Living it Arg James Argent 2014-03-27 Welcome to the world of James 'Arg' Argent - the cheeky chap with loveable charm and a big heart. One of the original cast members of the award-winning reality TV series, The Only Way is Essex, Arg is best known for his long-term relationship with Lydia Bright and his affectionate 'Bro-mance' with Mark Wright. A key figure in the show, he remains a favourite with writers and is a character loved by male and female fans alike. **Queen of the Rising Sun** Nanny Pat 2013-02-07 A charming, evocative memoir of her years as an East End landlady, by Nanny Pat from The Only Way is Essex Life for East End families like Pat's was always a struggle. She worked for years in Tate & Lyle's sugar factory while her husband Charlie took on two jobs so their growing family could survive. Until one day Charlie came home with a brilliant idea - they should take over The Rising Sun pub in Bromley-by-Bow. In this charming memoir Pat describes her years as a pub landlady and vividly evokes the East End community she served in the 1960s, the extraordinary characters she encountered and the changes that swept through society at that time. She also reveals why she and Charlie moved to Essex, and what it felt like to become a star of The Only Way is Essex in her seventies.

**Chloe Sims - the Only Way is Up** Chloe Sims 2012-11-01 Say the name Chloe Sims and most people think of the hugely entertaining, bubbly and glamorous Essex girl on the hit ITV show The Only Way Is Essex. But there is more to Chloe than viewers see on the TV, and the drama doesn't stop when the camera stops rolling. Just two years ago, Chloe was a single mother struggling to make ends meet doing a string of jobs she hated and wondering if she would ever find happiness. Since joining the cast of The Only Way Is Essex, her life - which has been anything but ordinary - is now a whirlwind of glitzy parties and jet-set holidays, but life hasn't always dealt Chloe a good hand. Her story is one of triumph over adversity - with plenty of laughs along the way. From her turbulent childhood where she was raised by a neighbor after her mother abandoned her, to battling with bullies and struggling with an eating disorder, to the magical moment when she met the man of her dreams.

**Secrets of an Essex Girl** Lauren Goodger 2013-02-14 Welcome to the wonderful world of Lauren Goodger! Before The Only Way is Essex Lauren was just an ordinary girl, working as a secretary and trying to build a life with her long-term boyfriend Mark Wright. Now she's constantly followed by the paparazzi; she can't wear a bikini without her weight being scrutinised and her private life is played out on the front pages of the tabloids. Lauren may be a celebrity who goes to red carpet events, dates gorgeous men, and has her own business, but she's also a down-to-earth girl who loves to laugh and treasures her friends and family. In Secrets of an Essex Girl, Lauren lifts the lid on the truth behind the headlines. She shares her beauty regime, the real facts about her relationships and her break-up with Mark, and describes how her friends and family have pulled her through the tough times. So much has been written about Lauren but now it's her turn to set the record straight. In this heartfelt account, she opens up about all the incredible ups and downs of her rollercoaster life. Told with searing honesty, this is Lauren as you've never seen her before.

**For the Love of Frenchies** Pete Wicks 2018-02-22 The only way is a rescue dog. French Bulldogs are the UK's most popular dog breed, and nobody loves them more than Pete Wicks. Although he's

most famous for his appearances on *The Only Way is Essex*, he's never happier than when he's with his best friend - no, not James Lock - his French Bulldog Eric. But their story hasn't been all walkies and biscuits. In 2016, Pete was devastated to suddenly lose his adored French Bulldog Ernest at just three years old. The Wolfpack was torn apart. Left to pick up the pieces with Eric, he realised that he knew very little about the breed and the reason why Ern died so young. In honour of his old pal, Pete teamed up with animal charities and uncovered the shocking unregulated breeding and illegal importation that led to the life-threatening illness Ernest suffered from. And the problem is widespread. But if you want one of the best companion dogs you could ever own, a pup that is affectionate and playful (or some would say mischievous), then a French Bulldog is perfect for you. Here Pete reveals the many tips he's learned for a happy life with a Frenchie, and how we can all help to eradicate the problems facing the breed. Most touchingly, for the first time he bravely recounts that love and grief we all feel for a special dog. This is a book that EVERY dog lover needs to read.

[Live, Laugh, Love, Always, Lydia: My Story](#) Lydia Bright 2017-09-21 Lydia Bright has A LOT to shout about. From her childhood in a foster family full of love, to essentially growing up on one of the UK's biggest TV reality shows, in LIVE, LAUGH, LOVE, ALWAYS LYDIA: MY STORY, Lydia leaves no stone un-turned. **Penny Sweets and Cobbled Streets** Nanny Pat 2012-08-16 Nanny Pat has always been the heart of her family, and her children and grandchildren regularly pitch up at her house for a cup of tea, a slice of her famous sausage plait and some wise advice. Now, with her trademark warmth and humour, she evokes the colourful East End world of her childhood. Pat was born in 1935 and, apart from a brief period when she was evacuated during the Second World War, she lived in Bow, part of a poor but close-knit community. Her mother died when Pat was only eleven, leaving her heartbroken. As young as she was, she was soon running the household, washing, cleaning and cooking for her father and brother - as well as working in a cork factory upon leaving school. It was a lonely life at times, as her strict father refused to let her go courting. But then she met a handsome young man called Charlie . . . and, against all opposition, she was determined to marry him. Full of great characters, from her deaf Nan to Auntie Alice, who would dress in all her furs to pop out to buy a pork chop, and packed with wonderful anecdotes, this delightful memoir vividly captures a lost way of life.

