In Praise of Older Women - Stephen Vizinczey 1990-10-15

"A cool, comic survey of the sexual education of a young Hungarian, from his first encounter, as a twelve-year-old refugee with the American forces, to his unsatisfactory liaison with a reporter's wife in Canada at

the belated end of his youth, when he was twenty-three . . . elegantly erotic, with masses of that indefinable quality, style . . . this has the real stuff of immortality."—B. A. Young, *Punch* "A pleasure. Vizinczey writes of women beautifully, with sympathy, tact and delight, and he writes

about sex with more lucidity and grace than most writers ever acquire."—Larry McMurtry, Houston Post "Like James Joyce, who was as far from being a writer of erotica as Dostoevsky, Vizinczey has a refreshing message to deliver: Life is not about sex, sex is about life."—John Podhoretz, Washington Times "The gracefully written story of a young man growing up among older women . . . although some passages may well arouse the reader, this novel brims with what the courts have termed "redeeming literary merit."—Clarence Petersen, Chicago Tribune "A funny novel about sex, or rather (which is rarer) a novel which is funny as well as touching about sex . . . elegant, exact and melodious—has style, presence and individuality."—Isabel Quigly, Sunday Telegraph "The delicious adventures of a young Casanova who appreciates maturity while acquiring it himself. In turn naive, sophisticated, arrogant, disarming, the narrator woos his women and his tale wins the reader."—Polly Devlin, Vogue

Divorced Girl Smiling - Jackie Pilossoph 2013-11-23

Smile! It's not just the end of your marriage, it's the beginning of your second chance! Missy Benson has a two and a half carat diamond engagement ring with color grade H, VS2 clarity and a value of \$36,000. It's absolutely gorgeous, practically flawless, and let's be honest, really big! But what the successful Chicago realtor doesn't have anymore is a husband. After 12 years of marriage, her husband, Paul, a handsome, wealthy attorney has devastated her by breaking up their marriage for Priscilla Sommerfeld, a young, personal trainer, who according to Missy's sassy assistant, J.J., looks more like a Las Vegas stripper than a fitness expert. Not sure what to do with her ring, and with no financial issues to worry about, Missy decides to put it up for sale on Craigslist. The price: 99 cents! The catch: She gets to pick the buyer. In essence, she's looking for the perfect guy, but not for herself. Her hope is to regain faith that good men do exist, and that marriages can last forever. Now referring to herself as "the divorced girl," Missy interviews dozens of young men who are vying for the huge ring. It's a contest that includes outrageous characters, hilarious and sentimental stories, and two finalists, both of whom Missy adores and who she must choose between.

Then there's Parker Missoni, the sexiest contestant by far, who drives her crazy with his brutal honesty, and at the same time stops her heart with his deep brown eyes. *Divorced Girl Smiling* is the story of a woman's journey to do whatever it takes to heal herself from divorce. It's about acceptance, reflection, taking accountability for mistakes, and appreciating all of life's wonderful gifts. In other words, if you have the guts to put the past behind, admit your mistakes, embrace your future, and give love another chance, you will surely be a divorced girl smiling.

Morgan Nightingale - Robert Dean Vaughn 2010-05

Morgan is not human; she knows exactly what she is. Her bones are titanium, her brain is synthetic, and her muscles are smart metal alloys. Her Biologic component is a human shell she wears like a costume. She first opened her eyes full grown, with a great deal of programmed knowledge and capable of conversation, in the year 2189. Earth is corporate owned and Morgan's primary programming makes her a very expensive sexual surrogate. She is a rich man's companion; she is beautiful, female, and submissive. But she has questions and she is quite capable of learning and making choices just like any sentient being. So why would she choose to serve? Morgan Nightingale 5 intends to learn herself free and human if it takes a hundred years. She has all the time she needs so she takes three energy bars, a bottle of water, an apple, and she puts it all in a plastic bag. Then she disappears into the world of men. Her adventure has just begun.

W. H. Davies - Rory Waterman 2021-01-15

Though Davies is a well-known and unique literary figure of the early twentieth century, most famous now for *The Autobiography of a Super-Tramp* and poems such as 'Leisure', which came 14th in the BBC's search to find 'The Nation's Favourite Poems', no other volume of essays, or other critical monograph, concentrates on his work. This book not only provides a reassessment of Davies, putting him in his literary and cultural context, but also sheds light on the many more central literary figures he encountered and befriended. The central aim of the book is to reconsider his major works and his place in the literary and cultural milieu of his period.

