You're Not Special - Meghan Rienks 2021-09-28

In her first ever (sort of) memoir, YouTube sensation Meghan Rienks gets personal about everything from drunken debaucheries to mental health. As an only child, Meghan has always been pretty good at entertaining herself. Then one day--cue the dramatic voice-over--her life changed forever.

On June 12, 2010, Meghan was diagnosed with mononucleosis. Mono is basically just a really bad case of the flu, right? Wrong. To a party-crazed sixteen-year-old, mono is nothing less than social suicide. So Meghan opened up her 2009 MacBook and recorded her first YouTube video. Since then, she has shared the ups and downs of her life on the internet, documenting her coming-of-age for the whole world to see. Not that she's (mostly) through her awkward stage, Meghan's her to tell you that it gets better. Sometimes a bad hair day feels worse than a punch in the gut and asking a boy out seems as difficult as achieving that perfect dewy glow. But despite what you've been told, your problems are not unique, and somebody out there has felt the same way you feel right at this very moment. You're not special. But on the bumpy road to adulthood, you're also not alone.

Was She Mine... - Bajrang Sultania 2021-12-25

Hey buddy. What are you looking for? Did you pick me up reading the title? Did anyone suggest you this book? Oops! Sorry for questioning you right away. Well, don't you think the world around you works on questions. People don't get to know you, but can always question you on the first place to make you unsettle, burst your bubble of comfort, and

then drag you into the state of awkwardness. By the way, I am Ved Agarwal, and this is my story. But, if you are looking for acceptance, then this is your story. If you are still waiting to be heard, then this is your story. If you are delaying to take a step ahead, then this is your story. If you are trapped in a melodrama of life, then this is your story. If you are looking for anything in this world except for getting rich, then this is your story. Ahh! That must have shaken your thoughts, isn't it? You must be questioning 'How the hell this Ved Agarwal is so sure that this is my story too alongside him'? Then, to you I would like to say that 'When you took out the book from the shelf, it was a mere story, and suddenly when it involved you as a character, the anxiety raised, the question raised, the rush to know why only me raised'. So, jump into this story alongside Ved to know why this is your story too. P.S: I would get to know your name by the end of the story. How is that possible, is a catch.

Work Your Career - Loleen Berdahl 2018-01-01

"The supposed extinction of the Indigenous Beothuk people of Newfoundland in the early nineteenth century is a foundational moment in Canadian history. Increasingly under scrutiny, non-Indigenous perceptions of the Beothuk have had especially dire and far-reaching ramifications for

contemporary Indigenous people in Newfoundland and Labrador. Tracing Ochre reassesses popular beliefs about the Beothuk. Placing the group in global context, Fiona Polack and a diverse collection of contributors juxtapose the history of the Beothuk with the experiences of other Indigenous peoples outside of Canada, including those living in former British colonies as diverse as Tasmania, South Africa, and the islands of the Caribbean. Featuring contributions of Indigenous and non-Indigenous thinkers from a wide range of scholarly and community backgrounds, Tracing Ochre aims to definitively shift established perceptions of a people who were among the first to confront European colonialism in North America."--

The Guyde - Howie Reith
2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most

confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men,

the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting."

You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

The Fall of Beth Anderson - Meghan B. Parent 2016-10-18
As if the first year of high school wasn't hard enough, Beth Anderson finds herself starting it in a brand-new town, far from her best friend Elizabeth and every other friend she's ever had. At first, she feels up to the challenge and even excited about it, especially when oh-so-cute Tristan strikes up a flirtation by her locker one morning. But Beth's self-confidence quickly evaporates as Tristan begins behaving strangely towards her, the meanest mean girl at school initiates a vendetta

against her, and she can't seem to make a single friend, no matter how hard she tries. As fall slowly leans toward winter, she is confronted with challenges that threaten to undermine her self-esteem completely, until she finally gets an inkling that Beth Anderson just might happen to be someone worth fighting for. A richly realized tale of adolescent angst and insecurity, *The Fall of Beth Anderson* will resonate with every teenager who's ever doubted their self-worth.
