I Love the Red Sox/I Hate the Yankees - Jon Chattman
2012-03

Presented in a unique reversible-book format, I Love the Red Sox/I Hate the Yankees is the ultimate Red Sox fan guide to baseball's most celebrated and storied rivalry. Full of interesting trivia, hilarious history, and inside scoops, the book relates the fantastic stories of legendary Red Sox managers and star players, including Ted Williams, Jim Rice, and David Ortiz, as well as the numerous villains who have donned the pinstripes over the years. Like two books in one, this completely biased account of the rivalry proclaims the irrefutable reasons to cheer the Red Sox and boo the Yankees and shows that there really is

no fine line between love and hate."

Floodlights and Touchlines: A History of Spectator Sport

- Rob Steen 2014-07-31

Enthralling history of how sport has seeped into and enriched languages and lives from Afghanistan to Alaska and Zambia to Zermatt.

Swinging '73 - Matthew Silverman 2013-03-21

Interest and attendance were dropping, and football was ascending. Stuck in a rut, baseball was dying. Then Steinbrenner bought the Yankees, a second-division club with wife-swapping pitchers, leaving the House That Ruth Built not with a slam but a simper. He vowed not to interfere—before soon changing his mind. Across town, Tom Seaver led the Mets'

Damn Yankees Twenty Four Major League Writers On The

Worlds Most Loved And Hated Team

stellar pitching line-up, and iconic outfielder Willie Mays was preparing to say goodbye. For months, the Mets, under Yogi Berra, couldn't get it right. Meanwhile, the A's were breaking a ban on facial hair while maverick owner Charlie Finley was fighting to keep them underpaid. But beneath the muttonchops and mayhem, lay another world. Elvis commanded a larger audience than the Apollo landings. A Dodge Dart cost \$2,800, gas was a quarter per gallon. A fiscal crisis loomed; Vietnam had ended, the vice president resigned, and Watergate had taken over. It was one of the most exciting years in the game's history, the first with the designated hitter and the last before arbitration and free agency. The two World Series opponents went head-to-head above the baby steps of a dynasty that soon dwarfed both league champions. It was a turbulent time for the country and the game, neither of which would ever be the same again.

~~List of charter members of the society: v. 1, p. 98-99.~~

Damn Delicious - Rhee, Chungah 2016-09-06

The debut cookbook by the creator of the wildly popular blog *Damn Delicious* proves that quick and easy doesn't have to mean boring. Blogger Chungah Rhee has attracted millions of devoted fans with recipes that are undeniable 'keepers'-each one so simple, so easy, and so flavor-packed, that you reach for them busy night after busy night. In *Damn Delicious*, she shares exclusive new recipes as well as her most beloved dishes, all designed to bring fun and excitement into everyday cooking. From five-ingredient Mini Deep Dish Pizzas to no-fuss Sheet Pan Steak & Veggies and 20-minute Spaghetti Carbonara, the recipes will help even the most inexperienced cooks spend less time in the kitchen and more time around the table. Packed with quickie breakfasts, 30-minute skillet sprints, and speedy takeout copycats, this cookbook is guaranteed to inspire readers to whip up fast,

Damn Yankees Twenty Four Major League Writers On The

Worlds Most Loved And Hated Team

healthy, homemade meals that are truly 'damn delicious!'

They Called Me God - Doug

Harvey 2014-03-25

The incredible memoir from the man voted one of the "Best Umpires of All Time" by the Society of American Baseball Research—filled with more than three decades of fascinating baseball stories.

Doug Harvey was a California farm boy, a high school athlete who nevertheless knew that what he really wanted was to become an unsung hero—a major league umpire. Working his way through the minor leagues, earning three hundred dollars a month, he survived just about everything, even riots in stadiums in Puerto Rico. And while players and other umps hit the bars at night, Harvey memorized the rule book. In 1962, he broke into the big leagues and was soon listening to rookie Pete Rose worrying that he would be cut by the Reds and laying down the law with managers such as Tommy Lasorda and Joe Torre. This colorful memoir takes you behind the plate for

memorable moments, including Roberto Clemente's three thousandth and final hit; the heroic three-and-two pinch-hit home run by Kirk Gibson in the '88 World Series; and the nail-biting excitement of the '68 World Series. But beyond the drama, Harvey turned umpiring into an art. He was a man so respected, whose calls were so feared and infallible, that the players called him "God." And through it all, he lived by three rules: never take anything from a player, never back down from a call, and never carry a grudge. A book for anyone who loves baseball, *They Called Me God* is a funny and fascinating tale of on- and off-the-field action, peopled by unforgettable characters from Bob Gibson to Nolan Ryan, and a treatise on good umpiring techniques. In a memoir that transcends the sport, Doug Harvey tells a gripping story of responsibility, fairness, and honesty.

