

# The Gastronomy Of Marriage A Memoir Of Food And Love

My Life as a Wife - Elisabeth Luard 2014-04-29  
A story of laughter and hope as well as sadness - the healing power of children, the comfort of the kitchen table, the delight of good food and the simple joy of making life work - written by a woman of spirit.

Cleaving - Julie Powell 2011-10-27  
Julie Powell's Julie & Julia is the story of the culinary blogging sensation that inspired the hit film. Julie Powell spent a year cooking her way through Julia Child's impossible Mastering the Art of French Cooking. Her experiences were recorded in the hilarious bestselling book and film Julie and Julia. But what she did next took

even adventurous Julie by surprise. She trained as a butcher. Apprenticed at Fleisher's, she cut, chopped, hammered, sliced and cleaved her way through herds of meat; got splattered in gore; grew big muscles; and showed she has what it took to make it as a woman in a man's world. At the same time she embarked on a passionate, red-blooded affair that threatened her marriage, and, at times, her sanity. 'A remarkable confessional of butchery and adultery' Harper's Bazaar 'Highly readable . . . beautiful writing, effortlessly filling pages with virtuoso descriptions of animal slaughter and human travail' Sunday Times 'Powell makes you see

how butchery might be enjoyable, even cathartic' Spectator Julie Powell started to entertain readers on her infamous blog, on which she pledged to cook all the recipes from Julia Child's iconic cookbook *Mastering the Art of French Cooking*. The blog achieved a dedicated following and, as a result of this, it evolved into *Julie & Julia* - a novel which connects Julie's blog to a reworking of Julia Child's biography. *Julie & Julia* was adapted for film by Nora Ephron in 2009 and starred Meryl Streep and Amy Adams.

*Keeping the Feast* - Paula Butturini 2010  
Recounts the story of the journalist author's marriage to her reporter husband, who was nearly killed by sniper fire while on assignment in Romania, describing how his recovery was impeded by a deep depression that challenged the author's perceptions about loving support.

*Lunch in Paris* - Elizabeth Bard 2011-07-04  
Part love story, part cookbook, *Lunch in Paris* is a forthright and funny story of falling in love

with a Frenchman and moving to the world's most romantic city. From gutting her first fish to discovering the French version of *Death by Chocolate*, Elizabeth finds that learning to cook and building a new life have a lot in common.

**Bitter Ice** - Barbara Kent Lawrence 1999  
Intimate, revealing, and refreshingly frank, *Bitter Ice* tells of a wife's search for independence and self while living in the shadow of her husband's battle with anorexia.

Only in Naples - Katherine Wilson 2016-04-19  
A Radio 4 Book of the Week 'See Naples and die', said Goethe. But Katherine Wilson saw Naples and started to live. Katherine is fresh out of college when she arrives in Naples to intern at the US Consulate. There she meets handsome, studious Salvatore, and finds herself enveloped by his family - in particular by his elegant mother, Raffaella, who begins her real education: never eat the crust of a pizza first, always stand up and fight for yourself and your loved ones, and remember that mealtimes are

sacred. Immersed in Neapolitan culture, tradition and cooking, slowly and unexpectedly falling for Salvatore, and basking in Raffaella's company and guidance, Katherine discovers how to prepare meals that sing, from rich ragù to pasta al forno, with bacon, béchamel and four kinds of cheese. Through courtship, culture clashes, Sunday Mass, marriage and motherhood, Katherine slowly comes to appreciate carnale, the quintessentially Neapolitan sense of comfort and confidence in one's own skin. Steeped in sunlight, wine and unforgettable food, Only in Naples is a love letter to a city and a family, a coming-of-age story, and a transporting account of learning to live the Italian way. 'Katherine Wilson gives us more than the fabulous food of Naples. She offers us a passport to an exotic country we would never be able to enter on our own.' Ruth Reichl, author of My Kitchen Year

**The Long Table** - Mary Moody 2008

A culinary memoir of an extraordinary life. Mary

Moody is a well-known author, cook, gardener, TV celebrity and a woman who is determined to grow old disgracefully. This book celebrates Mary's passion for food and the pivotal role it has played in her life. It is a memoir told in her unique voice detailing four big stages in her life: her unusual childhood; her early years of marriage and motherhood when she started her career as a TV gardener; running away to France; her return and life on her farm. Through all these stages, Mary has cooked and in this book she shares the recipes she loved from all the stages of her life - from the banana custard of her childhood to the rabbit rillettes she learned to cook in France.

