Hackerville: The road to jail - George Tirca

The book contains the life of a shy, good boy, who also enjoyed learning and with the fear of God. In the end, this boy gets behind bars, following a series of crimes: counterfeit currency, fake identity, computer fraud, the leader of an organized crime group. This boy is me, Tirca George, and yes, I was a shy, good boy, and yes, I became one of the biggest criminals. The question I always ask myself and other people ask me is, "How did this happen? "How did that good boy end up doing that?" the answer is as easy as it is difficult. I said the answer, in fact there are several answers, but analyzing, I find a common factor:

Hackerville. Râmnicu Vâlcea or Hackerville, as it was called by the international press, is for many young people the road to wealth, to happiness, a better life, but everything is a mirage, finally reaching behind bars regretting, or even worse, dying the cause of drugs, of the entourage, because of they feeling invincible. Luxurious cars, lots of money and easy things to do, expensive vacations, expensive clothes, these things attract young people to a criminal life, which in Hackerville means computer fraud. But many young people, including me, end up in custody, with their property confiscated and years in prison, or fleeing to other countries without ever being able to return. But how do we get caught? Because once we hackers evolve, the authorities evolve twice as fast, they always are one step ahead of us, not five steps back as they were 10 years ago. The Romanian authorities have appealed to the FBI, they have even appealed to other hackers, in order to be one step ahead of us. The conclusion I reached, from here in Colibaș Penitentiary, in 2016, is the following: Hackerville is a beautiful dream, the dream of any young man, but it is a short dream, then it turns into the worst nightmare a person can have. In the book presented I will go through both stages of my life, that of the good and hardworking boy, and the transformation of this boy into one of the biggest criminals, of the hacker who creates an organized group and who thinks he has the world at his feet, it is believed intangible, but ends up being punished for all the deeds committed. One of the reasons I write this book is because I see how many people think about hackers, they idolize them, I see those who are limited by nothing, but no one knows the truth, no one knows the real ins and outs of a hacker's life, and the world in which he lives

Romanian Fugue in C Sharp - Aurora Cornu 2003

Into American writing, Romanian Fugue in C Sharp brings an entirely new sensibility, at once haunting and irreverent, lyric and satirical. The American bombing of the oil refineries at Ploiesti, Romania in 1944 plunges the timeless village of Frasinet into the modern world. As the boots of history tramp through Frasinet, bringing the brutal absurdities of Communism, the villagers and their city friends are forced to adapt and survive. Adalgiza and her fellow prostitutes become a socialist weavers' cooperative; George, a hospitable giant, tries to keep his spectator attitude; two families of wandering gypsies refuse to enter into time at all; Theodore, a mischievous intelligence, drowns himself in American jazz and pleasure; Norel, a sorcerer, becomes a secret agent; and Fanoutza, the stubborn, sensitive little girl at the book's center, grows into Stephanie, a poet and journalist, determined to become

Theodore's lover and to fly out into the free world. Into American writing, Romanian Fugue in C Sharp brings an entirely new sensibility, at once haunting and irreverent, lyric and satirical. MORE ROMANIAN FAIRY TALES - 18 More Children's stories from the land of Dracula - Anon E. Mouse 2018-09-28

This collection of 18 Romanian folk and fairy tales contains translations of tales from Romanian which, however, comprise but a small portion of the inexhaustible treasure that exists in the nation. While the originals are scattered throughout Romanian literature this volume is an excellent companion to "Roumanian Fairy Tales and Legends" ISBN:

978-8-827544-00-6 which contains a further 15 children's tales from Romania. Given Romania's long and diverse cultural history, it is no surprise that the country has such a rich heritage of folk tales, fairy tales, and legends. It is also fortunate that so many of these stories survived the country's turbulent history and were passed down throughout the ages to countless Romanian children and are now retold here. The exquisite stories in this volume are: Stan Bolovan The Wonderful Bird The Twins With the Golden Star. Youth Without Age and Life Without Death The Little Purse with two Half-pennies Mogarzea and His Son Cunning Ileana The Princess and the Fisherman Little Wild-Rose The Voice of Death The Old Woman and the Old Man The Pea Emperor The Morning Star and The Evening Star The Two Step-Sisters The Poor Boy Mother's Darling Jack Tellerchen The Fairy Aurora In approximately 82 BC, the rule of the Dacian kings was replaced by the Romans, who, in turn, were forced out by the Goths, later supplanted by the Huns a;; by the 4th C. BC. After this, a sequence of nomadic rulers, including the Gepids, the Avars, the Bulgars, the Pechenegs, and the Cumans, ruled the area. By the Middle Ages, Romanians lived in three distinct principalities: Wallachia, Moldavia, and Transylvania, which were later ruled by the Austro-Hungarian and Ottoman empires. In 1859, Moldavia

and Wallachia united under Prince Alexandru Ioan Cuza, but it was not until the end of WWI, in 1918, that Bessarabia, Bukovina and Transylvania proclaimed unions with the Kingdom of Romania and the modern state of Romania was born. 10% of the publisher's profits from the sale of this book will be donated to the Relief Fund for Romania.

