Developing Your Spiritual Understanding - Pastor Ralph
2014-02-26

Developing Your Spiritual Understanding (DYSU) is a confirmation lesson focusing on: increasing spiritual awareness; teaching youth how to make sound Christian decisions; and encouraging active participation in the church, school, community and the world. While spiritual development is personal, it is fostered through educating individuals about prayer, worship and service. It is

imperative for youth in the 21st century to become empowered with a renewed sense of confidence and self-esteem. This can only be accomplished when given the right tools to make spiritual life choices. We welcome each youth to take this confirmation journey in developing their spiritual understanding..

A Defense of Youth Ministry

- Ron Belsterling 2019

Youth ministry succeeds because it directly reflects Jesus Christ's approach. It's not overvalued today; it's undervalued. The hard work required for its success has been misunderstood and misrepresented. The first part of the book establishes that case and analyzes the pros and cons of current, varying philosophies and approaches, merging their best aspects into the holistic approach demonstrated by Christ. Part 2 introduces Attachment Relationship Ministry (ARM), a lens distinguishing four primary adolescent relational styles depending on how secure or insecure teens are

with God and parents. Part 3 encourages strategic relational ministry sensitive to those styles, explaining why youth leader efforts succeed or fail. Chapters offer realistic discipleship and evangelism suggestions depending on attachment styles and practically empowering youth workers (volunteers, newbies, experts, and interns) to focus energy and time more wisely. These recommendations relate to spiritual formation, leadership selection, parental approach, and trending issues, such as ministry to LGBTQIA teens. For too many teens today, feeling insecure in crisis is a way of life. Learn how to take what you've done well and make it better. All church leaders should read this book, logging the critical importance of providing ministry specifically targeting teenagers today.

Splish Splash Bible Bash - Cook
Communications Ministries

2004-08

Splish-Splash Bible Bash is a children's ministry program for mixed ages that sends kids off to surf watery Bible stories and learn some important truths. Each lesson opens with a gathering time for prayer and music, followed by a lively, humorous puppet presentation. Then kids splash into the Bible with interactive stories that put them right on the scene. A choice of application activities makes sure that kids see how Bible truths relate to their lives. Preschoolers can join in the fun with elementary age kids, or they can enjoy activities specially planned for the little ones.

Unleashing God's Word in Youth Ministry - Barry Shafer
2009-05-26

Whether Bible studies are a regular part of your ministry, or you're thinking about how to bring Bible study into your ministry in a more significant way, chances are that you want to help your students enter into God's word in a way that challenges them and changes their lives. That's a goal worth

working towards...but sometimes you will feel like it's a goal that you may never reach. Unleashing God's Word in Youth Ministry is designed to help you develop a Bible study approach that engages students on a deeper level—even if you're an avid curriculum user or someone who creates all your own discipleship materials from scratch. As you devour the wisdom Barry Shafer brings from decades of student ministry and engage in your own study of God's Word, you'll discover that Bible study for your students can be taken to a whole new level. In the pages of this book you'll:

- Get beyond the typical Bible discussions and learn to confidently engage students in an in-depth search of God's Word
- Teach teens how to study the Bible on their own
- Be invigorated in your own personal interaction with the Bible
- Gain confidence and competence in leading teens deeper in Bible studies, and much more!

If you want to take your students deeper into the Bible, discover what it takes to

unleash God's Word in your own ministry and watch your students and youth ministry be transformed.

Being an Intergenerational Church - Suzi Farrant
2023-08-31

There is a growing realisation across mainstream churches that age-segregated models of connecting with children,

young people and families are not working. Drawing on their extensive experience, Suzi Farrant and Darren Philip set out a vision for bringing the generations back together to become the intergenerational church we are designed to be. In conversation with the writings of Dietrich Bonhoeffer, they develop a theological rationale for intentional intergenerational relationships of mutuality lived out within the core activities of the church. Through an exploration of the Christian practices of humility, hospitality, participation, discipleship, joy, worship, discernment and testimony, they call the church to re-discover its DNA as an all-age community of transformation.

Is Your Teen Stressed or Depressed? - Archibald D. Hart
2008-04-15

The teen years are hard enough. But with today's increased pressures to produce at school, stay in step with being cool, and manage a jam-packed schedule, it's no wonder many teens are overwhelmed. The result is a generation experiencing greater stress and feeling more depressed than any other. This book will inspire and equip parents to help their hurting teens. The well-known and widely respected author team

of Dr. Catherine Hart Weber and Dr. Arch Hart help parents discover and identify nervousness, irritability, negativity, and low self-esteem, and determine whether their teen's symptoms are caused by physical problems, raging hormones, stress, or depression. Offering practical suggestions, spiritual solutions, and encouragement, this resource helps parents and teens face their own feelings of fear, anger, and hurt. *Is Your Teen Stressed or Depressed?* will help parents determine whether their child is simply acting like a hormone-raging teenager, or is actually suffering from too much stress or even depression.
