Monster Mash Murder - Leslie Langtry 2023-10-17

From USA Today bestselling author Leslie Langtry comes a hauntingly hilarious mystery... What's scarier than ex-CIA agent Merry Wrath's Girl Scout troop? How about the spookiest Halloween haunted house ever? And the girls have found the perfect place to hold it—a disturbingly dilapidated Victorian with something in the basement that gives off some serious we're-all-gonna-die vibes. Tween mayor Ava bought the house with city funds, which has drawn the ire of grumpy city inspector, Gilbert Moody. Who also happens to be the only one in town who is not afraid of the most terrifying Girl Scout in Merry's troop, the infamous Betty. This cranky civil servant has the paperwork to condemn any building, and he's not afraid to use it! Merry's got a horrifyingly full plate this fall, from her Chechen brothers-in-law moving in with her after their pregnant wives kicked them out, to the troop illegally adopting a sullen turkey vulture named Reggie. And now her favorite ice cream parlor, Sugar Lips' Feeling Lucky House of Delights has been condemned! Moody would be feeling her wrath...if he hadn't been murdered by zombies inside the haunted house! Following a cryptic series of confusing clues and dodging a hail of bullets, Merry needs to find the killer fast if she's going to save this Halloween! Late, Late at Night - Rick Springfield 2010-10-12

Features four bonus videos! Watch Rick discuss the events that have shaped his life; step inside his recording studio to hear him discuss his music, his acting career, coming to America, and his love of dogs; and watch Rick's "What's Victoria's Secret?" music video and his unplugged version of "I Get Excited." In a searingly candid memoir which he authored himself, Grammy Award-winning pop icon Rick Springfield pulls back the curtain on his image as a bright, shiny, happy performer to share the startling story of his rise and fall and rise in music, film, and television and his lifelong battle with depression. In the 1980s, singer-songwriter and actor Rick Springfield seemed to have it all: a megahit single in "Jessie's Girl," sold-out concert tours, follow-up hits that sold more than 17 million albums and became the pop soundtrack for an entire generation, and 12 million daily viewers who avidly tuned in to General Hospital to swoon over his portrayal of the handsome Dr. Noah Drake. Yet lurking behind his success as a pop star and soap opera heartthrob and his unstoppable drive was a moody, somber, and dark soul, one filled with depression and insecurity. In *Late, Late at Night*, the memoir his millions of fans have been waiting for, Rick takes readers inside the highs and lows of his extraordinary life. By turns winningly funny and heartbreakingly sad, every page resonates with Rick's witty, wry, self-deprecating, brutally honest voice. On one level, he reveals the inside story of his ride to the top of the entertainment world. On a second, deeper level, he recounts with unsparing candor the forces that have driven his life, including his longtime battle with depression and thoughts of suicide, the shattering death of his father, and his decision to drop out at the absolute peak of fame. Having finally found a more stable equilibrium, Rick's story is ultimately a positive one, deeply informed by his passion for creative expression through his music, a deep love of his wife of twenty-six years and their two sons, and his life-long quest for spiritual peace.

Diary of a South Beach Party Girl - Gwen Cooper 2007-04-10

South Beach in the late 1990s is a town of blink-and-you'll-miss-'em nightclubs populated by celebrities, models, mobsters, heiresses, drug dealers, drag queens, and fun seekers of all stripes. It's a place where the famous come to party like locals, the locals party like rock stars behind velvet ropes, and the press is savvy enough to know what not to report. Rachel Baum is a sheltered, career-oriented everygirl when she moves to South Beach from her quiet Miami suburb, searching for a life less ordinary. Quickly making friends among SoBe's most exclusive scenesters, she spends her days building a career and her nights building a reputation. But in a town where friends become enemies faster than highs become hangovers, the life less ordinary turns into more than Rachel bargained for. As she pursues the endless party in penthouses, dive bars, after-hours clubs, and cocaine speakeasies, Rachel struggles to balance her goals and ambitions with the decadence and excess -- especially her drug-fueled, on-again off-again relationship with Yale-graduate-turned-addict John Hood -- that threaten to destroy everything she's always worked for. With tremendous wit and razor-sharp insight, *Diary of a South Beach Party Girl* portrays the innermost sanctums of South Beach's privileged Beautiful People through the eyes of a no longer innocent heroine.

Reading in Time - Cristanne Miller 2012

This book provides new information about Emily Dickinson as a writer and new ways of situating this poet

in relation to nineteenth-century literary culture, examining how we read her poetry and how she was reading the poetry of her own day. Cristanne Miller argues both that Dickinson's poetry is formally far closer to the verse of her day than generally imagined and that Dickinson wrote, circulated, and retained poems differently before and after 1865. Many current conceptions of Dickinson are based on her late poetic practice. Such conceptions, Miller contends, are inaccurate for the time when she wrote the great majority of her poems. Before 1865, Dickinson at least ambivalently considered publication, circulated relatively few poems, and saved almost everything she wrote in organized booklets. After this date, she wrote far fewer poems, circulated many poems without retaining them, and took less interest in formally preserving her work. Yet, Miller argues, even when circulating relatively few poems, Dickinson was vitally engaged with the literary and political culture of her day and, in effect, wrote to her contemporaries. Unlike previous accounts placing Dickinson in her era, *Reading in Time* demonstrates the extent to which formal properties of her poems borrow from the short-lined verse she read in schoolbooks, periodicals, and single-authored volumes. Miller presents Dickinson's writing in relation to contemporary experiments with the lyric, the ballad, and free verse, explores her responses to American Orientalism, presents the dramatic lyric as one of her preferred modes for responding to the Civil War, and gives us new ways to understand the patterns of her composition and practice of poetry.

