Still In Love With You Mari Villarreal 2022-11-15 "Sophie Patterson. Don't you dare walk away from me." Logan's menacing stare bore at me. I suddenly didn't feel drunk anymore. I sobered up quickly. "What, Logan? You're gonna tell me that you suddenly love me again? That you're here to sweep me off my feet? Please! I didn't need you all this time, and I don't need you now." He clenched his jaw, fisting his hands. "Enough. Stop being so damn stubborn. You know I do. I love you. I never stopped loving you, Sophie. It was always you." I left my hometown hoping to never see him again. I left with his baby still inside of me. Seven years after, and here I am again. Standing before him and a six-year-old wanting to know who his dad is, and asking me to marry him because everyone in his class but him and his best friend don't have a daddy. What am I supposed to do with all these feelings that are resurfacing? I'm realizing every day that I never got over him. I merely suppressed my feelings, and his telling me this now- to my face, just made things more complicated.

Modern Romance Aziz Ansari 2015-06-16 The #1 New York Times Bestseller "An engaging look at the often head-scratching, frequently infuriating mating behaviors that shape our love lives."

—Refinery 29 A hilarious, thoughtful, and in-depth exploration of the pleasures and perils of modern romance from Aziz Ansari, the star of *Master of None* and one of this generation's sharpest comedic voices At some point, every one of us embarks on a journey to find love. We meet people, date, get into and out of relationships, all with the hope of finding someone with whom we share a deep connection. This seems standard now, but it's wildly different from what people did even just decades ago. Single people today have more romantic options than at any point in human history. With technology, our abilities to connect with and sort through these options are staggering. So why

are so many people frustrated? Some of our problems are unique to our time. “Why did this guy just text me an emoji of a pizza?” “Should I go out with this girl even though she listed Combos as one of her favorite snack foods? Combos?!” “My girlfriend just got a message from some dude named Nathan. Who’s Nathan? Did he just send her a photo of his penis? Should I check just to be sure?” But the transformation of our romantic lives can’t be explained by technology alone. In a short period of time, the whole culture of finding love has changed dramatically. A few decades ago, people would find a decent person who lived in their neighborhood. Their families would meet and, after deciding neither party seemed like a murderer, they would get married and soon have a kid, all by the time they were twenty-four. Today, people marry later than ever and spend years of their lives on a quest to find the perfect person, a soul mate. For years, Aziz Ansari has been aiming his comic insight at modern romance, but for *Modern Romance*, the book, he decided he needed to take things to another level. He teamed up with NYU sociologist Eric Klinenberg and designed a massive research project, including hundreds of interviews and focus groups conducted everywhere from Tokyo to Buenos Aires to Wichita. They analyzed behavioral data and surveys and created their own online research forum on Reddit, which drew thousands of messages. They enlisted the world’s leading social scientists, including Andrew Cherlin, Eli Finkel, Helen Fisher, Sheena Iyengar, Barry Schwartz, Sherry Turkle, and Robb Willer. The result is unlike any social science or humor book we’ve seen before. In *Modern Romance*, Ansari combines his irreverent humor with cutting-edge social science to give us an unforgettable tour of our new romantic world.

Sassy Texts He Can't Ignore Jake Fordham 2020-09-25 Did you know that men secretly use texting as a way to "pre-screen" a woman's romantic value? A woman's texting habits can reveal a lot about her self-worth, confidence, intelligence, and even her level of class and emotional maturity. Men have their own unique way of interpreting a woman's texts. Even though women mean well, they often do things when texting men that often times makes them appear too easy, too needy, too bossy, or too boring...even if these things aren't necessarily true about them. A great guy can easily get the wrong idea about you. And as these wrong ideas pile up inside his mind, it usually leads him to the one romance-killing thought: That he can do better than you. If you want to arouse the kind of long-term desire in a man that makes him eager to pursue you, you must take advantage of TEXTINGand use it to make subtle and seductive displays of your high-status, and thus, your high-value. Confronted By His Love Cristy Sison 2023-06-01 "What am I going say? How do I do this?" I whispered. My shoulders went down. I looked at my blue dust-covered Bible; the pages were stuck to each other. My tears began to roll down once again. "I'm desperate for an answer, Lord, and I know You have it all. I need You, help me. Earlier, I heard about Your promises. And I know them to be true, because I have received them. I experienced Your promises, my family did, we felt them. You have filled me with so much joy even as I grieve. There is no doubt now that it was from You. But how? Why? Why me!" I started with my eyes closed. "Why would You give Your promises to me? To someone like me?" I honestly asked, face up, smiling. I am just expecting to receive an answer! I kept my eyes closed for a few more minutes. Then I opened my Bible.

The Love Book Eyal Schwartz 2013-07-03 An illustrated poetry book. The visual artist Ehud Graf meets author Eyal Schwartz for a co-production of Graphic-Poetry. This is the fourth release in a series of visualized text which takes the reader to a higher level of understanding poetry. The love book is inspired by the comics we found in good old days. Love as we see it nowadays, reflected from our kitchen window into our Ipad screen. The Love we fear is slipping away from our bed yet is to be found in the bathroom. Trying to touch various aspects of love and relationship we serve you this book reminding you how much you love your woman, and how much she loves her man. In the past poems were purchased only by those who consider themselves intellectuals or poetry lovers. Now it is returning to the main stream with a revised edition. Understanding the need for the reader to have further stimulation the text is playing a one-on-one game with the visual. The love book is a gift I wish to give. It is about relationship and love. it makes you laugh a little and also makes you think. It has irony and a bit of wisdom. Reading the book is quickly done but you could re-read it in the future to find other things you haven't seen before. In relationships there are ups and downs and while we are going through hard times we sometimes wonder is it worth it. The love book is a reminder of how much you love each other. You talk a lot and you kiss so many times that you don't know whether you could say anything new to make the other person interested. You make love not knowing whether it still makes your partner feel joy and does it make him or her satisfied. In the evening you want to hug each other and in the morning you wake up for yet another day. So many

books were written about love stories and many movies had been filmed. In the love book we take a glimpse at the very essence of relationship in post-modern time. Comics is chosen by the Illustrator Ehud Graf to lighten up the story and help you read it in a joyful way. After all smiling while reading is a much nicer experience. The mutual work with an Illustrator who's also a visual artist is triggering me to come up with new ideas. Words are becoming more meaningful when they are printed on a picture. We both wish people would have a perfect gift they could give someone they love. This gift is something you could give your wife or you could give your husband. The perfect gift is something one can buy for a couple of friends or just for someone you cherish. Sometimes you don't know what to buy and yet you want it to be sweet. Not sweet like candies or chocolate but special and not expensive. Flowers are beautiful but they do not last more than a few days or a week. the love book is something that shall last for years. In the 21st century we have so many products and brands that we basically have enough of everything. We have laptops and tablets many clothes and loads of food. We download movies and delete them once we're done watching. Books are turning to files and are now stored on our Ipad or Kindle or any other device that may display the text for us to read as we go. We tried to imagine a book that is as short as a notebook. We wish it would be light and not too long. We know people have less patience and want instant experiences. Like in youtube or on your music list where you skip to the next track we created a book you can quickly flick through without losing the context. Graphic Poetry is a genre. We have not invented it but we're creating our books in that style. the love book is for people who want to keep on loving and keep smiling as they do it. It is a proof you are not alone in those little conflicts. You are not the only person who gets upset and then forgive. You love so you are willing to go further and leave your ego behind for a second or a minute if you could. What is a perfect gift, we don't really know. But we
