Homosexuality and Roman Catholic Ethics -

Thomas Thurston 1996

"In *Homosexuality and Roman Catholic Ethics*, Thomas Thurston identifies three basic approaches to the issue; traditional, mediating and revisionist, and provides a thorough discussion of the biblical, historical, philosophical and scientific foundations underlying these three currents of thought. Challenging the revisionist tradition's claim that the church has misunderstood its own tradition, and reevaluating the feminist approach, Thurston argues for a reconsideration of the issues in light of contemporary experience. Using Liberation theology as a starting point, he

proposes a new approach to sexual ethics based on the three virtues: aphrodisia, agape and philia." "Thomas Thurston's important new work presents a challenging reassessment of homosexuality and gay theology in the Catholic church as well as in the entire Christian community. By offering a complete survey and critique of the various resources used by moral theologians, Thurston argues for a new contemporary ethic informed by faith, acceptance and love."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. **The Silence of Sodom** - Mark D. Jordan  
2002-05

Downloaded from  
[legacy.opendemocracy.net](http://legacy.opendemocracy.net) on 2019-10-23  
by guest

The past decade has seen homosexual scandals in the Catholic Church becoming ever more visible, and the Vatican's directives on homosexuality becoming ever more forceful, begging the question Mark Jordan tries to answer here: how can the Catholic Church be at once so homophobic and so homoerotic? His analysis is a keen and readable study of the tangled relationship between male homosexuality and modern Catholicism.

"[Jordan] has offered glimpses, anecdotal stories, and scholarly observations that are a whole greater than the sum of its parts. . . . If homosexuality is the guest that refuses to leave the table, Jordan has at least shed light on why that is and in the process made the whole issue, including a conflicted Catholic Church, a little more understandable."—Larry B. Stammer, Los Angeles Times "[Jordan] knows how to present a case, and with apparently effortless clarity he demonstrates the church's double bind and how it affects Vatican rhetoric, the training of priests,

and ecclesiastical protectiveness toward an army of closet cases. . . . [T]his book will interest readers of every faith."—Daniel Blue, Lambda Book Report A 2000 Lambda Literary Award Finalist

**In the Closet of the Vatican** - Frederic Martel  
2019-02-21

The New York Times Bestseller - Revised and Expanded "[An] earth-shaking exposé of clerical corruption" - National Catholic Reporter The arrival of Frédéric Martel's *In the Closet of the Vatican*, published worldwide in eight languages, sent shockwaves through the religious and secular world. The book's revelations of clericalism, hypocrisy, cover-ups and widespread homosexuality in the highest echelons of the Vatican provoked questions that the most senior Vatican officials--and the Pope himself--were forced to act upon; it would go on to become a New York Times bestseller. Now, almost a year after the book's first publication, Frédéric Martel reflects in a new foreword on

by guest

the effect the book has had and the events that have come to light since it was first released. In *In the Closet of the Vatican* describes the double lives of priests--including the cardinals living with their young "assistants" in luxurious apartments whilst professing humility and chastity--the cover-up of numerous cases of sexual abuse; sinister scheming in the Vatican; political conspiracy overseas in Argentina and Chile, and the resignation of Benedict XVI. From his unique position as a respected journalist with uninhibited access to some of the Vatican's most influential people and private spaces, Martel presents a shattering account of a system rotten to its very core.

**Homosexuality and the Catholic Church** - Fr. John F. Harvey, O.S.F.S. 2014-06-25

As the founder and director of the Courage and Encourage support groups, Fr. John Harvey is aware of the sensitive nature of homosexuality. With his extensive experience ministering to those with same-sex attraction, Fr. Harvey

presents the Church's teaching in an objective and pastorally-sensitive manner. Priests, religious, and laity alike will benefit from the many questions considered here, including: What is the basis of the Church's teaching regarding homosexuality? What do many consider to be the cause of same-sex attraction? Can a person overcome same-sex attraction? Why is it important for civil law to limit marriage to one man and one woman? How can a person live the virtue of chastity joyfully?

**"Who Am I to Judge?"** - Stephan Goertz  
2021-11-08

The Catholic Church still takes an ambivalent stance toward homosexuality, declaring that homosexuals should be respected and not discriminated against while morally condemning their intimate relationships. This volume presents exegetical, theological, and ethical arguments as well as evidence from the human sciences to advocate for the recognition of homosexuality as a natural variant of the human

capacities to love and to form relationships.