Speak of the Devil - Jean La Fontaine 1998-02-12

Allegations of satanic child abuse became widespread in North America in the 1980s. Shortly afterwards, there were similar reports in Britain of sexual abuse, torture and murder, associated with worship of the Devil. Professor Jean La Fontaine, a senior British anthropologist, conducted a two year research project into these allegations, which found that they were without foundation. Her detailed analysis of a number of specific cases, and an extensive review of the literature, revealed no evidence of devil-worship. She concludes that the child witnesses come to believe that they are describing what actually happened to them, but that adults are manipulating the accusations. She draws parallels with classic instances of witchcraft accusations and witch-hunts in sixteenth and seventeenth-century Europe, and shows that beneath the hysteria there is a social movement, which is fostered by a climate of social and economic insecurity. Persuasively argued, this is an authoritative and scholarly account of an emotive issue.

Stay out later than late with Ellie and the girls in the third story in Jacqueline Wilson's fabulous, best-selling series for teenagers.

Girls, Autobiography, Media - Emma Maguire 2018-04-05

This book investigates how girls' automedial selves are constituted and consumed as literary or media products in a digital landscape dominated by intimate, though quite public, modes of self-disclosure and pervaded by broader practices of self-branding. In thinking about how girlhood as a potentially vulnerable subject position circulates as a commodity, *Girls, Autobiography, Media* argues that by using digital technologies to write themselves into culture, girls and young women are staking a claim on public space and asserting the right to create and distribute their own representations of girlhood. Their texts—in the form of blogs, vlogs, photo-sharing platforms, online diaries and fangirl identities—show how they navigate the sometimes hostile conditions of online spaces in order to become narrators of their own lives and stories. By examining case studies across different digital forms of self-presentation by girls and young women, this book considers how mediation and autobiographical practices are deeply interlinked, and it highlights the significant contribution girls and young women have made to contemporary digital forms of life narrative.

Bay of Martyrs - Tony Black 2021-11-08

Clay Moloney, a cynical reporter with a regional Australian newspaper, is expecting an easy Sunday at work when the body of a young woman washes up at the Bay of Martyrs. The death is an inconvenience for Clay, who's content filing obituaries and re-writing government press releases on the new multi-million-dollar airport. But the more he digs into the Bay of Martyrs incident, the more he realises the girl's death is not a case of misadventure, despite what the police tell him. Clay becomes obsessed with the murder investigation, putting himself and his colleague Bec, an Irish-born photographer, in danger. Will Clay achieve justice for the young student, or will those in power stop him before he uncovers the truth? Master

of "tartan noir" Tony Black collaborates with Australian author and reporter Matt Neal to create a thrilling criminal case of murder and corruption set on Australia's south coast. Praise for *BAY OF MARTYRS*: "This is one hell of a read. Two authors is a tricky gig and most times results in a desultory effect. But here are two writers so in sync that it is seamless. A get-in-her-face, down and dynamic read that grips and enthralls. Tony Black at the very height of his terrific talent and now with a double act to enrich his solid rep." —Ken Bruen, author of *The Guards and Priest* "Bay of Martyrs is a piece of perfectly-crafted Australian coastal noir, from the body on the remote beach that sparks journalist Clay Moloney's obsession, to the cast of bent cops, developers and a politician on the make. A dark gem from the first wave of Aussie mysteries that's sweeping the world." —Jock Serong, author of *The Rules of Backyard Cricket* and *On Java Ridge* "This was a great read. Really cool, interesting and unusual locales, with a fast-paced thriller narrative and some very sexy lead characters. Highly recommended." —Tony Cavanaugh, author of *Promise and Dead Girl Sing*

Get Over Yourself! - Patti Novak 2008-12-30

True love doesn't just happen, notes professional matchmaker Patti Novak. You have to work for it—and want it. Forget eight-minute speed dates or online dating sites with twenty-page questionnaires that promise a scientifically calculated perfect match. The fact that you both like golf, stamp collecting, and pizza with anchovies is great, but it won't mean a thing if you don't feel that zing. But before there can be sparks, there have to be dates. And before the first date, you need to get over yourself! Taking a tough-love approach, and in her signature straight-shooting style, Patti will show you how to fix what needs to be fixed, reach your core, and identify who you are and what you want in a partner. She uses a three-part common-sense formula: • Getting Over What? Assess your dating weaknesses, recognize what's not working, and adjust your expectations. Delve into your personal history and past relationships, and pinpoint the issues that have been holding you back. • Almost Over It Fine-tune your attitude, your look, and your behavior to maximize your dating chances. Novak lays out strategies to help you deal with the brutal dating monsters you find along the way. • Over It Learn the do's and don'ts of the first date, the second date, and beyond. Remember, it's not a job interview or therapy session. Pretend you're meeting a new friend, not a prospective husband or wife. Finding your one and only isn't about having the right shoes or a flat stomach. It's about being true to yourself, being vulnerable, and being ready for love. Whether you're new to the dating scene, divorced and looking, or just trying to reach that second date, *Get Over Yourself!* will help you get the love you've always wanted and deserve.

The Guyde - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically

effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.
