A Biblical View on Relationships - Angelo Shamoon 2022-06-07
We live in a world today amongst brothers and sisters who are hurting. The result of depression in singleness, broken relationships, unhappy marriages, and lacking intimacy with children. Why does it have to be this way? The keyword here is relationships; lack of Christ-centered relationships to be exact! As a people, we have failed to live by the practical steps provided in Scripture and have opted for something else. We have opted to do things our way and not God's way. It's no news now that we have failed with our flawed system, therefore, the sensible thing to do now embraces what the Bible offers. How

to build true, supportive, personal, faith-building, and selfless relationships between men and women. This is what I desire to do for you through this book using God's Word as our ultimate authority -- the Bible. The Bible is ultimately about relationships because that is who God is and so it is what we are made for. Relationships are the living breath of life by the Holy Spirit. We are not just to show love but have relationships of love in our marriages, in our single lives, and in every other relationship we have. God is calling us to possess a special kind of Gospel empowered relationship with those around us that we cannot accomplish apart from His Holy Spirit. These kinds of relationships can be learned from and through the relationships we witness throughout Scripture and the advice we are taught around the good and the bad. This book provides a gentle walk-through the richness of Scripture in light of singleness, courtship and marriage. I pray that this book will help you unlock godly principals in your life so you can begin building on them to enjoy Gospel empowered relationships in all forms of relationship God provides for you. May God give us the desire and the ability to minister the types of relationships that adorn the Gospel and bring Glory to Him. Take a look at what others have said about this book: Cynthia Says: "As a Christian, I found this book heartwarming and informative. I know from experience that all relationships need God. This book provides scripture and great advice. Very well done. I think it would make a great addition to church libraries." David PhD says: "A healing and heartwarming guide" Daniel says: "This is an excellent survey and introduction to the biblical theme of relationships. It covers singleness, courtship and marriage in depth yet always connects back to the core message of the Gospel and the dignity of each person as an image-bearer of God. Early on, special attention is paid to formative relationships between

romantic partners in the Old Testament which lays a strong foundation for the Christological vision laid out in later chapters. Each chapter is also expertly organized with a helpful discussion questions, a conclusion, and even a section for notes. Although a great range of content is discuss, the writing is crisp and lucid, always engaging the audience and challenging them to dig into further. Readers of all backgrounds will find this a very helpful introduction to Biblical teachings on relationships." Jack says: "Very insightful!" Kate says "Great timeless advice on this topic" Matthew Says: "A must read. This book really opened my eyes & mind to biblical marriage."

Simple Secrets to True Intimacy - Bernd Armbruster 2014-06-23

Most young people desire to get married. They have dreams of their future spouse and family, how they will serve God together. At the same time divorce rates are now around 50 percent in many parts of the world. Some statistics say that of those who are still married only around one third would actually call their marriage a "happy marriage". So ... what's wrong? In our book we will look at what we believe the solution is: Going back to Biblical Principles concerning marriage. A few decades ago the sexual revolution began a movement away from Biblical standards. The statistical consequences since this "Advanced Thinking about Relationships, Sex and Marriage" are devastating. Many societies have taken a major turn in the wrong direction. It is our hope and prayer that we can help some of us to come back to the Biblical principles of marriage. That's why we wrote this book. The world would be a totally different place if only one thing changed: Christians would do Marriage and Family God's way again. Things aren't difficult to understand. God's principles are very, very simple. And they are not really secrets either. Most people are unaware of the Truth. But the Bible's wisdom has been available for thousands of years and is available to anyone. And it's available to you, today. This book is written for anyone who wants to know more about marriage. Yes, it is written from a Christian perspective. But God's Simple Secrets about Marriage apply to anyone, no matter whether we believe in Jesus as the author behind these principles or not. So we want to

encourage Christians and non-Christians alike, singles and married couples of all ages to read through these pages. We hope and pray this book will impact your life and your (future) marriage.

