Out of the Doghouse - Robert Weiss 2017-01-03

DATING, RELATIONSHIPS, LIVING TOGETHER & MARRIAGE.

Typically, men are good at creating rifts in relationships but terrible at mending them, especially after they've repeatedly betrayed their partner through sexual infidelity. For the most part, cheating men are both intimacy-challenged and empathy-challenged, and, as such, they lack the skills needed to overcome the damage wrought by their infidelity. Robert Weiss has spent over twenty years in the treatment of sex and intimacy issues, helping both cheating men and their betrayed spouses. In *Out of the Doghouse* he shares his expertise, illuminating the ways in which men can move beyond their usual feeble efforts to smooth things over. Sure, saying "I'm sorry" and trying to "buy forgiveness" with flowers and jewelry may temporarily calm the stormy seas, but these actions do nothing to re-establish trust, which is what a distraught woman needs if she hopes to feel better about her relationship over the long-term.

A compassionate, shame-free guide for your darkest days "A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized."—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn't cure you of

depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to "choose joy" and "pray more." So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you're left wondering if God has abandoned you. You just want a way out. But there's hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect. Will Our Love Last? - Sam R. Hamburg 2001-03-17

Am I with the right person? Will our love last? Men and women in love are haunted by these questions. Love -- especially why it blossoms in relationships and why it later dies -- is a mystery to them. *Will Our Love Last?* A Couple's Road Map solves this mystery by giving readers a new understanding of love -- an understanding they can actually use to evaluate the soundness of their relationships and to answer confidently the crucial questions that mystified them before. Based on hundreds of cases in his twenty-four years as a marital therapist and twenty-nine years in his own happy marriage, Sam R. Hamburg, Ph.D., explains how compatibility is the key to lasting love. He shows how compatibility on three major dimensions -- the Practical Dimension, the Sexual Dimension, and the Wavelength Dimension -- is essential to the mutual understanding and affirmation that keep love alive, and he leads readers through a simple but systematic procedure for assessing their compatibility with a romantic partner in these crucial relationship areas. Dr. Hamburg introduces a new technique, The Hand Rotation Exercise, to help readers express their degree of compatibility and then convey that visually to their partner. In addition, he presents two new original techniques for working through relationship conflicts and coming to agreement on difficult issues: His Way/Her Way and The Long Conversation. Written in a clear, direct style that is free of jargon, *Will Our Love Last?* empowers readers to make important relationship decisions that are intellectually and emotionally informed. *Will Our Love Last?* will help couples trying to decide if they should take the next step to a more committed relationship. It will aid individuals embarking on a new relationship, or who are between relationships, to evaluate the rightness of a new or prospective partner. And it will assist people who are already in committed relationships to make an honest assessment of their prospects for happiness with their current partner. People have it in their power to make sure that they truly are with the right person. *Will Our Love Last?* shows the way.
