

She Likes You But Hides It

Spelling Disabled - Jonathan Edward Feinstein
2018-05-27

Bernie is a wizard with a learning disability. The magic works, but not always the way he intends it to. Join him, his demon familiar, a white and tan cat called "Fluffernutter," and his friends as he bumbles his way through adventure.

Ashes of Sin and Stardust - Lindsay Murray
"I will destroy you." I have searched for her for over half my life. Every night, I see her face in my dreams. Every morning, I wake to those words seared into my mind. She'll be my everything, the thing I've been searching for, the thing to complete me. The one who will choose to sit at my feet and serve me... the one I will never let go. But when I find her... She's a smart-

mouthed, annoying, obnoxious little brat. Alice Benson is nothing but snark, chaos, and glitter, all rolled up into a tattooed curvy little body made to drive me to sin. As hard as I try to avoid her, I can't get her out of my head. I can't stop watching her. I can't stop wanting her. But when she finally opens up to me... I realize destruction never tasted so sweet. This is an interconnected standalone in the AnchorX series. It takes place after Let's Play a Game. This book was originally published under the title How to Tame a Brat. The content of the book has not changed.

The Memories We Hide - Jodi Gibson 2019-08-20
The Memories We Hide tells the story of 27-year-old Laura Murphy who returns to her small

home town ten years after the death of her then-boyfriend, Ryan Taylor. As her memories begin to resurface, Laura realizes she can no longer run from her past and must unravel the blurred lines of truth and memory. As she reconnects with her childhood friend Tom Gordon - who is hiding a secret of his own - Laura vows to find out what really happened the night of Ryan's death. But will it be her own memories that cause her the most pain?

Two Sides of the Coin. "Slices of Life" stories are just that, glimpses into the lives of strangers. "Alternate Realities" are just that as well, stories that are based on real life but we wish don't resemble real life at all. Two types of stories that show the author's views on life using humor, tragedy, and a little weirdness.

Starfish - Akemi Dawn Bowman 2018-04-05
"Dazzling" - Bustle "This book is a gem" - Book Riot "The best YA debut novel of the year" - Paste Magazine 26 of the best books to read this summer 2018 - Cosmopolitan "Utterly uplifting" - Stylist Magazine Kiko Himura has always had a hard time saying exactly what she's thinking. With a mother who makes her feel unremarkable and a half-Japanese heritage she doesn't quite understand, Kiko prefers to keep her head down, certain that once she makes it into her dream art school, Prism, her real life will begin. But then Kiko doesn't get into Prism, at the same time as her abusive uncle moves back in with her family. So when she receives an invitation from her

childhood friend to leave her small town and tour art schools on the West Coast, Kiko jumps at the opportunity in spite of the anxieties and fears that attempt to hold her back. And now that she is finally free to be her own person outside the constricting walls of her home life, Kiko learns transformative truths about herself, her past, and how to be brave. A luminous, heartbreaking story of identity, family, and the beauty that emerges when we embrace our true selves. Praise for Starfish: A Junior Library Guild Selection A William C Morris Award Finalist New York Public Library - Best Books for Teens 2017 "In an empowering novel that will speak to many mixed-race teens, debut author Bowman has created a cast of realistically complex and conflicted characters." - Publisher's Weekly "Starfish is a stunningly beautiful, highly nuanced debut." - Booklist "A book you absolutely cannot miss ... A heart-wrenching story that tackles abuse, racism and identity, making it one of the most compelling reads of

the year." - Paste Magazine "A deep and engaging story that will not only entertain but also may encourage readers to live their best lives." - School Library Journal "I want everyone to read this book." - Brandy Colbert, author of *Little & Lion* "A vibrant, complex and heartfelt story about finding your place in a sharp-edged world that never makes it easy." - Kelly Loy Gilbert, author of *Conviction* "Bowman's quietly dazzling novel gave me the sensation of looking into a mirror. This story is a knockout." - Riley Redgate, author of *Noteworthy* "A brave, unfiltered look into a young girl's attempt to find herself in the face of abuse and rejection. It will break your heart and then piece it back together again." - Sandhya Menon, *New York Times* bestselling author of *When Dimple Met Rishi* *A Savage Presence* - WL Knightly 2020-10-23 Now that Connor Cohen is dead, Silas Cohen is free to live the life he wants. But there are still two men in the way. When Enzo Juarez tries to make a new deal with Fiona, her good intentions