*Cleaving* - Julie Powell 2010-11-17

Julie Powell thought cooking her way through Julia Child's *Mastering the Art of French Cooking* was the craziest thing she'd ever do--until she embarked on the voyage recounted in her new memoir, *CLEAVING*. Her marriage challenged by an insane, irresistible love affair,

Downloaded from

2023-06-18 by guest

Julie decides to leave town and immerse herself in a new obsession: butchery. She finds her way to Fleischer's, a butcher shop where she buries herself in the details of food. She learns how to break down a side of beef and French a rack of ribs--tough, physical work that only sometimes distracts her from thoughts of afternoon trysts. The camaraderie at Fleischer's leads Julie to search out fellow butchers around the world--from South America to Europe to Africa. At the end of her odyssey, she has learned a new art and perhaps even mastered her unruly heart.

Delancey - Molly Wizenberg 2015-05-26

"When Molly Wizenberg married Brandon Pettit, she vowed always to support him, to work with him to make their hopes and dreams real. She evinced enthusiasm about Brandon's enthusiasms: building a violin, building a boat, and opening an ice cream store--none of which came to pass. So when Brandon started making plans to open a pizza restaurant, Molly felt sure that the restaurant would join the list of

Brandon's abandoned projects. When she finally realized that Delancey really was going to happen, that Brandon was going to change all of her assumptions about what their married life would be like, it was too late. She faced the first crisis in their young marriage. Opening a restaurant is not like hosting a dinner party every night. Molly and Brandon's budget was small, and the tasks at hand were often overwhelming. They had to find a space they could afford, gut renovate it themselves, find second-hand furniture and equipment, build what furniture they couldn't find, buy and install a wood-burning oven, pass health inspections, hire staff, and establish a billing and payroll system. They lost a financial partner. Their cook disappeared the day they opened. Still, their restaurant was a success, and Molly managed to convince herself that she was happy in their new life. Until Halloween night, when she was forced to admit she could no longer pretend. While Delancey is a funny and frank look at behind-the-

2023-06-18 by guest*

scenes restaurant life, it is also a bravely honest and moving portrait of a tender young marriage and two partners who had to find out how to let each other go in order to come together"--

The Temporary Bride - Jennifer Klinec

2017-02-14

For fans of Reading Lolita in Tehran, a true story of forbidden love set against the rich cultural and political backdrop of modern-day Iran.

Jennifer Klinec is fearless. In her thirties, she abandons her bland corporate job to launch a cooking school from her London apartment and travel the world in search of delicious recipes and obscure culinary traditions. Her journey takes her to Iran, where she seeks out a local woman to learn the secrets of Persian cuisine.

Vahid is suspicious of the strange foreigner who turns up in his mother's kitchen. Unused to such a bold and independent woman, he is frustrated to find himself, the prized only son of the house, largely ignored for the first time. But when the two are thrown together on an unexpected

adventure, they discover a mutual attraction that draws them irresistibly toward each other--but also pits them against harsh Iranian laws and customs, which soon threaten to tear the unlikely lovers apart. Getting under the skin of one of the most complex and fascinating nations on earth, The Temporary Bride is a soaring, intricately woven story of being loved, being fed, and struggling to belong.

