The Only Dating Book a Man Really Needs What do women want? Well you might think that you need to be rich, tall or handsome...but no, it's not your haircut, height, knowledge or your bank balance. Women simply want a man who will bring passion, excitement, and strength into their everyday lives. They want someone who does interesting things, is independent and takes care of themselves well. Attracting the right partner is all about being extremely comfortable with oneself and living the lifestyle he desires. By becoming a better man and living a more interesting life you too will naturally attract women and have more meaningful relationships. Think about it, when you see someone in command of their life walking down the street with confidence you know they've got something special to offer; and on some level you probably want it. Naturally this will make you more confident and help you to become the best version of yourself. In this book you will discover: Simple ways to create Attraction & Chemistry With Beautiful Women (women chase men who do this) What do I say? How do I act? What should I do? - No pick-up lines - No tricks. Why you always fall into the friend zone and how to escape it 6 Ways to talk to women and make it amazing whilst avoiding conversations that go nowhere How to be Attractive even if your ugly (science backed) Living the Good Life according to Ancient Greek Philosophy Don't Try To 'Fake' Confidence - Do This Instead Funny Guy gets the girl?
