I Hope They Serve Beer In Hell - Tucker Max 2012-03-01

The "highly entertaining and thoroughly reprehensible" #1 New York Times bestseller—now with sixteen pages of photos and a new introduction (The New York Times). My name is Tucker Max, and I am an asshole. I get excessively drunk at inappropriate times, disregard social norms, indulge every whim, ignore the consequences of my actions, mock idiots and posers, sleep with more women than is safe or reasonable, and just generally act like a raging dickhead. But, I do contribute to humanity in one very important way: I share my adventures with the world. --from the Introduction Actual reader feedback: "I find it truly appalling that there are people in the world like you. You are a disgusting, vile, repulsive, repugnant, foul creature. Because of you, I don't believe in God anymore. No just God would allow someone like you to exist." "I'll stay with God as my lord, but you are my savior. I just finished reading your brilliant stories, and I laughed so hard I almost vomited. I want to bring that kind of joy to people. You're an artist of the highest order and a true humanitarian to boot. I'm in both shock and awe at how much I want to be you."

The Sex Lives Of Cannibals - J Maarten Troost 2010-05-25

Fantasized about quitting the 9-5? Walking away from credit card debt and student loans? Think living in the South Pacific for two years sounds like a perfect solution and perhaps even a winning idea for your first novel? Maarten Troost does just that, setting up as a devil-may-care islander while his girlfriend, Sylvia, gets to work on saving the planet, or at least a little part of it on an end-of-the-world atoll, Tarawa. Life on Tarawa resembles not so much paradise as a theatre of the absurd where planes fly with the aid of masking tape, Coconut Stalinism prevails as national government and Sylvia is co-opted by the CIA to spy on the Chinese. But abandoning continental hang-ups like barbequeing the local dogs and watching on as international industrial fishing trawlers plunder the world's richest tuna supply aren't so easy. Perhaps only by following the locals and letting go, one just might find a better way to live...

Tequila Mockingbird - Tim Federle 2013-04-23

Kissing in the Chapel, Praying in the Frat House - Adam J. Copeland

2014-12-05

College is a time to learn, explore, and grow, but what does faith have to do with it? In this collection of essays, gifted writers in their twenties and early thirties reflect on their college years by telling stories—some hilarious, some heart-wrenching—on the intersection of faith and college. At a time when so much is written about young adults but not by young adults, this collection allows writers to reveal their college experience in their own voice, sharing, through reflection on their own joys and sorrows, unique insight into students' experience of college. Themes include negotiating identity, sex and sexuality, discerning the future, studying abroad, and transitions in faith. This collection includes stories from large public universities and small, faith-related colleges. Perfect for faith leaders, college administrators, study groups, young adults, and anyone who loves a college student, *Kissing in the Chapel*, *Praying in the Frat House* reveals college struggles that help us reflect on faith and life in college, and forever.

You Deserve a Drink - Mamrie Hart 2015-05-26

A New York Times bestselling, riotously funny collection of boozy misadventures from the creator of the YouTube series, "You Deserve a Drink." Mamrie Hart is a drinking star with a Youtube problem. With over a million subscribers to her cult-hit video series "You Deserve a Drink," Hart has been entertaining viewers with a combination of tasty libations and raunchy puns since 2011. Hart also co-wrote/co-starred in *Dirty Thirty* and *Camp Takota* with Grace Helbig and Hannah Hart. Finally, Hart has compiled her best drinking stories—and worst hangovers—into one hilarious volume. From the spring break where she and her girlfriends avoided tan lines by staying at an all-male gay nudist resort, to the bachelorette party where she accidentally hired a sixty-year-old meth head to teach the group pole dancing (not to mention the time she lit herself on fire during a Flaming Lips concert), Hart accompanies each story with an original cocktail recipe, ensuring that *You Deserve a Drink* is as educational as it is entertaining. With cameos from familiar friends from the YouTube scene and a foreword by Grace Helbig, this glimpse into Hart's life brings warmth and humor to the

woman fans know and love. And for readers who haven't met Mamrie yet—take a warm-up shot and break out the cocktail shaker: you're going to need a drink. "Hart is a pull-no-punches comedian with a talent for self-deprecation in the guise of self-aggrandizement, a winning formula."—The New York Times

The Red Corridor - Ritu Dokania 2010

Ramu, a typical Bihari servant, loves to flash his red torch light on the images of voluptuous heroines in the cinema hall and disparages foreign cuisine. He plays Lakshman during the Ramlila festivities, grudging the importance given to Hanuman. Could he be a murderer? Has he killed Manian? Timila thinks so and interrogates him thinking about their interwoven lives in Chennai. Timila, an expatriate from Nepal, is branded Nepali-girl-with-no brains by her new, urban friends in Chennai. She is mocked since she cannot comprehend western social etiquette. She falls in love with Manian, a Tamilian businessman obsessed with medical research, who tries to cure her facial flaws. In alien Chennai, she meets Ramu, Manian's servant who incidentally hails from her hometown. The riots in Nepal flared up by the Madhesis, the Indian-origin-inhabitants of Nepal, thwart the fledgling relationship between Ramu and Timila, who are two Madhesis uprooted and treated shoddily by an unfamiliar world. Manian and Timila find love and success in Chennai when suddenly death comes knocking.... Can Timila find a satisfying denouement?

The Groucho Letters - Groucho Marx 2007-08-14

Donated to the Library of Congress in the mid-1960s, Groucho Marx's correspondence was first crafted into this celebration of wit and wisdom in 1967. Reissued today with his original letters and humor intact, The Groucho Letters exposes one of the twentieth century's most beloved comedian's private insights into show biz, politics, business, and, of course, his illustrious personal life. Included are Marx's conversations with such noted personalities as E. B. White, Fred Allen, Goodman Ace, Nunnally Johnson, James Thurber, Booth Tarkington, Alistair Cooke, Harry Truman, Irving Berlin, and S. J. Perelman. To Confidential Magazine Gentlemen: If you continue to publish slanderous pieces about me, I shall feel compelled to cancel my subscription. Sincerely, Groucho Marx

Kvetching and Shpritzing - Joseph Dorinson 2015-10-01

Jewish humor, with its rational skepticism and cutting social criticism, permeates American popular culture. Scholars of humor--from Sigmund Freud to Woody Allen--have studied the essence of the Jewish joke, at once a defense mechanism against a hostile world and a means of cultural affirmation. Where did this wit originate? Why do Jewish humorists work at the margins of so many diverse cultures? What

accounts for the longevity of the Jewish joke? Do oppressed people, as African American author Ralph Ellison suggested, slip their yoke when they change the joke? Citing examples from prominent humorists and stand-up comics, this book examines the phenomenon of Jewish humor from its biblical origins to its prevalence in the modern diaspora, revealing a mother lode of wit in language, literature, folklore, music and history.

More From The Vile File - Dwight York

The shortest route from set-up to payoff is, geometrically speaking, the one-liner. And there's no finer practitioner of this oft-overlooked art than Dwight York. One of the most prolific and masterful comics working the stage today, York is known for his combination of short witticisms (channeling a bit of Steven Wright) and quick shocks (perhaps like an over-caffeinated Doug Stanhope), a deluge of which are shared in his latest book, *More from the Vile File*. Whether you're looking to crib some notes for cocktail parties or get your humor in bite-sized pieces, *More from the Vile File* will have you all stocked up in no time... just practice your transition from, "Wait...?" to "Oh!" to "Oh dear...," because the mighty Dwight York one-liner waits for no man, woman, or sheep.
