

The Xrated Bible An Irreverent Survey Of Sex In The Scriptures

The Truth Seeker - 1991

The History of the Kiss! - M. Danesi 2013-12-05

How and when did the kiss become a vital sign of romance and love? In this wide-ranging book, pop culture expert Marcel Danesi takes the reader on a fascinating journey through the history of the kiss, from poetry and painting to movies and popular songs, and argues that its romantic incarnation signaled the birth of popular culture.

The Ramseyer-Northern Bible Society Museum Collection Bibliography - Donald J. Pearce 1991

Saved by Philosophy - Steven H. Propp 2007-03-01

Hypatia Washington is 22 years old; an unemployed widow, living on welfare, and estranged from her four-year old daughter, she is profoundly alienated from life-when she enrolls in a community college course in Philosophy thus beginning a profound journey of the mind and heart. She debates skeptics as well as Christian apologists about Evolution, Islam, Womanism, and God, while lecturing about ethics, science, consciousness, and the meaning of human history. She analyzes not only philosophers such as Russell, Rawls, Wittgenstein, and Sartre, but wrestles with such questions as: Which famous philosophers were racists? Was Heidegger a Nazi? Was Wittgenstein homosexual? Did Foucault know he had AIDS? Were any important philosophers women? Or black? Professor Washington is no "ivory tower" philosopher: she agonizes over the Rodney King trial and its aftermath; The O.J. Simpson verdict; the death of Tupac Shakur; the "Black Athena" controversy, and the publication of The Bell Curve-as well as the horrors of September 11, 2001, and its consequences. Join Hypatia, in her pursuit of the Amor Dei Intellectualis ("intellectual love of God").

COME INTO JESUS' (SWEET) HEART - Musa Bin Ismail 2014-09-10
This writings expose the actual and true pristine teachings of Jesus to his community, the Israelites. For over 2000 years the brilliant Heavenly messages of God taught by Jesus to his community, the Israelites, had been unfortunately misunderstood by his community and subsequently profoundly distorted by the Christians after the teachings of Jesus left the shores of Palestine for glorious Rome. The Jews arrogantly rejected Jesus outright and accused him of being a false messiah (prophet) while the Christians, in the wilderness of history (spearheaded by Saul, a Jew form Tarsus), mysteriously revered him as a begotten Son of God and elevated him as one of the Gods in the Trinity in the new faith called "Christianity". Truly, Jesus had never heard the word "Christianity" nor uttered it in his entire life. He had never called his followers "Christians". This writing illuminates to the whole of Christendom and the entire House of Israel, the Divine Messages from Heaven which Jesus took pain to disseminate to the Israelites then. The author has unearthed the Words of God from the resplendent pages of the Bible and explained its true meanings and messages for the followers of Jesus to cherish and practise through their lives and for the adamant Jews to see the Divineness in the messages and return to the fold of the Lord. To the Jews and the Christians, this writing is a rare opportunity for them to listen to the words of Jesus and to lead their lives in accordance with the Master's teachings. May they be blessed with the Heavenly enrichments and blessings from the Lord, the One and the Only Great Jealous God of the Universe.

Christians in the Twenty-First Century - George D. Chryssides 2014-09-11

'Christians in the Twenty-First Century' examines Christianity as it is understood and practised both by active followers and those who regard themselves as Christian. The book opens with an examination of key Christian concepts - the Bible, the Creeds, the Church and the sacraments - and the major traditions of Roman Catholicism, Eastern Orthodoxy and Protestantism as well as more recent movements. The book continues with an analysis of the challenges presented by the rise of science, new approaches to biblical scholarship, the rise of fundamentalist movements, the ordination of women, secularization, the interfaith movement, and the impact of the electronic revolution.

The Black Flame - 1989

A Traveler's Guide to the Afterlife - Mark Mirabello 2016-09-15

A grand survey of the world's death and afterlife traditions throughout history • Examines beliefs from many different cultures on the soul, heaven, hell, and reincarnation; instructions for accessing the different worlds of the afterlife; how one may become a god; and how ethics and the afterlife may not be connected • Explores techniques to communicate with the dead, including séance instructions • Includes an extensive bibliography of more than 900 sources from around the world Drawing on death and afterlife traditions from cultures around the world, Mark Mirabello explores the many forms of existence beyond death and each tradition's instructions to access the afterlife. He examines beliefs on the soul, heaven, hell, and reincarnation and wisdom from Books of the Dead such as the Book of Going Forth by Day from Egypt, the Katha Upanishad from India, the Bardo Thodol from Tibet, the Golden Orphic Tablets from Greece, Lieh Tzu from China, and Heaven and its Wonders and Hell from Things Heard and Seen from 18th-century Europe. Considering the question "What is Death?" Mirabello provides answers from a wide range of ancient and modern thinkers, including scientist Nicholas Maxwell, the seer Emanuel Swedenborg, 1st-century Buddhist philosopher Nagarjuna, and Greek philosopher Euripides, who opined that we may already be dead and only dreaming we are alive. He explores the trek of the soul through life and death with firsthand accounts of the death journey and notes that what is perceived as death here may actually be life somewhere else. He reveals how, in many traditions, ethics and the afterlife are not connected and how an afterlife is possible even without a god or a soul. Sharing evidence that consciousness is not simply a product of the brain, he offers a strong rebuttal to nihilists, materialists, and the Lokayata philosophical school of India who believe in the "finality" of death. He explains how specters and ghosts are produced and offers techniques to communicate with the dead as well as instructions for an out-of-body experience and the complete procedure for a séance. With an extensive bibliography of more than 900 sources, this guide offers comprehensive information on afterlife beliefs from the vast majority of cultures around the world and throughout history--a veritable "traveler's guide" to the afterlife.