Waiting While Dating - Lindsey Holder
2017-09-01

Dating in modern times can be confusing and seem more complicated than ever. How do you date and get close to someone while keeping God first? When meeting someone new, there are many questions and scenarios to be thought about. Should he pursue first? How often should you spend time together? When should you start attending church as a couple? Should you serve in the same area? When into the relationship should you hold hands or kiss? What do social media boundaries look like? While these specific questions are not directly answered in the Bible, it is comforting to know six couples who kept God first in the relationship and yet each had different answers to these questions and more. *Waiting While Dating* interviews six Christian couples who had different backgrounds and situations, some had been previously married and some had not. The couples span from meeting in their twenties, to thirties and forties. Each couple opens up and gives personal insight on what attracted them to their current spouse, how they held each other accountable, what leadership from the man looked like in the relationship, what patience looked like from the female perspective and many more intimate details. Whether you're heading out on that next first date, are pondering about your current relationship, or whether you're in the engagement phase, let *Waiting While Dating* open up some questions to help you keep God first while on your journey to finding your forever.

Victory in Marriage - Sarah Noel Maxwell
2017-10-04

Victory in Marriage will tell you things most married couples wish they knew before marriage began. The wedding, prayer, money, sex, long-distance relationships, dating, and many other topics will be dissected, and hopefully you'll learn something that will equip you to be the kind of spouse you want to be married to! Whether you're single, engaged, or married, you can gain something if you invite God into your reading. You'll be encouraged, laugh a little, and struggle with breaking down difficult notions we've grown up hearing most probably false like how marriage is something you do simply because I love them! and how you should end your marriage if you aren't happy. Wife since 2014, singer since she can remember, Sarah Maxwell defines her worth in seeking Christ-likeness in all aspects of her life, even when she falls short. Sarah has written many blogs on various topics and hopes to publish a book for women as well as children's picture books in the near future, but Victory in Marriage is her first published book. She doesn't consider herself qualified to write about marriage because of age or years married, but simply because of her teachable spirit upon entering marriage. I haven't been married long, Sarah says, but I entered marriage with God already the Lord of my life, and my husband did also, and from there, being married committedly is what makes me qualified. She admits she has expectations she'll gain wisdom from her readers as she inevitably gets feedback about Victory in Marriage even if it changes her mind a little on some things. I hope Victory in Marriage creates teachable moments for you as it did for me when I wrote it, Sarah shares. As you read, consult scriptures and prayerfully take your time reading, and contact me to discuss any discrepancies, concerns, or inspiring moments further with me. Victory in Marriage is filled with beautifully written, authentic advice of how to do marriage well. Sarah covers a multitude of topics and consistently points to Jesus through

Sex, Dating, and Relationships - Gerald Hiestand
 2012-02-29

Considering the pervasive immorality and high divorce rate of our contemporary Christian culture, we evidently need a biblically based, theologically compelling, practical understanding of sex, dating, and relationships. Pastors Gerald Hiestand and Jay Thomas counteract this problem with their paradigm-shifting view of purity and relationships—a view that challenges even the basic assumptions of evangelical subculture. Unlike most books on dating, this one cuts straight to the heart of dating relationships, asserting with confidence that the line must be drawn at “no sexual activity” whatever. Few have dared to define and apply the Bible’s understanding of purity in premarital relationships to this degree, but Hiestand and Thomas have done it. Furthermore, both authors are vocational pastors who communicate regularly with the target audience and have a proven ability to express biblical truth in a winsome and compelling manner. *Sex, Dating, and Relationships* adds a new, almost provocative voice to the conversation that, with straightforward theological insight, pleads with Christians to get serious about honoring Christ with their sexuality.

If you follow Jesus, the search for a spouse is no longer a pursuit of the perfect person, but a pursuit of more of God. He will likely write a love story for you different than the one you would write for yourself, but that’s because he loves you and knows how to write a better story. This book was written to help you find real hope, happiness, and purpose in your not-yet-married life.

I Gave Dating a Chance - Jeramy Clark

2009-02-04

In recent years, "dating" has become a dirty word in many Christian circles. So dirty, in fact, that young believers are now encouraged simply not to date. This position has provoked an open debate among teens, their parents and youth workers, and single adults. For a great number of them, many questions remain unanswered. "Lord, what do I do with this desire to date?" "Can dating be an option for young adults who

love the Lord and long to please Him?" Is not dating really the only acceptable option in God's eyes? The answer, assures author and youth pastor Jeramy Clark, is a resounding "No!" The time has come for a sound, biblical, and practical approach that balances out the extreme perspectives: dating without responsibility versus a complete withdrawal from the dating process. Learn how you can confidently pursue healthy dating relationships that are characterized by holiness and integrity--and ultimately bring glory and honor to God--in *I Gave Dating a Chance*.