get the best of her and she unexpectedly puts Silas in danger. Can Alex's connections save them this time? All bets are off when it's every man for themselves in this series' finale. [Pee Wee](#) - Grady Query 2014-09-15 Volume II of PEE WEE, *Serial Killer* or *Homicidal Maniac*, focuses on the courtroom drama of his several trials and appeals. Readers that enjoy trial strategy, courtroom personalities and the cloakroom maneuvering of the criminal courts will find a plethora of intriguing twists and turns. Seemingly foregone outcomes are reversed by national events or by the local politics of the farmlands of South Carolina that stubbornly resist change. It is replete with excerpts from actual trial transcriptions and transcripts of out of court statements given under oath. Despite his numerous murder convictions Gaskins manages time and again to avoid the death penalty in real life by virtue of unexpected events that could seemingly occur only in fiction. Told by an attorney intimately

involved in the cases, there are pithy descriptions of battles fought in and out of the courtroom on the one hand and on the other of the camaraderie between adversaries. Both often lead to unpredictable outcomes. Pee Wee Gaskins describes the murders to which he will plead guilty in his own words. At the same time by either omission or outright lies, he avoids the inclusion of those murders for which he does not want to admit responsibility. Finally, in one of the most incredible crimes imaginable, the tiny killer foils the safeguard systems of a maximum security penitentiary to murder a fellow death row inmate with plastic explosives.

Hiding From The Play Boy - Chelseeyie,
2022-12-07

Arabella Rielle Rivera, a partygoer, energetic, and has a bold personality, puts her life in danger when she accidentally heard the secret of the underground gang, 'The Hawk'. As she ran out of the scene to spare her life, she bumped into someone she never wished to see again.

Sean Elijah Dela Fuente, the playboy she dated before, was also the one who caused her first heartbreak. It seems like fate is also playing tricks with them. She keeps on hiding from the playboy to mend her broken heart, but the latter seems to enjoy the game they are playing—Hide and Seek. As the secret unfolds and love arises, will it be a 'game over once the playboy found her?

Hide Your Crazy - S.J. Sawyer 2015-05-04

Hide Your Crazy is the second novella in the Like A Lady serial. It cannot be read as a standalone. Woah! It's the only thing that I can think because my head's so full of Mason Pierce I can't think about anything else. Who would have thought two weeks could change your perception so completely? Not me, but it surely has. I'm a gonner: hook, line, and sinker. There's only one thing runnin' around my head, and it's Mason. I want him. Bad. It's fun. It's light. The sex is explosive. else I can think of. That's where I want Red, and I want her there, now, without all the damned interruptions that seem to surround us. Yeah, they're supposed to be our friends, but I'm seriously starting to wonder if they're getting off torturing me. Because that's what this is, wanting Red, having Red but not being able to have her, it's torture.~Mason

Where Oceans Hide Their Dead - John Yunker
2019-02-11

The long-awaited sequel to *The Tourist Trail* Robert Porter has quit the FBI in search of his long-lost (and presumed dead) love, Noa, only to find himself on the wind-raked shores of Southern Africa working for a seal-rescue organization. When a confrontation with local sealers ends in murder, Robert must abandon the seals and his search to join a private intelligence firm seeking to locate an activist who stole files from one of the world's largest biotech companies. On the other side of the planet, Tracy Morris is an Iowa City hospice nurse by day, while by night she obsessively follows, and ultimately loses, Neil Cameron Jr., whom she sent to prison back when she was a brokenhearted drug addict. Meanwhile, in New Zealand, Amy Bakas, an American backpacker unsure about her impending marriage in the States, joins an attractive and mysterious man hitchhiking to the South Island. Along the way,

she discovers that he is Neil Cameron, and that he is on the run for his life. The stories of Robert, Amy, and Tracy collide on a desolate beach of Australia in this passionate, adventurous novel about living on the edge of society and love in all its myriad forms.

Within School Walls - AnnMarie Wolpe

2012-05-16

Drawing from her in-depth ethnographic study of a London comprehensive school the author shows how gender formation for both girls and

boys is mediated by disciplinary control, sexuality and the curriculum. Her findings for girls and boys - with their important emphases - are revealed. So are the responses and perspectives of the teachers. Prior to publication of this volume much feminist writing depicted the subordination of girls as a function of patriarchal control, both in terms of the teaching the girls receive and the behaviour of the boys around them. The author's narrative implicitly and explicitly challenges some of these views.
