

# Sex Before Marriage Poll

## **The Gallup Poll** - Alec Gallup 2007

Pyramid Lake is one of the largest lakes in the Great Basin, the terminus of the Truckee River flowing from Lake Tahoe into northern Nevada. This desert oasis, with a surface area of nearly two hundred square miles, is a unique geological feature and was home to the Paiute for thousands of years before the arrival of explorer John C. Fremont in 1844. For the Paiute, it was a spiritual center that provided life-sustaining resources, such as the cui-ui, a fish unique to the lake and now endangered. For the ranchers and farmers who settled on tribal lands, the waters that flowed into it were necessary to raise cattle and crops. Mergen tells how these competing interests have interacted with the lake and with each other, from the Paiute War of 1860 to the present. The lake's very existence was threatened by dams and water diversion; it was saved by tribal claims, favorable court decisions, improved water laws, and the rise of environmentalism. "At Pyramid Lake" is about more than Indians and water wars, however. It is the story of railroads on the reservation and the role of federal, state, and private groups interested in sportfishing. It is about scientists, artists, and tourists who were captivated by the lake's beauty. Finally, it is also a story of the lake as a place of spiritual renewal and celebration. Mergen grew up near its shores in the 1940s and returned frequently through the years. In this cultural history, he combines his personal remembrances with other source material, including novels, poetry, newspaper and magazine journalism, unpublished manuscripts, and private conversations, to paint a fascinating portrait of one of Nevada's natural wonders.

## *It's Time to Call a Spade a Spade* - David Walker 2009-04

A major culture war is raging in America. The battleground includes issues such as abortion, homosexuality, and evolution. The debate continues over whether America was established as a Christian nation and what this thing called "separation of church and state" really means. Some even debate the truth and trustworthiness of the greatest book ever written, the Bible. Most Christians instinctively know what is right but are ill equipped to stand for it, because they do not have the facts. This book will give you the facts that support the truth and thus equip you with the tools you need to stand for what's right. It is time to cut through the prevailing barrage of misinformation and stand for truth based upon the facts. It is time to look clearly at the issues that threaten the fabric of American society and to rise up and call a spade a spade. David Walker is a teacher who became a pastor. He pastored the same church for twenty-eight years, during which time the church grew from 55 to over 500 members. He also started a Christian school that grew to over 500 students. He has a bachelor's degree and a master's degree and has completed all the work for his doctorate except for the dissertation. For twelve years, David taught American history, world history, government, and economics in high schools in Indiana, Ohio, and Florida. His doctoral work consisted of a major in American history with cognates in political science and educational psychology. David has traveled extensively preaching crusades and training pastors on four continents. He has conducted crusades and pastor-training seminars in a number of places in India and Nigeria. He has ministered in crusades and churches in Brazil and Benin and written training materials for house church leaders in China.

## **The Hollow Hope** - Gerald N. Rosenberg 2008-09-15

In follow-up studies, dozens of reviews, and even a book of essays evaluating his conclusions, Gerald Rosenberg's critics—not to mention his supporters—have spent nearly two decades debating the arguments he first put forward in *The Hollow Hope*. With this substantially expanded second edition of his landmark work, Rosenberg himself steps back into the fray, responding to criticism and adding chapters on the same-sex marriage battle that ask anew whether courts can spur political and social reform. Finding that the answer is still a resounding no, Rosenberg reaffirms his powerful contention that it's nearly impossible to generate significant reforms through litigation. The reason? American courts are ineffective and relatively weak—far from the uniquely powerful sources for change they're often portrayed as. Rosenberg supports this claim by documenting the direct and secondary effects of key court decisions—particularly *Brown v. Board of Education* and *Roe v. Wade*. He reveals, for example, that Congress, the White House, and a determined civil rights movement did far more than *Brown* to advance

desegregation, while pro-choice activists invested too much in *Roe* at the expense of political mobilization. Further illuminating these cases, as well as the ongoing fight for same-sex marriage rights, Rosenberg also marshals impressive evidence to overturn the common assumption that even unsuccessful litigation can advance a cause by raising its profile. Directly addressing its critics in a new conclusion, *The Hollow Hope*, Second Edition promises to reignite for a new generation the national debate it sparked seventeen years ago.

