

Sex And Money

Sex and Money - Paul Tripp 2013-04-23

Pleasure. We live in a world obsessed with finding it, passionate about enjoying it and desperate about maintaining it. Chief among such objects of affection are sex and money - two pleasures unequalled in their power to captivate our attention and demand our worship. Paul David Tripp pulls back the curtain on the lies of our flesh and the ways we distort God's good gifts, examining the insanity of our culture and exposing our tendency to fall prey to the hollow promises of this world. In exploring how God's grace frees us from futile pursuits, Tripp directs readers to the wisdom of God in Scripture and the liberating power of the gospel, offering practical guidance on finding true joy and lasting satisfaction. With his customary blend of honesty, humour, challenge and sound scriptural application, he offers wise and timely advice on how to break free. Don't make the mistake of seeking horizontally what you can only find vertically.

Sex Money Kiss - Gene Simmons 2005-10-01

"Let's face it, just because I stick out my tongue a lot and spit fire doesn't mean I have any qualifications to advise anyone on relationship, money or career issues. I don't. Yet I've lived with a beautiful woman for twenty years with never a cross word between us, in a relationship based on honesty and full disclosure. I've amassed a fortune--and "expert business people" work for me. And for three decades I've been in KISS--a band that has scaled the heights and broken every possible record, from album sales to touring to merchandising and licensing. What I have and have always had (thanks in full to my mother's wisdom) is an abiding faith in me. Call it a "life philosophy": a philosophy about money (mine!) and happiness (mine again). It works for me. It can work for you!

There's More to Life Than Sex & Money - 1997

It's true. There is more to life than sex and money. Like 'dropping out' of corporate life and finding even greater satisfaction, or confronting your fear by parachuting from a plane, or experiencing the miracle of holding your newborn baby in your arms. The personal stories of strength in this collection recount many magic moments, big and small. They provide models of tremendous courage that will help you turn the corners in your life. In them, a broad range of people - from public figures to business executives and housewives - share their heartfelt, real-life messages that will inspire your hope, re-awaken your dreams, and show you that there is so much more to do and love in life.

Communication, Sex and Money - Edwin Louis Cole 1987

Sex & Money - Paul David Tripp 2013

Sex and money can easily captivate our minds and steal our worship. Paul Tripp directs readers to the liberating power of the gospel and offers real-world advice for fighting sexual and financial idolatry.

Sex, Money and Power - Bill Jordan 2004-10-08

Intimacy, choice, movement: these are the elements that make up the desirable lifestyle in the mainstream of affluent societies. They also undermine traditional forms of power and control, and create a web of connections between individuals all over the world, which promises to be more flexible and less restrictive than any that has existed before. But, Bill Jordan argues, our present global institutions have shut out the majority of the world's population, who are left to rely on quite different bonds - of blood, soil and faith.

Sex Money Murder: A Story of Crack, Blood, and Betrayal -

Jonathan Green 2018-05-15

Nominated for an Edgar Award "Exceptionally authentic."—Jill Leovy, The New York Times Book Review In the late 1980s and early 1990s, the Bronx had one of the country's highest per capita homicide rates. As crack cocaine use surged, dealers claimed territory through intimidation and murder, while families were fractured by crime and incarceration. Chronicling the rise and fall of Sex Money Murder, one of the era's most notorious gangs, reporter Jonathan Green creates a visceral and devastating portrait of a New York City borough and the dedicated detectives and prosecutors struggling to stem the tide of violence. Drawing on years of research and extraordinary access to gang leaders, law enforcement, and federal prosecutors, Green delivers an engrossing work of gritty urban reportage. Magisterial in its scope, Sex Money

Murder offers a unique perspective on the violence raging in modern-day America and the battle to end it.

Sex Power Money - Sara Pascoe 2019-08-27

** THE SUNDAY TIMES TOP 5 BESTSELLER ** ** FEATURED ON BBC ARTS' BETWEEN THE COVERS ** Award-winning comedian Sara Pascoe turns her attention to the things that really matter to humans - sex, power and money. 'A genuinely hilarious explanation of the science of sex' FRANKIE BOYLE 'I've never read a book so fast and laughed so loudly while learning so much. Pascoe is a sage for our times.' DEBORAH FRANCES-WHITE, The Guilty Feminist Following her hit book Animal, Sara Pascoe decides to confront her fear of the male libido, and turns her attention to the things that really matter to humans, delving into such questions as: Why don't people care about the welfare of the people they masturbate to? and Why is there such stigma around those who work in the sex industry? when Some women still want men to buy them dinner? In this comedic and educational hopscotch over anatomy, the history of sexual representation and the sticky way all human interactions are underwritten by wealth, Pascoe explores whether we'll ever be able to escape the Conundrum of Heterosexuality. Drawing on anecdotal experience, unqualified opinion, interviews and original research, Sex Power Money is thought-provoking and riotously funny: a fresh take on the oldest discussion. 'Important, timely, poignant, mind-blowing and VERY FUNNY. Written with kindness, bravery and ridiculous attention to detail, it will make you feel cleverer without all the usual effort.' Love, Sex, Money and Drugs - Tanisha Hicks 2013-09