**The Vatican and Homosexuality** - Jeannine Gramick 1988

Bundel met reacties van Amerikaanse pastorale werkers en actieve katholieken op de Brief aan de bisschoppen van het Vaticaan uit 1986 waarin een enorme stap achteruit gedaan werd t.o.v. homoseksualiteit.

*Catholic Teaching on Homosexuality* - Louis J. Cameli 2012-07-31

In *Catholic Teaching on Homosexuality: New Paths to Understanding*, Rev. Louis Cameli, nationally renowned pastoral leader and priest of the Archdiocese of Chicago, presents the Catholic Church's teaching on homosexuality with insight, new possibilities for spiritual care, and a vision for greater hospitality within the Church. Is the sexuality of homosexually inclined persons a blessing or a curse? Does it lead a person to God or away from God? Can a homosexual person be a good Catholic? With humility and pastoral sensitivity, Cameli offers

hope to the many who feel alienated from the Church because of these questions. Taking his cue from Pope Benedict's call to "express the teaching pastorally, theologically, and intellectually in the context of today's studies of sexuality and anthropology," he provides a deeper understanding of the Church's theological language and stresses that while the Church is a teacher, it must also be a learner.

**Building Bridges** - Robert Nugent 1992

Explores the history of the church's stance on homosexuality and examines new approaches to pastoral care. An objective and sensitive exploration into the situation of gays and lesbians in the Catholic church today.

*Sons of the Church* - Thomas B Stevenson  
2014-05-22

The book that can help you reconcile being both gay and Catholic *Sons of the Church: The Witnessing of Gay Catholic Men* spotlights testimonials from over thirty gay Catholic men to answer the question, "How can you be gay and

Catholic?” Dr. Thomas B. Stevenson, who received degrees from the University of Notre Dame, Boston College, and the Graduate Theological Union in Berkeley, explores this question, using various interviews to thoroughly analyze the many dimensions of being gay and Catholic while providing a powerful and convincing criticism of Church teaching on homosexuality. This thoughtful, surprisingly reverent book is the answer for those gay readers who long for a religious connection, as well as for Catholic readers and those in pastoral positions who want and need to hear the stories of gay people firsthand. Sons of the Church: The Witnessing of Gay Catholic Men tells one story—the story of what it is like to be gay and Catholic—through the various stories of over thirty gay Catholic men. Each chapter is arranged thematically, beginning with experiences of being homosexual and Catholic during childhood and youth. Subsequent chapters delve into the ways these men each

finally accepted themselves and integrated their sexuality, related to others who did or did not understand, dealt with homosexual promiscuity, found intimate relationships, became a part of a community, and ultimately came to terms with the Catholic Church and their faith. Throughout, these ‘witnesses’ explain how their faith in God guides them through the various experiences and issues they face. The positive aspects of Catholic Christianity are respectfully explored at the same time as the present Church teaching on homosexuality is challenged. Sons of the Church uses interviews to explore: Catholics coming to terms with their homosexuality the experiences of young men recognizing their sexuality suffering and oppression by society and the Church acceptance of self integration of goodness and lovability of homosexuality moral issues of promiscuity among gay men gay relationships and the Catholic dimensions of commitment criticisms of gay culture the Catholic Church teachings on homosexuality the

answer to the question, "How can you be gay and Catholic?" Sons of the Church: The Witnessing of Gay Catholic Men is enlightening reading essential for educators, students, counselors, priests, nuns, psychologists, and theologians. Catholic people, gay people, and every educated reader will find that the interviews and ideas here stimulate thought and create a greater understanding of the issue of homosexuality and faith.

### **The Roman Catholic and the Islamic Teachings on the Morality of Homosexuality**

- Anwaar Aldhamer 2015-07-22

Master's Thesis from the year 2009 in the subject Theology - Comparative Religion Studies, grade: -, Gonzaga University, language: English, abstract: This Thesis is focuses on the Catholic and Islamic teachings on the morality of homosexuality. Each religions will show its view on homosexuality based on the holy books. Being from a conservative Arab country, the title of this thesis will undoubtedly raise many

eyebrows. As an Arab and Muslim woman embarking on a difficult and bumpy journey, I have decided, despite the controversial nature of this topic, to choose it for different reasons. The secular or conservative condemns homosexuality in many Islamic countries. Islamic secular countries tend to tolerate homosexuality more than the conservative ones, where the death penalty is often handed down to homosexuals. In non-Islamic countries, the majority of people do not condone homosexuality. Nowadays, homosexuality has become a buzzword. Despite its condemnation, it continues to make inroads. From its clandestine status, due to harsh treatments, to a solemn recognition of its rights, gays and lesbians have achieved substantial gains for their rights, landmark legal rulings have been pronounced in its favor. Some countries have legalized the same-sex marriage. On the other hand, Islam continues to emerge as a staunch critic of homosexuality. This fight is relayed by the Roman Catholic, which condemns