## *Women in Fundamentalism* - Maxine L. Margolis 2019-10-10

*Women in Fundamentalism* examines the striking similarities in three extreme fundamentalist religious communities in their views about and treatment of women

## **Breaking the Bonds of Pornography** - Jr. Carter 2007-05

Through "Breaking the Bonds of Pornography," Carter shows readers the avenue to healing from sexual addiction and the possibility of living a free, productive life. (Practical Life)

## **The history of marriage equality in Ireland** - Sonja Tiernan 2020-03-24

Tracing the campaign for marriage equality, this book highlights how this movement and the related referendum result have propelled Ireland from a country perceived as one repressed and controlled by the Catholic church to a country that is now admired as a leader in equality of human rights.

## *The Gallup Poll* - Alec M. Gallup 2010-09-16

This work is the only complete compilation of polls taken by the Gallup Organization, the world's most reliable and widely quoted research firm. It is an invaluable tool for ascertaining the pulse of American public opinion in a certain year, as well as for documenting changing perceptions over time of crucial core issues (such as women's rights and health care). It is necessary for all social science research. More than just a collection of polls, *The Gallup Poll* offers in-depth commentary and analysis, placing current topics in a readable, historical context. Survey results are given in a easy-to-use form. Breakdowns by sex, age, race, level of education, and other factors enable the reader to grasp major issues quickly.

## *Same-sex Marriage in the United States* - Sean Cahill 2004

The rhetoric and emotion surrounding the same-sex marriage debate tends to obscure the facts and figures. Tracing the development of same-sex marriage in the United States and its deployment as a political tool, Sean Cahill lays out the current situation in plain language and explains what's at stake.

## Courts, Liberalism, and Rights - Jason Pierceson 2005

Understanding approaches to liberalism through the study of the politics of gay and lesbian rights.

## *Family Planning Digest* - 1974

## **The 80% Solution** - Donald R. Barbare 2012-04-28

none

## **The Satanic War on the Christian Vol.1 The Reality of Satan & Demons** - Billy Crone 2018-07-16

As a born again Christian, the moment you got saved you entered into a spiritual war against a demonic host whose sole purpose is to destroy you and extinguish your effectiveness for Jesus Christ. This is *The Satanic War on the Christian* and it's been raging on for the last 6,000 years. But many Churches refuse to talk about this conflict let alone equip others who are in the midst of it. Therefore, this four volume book study, *The Satanic War on the Christian*, not only reveals the shocking reality of this supernatural battle we are in as Christians, but it also exposes the seductive weapons, traps, and attacks the devil and his evil emissaries use against us to keep us from becoming a mighty army for Almighty God. In this book, *The Satanic War on the Christian Vol.1 The Reality of Satan & Demons* you will have your eyes opened to such astonishing spiritual truths as: *The Existence of Satan, The Character of Demons, The Existence of Demons, The Tactic of Satan, The Character of Satan, The Tactic of Demons*

## *Apprehending Politics* - Marco Calavita 2012-02-01

"This groundbreaking book examines the significance of the news media for the political beliefs and behavior of contemporary Americans. Relying on original, in-depth interviews with members of the group known as

Generation X, Marco Calavita analyzes the memories and understandings of these individuals' political development dating back to childhood. Specifically, he focuses on the developmental significance of news media engagement in the context of institutions and phenomena like family, peers, schooling, and popular culture." --Book Jacket.

**Equal Ever After** - Lynne Featherstone 2016-01-26

"My story starts at the very end of the journey to equal marriage rights. I stand on the shoulders of giants..." In the future, people will find it difficult to believe that until 2014, somewhere between 5 and 10 per cent of Britain's population were excluded from marriage. As Equalities Minister during the coalition government, Lynne Featherstone played a fundamental role in rectifying this. From setting the wheels in motion within government, to her experiences of the abuse with which the gay community is regularly confronted, through her rebuttals against the noise and fury of her opponents, and finally to the making of history, Lynne details the surprising twists and turns of the fight. Filled with astonishing revelations about finding allies in unexpected places and encountering resistance from unforeseen foes, *Equal Ever After* is an honest account of one woman's pivotal efforts during the turbulent final mile. This is real, lived history - recent history. Many of us celebrated on the day the dream became reality; many of us know people whose lives were changed by the events described here. In this inside story, Lynne reveals the emotional lows and the exhilarating highs involved in turning hard-won social acceptance into tangible legal equality.