Her name is California Jones but would prefer to be called Cali. She is a mother, a manager of a group home and a dope dealer at night . Life was going great she had just returned back to work from maternity leave. But in an instance her whole life was turned upside down. She was arrested, fired from her job, her vehicle was seized and she had to bail out on a \$50,000 dollar bond. Nevertheless, Cali remains unpredictable while maintaining her innocence. She has the traits and qualities of a chameleon. Which made it very easy to adapt and blend in anywhere and in any environment. Furthermore Cali will do whatever needs to be done to keep her family, money, and her freedom. But in the process she chooses another life filled with nothing but love, sex, money, and drugs. Nevertheless sometimes, this is the only way to live and survive!

Pimp State - Kat Banyard 2016-06-14

Never before have prostitution, strip clubs and pornography been as profitable, widely used or embedded in mainstream culture as they are today. How society should respond to the rise of the sex trade is shaping up to be one of the Twenty-First Century's big questions. Should it be legal to pay for sex? Isn't it a woman's choice whether she strips for money? Could online porn warping the attitudes of a generation of boys? An increasingly popular set of answers maintains that prostitution is just work, porn is fantasy, demand is inevitable; so fully legalise the sex trade and it can be made safe. Kat Banyard contends that these are profoundly dangerous myths. Sexual consent is not a commodity, objectification and abuse are inherent to prostitution, and the sex trade poses a grave threat to the struggle for women's equality. Skilfully weaving together first-hand investigation, interviews and the latest research, Pimp State powerfully argues that sex trade myth-makers will find themselves on the wrong side of history.

Sex, Love, Money and Then God - Betty Jones 2021-06-04

We learn in life the hard way. Have you ever been in a relationship where life seems to bring you to a crossroad? Sex is good, love is crazy, and our money is funny. We find out that in relationships and marriages our dreams and hopes sometimes die. So we can't seem to find a way out. Many nights we cry and pray and cry and pray. Life seems confusing and broken. Yet we still love that person. Torn between what's real, never getting any satisfaction. So we decide to stay for the Money .Yet the money is never enough. So then we decide to stay for the sex. Yet sex is just a heated mount or desire that goes away after one night. We stay for

love because it feels good. We seem to have it all. But on the inside we are confused and frustrated all the times. Then one day we realize that only God can, and will fix it all. In this book, I hope the readers find a true way out and also enjoys the ride of reading Sex, Love, Money and then God.

Work, Sex, Money - Chogyam Trungpa 2011-02-08

Each day we deal with the challenges of ordinary life: a series of mundane experiences that could be summarized by the title of this book, Work, Sex, Money. We all hope that these aspects of our life will be a source of fulfillment and pleasure, and they often are. Yet they are also always sources of problems for which we seek practical advice and solutions. The best prescription, according to Chögyam Trungpa, is a dose of reality and also a dose of respect for ourselves and our world. His profound teachings on work, sex, and money celebrate the sacredness of life and our ability to cope with its twists and turns with dignity, humor, and even joy. He begins by breaking down the barrier between the spiritual and the mundane, showing that work, sex, and money are just as much a part of our spiritual life as they are a part of our everyday existence. He then discusses these subjects in relation to ego and self-image, karma, mindfulness, and meditation. "Work" includes general principles of mindfulness and awareness in how we conduct everyday life as well as discussion of ethics in business and the workplace. "Sex" is about relationships and communication as a whole. "Money" looks at how we view the economics of livelihood and money as "green energy" that affects our lives. The result is an inclusive vision of life, one that encompasses the biggest issues and the smallest details of every day. There are, in fact, few definitive answers in these pages. There is,

however, authentic wisdom providing us with tools we need to work with the toughest stuff in our lives.

Death, Sex & Money - Michael Young 2007

What was it like being at the news desk on the evening of September 11 2001? Or when the space shuttle Columbia disintegrated on re-entry in February 2003? Or when the tsunami hit on Boxing Day 2004? Death, Sex and Money is an open window into the frenetic world of journalism, and how editors fill the pages of a newspaper every day. Veteran journalist Michael Young takes readers behind the masthead to reveal the players involved in writing, editing and producing the modern newspaper. Experience life at a chaotic news desk, and see first-hand how news is collected and the big stories covered. What emerges is the changing definition of news, and how newspapers have had to adapt to the twenty-first century in the ever-present shadow of the internet, blogs and citizen journalism, shrinking formats and falling circulation.

Sex, Money, and the Price of Truth - Pe Kavanagh 2017-09-28

She wasn't looking for love. He wasn't supposed to find it. Lola and Aidan would have been the perfect match, if not for the lie that brought them together.
