

How Can You Make Her Love You Again

It Ends with Us - Colleen Hoover 2020-07-28

In this “brave and heartbreaking novel that digs its claws into you and doesn’t let go, long after you’ve finished it” (Anna Todd, New York Times bestselling author) from the #1 New York Times bestselling author of *All Your Perfects*, a workaholic with a too-good-to-be-true romance can’t stop thinking about her first love. Lily hasn’t always had it easy, but that’s never stopped her from working hard for the life she wants. She’s come a long way from the small town where she grew up—she graduated from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily’s life seems too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He’s also sensitive, brilliant, and has a total soft spot for Lily. And the way he looks in scrubs certainly doesn’t hurt. Lily can’t get him out of her head. But Ryle’s complete aversion to relationships is disturbing. Even as Lily finds herself becoming the exception to his “no dating” rule, she can’t help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan—her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. An honest, evocative, and tender novel, *It Ends with Us* is “a glorious and touching read, a forever keeper. The kind of book that gets handed down” (USA TODAY).

Trouble For Hire Box Set - Cynthia Eden 2023-03

The “Trouble For Hire” romance series features hot, former military heroes...and these guys truly are the best kind of trouble. All of the books are stand-alones with guaranteed happy endings. Danger, romance, action, suspense, humor...oh, it’s definitely time to find some trouble...The set includes: *NO ESCAPE FROM WAR*, *DON’T PLAY WITH ODIN*, *JINX, YOU’RE IT*, and *REMEMBER RAMSEY*. *NO ESCAPE FROM WAR* (Book 1) Warren “War” Channing finally has the chance to nail his beautiful, lying ex. Turns out, the woman who shattered his heart beneath her high heeled shoes is wanted for murder. She’s on the run, and he is just the man to hunt her down and toss her into the nearest cell.... Rose Shadow has cracked the story of a lifetime. She’s uncovered a brutal serial killer who has been hiding in the shadows—only now, she is his next target. The cops think she’s involved in the string of murders

because maybe her DNA had been at a crime scene and maybe she’d been spotted by witnesses at another location, but Rose is a reporter, not a killer. But with War on her trail, she’s out of time and options. War is former special ops. He’s the best PI in town. And he’s the man who gave her more pleasure than should be legal...Too bad that he’s also the man who hates her the most. *DON’T PLAY WITH ODIN* (Book 2) Odin Shaw thought he’d spend his life on a battlefield. But fate had other plans, and now the former Special Forces operative has just landed a new job at his best friend’s PI office. It’s one hell of a life change, and the giant “Viking” is trying to adjust, fast, but then she walks into his life. Maisey Bright wants to hire Odin. She needs him to help her find proof—irrefutable evidence—that her next-door neighbor is a serial killer. Odin figures the case will be a snap. He’ll prove that Maisey’s neighbor is most definitely not a serial killer. He’ll score some extra cash for the PI firm and maybe even score some points with the lovely—but obviously way too crime-enthusiast-obsessed—Maisey. Piece of cake. But as they dig deeper into the disappearances that have plagued the town for the last year, Odin begins to suspect that Maisey may be dead right. He also realizes that he is falling for a woman who now seems to be the target of a killer. *JINX, YOU’RE IT* (Book 3) Jinx lives for his good times. With a ready smile and quick joke, his charm carries him through most rough situations. And when his grin doesn’t work, he just uses the down and dirty skills he acquired working Special Forces to get the job done. Life is easy, his luck is perfect, and nothing will slow him down. Except maybe...her. Alison “Ali” Carter does not have time for handsome playboys—not even the ones with killer blue eyes and abs that last for days. Sure, she might have given in just one time and let her desire for Jinx take over, but she is not about to repeat that mistake, no matter how great the night was. But when trouble follows Ali to the Gulf Coast, Jinx proves to be an unlikely hero as he leaps into action. This time, it’s not about being lucky. This time, it’s about protecting Ali and maybe, just maybe...winning her heart. *REMEMBER RAMSEY* (Book 4) Second chances and happily-ever-after endings aren’t meant for men like Ramsey Hyde. He’s a criminal mastermind, a cold-blooded heartbreaker, and certainly no one’s idea of a dream guy. Except...once upon a time, this heartbreaker lost his heart. Dr. Whitney Augustine is considered by many to be one of the luckiest women in the world. She survived an attack that should have killed her. But her miraculous rescue came with a twist...she lost the memory of the last six months of her life. Whitney thought that when she returned to her home, her memories would follow...Unfortunately, they didn’t. And the secret to her past? To all of those long nights that she just can’t remember? Well, Ramsey is the key...he’s the one who remembers everything with perfect, scorching clarity.
