Alpha's Moon - Renee Rose 2021-02-13

My alpha ordered me to keep away from humans. My wolf is highly unstable. Nearly feral. I can't be trusted around civilians. Certainly not with the lovely kindergarten teacher whose scent drives me wild. But she needs a fake boyfriend for a weekend wedding trip. A big guy to intimidate her ex. How can I refuse? I won't be directly disobeying an order, because it won't be a real date. It will be a nice, clean mission. We'll have separate rooms. I'll keep my wolf on a tight leash. And no matter how much I want to, I will not mark and claim the sweet human as mine...

The Maid and the Werewolf Pack - Verity Vixxen 2016-12-21

It is said the wolves roam the forest, looking for maidens to join with their pack. They appear as monsters, half-man, half-beast, and claim unsuspecting women as their own. Hannah knows all the stories of the werewolves that live

in the forest beyond her village. She knows they're dangerous and that she should never venture into the woods after dark. But the wolves are calling to her, and Hannah doesn't know how much longer she can resist their invitation. She's never been touched by a man - what unspeakable acts will Hannah be forced to endure if she answers the call of a pack of insatiable werewolves? Featuring first time, ménage, gang, oral, front and back door, double stuffing, autoeroticism, voyeurism, and romance. This is a short, stand-alone story of 12,000 words, describing a wolf-man encounter. No cliff-hangers, HFN ending. Except: I'm running, running from the creatures in the woods. I know now what it is that they want, what they need. I saw everything. Layla was there, my friend, spread-eagled beneath one of their hairy forms, moaning and writhing. The sounds she made! Pleasure and pain mixed together, her voice rising and falling until she let out a howl to compare to the very creatures themselves. Are

they still chasing me? My heart is beating so loudly I'm deaf to all else. Why, oh why, did I follow Layla into the forest? Why didn't I run home when I had the chance? I've heard all the stories and I knew what could happen, and still I came. Curiosity is an urge that few can resist. And now I'm caught with my hand in the cookie jar, and I cannot escape. They are following! I can hear padded feet trampling the leaves on either side of me. They're close. From the corner of my eyes, I count the moving shadows. Five. Six. Seven. How many creatures are chasing? How many will have their way with me before this night is over? I suck another fiery breath of air. My lungs burn. I cannot run much further, and the safety of the village is still so far away. I must face these creatures and in doing so, face the desires that burn deep within me. If I'm honest with myself, truly honest, then I know that part of me wanted to be caught like this. Part of me - the wicked, wanton part of me - wants to know the truth about the werewolves

that haunt our woods. And now I'm going to find out. Werewolf ménage erotica paranormal romance shape shifter ménage adventure submission horror interracial mystery science fiction alpha male shifter shapeshifter fantasy, science fiction, horror, historical, werewolves, gang, gang bang, erotica, romance, steamy, alpha, alpha male, anal, oral, double stuffing, multiple, ménage, threesome, foursome, first time, virgin, maid, maiden, untouched, voyeurism, autoeroticism, submission.

The Time of Thin Blood - Sarah Roark 1999-06
What are we? The Damned childer of caine? The grotesque lords of humanity? The pitiful wretches of eternal hell? We are vampires, and that is enough. I am a vampire, and that is far more than enough. I am that which must be feared, worshipped and adored. The world is mine -- now and forever. No one holds command over me. No man. No god. No prince. What is a claim of age for ones who are immortal? What is a claim of power for ones who defy death? Call

your damnable hunt. We shall see whom I drag screaming to hell with me. Allows you to portray the hunted childer of high-generation vampires.

Punk 57 - Penelope Douglas 2016

"MISHA I can't help but smile at the lyrics in her letter. She misses me. In fifth grade, my teacher set us up with pen pals from a different school. Thinking I was a girl, with a name like Misha, the other teacher paired me up with her student, Ryen. My teacher, believing Ryen was a boy like me, agreed. It didn't take long for us to figure out the mistake. And in no time at all, we were arguing about everything. The best take-out pizza. Android vs. iPhone. Whether or not Eminem is the greatest rapper ever... And that

was the start. For the next seven years, it was us. Her letters are always on black paper with silver writing. Sometimes there's one a week or three in a day, but I need them. She's the only one who keeps me on track, talks me down, and accepts everything I am. We only had three rules. No social media, no phone numbers, no pictures. We had a good thing going. Why ruin it? Until I run across a photo of a girl online. Name's Ryen, loves Gallo's pizza, and worships her iPhone. What are the chances? F*ck it. I need to meet her. I just don't expect to hate what I find. RYEN He hasn't written in three months. Something's wrong. Did he die? Get arrested? Knowing Misha, neither would be a stretch. Without him around, I'm going crazy. I need to know someone is listening. It's my own fault. I should've gotten his phone number or picture or something. He could be gone forever. Or right under my nose, and I wouldn't even know it. *Punk 57 is a stand alone New Adult romance. It is suitable for ages 18+."--
