Michael Castleman 2021-01-12  
Michael Castleman, the world's most popular sex expert, has written the most

comprehensive, authoritative, reassuring, and practical guide to lifelong pleasure for men and the women who love them.

Library Journal calls him "one of the nation's top health writers." Medical journalist Michael Castleman has answered more than 12,000 sex questions throughout his career, including on his website

GreatSexGuidance.com, through his "All About Sex" blog on Psychology Today, or even when he used to answer all the sex questions for Playboy's "Advisor" column in the '90s. From his numerous years of experience comes this, the most thorough consumer sexuality guide ever written. It's full of state-of-the-art sex information and sage advice,

all written by a decades-long trusted sex author. *Sizzling Sex for Life* addresses men, but is exquisitely sensitive to women's sexual sensibilities. While it focuses on sexual enhancement and the resolution of individual and couple sex problems, it transcends similar books by delving into social/political sexual issues, including school sex education and pornography—and in today's fraught #MeToo environment, prevention of sexual assault and harassment. This compelling, sex-positive guide will benefit men and women, from the teen years to old age. It offers an in-depth investigation of sexual issues throughout the lifespan, based on 2,500 studies published over the past seventy years—more source material by far than any other sex guide. This book truly does it all, and does it respectfully. It reassures men that their sexual concerns can usually be happily resolved with self-help or brief professional therapy: penis size issues, premature

ejaculation, orgasm/ejaculation difficulties, arousal problems, and erectile dysfunction. It comforts women that they can rediscover lost libido, have orgasms every time, and cure their sexual pain. It assures couples that their leading sexual complaint, desire differences, can usually be resolved to mutual satisfaction. It reassures parents that they can maintain their sex lives, provide effective sex education to their children, and survive today's young-adult hook-up culture. It informs the elderly and those with chronic illnesses and disabilities that great sex is still possible. It reassures sexual minorities that they are psychologically normal and that LGBT sex, BDSM, and consensual non-monogamy are more popular than most people believe. Whether for procreation, relationship affirmation, or just for fun, lovemaking is normal, healthy, nurturing, often therapeutic, and usually emotionally satisfying. Whether you're looking to learn more, have a specific question, or just

want to spice things up between the sheets, this is your ultimate guide to better enjoy one of life's top pleasures.

relationship." - Patti Britton, Ph.D., MPH, AASECT past president, board-certified clinical sexologist, certified master sex coach, author of *The Art of Sex Coaching*, sex educator, and co-founder of [www.SexCoachU.com](http://www.SexCoachU.com) Hot sex moves that will take her over the edge! Many sex books and magazines promise techniques to "satisfy" a woman in bed. However, satisfactory sex won't get a woman biting the pillowcases in ecstasy. Spectacular sex requires great technique, red-hot seduction, and moves designed to hit all of her orgasmic hot spots. The techniques in this book are specifically designed to hit multiple female pleasure zones and hot spots simultaneously. - The Clitty-Cat: Have her meowing with pleasure with a position uniquely designed for maximum clitoral stimulation. - The Backyard Bonk: The great outdoors...a trampoline...and assisted deep penetration that will rock (and bounce) her world. - The Bucking Bronco: Be her favorite urban cowboy using this lusty thrusting

position. - Go Green: It's never too hot for steamy sex when you're using a sprinkler...and wheelbarrow position that gives rear-entry a new angle. While other sex books give a la carte tips and instruction, *Spectacular Sex Moves She'll Never Forget* offers incredible scenarios with step-by-step instructions for helping her achieve orgasm. You'll always know what to do next, and with each move you'll find an erotic variation for every mood, from torrid to tender. Unlike other sex books, which might give a new twist on a tired classic, each experience in this ultimate sex guide is completely unique with never-before-seen moves. You'll learn how to take any experience from manual stimulation to oral to intercourse to a whole new mind-blowing level of pleasure. Sexy photography and detailed illustrations show you exactly how to perform each move like a pro. ### The Heart and Soul of Sex -

Gina Ogden 2006-07-11

Drawing on the results of her unique national sex survey—and on decades of clinical practice as a sex therapist—Gina Ogden offers a revolutionary exploration of women's sexual experience. The best sex, say thousands of women, doesn't just happen in the body. It is multidimensional, connecting body, mind, heart, and soul. In *The Heart and Soul of Sex*, Ogden coaches readers to fully realize the physical, emotional, mental, and spiritual aspects of sex, making what she calls the "ISIS Connection." Throughout the book are firsthand stories of survey respondents, offering examples of how ordinary women—from ages eighteen to eighty-six and from many backgrounds—have found their own way to sexual expression that is deeply satisfying and even life-changing. *The Heart and Soul of Sex* takes the reader on a journey beyond the usual emphasis on

performance, including practical exercises that can be done alone or with a partner. Ogden shows us that we can be much more than we've been told—not just fun and exciting but deeply healing, magical, and transformative.

### **Women Who Love Sex** - Gina Ogden 2007-09-11

Wonderful sex does more than melt both body and soul; it brings power, energy, and deep satisfaction to all aspects of our lives. In this unique book, women who consider themselves highly sexually responsive talk in intimate detail about what gives them the greatest pleasure. They redefine sex—based on how women really experience sexual pleasure—confirming what every woman knows instinctively, while creating a new language that every woman will understand. Based on extensive one-on-one interviews conducted by Dr. Ogden with hundreds of women, this thought-provoking, wise, and unprecedented book transforms how we view sex by

giving us new ways to think about sexual pleasure. To learn more about the author, Gina Ogden, go to [www.ginaogden.com](http://www.ginaogden.com).