**What the Mouth Wants** - Monica Meneghetti  
2017

The redefinition of family values as seen from the eyes of a polyamorous, queer Italian Canadian obsessed with food. This mouthwatering, intimate, and sensual memoir traces Monica Meneghetti's unique life journey through her relationship with food, family and love. As the youngest child of a traditional Italian-Catholic immigrant family, Monica learns the intimacy of the dinner table and the ritual of meals, along with the requirements of conformity both at the table and in life. Monica

*Downloaded from  
[legacy.opendemocracy.net](http://legacy.opendemocracy.net) on  
2023-06-18 by guest*

is thirteen when her mother is diagnosed with breast cancer and undergoes a mastectomy. When her mother dies three years later, Monica considers the existence of her own breasts and her emerging sexuality in the context of grief and the disintegration of her sense of family. As Monica becomes an adult, she discovers a part of her self that rebels against the rigours of her traditional upbringing. And as the layers of her sexuality are revealed she begins to understand that like herbs infusing a sauce with flavour; her differences add a delicious complexity to her life. But in coming to terms with her place in the margins of the margins, Monica must also face the challenge of coming out while living in a small town, years before same-sex marriage and amendments to the Charter of Rights and Freedoms created safer spaces for queers. Through risk, courage and heartbreak, she ultimately redefines and recreates family and identity according to her own alternative vision. *My Berlin Kitchen* - Luisa Weiss 2012-09-13

The Wednesday Chef cooks her heart out, finds her way home, and shares her recipes with us It takes courage to turn your life upside down, especially when everyone is telling you how lucky you are. But sometimes what seems right can feel deeply wrong. My Berlin Kitchen tells the story of how one thoroughly confused, kitchen-mad perfectionist broke off her engagement to a handsome New Yorker, quit her dream job, and found her way to a new life, a new man, and a new home in Berlin—one recipe at a time. Luisa Weiss grew up with a divided heart, shuttling back and forth between her father in Boston and her Italian mother in Berlin. She was always yearning for home—until she found a new home in the kitchen. Luisa started clipping recipes in college and was a cookbook editor in New York when she decided to bake, roast, and stew her way through her by then unwieldy collection over the course of one tumultuous year. The blog she wrote to document her adventures in (and out) of the

kitchen, The Wednesday Chef, soon became a sensation. But she never stopped hankering for Berlin. Luisa will seduce you with her stories of foraging for plums in abandoned orchards, battling with white asparagus at the tail end of the season, orchestrating a three-family Thanksgiving in Berlin, and mending her broken heart with batches (and batches) of impossible German Christmas cookies. Fans of her award-winning blog will know the happy ending, but anyone who enjoyed Julie and Julia will laugh and cheer and cook alongside Luisa as she takes us into her heart and tells us how she gave up everything only to find love waiting where she least expected it.

*Delancey* - Molly Wizenberg 2014-05-06

The New York Times bestseller from the author of *A Homemade Life* and the blog *Orangette* about opening a restaurant with her new husband: “You’ll feel the warmth from this pizza oven...cheerfully honest...warm and inclusive, just like her cooking” (USA TODAY). When Molly

Wizenberg married Brandon Pettit, he was a trained composer with a handful of offbeat interests: espresso machines, wooden boats, violin-building, and ice cream-making. So when Brandon decided to open a pizza restaurant, Molly was supportive—not because she wanted him to do it, but because the idea was so far-fetched that she didn’t think he would. Before she knew it, he’d signed a lease on a space. The restaurant, *Delancey*, was going to be a reality, and all of Molly’s assumptions about her marriage were about to change. Together they built *Delancey*: gutting and renovating the space on a cobbled-together budget, developing a menu, hiring staff, and passing inspections. *Delancey* became a success, and Molly tried to convince herself that she was happy in their new life until—in the heat and pressure of the restaurant kitchen—she realized that she hadn’t been honest with herself or Brandon. With evocative photos by Molly and twenty new recipes for the kind of simple, delicious food that

chefs eat at home, Delancey explores that intimate territory where food and life meet. This moving and honest account of two people learning to give in and let go in order to grow together is “a crave-worthy memoir that is part love story, part restaurant industry tale. Scrumptious” (People).

