**Managing Reproductive Life** - Soraya Tremayne 2001

In 1999, the Institute of Social and Cultural Anthropology at the

University of Oxford held a workshop on the social dynamics of human reproduction. This volume contains 12 papers from scholars in Britain

and the U.S. that were originally presented at that workshop. Topics include, for example, motherhood among young prostitutes in Thailand, the meaning of children in Hong Kong, and the reproductive health of refugees. Annotation copyrighted by Book News, Inc., Portland, OR  
[A New View of Women's Sexual Problems](#) - Ellyn Kaschak 2001  
 The title article, written by a working group of 12 clinicians and social scientists and released at a press conference in October 2000, is followed by ten commentaries on it by mental health practitioners and researchers from a number of countries, and 11 reports on new developments in theory and research. They are published simultaneously as *Women and Therapy*, vol. 24, nos. 1/2 (2001). Annotation copyrighted by Book News, Inc., Portland, OR.

*Personal Issues in Human Sexuality* - Sol Gordon 1989

Focus is on personal, philosophical, and ethical issues in people's lives and the significant medical and research data. Acidic paper. Annotation copyright Book News, Inc. Portland, Or.

[Condom Nation](#) - Alexandra M. Lord 2010-01-01

An award-winning history of the U.S. Public Health Service's haphazard efforts to educate Americans about sex for more than a century. Since launching its first sex ed program during World War I, the Public Health Service has dominated federal sex education efforts. Alexandra M. Lord draws on medical research, news reports, the expansive records of the Public Health Service, and interviews with former surgeons general to examine these efforts, from early initiatives through the administration of George W. Bush. Giving equal voice to many groups in America—middle class, working class, black, white, urban, rural, Christian and non-Christian, scientist and theologian—Lord explores how federal officials struggled to create sex education programs that balanced cultural and public health concerns. She details how the Public Health Service left an indelible mark on federally and privately funded sex education programs through partnerships and initiatives with community organizations, public schools, foundations, corporations, and religious groups. With engaging and insightful analysis, Lord explains how tensions among these organizations exacerbated existing

controversies about sexual behavior. She also discusses why the Public Health Service's promotional tactics sometimes fueled public fears about the federal government's goals in promoting, or not promoting, sex education. Award for the Public Understanding of Science, 2010, British Medical Association's Board of Science First Prize, Popular Medicine, British Medical Association 2010 Book Awards

[Mature Sexual Intimacy](#) - Maryann Karinch 2019-07-08

This book delves into the value of intimacy, the rewards of it, and how women can move toward those rewards when perimenopausal, in the throes of menopause, or postmenopausal. It helps women explore improved sexual health and science-based answers to finding physical comfort and pleasure during and after menopause—from symptom relief to orgasm.

**Handbook of Women's Sexual and Reproductive Health** - Gina M. Wingood 2002-03-31

Medical researchers, including those in behavioral sciences and health education, as well as contributors from communications, social sciences, history, and other fields summarize in depth the epidemiology, social and behavioral correlates, effective intervention and prevention strategies, and health policies related to women's sexual and reproductive health. First they explore how women's vulnerability to adverse sexual and reproductive health consequences is increased by a wide range of biological and social factors. Then they take a life-span approach to issues, and finally examine ethical and legal issues. Annotation copyrighted by Book News Inc., Portland, OR.

**The Kinsey Institute New Report on Sex** - June Machover Reinisch 1990

In the late 1940s and early 1950s, the Kinsey Institute "wrote the book" on sex, shocking America and forever changing notions of what is sexually "normal". The 1990s finds America facing the tragedy of AIDS and the extraordinary rates of teenage pregnancy. This report is based on a news-breaking survey that demonstrates the disturbing sexual illiteracy that plagues America. Illustrations and diagrams.

