knows how to make her melt. He knows the perfect compliments, the best suggestions, and just the right promises to make sure that every new fling ends up in his bed by morning. Morning brings a new set of promises, but as soon as she's out the door they all shatter. Adam is a master of ghosting. He's not interested in another night, and he's made a habit of ignoring the desperate messages on ChatSir as they beg for another date. By the evening, he's back on the Flirtello dating app, looking for another girl to repeat the process. When girls start ghosting him for a change, it feels like a best-case scenario-- at least until the messages start drying up before the date itself. As more and more and more girls grow tired of his messages, Adam is forced to wonder: is it really disinterest driving them away, or is there something sinister going on just behind the screen?

Sexless in the City Kat Harris 2021-04-20 Discover a renewed biblical vision for sex, singleness, and relationships, and transform into an empowered woman of faith equipped to navigate today's dating culture with vision, clarity, and freedom. Let's face it: being single in today's culture as a woman of faith can be a STRUGGLE FEST. But it doesn't have to be. With real talk and straight wisdom, speaker, podcaster, and founder of The Refined Woman Kat Harris says it's time for a new conversation about singleness, sex, and desire. Growing up at the height of the purity movement, Kat knew this much: good Christians don't have sex until marriage. But approaching 30 and thrust into the New York City dating scene, she found a set of rules was not a compelling enough reason to keep her clothes on. Caught between purity culture's rules and popular culture's do what feels good, Kat began a multi-year journey searching for answers to the biggest questions about sexuality and faith: What does the Bible really say about sex? Why does almost everyone deal with some sort of sexual shame? But really--what's a single girl to do with her sexual desire? What if we never get married . . . then what? It turns out Kat was asking questions that countless women were dying to

ask but didn't know they had the permission to do so. Hungry for clarity, she researched, wrestled, and discovered a God who wasn't afraid or ashamed of sex and desire as she thought He might be. In actuality, God created sex and desire within humanity and called it very good. Now she believes God desires to restore a generation disillusioned with purity culture and Christian dating, discouraged about their singleness, ashamed of their sexual desire, and uncertain how to practically walk this season out well. Join Kat on her messy, sometimes painful, and always honest journey to discovering God's heart for sexuality, desire, singleness, and our purpose within it all.

Ghosted Jana Eisenstein 2022-01-25 Fueled by cheap vodka and low standards in her twenties, Jana naively assumes that "happily ever after" is just a dark, sweaty nightclub away. In this memoir, Jana meets men. A lot of men - at bars, online, on New York rooftops. But with every face-licker, toe-sucker, and internet creep who just wants to bathe with her, it becomes clearer that hers is a ghost story, not the fairy tale she expected. Still single in her thirties, with the specter of loneliness looming, she realizes she'll need to adjust her approach to dating and her relationship with herself, or risk being haunted by the mistakes of her dating past, and a future of shirtless bathroom selfies. Though *Ghosted* by Jana Eisenstein depicts the struggle to find lasting love in a world where romantic connections are ephemeral and difficult to conjure, at its heart, it's a story about learning to accept that when it comes to dating, there are scarier fates than ending up alone.

The Unplugged Alpha Richard Cooper 2020-11-24 Most men today are sent off into society with a broken belief system, which they use to make choices, that get them terrible results with life and women. Men have been conditioned to be the quintessential "nice guy." They're trained to be overly humble, kind to a fault, and that just "being themselves" is enough to attract and keep the woman of their dreams. Men are told to believe that conventional masculinity is toxic, and to put women ahead of their own interests, passions, and purpose. This has led to an entire generation of men forming very unhealthy attachments to women that they, unfortunately, often make their sole focus of their lives. The playbook to women and life has changed, but most men missed the memo. Do you want to succeed, and level up in every area of your life? And when she downloads a dating app, she does the seemingly impossible: She meets a great guy on her first date. Max is handsome and built like a lumberjack; he has floppy blond hair and a stable job. But more surprising than anything else, Nina and Max have chemistry. Their conversations are witty and ironic, they both hate sports, they dance together like fools, they happily dig deep into the nuances of crappy music, and they create an entire universe of private jokes and chemical bliss. But when Max ghosts her, Nina is forced to deal with everything she's been trying so hard to ignore: her father's dementia is getting worse, and so is her mother's denial of it; her editor hates her new book idea; and her best friend from childhood is icing her out. Funny, tender, and eminently, movingly relatable, *Ghosts* is a whip-smart tale of relationships and modern life.
