

Ways To Get Revenge On The Other Woman

Ways of Knowing - Jean-Guy Goulet 1998

The creative world of a northern Native community is revealed in this innovative book. Once semi-nomadic hunters and gatherers, the Dene Tha of northern Canada today live in government-built homes in the settlement of Chateh. Their lives are a distinct blend of old and new, in which more traditional forms of social control, healing, and praying entwine with services supplied by the Royal Canadian Mounted Police, a nursing station, and a Roman Catholic church. Many older cultural beliefs and practices remain: ghosts still linger, reincarnating and sometimes stealing children's souls; dreams and visions are powerful shapers of actions; and personal visions and experiences are considered the sources of true knowledge.

Revenge - Tomas Bohm 2018-05-08

The revenge motif appears in a number of arenas and in different cultures. We need to be mindful of its existence in order to discover how common it is. We can then learn to recognize when destructive revenge spirals are developing. By extension, we thus gain a basis for stopping these spirals successfully before they have gone too far. We can also learn what function revenge plays and has played in various contexts. A short overview of revenge as a motif in literature, film, culture, religion, and at work is therefore given as an introduction to our study of revenge.

THE HOUSE OF SIN AND SPLENDOR - Dianne Lininger 2021-04-30

The House of Sin and Splendor so named by triple threat entertainer Betsy Bellweather a vaudeville sensation who became a popular silent film star; one who not only made the successful transition to talkies but dominated them, becoming the top money-maker for famous film producer Edric Mazewell owner of her sumptuous mansion home. The star vanished without trace immediately following one of her hedonistic parties notorious among Hollywood insiders after a particularly reprehensible rape including a murder and suicide. Once Betsy's secret life was revealed her family friendly image was ruined along with her career. The mansion already possessed an unsavory history stemming from the 1800's. A brutal Madam operated a high-end bordello with a stable of young women all under twenty years of age; many of whom were kidnapped or runaways. Their job was to service prominent men in all ways imaginable, sometimes at the cost of their lives. Film producer Edric Mazewell often bragged of joyfully turning from a boy into a man within its walls. Betsy loved the mansion and eagerly became its tenant until her disappearance. Fast forward to 1980 a blue collar couple Arlene and Wade Rawlerson win their state's first lotto jackpot ever. The couple moves to Los Angeles to fulfill a fantasy of inhabiting a lavish abode once belonging to a movie star. To their dismay, they discover that what is considered rich back home is only modestly well-to-do

there. Impressed by its colorful history they purchase the Mazewell mansion now in ruins with the intent to restore it to its former glory. The couple intends to flip it, making a financial windfall enabling them to enjoy the Hollywood lifestyle they had first envisioned. However the mansion is home to spirits unable to find peace. And Arlene, the wife brings her own as well. Eventually, Arlene comes to accept and embrace her long suppressed gift of clairvoyance.

Walking in Zen, Sitting in Zen - Osho 2023-03-15

Zen is another name for meditation. The word zen comes from the Sanskrit root dhyana - it has traveled far. Dhyana means a state of absolute silence, of thoughtless silence, but full of awareness. Even the thought that "I am aware" is enough to distract you from your meditation. Even to know that "I am in meditation" is enough to destroy it. A state of meditation is an innocent, silent state. You are blissfully unaware of your awareness. You are, but you are utterly relaxed. You are not in a state of sleep; you are fully alert, more alert than ever. You are alertness, rather.

Revenge Is More Sweet Than Bitter - Shannon Dunn 2013-05

Genevieve shares a common fear that plagues many women: the fear of being just like their mothers. Undoubtedly, she has good reason to want to be nothing like her ill-mannered and venomous mother, Mama Rose, who keeps her bible in the cupboard next to her stash of poison. However, when her marriage starts to fall apart, Genevieve finds out that blood runs thicker than water and she may be more like her devilish mother than she cares to admit. Genevieve 's husband, Jayson, is a respected defense attorney who rescued her from her overbearing mother, saved her from serving time in prison and gave her a fairytale life. When Jayson starts coming home in the wee hours of the morning, reeking of gardenias, Genevieve suspects that her prince charming is seeing someone else. She hates to admit that her eccentric mother, Mama Rose, may be right; men are nothing but cheating dogs that deserve a dose of their own medicine. Determined to find out if Jayson is really putting in overtime at work or in another woman's bed, Genevieve cooks up all sorts of scandalous schemes including hiring a stripper to test Jayson's will. As if tracking Jayson's whereabouts isn't keeping her busy enough, her best-friend's, Myeisha, abusive ex-boyfriend is out jail and back to his old games. Protecting Myeisha from him isn't going to be easy since Myeisha hasn't found the guts to stand up for herself, but when he asks Myeisha to help him rob the bank where she works as a teller Genevieve knows she has to help her friend get rid of him once and for all. Infuriated with men and their evil ways, Genevieve is determined to seek revenge on the men in her life who have wronged her. With the sweet taste of revenge in mind, Genevieve enters into a battle to protect her best-friend and to even the score with her husband. The only thing that stands in her way is her shady past that threatens to come to the light and expose her own deepest and darkest secrets. Mama Rose offers Genevieve an easy solution to all her problems; it comes in a mysterious brown leather pouch and carries a hefty price that may cost everyone involved their lives. Can Genevieve save her marriage and her best-friend while keeping her own personal demons under control or will she learn that revenge is best served with a spoonful of sugar?

Although there are a number of books that explain the religion and its philosophy, this work is the first in English to focus on sites where Shinto has been practiced since the dawn of Japanese history. In an extensive introductory section, authors Joseph Cali and John Dougill delve into the fascinating aspects of Shinto, clarifying its relationship with Buddhism as well as its customs, symbolism, and pilgrimage routes.