The Empire Strikes Out -

Robert Elias 2010-01-19

Is the face of American

Damn Yankees Twenty Four Major League Writers On The

Worlds Most Loved And Hated Team

baseball throughout the world that of goodwill ambassador or ugly American? Has baseball crafted its own image or instead been at the mercy of broader forces shaping our society and the globe? The Empire Strikes Out gives us the sweeping story of how baseball and America are intertwined in the export of "the American way." From the Civil War to George W. Bush and the Iraq War, we see baseball's role in developing the American empire, first at home and then beyond our shores. And from Albert Spalding and baseball's first World Tour to Bud Selig and the World Baseball Classic, we witness the globalization of America's national pastime and baseball's role in spreading the American dream. Besides describing baseball's frequent and often surprising connections to America's presence around the world, Elias assesses the effects of this relationship both on our foreign policies and on the sport itself and asks whether baseball can play a positive role or rather only reinforce

America's dominance around the globe. Like Franklin Foer in How Soccer Explains the World, Elias is driven by compelling stories, unusual events, and unique individuals. His seamless integration of original research and compelling analysis makes this a baseball book that's about more than just sports.

Between the Lines - Jodi Picoult 2013-06-25

Sixteen-year-old Prince Oliver, who wants to break free of his fairy tale existence, and fifteen-year-old Delilah, a loner obsessed with Prince Oliver and the book in which he exists, work together to seek Oliver's freedom.

Football for a Buck - Jeff Pearlman 2018

From a multiple New York Times best-selling author, the rollicking, outrageous story of the United States Football League, a bona fide professional sports phenomenon full of larger-than-life characters and you-can't-make-this-up stories featuring some of the biggest celebrities and buffoons in the

Damn Yankees Twenty Four Major League Writers On The Worlds Most Loved And Hated Team

game.

The New York Yankees in Popular Culture - David Krell

2019-05-20

How did Reggie Jackson go from superstar to icon? Why did Joe DiMaggio's nickname change from "Deadpan Joe" to "Joltin' Joe"? How did Seinfeld affect public perception of George Steinbrenner? The New York Yankees' dominance on the baseball diamond has been lauded, analyzed and chronicled. Yet the team's broader impact on popular culture has been largely overlooked--until now. From Ruth's called shot to the Reggie! candy bar, this collection of new essays offers untold histories, new interpretations and fresh analyses of baseball's most successful franchise.

Contributors explore the Yankee mystique in film, television, theater, music and advertising.

[The Good Book](#) - Andrew Blauner 2017-03-28

"A collection of previously unpublished pieces by 32 of today's most prominent writers

shares their thoughts about

biblical passages they find personally meaningful, in a volume that includes contributions by such figures as Edwidge Danticat, Tobias Wolff and Ian Frazier, "--
NoveList.

Sports Bucket List - Rob Fleder 2017-05-09

For every dedicated sports fan, a unique lifetime list of the 101 most important games, matches, venues, and events around the world, illustrated with color photographs and collated by a pair of Sports Illustrated veterans. For more than twenty years, Rob Fleder and Steve Hoffman captured the thrill of numerous sporting competitions while working for Sports Illustrated. Covering everything from match-ups, historical stadiums, and the Olympics to dog shows and poker, The Sports Bucket List is their carefully cultivated checklist for every serious sports fan. Fleder and Hoffman give you a taste of some of the greatest must-catch moments in sports, including: Barcelona facing off against Real Madrid,

Damn Yankees Twenty Four Major League Writers On The

Worlds Most Loved And Hated Team
~~the Tour de France in the~~ ~~professes to be a fan of the~~

mountain stages, the big waves at The Eddie in Oahu, the Caribbean World Series, and halftime at Florida A&M. They take you around the world and through time, providing a rare look at the history behind the Highland games at Dunoon, Scotland, the greatest legends of Olympic Ski Jumping, and the energy of football at West Point's Michie Stadium. Each entry is illustrated with a stunning photo that captures its excitement, beauty, glory, and intensity With essential facts, compelling stories, and recommendations on the best times to visit for each game, match, venue, or event, The Sports Bucket List is both a source of unconventional travel destinations and an insider guide to the most fascinating sports experiences.

Damn Yankees - Rob Fleder

2012-04-03

Winners of twenty-seven World Series titles, the New York Yankees are the quintessential sports dynasty. Love them or hate them, they cannot be ignored by anyone who

great game of baseball. With Damn Yankees, Rob Fleder, former Executive Editor for Sports Illustrated magazine, offers a timeless collection of original essays by some of the most prominent contemporary writers in America—from Pete Dexter to Jane Leavy, from Roy Blount Jr. to Colum McCann—each piece focusing on one uniquely colorful subject: the fanatically adored/resoundingly despised “Bronx Bombers.” Funny, moving, provocative, insightful appreciations and detractions—from Babe Ruth to Mickey Mantle to Derek Jeter—Damn Yankees offers twenty-four fascinating takes on the most storied franchise of baseball's Major Leagues.

afterword by the author.
**501 Baseball Books Fans
Must Read Before They Die -**

Ron Kaplan 2018-08-01
Propounding his "small ball theory" of sports literature, George Plimpton proposed that "the smaller the ball, the more formidable the literature." Of course he had the relatively small baseball in mind, because its literature is formidable--vast and varied, instructive, often wildly entertaining, and occasionally brilliant. From this bewildering array of baseball books, Ron Kaplan has chosen 501 of the best, making it easier for fans to find just the books to suit them (or to know what they're missing). From

biography, history, fiction, and instruction to books about ballparks, business, and rules, anyone who loves to read about baseball will find in this book a companionable guide, far more fun than a reference work has any right to be.