homosexuality but calls for more compassion for homosexuals. What are the views of Islam and the Roman Catholic on homosexuality? This thesis includes five main chapters: Chapter 1: Deals with the story of the Prophet Lot and his people. Chapter 2: Deals with homosexuality through history. Chapter 3: Deals with the major positive in favor of homosexuality. Chapter 4: Covers the Roman Catholic teachings on homosexuality. Chapter 5: Puts in exergue the Islamic teachings on homosexuality

*Hidden Voices* - Anonymous 2011-12

I've written this book to give voice to the thousands of hidden voices in the Catholic Church that feel the way I do and to give hope, albeit just a little, to those who struggle with the Catholic Church's stance on homosexuality. What follows are some of my reflections on what it means to negotiate life as a gay priest in the Catholic Church, to struggle with self and hierarchy, and to move from silence and shame to hope and forgiveness. Signed, Anonymous

*The Catholic Church and Homosexuality* - Atila Sinke Guimarães 1999

*Homosexuality Versus Catholicism* - David R.

Carlin 2012-08-22

The author, David Carlin, begins this book with a distinction between homosexuality (same-sex attraction or behavior) and homosexuals (the

ideology of the gay movement). He says that homosexuality is no danger to Catholicism, but that the ideology of homosexuals is a very grave danger. Moreover, homosexuals is part and parcel of an even larger philosophical danger, which Carlin calls moral liberalism, according to which we are free to do anything we wish provided we don't hurt others in an obvious and tangible way. This ethical theory is profoundly at odds with the Catholic ethical ideal, especially its sexual ideal. What's more, moral liberalism is a kind of practical atheism. and thus the ideology of homosexuals turns out to be part of the atheistic culture war against Christianity in general and Catholicism in particular. Carlin contends that if Catholics are to safeguard their religion they must understand and fight back against the homosexualist ideology.

[This Remarkable Gift](#) - Maurice Shinnick

1997-10-01

'This book should be read by every bishop, priest and lay pastor in the Catholic Church as well as

*Downloaded from*

every gay or lesbian person who has concluded that being happily gay and Catholic is not possible. The author provides an extremely accessible guide to Catholic teaching, social theory and gay and lesbian theology which will enable every reader to truly appreciate the 'remarkable gift' of being gay and Catholic.' - Elizabeth Stuart, Senior Lecturer in Theology, University of Glamorgan, Wales. For generations, gays and lesbians from Catholic backgrounds have struggled to reconcile their sexual orientation with their Church's rigid anti-homosexual stance. Some leave the Church in despair while others suppress their sexuality in order to remain in the Church. Maurice Shinnick argues that homosexuality should be seen as a gift from God, rather than a curse. He shows how attitudes to homosexuality have developed in different Christian denominations around the world and offers a careful re-reading of Catholic teaching. This Remarkable Gift calls for a genuine dialogue between the Church and gay

and lesbian people and offers a guide to the paths such a dialogue could follow. *Gay and Catholic* - Eve Tushnet 2014-10-20 Winner of a 2015 Catholic Press Award: Gender Issues Category (First Place). In this first book from an openly lesbian and celibate Catholic, widely published writer and blogger Eve Tushnet recounts her spiritual and intellectual journey from liberal atheism to faithful Catholicism and shows how gay Catholics can love and be loved while adhering to Church teaching. Eve Tushnet was among the unlikeliest of converts. The only child of two atheist academics, Tushnet was a typical Yale undergraduate until the day she went out to poke fun at a gathering of philosophical debaters, who happened also to be Catholic. Instead of enjoying mocking what she termed the "zoo animals," she found herself engaged in intellectual conversation with them and, in a move that surprised even her, she soon converted to Catholicism. Already self-

by guest*

identifying as a lesbian, Tushnet searched for a third way in the seeming two-option system available to gay Catholics: reject Church teaching on homosexuality or reject the truth of your sexuality. *Gay and Catholic: Accepting My Sexuality, Finding Community, Living My Faith*

is the fruit of Tushnet's searching: what she learned in studying Christian history and theology and her articulation of how gay Catholics can pour their love and need for connection into friendships, community, service, and artistic creation.