**Attitudes and Opinions** - Stuart Oskamp 2005-01-15

Notable advances resulting from new research findings, measurement approaches, widespread uses of the Internet, and increasingly sophisticated approaches to sampling and polling, have stimulated a new generation of attitude scholars. This extensively revised edition captures this excitement, while remaining grounded in scholarly research.

*Attitudes and Opinions*, 3/e maintains one of the main goals of the original edition--breadth of coverage. The book thoroughly reviews both implicit and explicit measures of attitudes, the structure and function of attitudes, the nature of public opinion and polling, attitude formation, communication of attitudes and opinions, and the relationship between attitudes and behaviors, as well as theories and research on attitude change. Over 2,000 references support the book's scientific integrity. The authors' second goal is to demonstrate the relevance of the topic to people's lives. Subsequently, the second part of the book examines many of the topics and research findings that are salient in the world today--political and international attitudes (including terrorism), voting behavior, racism and prejudice, sexism and gender roles, and environmental attitudes. This thoroughly revised new edition features: \*an entirely new chapter on implicit measures attitudes; \*a new chapter on environmental attitudes; \*updated opinion poll data throughout the book; \*additional material on time trends in attitudes about many issues; and \*expanded, updated sections on international attitudes reflecting the events of 9/11 and the subsequent invasions of Afghanistan and Iraq. *Attitudes and Opinions'* broad and interdisciplinary perspective makes this an ideal text in courses on attitudes, public opinion, survey research, or persuasion, taught in a variety of departments including psychology, communication, marketing, sociology, and political science.

*The Ethics Challenge in Public Service* - Carol W. Lewis 2012-04-18

This thoroughly revised and updated third edition of *The Ethics Challenge in Public Service* is the classic ethics text used in public management programs nationwide. The book serves as a valuable resource for public managers who work in a world that presents numerous ethical challenges every day. It is filled with a wealth of practical tools and strategies that public managers can use when making ethical choices in the ambiguous and pressured world of public service. The book also contains new material on topics such as social networking, the use of apology, ethics as applied to public policy, working with elected officials, and more. "The *Ethics Challenge in Public Service*, now in its third edition, continues to be simply indispensable for teaching public service ethics. Thoroughly updated to encompass the latest developments in the field, this new edition adds both a companion website and an instructor's website, further enhancing its value for both students and faculty." —Guy B. Adams, Harry S. Truman School of Public Affairs, University of Missouri "If you want to know about ethical decision making in public service, this is the book to read." —Patricia J. Harned, president, Ethics Resource Center "This book cuts through the rhetoric and the partisanship right to the heart of ethics in the public service; here is a smooth blend of how and why." —Carole L. Jurkiewicz, Woman's Hospital Distinguished Professor of Healthcare Management, John W. Dupuy Endowed Professor, Louisiana State University

**Sanctified Sex** - Noam Sachs Zion 2021-08

*Sanctified Sex* draws on two thousand years of rabbinic debates addressing competing aspirations for loving intimacy, passionate sexual union, and sanctity in marriage. What can Judaism contribute to our struggles to nurture love relationships? What halakhic precedents are relevant, and how are rulings changing? The rabbis, of course, seldom agree. Underlying their arguments are perennial debates: What kind of marital sex qualifies as ideal—sacred self-control of sexual desire or the holiness found in emotional and erotic intimacy? Is intercourse degrading in its physicality or the highest act of spiritual/mystical union? And should women or men (or both) wield ultimate say about what transpires in bed? Noam Sachs Zion guides us chronologically and steadily through fraught terrain: seminal biblical texts and their Talmudic interpretations; Talmud tales of three unusual rabbis and their marital bedrooms; medieval codifiers and mystical commentators; ultra-Orthodox rabbis clashing with one another over radically divergent ideals; and, finally, contemporary rabbis of varied denominations wrestling with modern transformations in erotic lifestyles and values. Invited into these sanctified and often sexually explicit discussions with our ancestors and contemporaries, we encounter innovative Jewish teachings on marital intimacy, ardent lovemaking techniques, and the art of couple communication vital for matrimonial success.

**Why We Whisper** - David J. Woodard 2007

*Why Whisper?* calls on Americans who believe in traditional values to resist the urge to stay silent and thus safe under the shameless onslaught of pressure, intimidation, and ridicule from the San Francisco-loving, NY Times reading, multicultural, anti-business, French-first, tree-hugging secular progressives and liberal political elites.

**The Gallup Poll Monthly** - 2001

**A Church for the Twenty-first Century** - Robert Hannaford 1998