[The Quest for Sexual Health](#) - Steven Epstein 2022-03-23

"Since the 1970s, health professionals, researchers, governments, advocacy groups, and commercial interests have invested in the pursuit of something called 'sexual health'. Programs were launched, organizations founded, initiatives funded, products sold--and yet, no book before this one asks: What does it mean to be sexually healthy? When did people conceive of a form of health called sexual health? And how did it become the gateway to addressing a host of social harms and the reimagining of private desires and public dreams? Offering an entryway into the distinctive worlds of sexual health, this book traverses the distance from the research and treatment domains where sexual health is assessed, measured, and improved to the "sex expos" that invite attendees to "leave their inhibitions at the door and explore today's top intimacy products" and beyond. Sexual health encompasses wildly disparate agendas and speaks to innumerable concerns--from sexual dysfunction to sexual violence, from HIV prevention to reproductive freedom, to the practicalities of sexual contact during a global pandemic. Rather than a thing apart, sexual health is intertwined with nearly every conceivable topical debate--and more of them every day. Through his wide-ranging exploration, Steven Epstein provides the critical tools needed to bring into focus the different faces of sexual health and parse the debates that swirl around it"--

*Sexual Health Concerns* - Michael W. Ross 2000

A guide for mental and physical health practitioners, social workers, and students, giving practical tips on asking basic screening questions, completing more detailed sexual histories, and advising patients and clients. Coverage includes history taking for STDs, reactions to STD infection, sexuality and chronic illness, HIV counseling, and sexual orientation. Examples of questions are given which can help identify common sexual concerns and problems. This second edition gains strength from a third author, and contains new chapters on children and adolescents, and on aging and sexuality. Annotation copyrighted by Book News, Inc., Portland, OR.

**Count Down** - Shanna H. Swan 2022-02-08

An award-winning scientist, in this urgent, thought-provoking and

meticulously researched book, shows how chemicals in the modern environment are changing--and endangering--human sexuality and fertility on the grandest scale.

*Talk Sex Today* - Saleema Noon 2016-06

"This book provides the information and language parents, and also grandparents, teachers, and other professionals/caregivers, need in order to talk to children and teens about sex and sexual health, in ways that are age-appropriate at each stage of sexual, psycho-social development, beginning with preschoolers through to late teens. Topics include gender identity and attraction, physical/sexual development, emotional readiness, boundaries, contraception, pregnancy, STIs, relationships, assertiveness, sexual consent, sex and media/social media, (sexting, cyberbullying, selfies), etc. The book also includes a chapter on teaching sexual health to children and teens with special needs."--

*Erectile Dysfunction* - Bradley Martin 2015-08-10

Conquer Erectile Dysfunction and Have a Happier and Healthier Sex Life! No matter how hard you try, you may need help to address, treat, and cure your erectile dysfunction. Do you ever wish you were better in bed? Would like to have stronger, more vigorous erections? Would your partner appreciate your increased libido? Erectile Dysfunction explains how your sexual organs are stimulated, and the best ways to do so. Also, it describes what factors make it harder for you achieve an erection. You'll explore the physical and psychological factors that create this issue in men - and the various ways you can address it. You'll also learn how to talk about erectile dysfunction with your partner, and what they can do to help! The bad news is - you may have to change your habits. However, the good news is that there are many lifestyle changes and treatments that can help you end this embarrassing condition. You may be able to regain your sexual vigor and stamina - without costly drugs and other treatments! This essential book also helps you understand how porn addiction, substance abuse, and obesity can contribute to your problem, as well as other many other factors. Read Erectile Dysfunction TODAY to find out about the many solutions to this issue - and start living a happier, more fulfilling life! You'll be so glad you did!

