[The Book of Pook](#) - Pook 2018-03-19

The complete collection of writings by the legend himself! A few years ago there was a man who posted on a PUA forum called So Suave and had his own blog called Pook's Mill. His basic message was that the PUA techniques were too simple, and focused on external manipulations, and focusing on others rather than focusing on yourself and your own masculinity. Sadly Pook disappeared from the scene, but his teachings live on in this ebook.

[Small Town Big Rumors](#) - Willow Winters

He tasted like tequila and the fake name I gave him was Rose. Four years ago, I decided to get over one man, by getting under another. A single night and nothing more. I found my handsome stranger with a shot glass and charming but devilish smile at the end of the bar. The desire that hit his eyes the second they landed on me ignited a spark inside me, instant and hot. He was perfect and everything I didn't know I needed. That one night may have ended, but I left with much more than a memory. Four years later, and with a three-year-old in tow, the man I still dream about is staring at me from across the street in the town I grew up in. I don't miss the flash of recognition, or the heat in his gaze. The chemistry is still there, even after all these years. I just hope the secrets and regrets don't destroy our second chance before it's even begun.

I Will Never Trust a Man - Dr. Kumdong Bindul Nostra 2014-06-16

From the very first moment Saratu met Bindul, he made her believe that she was more than any other woman he had ever seen in the world. He bathed her with love, bathed her, bathed her and finally drowned her completely into his love. Saratu loves him with the truest love of her heart. As matter-of-factly, they were head over heels in love. They admired each other, they adored each other, they allured each other, they liked each other, they want each other, they need each other, they beseechingly desired each other and they loved each other like politicians with corruptions. They declared their love for each other and not so long they stood in front of an overfilled church congregation to publicly declare their love for each other in a one-in-town society marriage. They swam in their love and lived very, very comfortable and happily in love. Saratu wasn't in need of anything, even sex. Bindul gave her all the practical part of love, the love that was made in heaven for a woman, that kind of love that made her feel as though she was the only EVE with the only ADAM in this modern world and she was wholly dependable on it. Like King Solomon to his wives and concubines, Bindul lavished Saratu with the sweetest lovely words and praises. He gave her all that she needed in life. But when Saratu later discovered that her husband was still madly in love with Jimikat, his primeval girlfriend, things weren't the same again for her. Their loveliest sex-packed marriage suffered a temporary drought of sex. Saratu first ran to her dear friend, Dakmikat for help. Despite doing everything, her husband clung onto Jimikat like a tick to a cow. But at the end, when Bindul brought the two of them together, the problem was solved and Saratu and Jimikat became very, very good friends and lived very happily under the spell of Bindul.

Can We Help Us? - Timothy Shepard 2011-06-24

Growing up in the sixties was bad enough, but to grow up in the sixties as an inter-racial kid was really bad. The blacks, who were already being openly hated for being black, didn't accept me because I was half white and the whites didn't accept me because I was black. No one seemed to accept me except a few from either side; and this was inside my own family. I didn't meet my mother's father until I was fourteen. I was being prepared for the real world that was all too ready to jump right in line and pick up where my family left off or may have missed a lesson or two. Why did these and more, much more happen to me? Because if you're going through hell right now or been through it; been abused; thinking of hurting yourself or someone else;

thinking of suicide; thinking no one loves you or ever could; thinking no one cares; this is why I went through what you have to read in this book to believe. It was for you. Blessed be GOD, even the Father of our Lord JESUS CHRIST, the Father of mercies, and the GOD of all comfort; Who comforteth us in all our tribulation, that we may be able to comfort them which are in any trouble, by the comfort wherewith we ourselves are comforted of GOD. For as the sufferings of CHRIST abound in us, so our consolation also aboundeth by CHRIST. And whether we be afflicted, it is for your consolation and salvation, which is effectual in the enduring of the same sufferings which we also suffer: or whether we be comforted, it is for your consolation and salvation. 2 Corinthians 1:3-6 KJV. Therefore being justified by faith, we have peace with GOD through our Lord JESUS CHRIST: By whom also we have access by faith into this grace wherein we stand, and rejoice in hope of the glory of GOD. And not only so, but we glory in tribulations also: knowing that tribulation worketh patience: And patience, experience; and experience, hope: And hope maketh not ashamed; because the love of GOD is shed abroad in our hearts by the Holy Ghost which is given unto us. For when we were yet without strength, in due time CHRIST died for the ungodly. For scarcely for a righteous man will one die: yet peradventure for a good man some would even dare to die. But GOD commendeth His love toward us, in that, while we were yet sinners, CHRIST died for us. Romans 5: 1-8 KJV. And the grace of our Lord was exceeding abundant with faith and love which is in CHRIST JESUS. This is a faithful saying, and worthy of all acceptance, that CHRIST JESUS came into the world to save sinners; of whom I am chief. Howbeit for this cause I obtained mercy, that in me first JESUS CHRIST might show forth all longsuffering, for a pattern to them which should hereafter believe on Him to life everlasting. Now unto the King eternal, immortal, invisible, the only wise God, be honor and glory for ever and ever. Amen. 1 Timothy 1: 14-17 KJV. Can We Help Us? T I M O T H Y S H E P H A R D

Sweet Summer's Kiss - Debra Salonen 2017-07-06

Gretchen will never be able to give him that. So why does fate keep throwing them together so cruelly? First, at a Copper Mountain Chocolate Shop Speed Dating event, then when he's hired to open a new division at her PR firm. The Art of Flirting - Anthony Ekanem 2016-07-20

What do you know about flirting? This question might seem easy since we've all at least tried to get it done properly a couple of times. Dressing up to impress the opposite sex, complimenting them, and sending cheesy pickup lines their way are all various techniques created to attract women, but do you really know what flirting entails? In a nutshell, flirting refers to a sort of mating ritual that isn't exclusive to human beings alone. Take animals, for example. Do you ever wonder if the songs that birds sing have any meaning to them? Do you think it's only a coincidence that peacock feathers are so colorful and stylish? Have you ever wondered why apes beat their chests like that? Well, there is a simple answer to all of that: they are a small part of these animals' mating rituals. Although flirting tactics tend to be one-of-a-kind for every species out there, their goals aren't. Human beings need to use non-verbal and verbal cues to attract potential mates. Men, for one, need to take certain actions in order to impress their choice of women: humor, intelligence, money, confidence and social status are all a part of this. Just like male apes beating their chests, these are merely several signals that we emit to show how worthy and desirable we can be to women. This is why flirting is considered a mating ritual. Moreover, flirting is actually done unconsciously, just like with the animals. Do animal mating rituals look pre-planned to you? Well, they aren't. The truth is: these rituals all come from nature and are done to keep the life cycle going. Each creature on this planet was bred for this particular purpose, after all - human beings included. And, as with animals, human beings do not think before they flirt; they simply flirt. As a matter of fact, we only become aware of flirting when it ends up backfiring. Each guy on earth has come across a situation where some girl flirted with him and ended up acting annoyed after he flirted back.