Times New Romanian - Nigel Shakespear 2014-07-28

'In Romania anything is possible, everything is impossible, and nothing is ever as it seems.' Times New Romanian provides a picture of Romania today through the individual first-person narratives of people who chose to go and make a life in this country. Each chapter a voice, each story in Times New Romanian provides readers with a look into the Romanian world - the way things work, the vitality of the people, the living heritage of rural traditions, ordinary life - sometimes dark, sometimes sublime, always interesting. In a land full of character and contradiction, there is a strong attraction for those with the spirit to meet the challenges, where the one thing you can be sure of is the unpredictable. Life is not always easy. These stories will tell you why... If you want to know more about Romanians and their country, the voices in Times New Romanian make for an enjoyable and lively read. Inspired by Studs Terkel and Tony Parker, Nigel used their oral history style and his own experience in Romania to guide him in recording these interviews. Featured in The Bookseller

Americans and Queen Marie of Romania - Diana Fotescu 2022-08-01

Granddaughter of Queen Victoria of England, Marie (1875-1938) became queen of Romania, her adopted country, in 1914 when her husband Ferdinand assumed the throne. She helped lead the political and diplomatic efforts that led to Romanian national unification in 1918. This collection of documents reveals important aspects of the life and personality of this remarkable monarch. *Americans and Queen Marie of Romania* is edited by Diana Fotescu, a researcher at the Cotroceni Museum in Bucharest, the former royal palace where Queen Marie lived. She compiled the materials presented in this volume during her work in the archives in the United States and Romania.

A Library of Lemons - Jo Cotterill 2016-05-05

A poignant story about dealing with grief through the magic of reading and friendship. Calypso's mum died a few years ago and her emotionally incompetent Dad can't, or won't, talk about Mum at all. Instead he throws himself into writing his book *A History of the Lemon*. Meanwhile the house is dusty, there's never any food in the fridge, and Calypso retreats into her own world of books and fiction. When a new girl, Mae, arrives at school, the girls' shared love of reading and writing stories draws them together. Mae's friendship and her lively and chaotic home - where people argue and hug each other - make Calypso feel more normal than she has for a long time. But when Calypso finally plucks up the courage to invite Mae over to her own house, the girls discover the truth about her dad and his magnum opus - and Calypso's happiness starts to unravel. 'A story of great warmth and emotional wisdom' LINDA NEWBERY

The Romanian KGB - Brian Edwards 2007-04-01

It is at the end of the communist era in Russia and Romania, Rowland Tymes is sent to Russia to manage the construction of a high tech plant, and then as the project nears completion he goes to Romania, to manage a similar project. Whilst traveling frequently between Russia, Romania and the UK he gets into the habit of taking small parcels and gifts for friends and colleagues, not knowing they contain top-secret information. As a result he falls foul of both the KGB and the Romanian Securitate, eventually being interrogated and then locked up in an old house on the outskirts of Bucharest. Eventually he escapes back to the UK, only to meet up with the informer in unusual circumstances. This is a story that could well have happened to many a business man of that time, traveling to these countries where the women are all one's imagination would wish them to be, full of Eastern promise and mystery, and sometimes with near-fatal consequences

The Phantom Church and Other Stories from Romania - Georgiana Fârnoagă 1996

Mad Forest - Caryl Churchill 1992

"This timely drama resulted from a trip to Romania. Developed with students from London's Central School of Drama, this is an incisive portrait of society in turmoil that focuses on two families to reveal what life is like under a totalitarian regime and what results when the regime collapses. The play's brief scenes are almost cinematic in their presentation of events as seen by ordinary people trying to live in peace." -- Publisher's description

Ceausescu's Children - Joan Simkins 1998

When Pat Robson saw the horrific images of Ceausescu's Children on TV in the late 1980's, she did more than weep - she set off for Romania to see how she could help. This is the powerful story of her mission to save the Romanian orphans.

The Romanian - Bruce Benderson 2006-02-02

Winner of the 2004 Prix de Flore—one of France's most distinguished literary prizes—a wildly romantic, true-life love story “History follows a trail of sputtering desire, often calling upon the delusions of lovers to generate the sparks. If it weren't for us, the world would suffer from a dismal lack of stories,” writes Bruce Benderson in this brutally candid memoir. “What astonishes and intrigues is Benderson's way of recounting, in the sweetest possible voice, things that are considered shocking,” wrote *Le Monde*. What's so shocking? It's not just Benderson's job translating Céline Dion's saccharine autobiography, which he admits is driving him mad; but his unrequited love for an impoverished Romanian in “cheap club-kid platforms with dollar signs in his squinting eyes,” whom he meets while on a journalism assignment in Eastern Europe. Rather than retreat, Benderson absorbs everything he can about Romanian culture and discovers an uncanny similarity between his own obsession for the Romanian (named Romulus) and the disastrous love affair of King Carol II, the last king of Romania (1893-1953). Throughout, Benderson—“absolutely free of bitterness, nastiness, or any desire to protect himself,” wrote *Le Monde*—is sustained by little white codeine pills, a poetic self-awareness, a sense of humor, and an unwavering belief in the perfect romance, even as wild dogs chase him down Romanian streets.

Female Playwrights and Applied Intersectionality in Romanian Theater - Cătălina Florina Florescu 2023-12-06

In this collection, the author focuses on several contemporary Romanian female playwrights with residencies in Europe and the U.S.: Alexandra Badea, Carmen Francesca Banciu, Alexa Băcanu, Ana Sorina Corneanu, Mihaela Drăgan, Dr. Cătălina Florina Florescu, Dr. Mihaela Michailov, Dr. Domnica Rădulescu, Saviana Stănescu, and Dr. Elise Wilk. In their bold works, written by female playwrights who are academics, activists, and performers, we are invited to discover variations in the modus operandi of the dramatic language itself from metaphorical to matter-of-fact approaches. Furthermore, while all these playwrights speak Romanian, they also think and operate in various other languages, such as Romani, German, French, Italian, and American English. This book

facilitates scholars and students to discover contemporary issues related to Romanian society as presented heavily from a feminine angle and to reveal intersectional issues as seen and applied to dramatic characters in

a post-communist country from some authors who experienced communism firsthand. The book is also an invitation to reinvent how we teach dramatic literature by offering 20 interactive, exploratory activities.