Basically... Gemma Collins 2013-04-25 An hilarious yet touching autobiography from Towie's brightest star Gemma Collins. Blonde, bubbly and ballsy, Gemma Collins stands out from the cast of hit TV series *The Only Way is Essex* in more ways than one. Her larger-than-life personality has had the nation crying with laughter as she has haphazardly navigated through one romantic crisis to another on screen. She tries hard when it comes to finding 'The One' -- baking love pies and sexy texting -- yet it never seems to work out. But does she care? Of course she doesn't. Gemma always has the upper hand, leaving men quaking in their boots and women looking on in admiration. Fiercely independent and comfortable in her own skin, Gemma has an army of female and male fans alike. But, finding her confidence has been a long and heartbreaking journey for Gemma. And now in her very own autobiography she opens up about the life events she has endured before finding fame and learning to love herself. From being dumped after miscarrying a child to an ongoing battle with her weight and depression, life in Essex hasn't always been real. Indiscretion isn't her middle name, however, so expect to find out the secrets on all of her famous conquests, including Arg, Mick and Rickey, and what she really thinks of her perma-tanned co-stars. This is the touching yet riotously funny story of how a young Essex girl with a big heart finally found what she'd always been looking for. Herself.

100% Me Amy Childs 2015-10 "From the moment she appeared on the BAFTA award-winning reality show *The Only Way Is Essex*, Amy captured audiences with her glamorous style and her vivacious personality, and for popularizing 'vajazzaling'. Before TOWIE, though, Amy followed her passion for the beauty and fashion industry by becoming a fully qualified beauty therapist. She now has her own clothing collection and beauty range, and has successfully opened a salon and boutique in Brentwood, Essex. This book will not only tell Amy's incredible story of her rise to fame and what happened behind the tabloid stories, but will also offer a fascinating insight into her flourishing business career."--Publisher's description.

*The Invention of Essex* Tim Burrows 2023-06-01 'A deeply sensitive and engaging portrait of a misunderstood county and its people' Financial Times, 'Books to Read in 2023' 'Celebrates the rich history and legacy of Essex' Daily Mail 'If you are interested in this remarkable microcosm of England, the book will grip you; if you aren't, it will make you realise that you jolly well should be.' Simon Heffer, Spectator Essex. A county both famous and infamous: the stuff of tabloid headlines and reality television, consumer culture and right-wing politicians. England's dark id. But beyond the sensationalist headlines lies a strange and secret place with a rich history: of smugglers and private islands, artists and radicals, myths and legends. It's where the Peasants' Revolt began and the Empire Windrush docked. And - from political movements like Brexit to cultural events like TOWIE - where Essex leads, the rest of us often follow. Deeply researched and thoroughly engaging, *The Invention of Essex* shows that there is more to this fabled English county than meets the eye.

**The Joy of Essex** Pete May 2012-10-15 Liberty ... Equality ... Tiptree jam!' In 1990 Essex Man swaggered onto the scene in his shiny suit, driving a flash car and with his white-stiletto-wearing missus on his arm. It was a step up from sovereign rings and done-up Ford Cortinas, but brash, vulgar and 'breathtakingly right-wing' Mr and Mrs Essex were still the target for pity, condemnation and nationwide mockery. Twenty-odd years on something strange has happened. From Russell Brand and Jamie Oliver to Phill Jupitus and Ray Winstone, via the runaway success of TV shows like *The Only Way is Essex* and *Gavin and Stacey*, Essex is now the most iconic county in the UK and the essence of Essex is everywhere. But there's more to the county than stereotypes, as Brentwood-reared Pete May discovers when he takes an eye-opening journey through the Essex tundra. Along the way, May finds bluebells in Billericay, sculpture in Harlow, Hollywood-style signs on the A127,

below-sea-level life in Canvey Island and endless chip shops, and asks the vital question: is the only way Essex or is there maybe another one?

**Amy Childs - 100% Me** Amy Childs 2015-10-08 Over the past five years, Amy Childs has become a household name. Since then, she has appeared on *Celebrity Big Brother* and *The Jump*, and had her own show on Channel 5 called *It's All About Amy*. Before *TOWIE*, though, Amy followed her passion for the beauty and fashion industry by becoming a fully qualified beauty therapist. She now has her own clothing collection and beauty range, and has successfully opened a salon and boutique in Brentwood, Essex. This book will not only tell Amy's incredible story of her rise to fame and what happened behind the tabloid stories, but will also offer a fascinating insight into her flourishing business career.