The X-rated Bible - Ben Edward Akerley 1998

Lewd! Bizarre! Pornographic! Found in nearly every home, within reach of underage children, is a book plump with lecherous scenes normally confined to the sin-bins marked Adults Only.' That's right, we're talking about the Bible, a book filled with incest, rape, adultery, prostitution, bestiality and much more of the nasty stuff. First published in 1985 to national nausea, this expanded edition of 'The X-Rated Bible' excerpts and explains many of the weird, dirty stories found in the Holy Writ and, of course, saves you the trouble of searching them out.'

The Semiotics of Love - Marcel Danesi 2019-07-30

The Semiotics of Love brings together work on early symbolism, literary practices, and contemporary communication on the theme of romance and the idea of love to forge an understanding of the semiotic-cultural side of romance. Moving beyond psychological and neuroscientific scholarly analyses of love, Marcel Danesi works to interrogate the cultural constructions of love across societies. This book analyzes romantic love from the general perspective of semiotics—that is, from its more generic interpretive angle, rather than its more technical one. The specific analytical lens used is based on the notion that we convert our feeling structures into sign structures (words, symbols) and sign-based constructions (texts, rituals, etc.), which then allow us to reflect upon something cognitively, rather than just experience it physically and emotionally.

X-rated Bible -

Publishers' Trade List Annual, 1991 - Bowker Editorial Staff 1991-09

Subject Guide to Books in Print - 1993**What the Bible Says About Sex** - Jeremiah W. Cataldo 2022-08-12

When it comes to sex, the Bible is marred by inequality. To address the consequences of that, *What the Bible Says About Sex* asserts that modern perspectives on sexuality and gender should be separated from the more constraining, historical views of traditional biblical interpretation. What does the Bible say about sexuality? How have traditions of biblical interpretation influenced our understanding of sex and gender? *What the Bible Says About Sex* answers that and many other questions. Not shy, it analyzes why the Church claimed dominion over marriage, while the female body remained a source of potential evil. It wrestles with how sexuality is used, not only in the past but also in the present, to reinforce notions of honor, and how it can be used to manipulate others. Deftly, it handles a discussion of semen as both profane and the "seed of life." It looks brazenly at the pornographic and the erotic passages of the Bible, and how traditions of interpretation veiled them. With the Bible frequently invoked to support arguments in the present age over the moral limits of sexuality and gender, having a greater awareness of what the Bible says about sex and how it is, and has been, interpreted is critical now more than ever. *What the Bible Says About Sex* is suitable for students, scholars, and the general reader with an interest in sexuality and the Bible, and sex and desire in both ancient and modern Christianity.

Forensic and Medico-legal Aspects of Sexual Crimes and Unusual Sexual Practices - Anil Aggrawal 2008-12-22

From sexual abuse and fetishism to necrophilia and sadomasochism, this unique volume identifies fourteen classifications of unusual sexual pathologies. Emphasizing the physical and psychological aspects of sexuality itself, the book presents detailed comparisons of legal and medical definitions, historical aspects, current incidence, and geographical prevalence of these offenses. It also explores the potential causes, discussing etiological theories and reviewing psychopathology. Highlighting the cross-cultural nature of the forensic aspects of human sexuality, the book examines various case studies in the context of international legislation. It also covers minor aberrant behavior such as coprolalia and troilism.

Publishers Trade List Annual, 1992 - 1992

Pills-a-go-go - Jim Hogshire 1999

and *Consumption Savours* the American love affari with little gems-from Quaaludes and Prozac to Viagra. Inspired by Jim Hogshire's zine of the same name, the book version goes much further, filled to the brim with weird pharmaceutical ads and history, exposes of FDA lies, pill reviews, contents of celvrity medicine chests, acquisitional tips and hundreds of remarkable photos and illustrations quaranteed to stop the breath of the unrepentant pill fiend.
