. He pretends to be engaged to the lovely Daphne Bridgerton. After all, it isn’t as if the brooding rogue has any real plans to marry - though there is something about the alluring Miss Bridgerton that sets Simon’s heart beating a bit faster. And as for Daphne, surely the clever debutante will attract some very worthy suitors now that it seems a duke has declared her desirable. But as Daphne waltzes across ballroom after ballroom with Simon, she soon forgets that their courtship is a complete sham. And now she has to do the impossible and keep herself from losing her heart and soul completely to the handsome hell-raiser who has sworn off marriage forever!

Sex Education: The Road Trip - Katy Birchall 2021-09-28

The only official Sex Education novel. When the screen binge is over, return to the world of Moordale with a brand-new story featuring the show's most popular characters. Maeve gets an unexpected call from her brother Sean. It's no surprise to her that he is in trouble again. But she's the only family he's got, so she must saddle up and ride to the rescue. Or at least, scrounge a lift from Aimee and drive there. . . . Otis and Eric insist they can help, and Maeve's mission becomes a summer holiday road trip. Sean's been partying with a group of decadent rich kids who have no accused him of a crime. The evidence against him is pretty damning. Trying to clear his name, Maeve and friends integrate themselves into the rich kids' circle-it's time to go undercover. Thanks to Eric's dance floor moves, Aimee's easy charm, and Otis's ability to offer good advice, they get to know the group. And they soon discover that Sean is not the only one with a motive for getting even with beautiful party girl Tabitha. This standalone YA/crossover story has everything fans love about the show: favorite characters with real emotional depth, no-holds-barred honesty about teenage relationships, brilliant humor, and a great new storyline, plus a compelling whodunit at its heart.

The Power - Naomi Alderman 2017-10-10

In this stunning bestseller praised as “our era's Handmaid's Tale,” a fierce new power has emerged—and only women have it (Washington Post). In *The Power*, the world is a recognizable place: there's a rich Nigerian boy who lounges around the family pool; a foster kid whose religious parents hide their true nature; an ambitious American politician; a tough London girl from a tricky family. But then a vital new force takes root and flourishes, causing their lives to converge with devastating effect. Teenage girls now have immense physical power: they can cause agonizing pain and even death. And, with this small twist of nature, the world drastically resets. From award-winning author Naomi Alderman, *The Power* is speculative fiction at its most ambitious and provocative, at once taking us on a thrilling journey to an alternate reality, and exposing our own world in bold and surprising ways. “Captivating, fierce, and unsettling...I was riveted by every page. Alderman's prose is immersive and, well, electric.” —New York Times Book Review

The Spaces and Places of Canadian Popular Culture - Victoria Kannen 2019-08-28

An exclusively Canadian textbook, this collection investigates the relationships between identity, geography, and popular culture that are produced and consumed in this sprawling country. Expanding beyond the clichés of friendliness and snow, this text provides a fresh perspective on what it means to be Canadian, both nationally and transnationally. Scholars look at historical subjects like Québécois identity and Indigenous self-representation and explore issues in contemporary media, including music, film, television, comic books, video games, and social media. From Drake to the Tragically Hip, Trailer Park Boys to *The Amazing Race Canada*, and poutine to maple syrup, mainstream icons and trends are studied in the interdisciplinary context of race, gender, sexuality, politics, and patriotism. Contributing to the location of Canadian popular culture, this unique resource will engage students and scholars of communication studies, cultural studies, and Canadian studies. FEATURES - Includes key concepts and theories and a glossary - Engages students with relatable historical and contemporary examples of Canadiana through a breadth of media, including television shows, websites, journals, celebrities, newspapers, literature, comic books, video games, music, and films - Ensures equal representation of a national and transnational Canada, which includes examples of race, gender, sexuality, and ethnicity, with particular attention to geographical intricacies that contain all provinces and territories

Feels Like Family (A Sweet Magnolias Novel, Book 3) - Sherryl Woods 2009-03-01

Out Now on Netflix Life can be full of surprises... Helen Decatur spent a lifetime setting goals - getting through university and opening her own law practice, becoming financially secure and establishing herself as one of the most highly respected marriage lawyers in South Carolina.

Hedwig and the Angry Inch - Stephen Trask 2003

Tells the story of transsexual rocker Hedwig Schmidt, an East German immigrant whose sex change operation has been botched and who finds herself living in a trailer park in Kansas.

Everything I Know About Love - Dolly Alderton 2018-02-01

THE SUNDAY TIMES BESTSELLER & MAJOR BBC ONE TV SERIES 'The book we will thrust into our friends' hands. Alderton feels like a best friend and your older sister all rolled into one and her pages wrap around you like a warm hug' Evening Standard 'Alderton is Nora Ephron for the millennial generation' Elizabeth Day Award-winning journalist Dolly Alderton survived her twenties (just about) and in Everything I Know About Love, she gives an unflinching account of the bad dates and squalid flat-shares, the heartaches and humiliations, and most importantly, the unbreakable female friendships that helped her to hold it all together. Glittering with wit, heart and humour, this is a book to press into the hands of every woman who has ever been there or is about to find themselves taking that first step towards the rest of their lives. 'Steeped in furiously funny accounts of one-night stands, ill-advised late-night taxi journeys up the M1, grubby flat-shares and the beauty of female friendships, as Alderton joyfully booze-cruises her way through her twenties' Metro 'Deeply funny, sometimes shocking, and admirably open-hearted and optimistic' Daily Telegraph 'A sensitive, astute and funny account of growing up millennial' Observer 'Alderton proves a razor-sharp observer of the shifting dynamics of long term female friendship' Mail on Sunday 'It's so full of life and laughs - I gobbled up this book. Alderton has built something beautiful and true out of many fragments of daftness' Amy Liptrot *Winner of Autobiography of the Year at the National Book Awards 2018* *A Waterstones Paperback of the Year 2019* *A Sunday Times paperback of the year 2019* *Selected for Stylist's The Decade's 15 Best Books by Remarkable Women* A Sunday Times bestseller, September 2022

The Advocate - 2001-08-14

The Advocate is a lesbian, gay, bisexual, transgender (LGBT) monthly newsmagazine. Established in 1967,

it is the oldest continuing LGBT publication in the United States.

The October Faction, Vol. 2 - Steve Niles 2016-05-04

The Allan family has inducted Dante, a.k.a. Robot Face, into the fold, and Geoff and Vivian have begun their training in the family business; monster hunting. All looks well for the Allans, but Sheriff Chambers is slowly catching on to their occult activities. Collects issues #7-12.
