Did you know that the clitoris has 8000 nerve endings, twice as many as the penis? Here is everything you've wondered about the female orgasm and how to make it happen. A witty, well-researched and revealing guide to giving your lover an orgasm every time. More than just foreplay, Ian Kerner argues that oral sex is the key to a great sex life for both partners. Short sections cover philosophy, technique, step-by-step instructions and detailed anatomical information, essential to both beginners and experienced lovers. It's time to close the sex gap and create a level playing field in the exchange of pleasure, and cunnilingus is far more than just a means for achieving this noble end; it's the cornerstone of a new sexual paradigm, one that exuberantly extols a shared experience of pleasure, intimacy, respect and contentment. It's also one of the greatest gifts of love a man can bestow upon a woman. Ian Kerner

Girls of Paper and Fire - Natasha Ngan 2018-11-06

Uncover a riveting story of palace intrigue set in a sumptuous Asian-inspired fantasy world in the breakout YA novel that Publisher's Weekly calls "elegant and adrenaline-soaked." In this richly developed fantasy, Lei is a member of the Paper caste, the lowest and most persecuted class of people in Ikhara. She lives in a remote village with her father, where the decade-old trauma of watching her mother snatched by royal guards for an unknown fate still haunts her. Now, the guards are back and this time it's Lei they're after -- the girl with the golden eyes whose rumored beauty has piqued the king's interest. Over weeks of training in the opulent but oppressive palace, Lei and eight other girls learn the skills and charm that befit a king's consort. There, she does the unthinkable: she falls in love. Her forbidden romance becomes enmeshed with an explosive plot that threatens her world's entire way of life. Lei, still the wide-eyed country girl at heart, must decide how far she's willing to go for justice and revenge.