[Keeping the Feast](#) - Paula Butturini 2010-02-18

A story of food and love, injury and healing, Keeping the Feast is the triumphant memoir of one couple's nourishment and restoration in Italy after a period of tragedy, and the extraordinary sustaining powers of food, family, and friendship. Paula and John met in Italy, fell in love, and four years later, married in Rome. But less than a month after the wedding, tragedy struck. They had transferred from their Italian paradise to Warsaw and while reporting on an uprising in Romania, John was shot and nearly killed by sniper fire. Although he recovered from his physical wounds in less than a year, the process of healing had just begun. Unable to

regain his equilibrium, he sank into a deep sadness that reverberated throughout their relationship. It was the abrupt end of what they'd known together, and the beginning of a new phase of life neither had planned for. All of a sudden, Paula was forced to reexamine her marriage, her husband, and herself. Paula began to reconsider all of her previous assumptions about healing. She discovered that sometimes patience can be a vice, anger a virtue. That sometimes it is vital to make demands of the sick, that they show signs of getting better. And she rediscovered the importance of the most fundamental of human rituals: the daily sharing of food around the family table. A universal story of hope and healing, Keeping the Feast is an account of one couple's triumph over tragedy and illness, and a celebration of the simple rituals of life, even during the worst life crises. Beautifully written and tremendously moving, Paula's story is a testament to the extraordinary sustaining powers of food and love, and to the

stubborn belief that there is always an afterward, there is always hope.

*Lunch in Paris* - Elizabeth Bard 2010-02-01

"Documents how the author fell in love and discovered the excellence of French cuisine during a life-changing lunch, recounting her decision to leave her fast-paced New York life to build a life abroad marked by bustling marketplaces, bad-tempered butchers and decadent chocolate shops."

**Love in a Dish and Other Pieces** - M. F. K. Fisher 2011-04-07

'Poet of the appetites' John Updike M.F.K. Fisher's personal, intimate culinary essays are well-loved American classics, combining recipes with her anecdotes, reminiscences, cultural observations and passionate storytelling. Considered the greatest American prose writer by W. H. Auden, Fisher saw eating as inextricably bound up with living well. Whether reflecting on an epic lunch served by a fanatical waitress, the life-giving properties of wine,

quails whose glorious smell 'would rouse Lazarus' or how the love of food can save a marriage, each piece is a perfectly-crafted work of art. Throughout the history of civilization, food has been more than simple necessity. In countless cultures, it has been livelihood, status symbol, entertainment - and passion. In the GREAT FOOD series, Penguin brings you the finest food writing from the last 400 years, and opens the door to the wonders of every kitchen.

**Cook Your Way to Love & Harmony** - Agus Ekanurdi 2016-03-29

If you're looking for a simple, heartfelt way to get closer to your loved ones and improve any relationships, you need to read this book now. Reading this book will help you understand how important 'the little things in life' truly are. It helps you: Understand the importance of a simple meal Show your love for your family, friends, or loved ones in non-material ways Learn how to manage stress, difficult topics, or situations like credit card debt Let your actions

Downloaded from

2023-06-18 by guest

speak to your family, friends, or partner louder than words ever could Mend your failing relationship in subtle and non-obvious ways Enjoy over a dozen authentic recipes to try out with your loved ones Solid relationships are built on trust, honesty, and care, and 'Cook Your Way to Love & Harmony' showcases this in a spectacular fashion through the viewpoint of Agus, loving husband to Frida, you're given a front-row seat into his marriage, including every unexpected turn in the roller-coaster ride that is married life. Nothing is left secret, as we see how Agus and Frida manage problems most relationships are faced with today, and the lovingly-made meals that helping to spur them forward on their journey through marriage. With each chapter revolving around a specific meal that marks a decisive point in their lives, you too can read along and see how cooking has helped their relationship - and potentially yours too. Over a dozen South-East Asian inspired recipes are included with the book alongside charming

drawings, pictures, and stories to go with them. An entertaining and often deeply introspective journey into the head of a married man trying to do his best by his wife - a heart-warming read that will have you wondering what you've done lately to show someone you care. About us We are Agus Ekanurdi and Frida Antony, and we have been happily married since 2011. 'Cook Your Way to Love & Harmony' is our first book, written in honour of Agus' late father, So Kong Hoo, who passed away in 2012. He taught Agus the power a home-cooked meal has on both relationships and lives, and we want to share this special message with you. You will feel inspired, uplifted, and warmed; just like we've been throughout our own relationship and marriage journey. Inside our book, we share some of the most intimate moments of our lives and the home-cooked meals and recipes that helped shape our relationship to where it is now. From the Reader "Agus & Frida have written a book that will apply to everyone - no matter what