Older Woman, Younger Man - Randy Wallace 2019-12-13

In my book, How to Love an Older Woman 50s, 60s and 70s, I talked about what a woman needs when she reaches these ages. Some of my female readers asked me about older women dating younger men. Some were thinking about dating but were skeptical and felt embarrassed about dating them. This book would help you see all the advantages of dating a younger man and all the things he has to offer; by reading this book will help to make up your mind. I am dating an older woman and the experiences that she had shown and taught me, I never would have learned from dating a younger woman.

A Certain Ms. Ball - Walter J. Kastner 2015

A Certain Ms. Ball is a historical romance adventure for all those eggheads, children, and grownups who want to know how high-tech and the space age were started, who the nerds really were who advanced the arts and the sciences we take for granted today. The interfaces for DVDs, the Internet, lasers, and fiber optics to collect light from a laser source and focus it to a point for readout or for coupling to another fiber optic for communications are tiny glass spheres, some as small as 1/100 of an inch in diameter. Our two-millimeter heroine, Crystal, is born in A.D. 523 on the Arabian shore during a lightning storm. A shepherd boy finds her and keeps her until he dies as sultan. Shahrazad is his destiny, but he will have to wait. Crystal has many adventures with well-known historical figures. Our hero is reborn in 1636 and starts his search for Crystal, from her legend. As Captain Nemo he finds Crystal and his destiny. Their son remains to seek his destiny.

AmIcoded? - Sara M. Jackson 2016-05-07

Lesbian Romance, Loving a man or a woman? Between achieving a firmer grasp on how to use HTML and CSS in conjunction, Latka went about the usual duties of her week. She went shopping, talked briefly with any friends she'd encounter around the local market (noticing more distinctly how most of what they had to say related to how well their husband was doing or how charming something he'd recently done had been), made a concerted effort to ensure that all of Yusef's shirts were scrubbed and made spotlessly clean, yet unless she served dinner to him slightly later than expected, or neglected to achieve some enforced duty to his complete satisfaction, they rarely shared more than a few words. But, as if by magic, Latka no longer felt any urge to resurrect the early phases of their courtship and try, in a way that she knew was futile, to understand how everything between them had become so despondent, and how, to Yusef, Latka increasingly seemed like more of a convenient utility, a mere robot to maintain order in the world surrounding him. In order to please her concerned mother, Latka agrees to marry Yusef. But, having given up the beginnings of a career and an independent life, Latka begins to feel increasingly trapped by her new husband, who isn't the sweet man he first appeared to be. To occupy her mind and do something that makes her feel accomplished and worthwhile, Latka has begun to learn about computer coding. On another lonely night, convinced that none of her friends will understand, she searches the internet to find a group called Ladies Can Code. At this group meeting, Latka comes into contact with an older woman. A mentor and an inspiration from the start, she will end up changing Latka's life forever. But will she ultimately have changed it for the better?

Seeking the Wisdom of the 50-Year-Old Woman - Sarah-Anne Lucas
2020-11-24

Do we get wiser as we get older, or do pain and love still feel the same? Witnessing my twenty-year-old daughter go through the agony of heartbreak and rejection made me reflect on whether the pain was the same for me now as it had been in my twenties. Her words of wisdom

poured from her eyes. She did not need decades of suffering to become wise, it was already within her. And so, the quest began. I asked women of all ages these two fundamental questions: Does what mattered then, matter now? And... How do I find love again? I set about asking brave, honest women at different stages of their life for their wisdom. This developed into a series of twenty-one poignant questions, which form this five-book series. In this book, I focus on the wisdom of women in my decade, their 50s. Women who openly share their pain, their innermost thoughts and their insights. I dare you to answer the same 21 questions I asked these women. My name is Sarah-Anne Lucas; all my friends and family call me 'Bird', and I would love you to do the same. I am an author, radio presenter and businesswoman - alongside my daughter - as well as a wannabe billionaire and an ardent feminist... (who's writing this from the kitchen!)

Love Lucian - David Dawson 2022-09-29

The young Lucian Freud was described by his friend Stephen Spender as totally alive, like something not entirely human, a leprechaun, a changeling child, or, if there is a male opposite, a witch. All that magnetism and brilliance is displayed in the letters assembled here, many published for the first time. From schoolboy messages to his parents, though letters to friends, lovers, and confidants, to correspondence with patrons and associates as he became established as a professional painter, they are peppered with wit, affection and irreverence. Collectively, they provide a powerful insight into his early life and art. Co-authored by David Dawson, Freuds longstanding personal assistant and now Director of the Lucian Freud Archive, and Martin Gayford, author, critic, and friend of the artist, this is the first published collection of Freuds correspondence. Reproduced in facsimile alongside reproductions of Freuds artwork, the letters are linked by a narrative that weaves them into the story of his life and relationships through his formative first three decades.
