Laughing at Life - Mike Benn 2006-03

In the entertaining collection *Laughing At Life: Tall Tales & Other Short Stories*, author Mike Benn shares many of his amusing life experiences as he delves into "tough" questions, such as: Have you ever caught a duck-while fishing? When your children say jump, do you just ask how high? What happens when the doctor becomes the patient? How significant is that red flashing light on your car's instrument panel? Join Benn in his search for "the perfect stool", and experience his frustration after purchasing the latest state-of-the-art home cinema equipment to the envy of all his friends-and after six months, still not being able to get it to work. *Laughing at Life* takes you on a trip-sometimes more like a stumble-down memory lane, from Benn's childhood in Perth, Australia, to his present-day life in Israel. Encompassing subjects ranging from living in a household of females to the adventures of traveling, and from coping with modern technology to personal health issues, *Laughing at Life* draws you into the Benn's world, allowing you to view the humorous side of life's challenges that daily affect each and every one of us.

The Must Have Health Guide - Margaret Stearn 2005-07-01

In 'The Must-Have Health Guide', Dr Margaret Stearn blows the lid off the myth that there are some disorders that are simply unmentionable. Her no-nonsense, straight-talking approach to an A-Z of 'embarrassing' conditions dispels anxiety in favour of reassurance, encourages action in place of apathy and combats ignorance with knowledge. Acne, bottoms, impotence, lumps, piles, sex, ... little escapes her expert attention. 'The Must-Have Health Guide' is a book for all of us. Fact-filled and bubbling with practical advice, it frees us from the isolation of believing we must suffer alone and sets us on the path to peace of mind and good health.

Clinical Perspectives on Elderly Sexuality - Jennifer L. Hillman 2000-05-31

With the growth of the older adult population and the increasing need for healthcare providers with geriatric training, students and practitioners must become familiar with the multifaceted issues of elderly sexuality. This text features a combination of research findings, clinical case studies and specific guidelines for assessment and intervention. A variety of topics typically neglected in this population, such as body image and eating disorders, HIV, the long-term impact of sexual trauma in late life, sexuality in institutional settings, sexuality for partners of older adults with dementia and other chronic illnesses, traditional and non-traditional relationships, and information about medications that can cause sexual dysfunction are reviewed in detail. In addition, practitioners are given practical suggestions for interviewing older adults about sexual issues, working with character-disordered older adults, managing sexualized transference in the therapeutic relationship, mediating conflict between professionals on interdisciplinary teams, and assessing HIV and HIV-induced dementia. This volume will be of interest to both clinicians and students of psychology, social work, gerontology, sociology, and physical therapy.

Working With Troubled Men - Morley D. Glick 2006-04-21

This book offers a concise, readable, research-grounded synthesis of the

special concerns mental health and other helping professionals need to address when working with men today, and explains a wealth of effective gender-specific approaches to assessment and intervention that result in more successful outcomes for male clients. Many more women than men seek counseling and therapy, and to some extent standard services have evolved in response to female styles of communicating and problem-solving. Practitioners frequently feel frustrated and baffled by their male clients because they seem unresponsive to treatment approaches that work so well for women. But many men benefit from therapy when practitioners understand male socialization and the ways men communicate and problem-solve. Too many men today are doing badly and are in real need of help. Almost half of America's male children grow up in single parent homes headed by mothers, where they seldom have male mentors or role models. Fewer men than women attend or graduate from college, and increasing levels of binge drinking and date rape on campuses paint a discouraging picture of men on campus. Male violence continues to be a serious problem in many American communities, with male youth violence continuing at epidemic levels. Men die younger than women overall and in much higher proportions from suicide, homicide, and cirrhosis of the liver.

If You Want To Permanently And Naturally Last as Long as You Want in Bed Pounding Your Woman Without Drugs and Cure Premature Ejaculation as Quickly as Possible, Congratulations, You're at The Right Place! Worry no more. I have been there and I know how embarrassing if you cannot satisfy your woman beneath the sheets and go pounding for as long as you want non-stop. You need to read this book because I know you want a permanent solution to your premature ejaculation, and you want to solve this issue eating up your sex life so bad. This book is the 100% final cure you'll ever need - trust me! Giving money and gifts to your woman is great, but giving her multiple orgasms like a superior man is the greatest. I know you might have gone for tiring counseling sessions without a solution, and you've spent money regularly buying sex enhancers like pills, sprays, creams, Viagra, alcohol, cocaine, tramadol and other substances without getting a permanent cure. Calculate the money for a year and see how much you've been wasting. When you rely on drug enhancements to last long during sex, these will happen: One day you will be at a place where you won't have access to these drug

enhancements. What will be your fate? You will spend money buying them regularly for a lifetime and it will greatly affect your finances. There's danger ahead because pretty soon you will be tired of these drug enhancements when their side effects start setting in. So, its better you learn the needed skills naturally with this book to save yourself all the headache that come with using drug enhancements. When you acquire these skills naturally with "Premature Ejaculation Goodbye", The story will change and you will hit your head with a plank why you have not known these secrets before now. You will not just be great in bed but greatest in bed. Your woman will respect and love you the more. You will laugh at the men who still rely on sex enhancers to last long. You will save more money. You will become that superior man who can rock his woman at any given time. And you will smile and finally say goodbye to PE! We have trained a lot of men over the years, who keep coming back with testimonials. Your case will not be different because I will save you, too, from all your bedroom woes. The truth is nerves are being triggered involuntarily during sex. You will learn how to tame these nerves and everything in-between to last as long as you want in bed. You will find out my own personal secret codes I use to ejaculate on command during sex. Don't be selfish because you will learn ways to satisfy your woman with well detailed naughty erogenous zones and spice up your sex lives. Inside this book, you will also learn: How to develop your capacity for sexual continence for long lasting lovemaking. General confidence regarding anything women especially during sex. Well laid-out several lovemaking techniques of daily practice to skyrocket your chances of lasting longer. And so much more! Is this for real? YES! That's after discovering the methods men who we have trained use to last long in bed. It's time to pound your woman any day and anytime for 60+ minutes. No jokes! The Viagra Ad Venture - Jay Baglia 2005

Since the FDA approved Viagra in March 1998, the «little blue pill» has been prescribed to over twenty million men. The Viagra Ad Venture: Masculinity, Media, and the Performance of Sexual Health chronicles the story of Viagra as reported in our nation's news outlets and promoted by Pfizer Pharmaceutical's marketing materials. In this critical discourse analysis, author Jay Baglia uses feminist and performance theory to uncover the meaning of Viagra and its relationship to performances of masculinity. At stake are the ways in which we construct normalcy, particularly as it relates to health, sexuality, gender, and the body. This book fits well in a variety of classes including gender studies, media studies, research methods, feminist theory, human sexuality, and health communication.