age, or what type of relationship. Fundamentally, it shows a married couple through the ups and downs of their marriage, and how cooking, a simple yet caring and deliberate act, can strengthen and focus any bond. For those looking to work on relationships in a subtle, and natural way, it's a must read - the recipes are also a lot of fun, mostly covering South-East Asian cuisine." James C. Steadman From the Authors "This book is about our personal journey in home cooking, a journey which we hope will inspire others to cook as a tool to improve their relationships. We hope that people will relate to the stories in this book, and see how relationships between spouses can grow and develop through care, communication, & of course, cooking." From the Inside Flap "She loved the way I talked with firm and encouraging words. I loved her sparkling eyes and face full of smiles and fun. In 2010, I proposed and Frida, my Ahbee, accepted. At the time, I believed that marriage was a simple thing- just get to a

wedding and then live together under one roof. Every weekend go to the cinema and malls. Shop together, eat together, and laugh together. That's it. Nothing complicated. I said to myself, I will just have fun with it. Frida accepted, and we were married in May 2011. Soon after, I learned the hard way that marriage was not as simple a thing as I'd thought it would be..."

**Living in a Foreign Language** - Michael Tucker 2008-06-16

"Not at all the usual actor's memoir, but a simple toast to eating, drinking and innocent merriment in old Umbria." —Kirkus Reviews Having sent their last child off to college, Michael Tucker and his wife, the actress Jill Eikenberry, were vacationing in Italy when they happened upon a small cottage nestled in the Umbrian countryside. The three-hundred-and-fifty-year-old rustico sat perched on a hill in the verdant Spoleto Valley amid an olive grove and fruit trees of every kind. For the Tuckers, it was literally love at first sight, and the couple

purchased the house—without testing the water pressure or checking for signs of termites. Shedding the vestiges of their American life, Michael and Jill endeavored to learn the language, understand the nuances of Italian culture, and build a home in this new chapter of their lives. Both a celebration of a good marriage and a careful study of the nature of home, *Living in a Foreign Language* is a gorgeous, organic travelogue written with an epicurean's delight in detail and a gourmand's appreciation for all things fine. "The ex-L.A. Law star details his and wife Jill Eikenberry's move to Italy. Viva la dolce vita!" —People "If you've ever dreamed of living in an ancient stone villa set high above the Italian countryside—and who hasn't?—*Living in a Foreign Language* is a seduction, a warning, an encouragement, and a guide to making a dream come true." —Mary Doria Russell, author of *The Sparrow*

**The Gastronomy of Marriage** - Michelle Maisto 2009

In this delectable memoir, author Michelle Maisto uses that most revealing of questions within a new relationship - 'What should we do about dinner?' *The Gastronomy of Marriage* is a book about two lives coming together at the dinner table. It's a story of lasagna, fried rice and Mexican stew, both the successful meals and the terribly less so. It's about having nothing to eat when the cupboard is bare and nothing to eat when it's full. About sharing a meal each night with a man who was raised in another household and so has different traditions and approaches to eating, different comfort foods, small allergies and dislikes, a body with a superior metabolism and a stunning catalogue of digestive maladies - and who, if all goes according to plan, will be the person Michelle shares her dinners with always.

[The Colour of Food](#) - Anne Else 2013-04

When Anne Else married at the age of 19, she had never cooked a meal, despite having grown up above a grocery shop. That shaky start

## The Gastronomy Of Marriage A Memoir Of Food And Love

---

notwithstanding, she went on to become an enthusiastic cook--with a bit of help from Elizabeth David, Nancy Spain, Katharine Whitehorn, and the Duchess of Windsor. In this captivating memoir, Else recounts the story of her life, from her first marriage and motherhood; through becoming a feminist,

divorcing, remarrying, finding her birth mother, and the heartbreaking loss of family members; to forging a lively community of new friends through her food blog in her 60s. By turns charming, funny, warm, poignant, and wise, this book offers readers delicious recipes from every era of Else's cooking career.
