Is It Love Or Is It Addiction? - Brenda Schaeffer 1995-04

Offers advice & a practical guide to making relationships work

**Women, Sex, and Addiction** - Charlotte S. Kasl 1990-07-05

In our society, sex can easily become the price many women pay for love and the illusion of security. A woman who seeks a sense of personal power and an escape from pain may use sex and romance as a way to feel in control, just as an alcoholic uses alcohol; but sex never satisfies her longing for love and self-worth. In this wise and compassionate book, Charlotte Kasl shows women how they can learn to experience their sexuality as a source for love and positive power and sex as an expression that honors the soul as well as the body.

**Healing the Wounds of Sexual Addiction** - Mark Laaser 2009-05-26

Hope--real hope--for recovery is within reach. This book goes beyond cliché answers and offers meaningful, spiritual, and practical steps to healing and freedom from sexual addiction--or any addiction. With today's rampant availability of Internet pornography, sexual addiction has become a national epidemic that affects an increasing number of Christians, even pastors and priests. As devastating as any drug habit, it brings heartbreak and despair to those it entangles. But there is help for men and women caught in sexual addiction's downward spiral. This book offers a path that leads beyond compulsive thoughts and behaviors to healing and transformation. Speaking from his own experience with sexual addiction and recovery, Dr. Mark Laaser is sensitive to the shame of sexual addiction without minimizing its sinfulness. He traces the roots of the problem, discusses its patterns and impact, and maps out a biblical approach to self-control and sexual integrity. Whether you know someone with a sexual addiction or struggle yourself, *Healing the Wounds of Sexual Addiction* points the way to understanding, wholeness, and holiness. Spanish edition also available; previously titled *Faithful and True*.

Many Roads, One Journey - Charlotte Davis Kasl 1992

Studies the impact of recovery programs on individual lives and explains how to adapt the principles of the Twelve-Step process to personal needs.

**Women, Sex, and Addiction** - Charlotte Kasl 2014-07-15

For most women, sexually addictive and sexually codependent behavior are intertwined. Sexually codependent behavior reflects basic female conditioning in our society—we are taught that a woman's power is in her sexuality, yet her sexuality is often controlled by men. Thus, sex can easily become a basic form of barter: it is the price many women pay for love and the illusion of security. The addicted woman, seeking a sense of personal power and an escape from pain, may use sex and romance as a high or as a way to feel in control, just as an alcoholic uses alcohol. Either way, however, sex never satisfies her longing for love and self-worth. Combining remarkably candid case histories with provocative cultural analyses, Dr. Charlotte Kasl dramatically evokes both the experience of addiction and the process of recovery. She illuminates the insidious relationship between adult addiction and early abuse or neglect and explores the connections between all forms of addiction. Her guide to recovery is backed by a life-affirming discussion of healthy love and spiritual awareness. With this wise, compassionate book, women will learn to experience their sexuality as a source of love and positive power, and sex as an expression that honors the soul as well as the body.

**Addiction to Love** - Susan Peabody 2011-04-13

Love addiction manifests in many forms, from Fatal Attraction-type obsessive lust to less extreme but nonetheless psychologically and emotionally harmful forms. The most common of these is staying in a bad relationship because of a fear of being alone—the "I hate you but don't leave me" relationship. In *ADDICTION TO LOVE*, recovering love addict Susan Peabody explains the variety of ways this disorder plays out, from the obsessively doting love addict to the addict who can't disentangle from an unfulfilling, dead-end relationship. Peabody provides an in-depth and easy-to-follow recovery program for those suffering from this unhealthy and often dangerous addiction and explains how to create a loving, safe, and fulfilling relationship. • A seminal work on unhealthy and obsessive behaviors in love, and how to change behavior to have a positive relationship. This third edition includes a new introduction and revisions to the text throughout. • Some symptoms of love addiction include love at first sight, excessive fantasizing, abnormal jealousy, nagging, and accepting dishonesty. • Even relationships with parents, children, siblings, or friends may be addictive—dependency is not always related to romantic love. • Previous editions have sold more than 40,000 copies. "Love addiction is a three-headed serpent that Susan Peabody adeptly slays. This is the quintessential book for any love addict or counselor needing to fully understand this highly prevalent and complex disorder. Susan detects and dissects aspects of this condition not comprehended in other books of its kind. Recovery is possible. This book makes it possible to take the succinct steps necessary toward a loving and reciprocal long-term intimate relationship." —Sudi Scull, M.F.T., C.N., psychotherapist and nutritionist