*The Vagina Bible* - Dr. Jennifer Gunter 2019-08-27

Does eating sugar cause yeast infections? Does pubic hair have a function? Should you have a vulvovaginal care regimen? Will your vagina shrivel up if you go without sex? What's the truth about the HPV vaccine? So many important questions, so much convincing, confusing, contradictory misinformation! In this age of click bait, pseudoscience, and celebrity-endorsed products, it's easy to be overwhelmed-whether it's websites, advice from well-meaning friends, uneducated partners, and even healthcare providers. So how do you separate facts from fiction? Obstetrician Jen Gunter, an expert on women's health-and the internet's most popular go-to doc-comes to the rescue with a book that debunks the myths and educates and empowers women. From reproductive health to the impact of antibiotics and probiotics, and the latest trends, including vaginal steaming, vaginal marijuana products, and jade eggs, Gunter takes us on a factual, fun-filled journey. Discover the truth about: · The vaginal microbiome · Genital hygiene, lubricants, and hormone myths and fallacies · How diet impacts vaginal health · Stem cells and the vagina · Cosmetic vaginal surgery · What changes to expect during pregnancy, after childbirth, and through menopause · How medicine fails women by dismissing symptoms Plus: · Thongs vs. lace: the best underwear for vaginal health · How to select a tampon · The full glory of the clitoris and the myth of the G Spot ... And so much more. Whether you're a twenty-six-year-old worried that her labia are 'uncool' or a sixty-six-year-old dealing with painful sex, this comprehensive guide is sure to become a lifelong trusted resource.

*Dr. Nita's Crash Course for Women* - Nita Landry, MD, OB-GYN  
2022-10-25

THE HEALTH AND WELL-BEING RESOURCE EVERY WOMAN NEEDS AND DESERVES Many women aren't enjoying womanhood — they're tolerating it and don't realize how much healthier and happier they could be. For those women — in fact, for all women — superstar ob-gyn Dr. Nita Landry presents the best wellness guide to come along in decades. With a winning combination of straight talk and science savvy, Dr. Nita's frank, health-forward book will empower you to: • ditch fundamental

misunderstandings about female anatomy and enjoy a healthy, happy sex life • find the right doctor and ask the right questions • stay on top of breast and gynecological cancer screening and prevention • deal with reproductive concerns • clear confusion about period problems, sexually transmitted infections, orgasms, and hush-hush female issues like leaky bladders With Dr. Nita's expertise and guidance, you'll discover better sex, better health, and a better you.

**Global and Regional Estimates of Violence Against Women** - Claudia García-Moreno 2013

"World Health Organization, London School of Hygiene and Tropical Medicine, South African Medical Research Council"--Title page.

**Sexuality Education Across Cultures** - Janice M. Irvine 1995-08-29

A guide for sexuality educators to the ways different cultures shape sexual attitudes and behavior, with suggestions for developing culturally appropriate education programs. Useful for anyone who communicates information about sexuality, including social workers, teachers, psychologists, nurses and doctors, community organizers, and parents. Annotation copyright by Book News, Inc., Portland, OR

**Got Teens?** - Logan Levkoff 2014-02-11

"We've been there. And as parents, we are right there with you."  
—Health and sexuality experts Logan Levkoff, PhD and Jennifer Wider, MD. In *Got Teens?*, the Doctor Moms combine their medical and psychological knowledge with their own personal experiences to address the most cringeworthy and difficult questions that kids often ask their parents. From "How old were you when you first had sex?" to "What's wrong with sharing my password with a friend I trust?" and beyond, Levkoff and Wider will help you decode your teens' questions to figure out what they really want to know. Topics include body development, emotional changes, bullying, social media, substance abuse, and more—giving parents the confidence to tackle these subjects with authority and compassion.

**Sexuality and People with Intellectual Disability** - Lydia Fegan 1993

A guide for parents, teachers, social workers, and others working with either children or adults. Presents practical suggestions for dealing with

such issues as masturbation, sexual intercourse, sexual health, fertility, homosexuality, HIV/AIDS, and sexual exploitation. Annotation copyright by Book News, Inc., Portland, OR  
*International technical guidance on sexuality education* - UNESCO

2018-01-15
