**Voices** - Roger Ladd Memmott 2014-04-06

VOICES - A Gemstone Book (TRADE PAPERBACK), 250 pages. \*\*\* When the World Conspires against you, where do you turn? Kala Westergaard sees herself as a modern-day Joan of Arc, with the unwarranted persecution but without a cause. Orphaned at the age of four, she is raised by her grandmother and aunt until the fateful night when she and her boyfriend, coming back from a party, are run off the road by a deer in the headlights. Before morning breaks, this simple "accident" leads to a series of murders and rape, setting in motion the novel's chain of life-altering passions, passions that speak profoundly of the mysteries of human character and our own personal "voices" that dictate those passions. \*\*\* VOICES is an utterly stirring, erotically charged, and morally complex tale of uncompromising honesty, especially for those who can "read between the lines, those telltale white spaces, where only the most naive think nothing resides."

**Sinful Affair** - Alexis Dee

"I know what your job is, to make rich people fall for you." He smirked, taking a sip of his wine and sitting in front of me while I sat obediently. "Then why did you try to come close to me when I'm such a horrible person." I tried not to cry, my heart was in pain. "Tell me what kind of girl falls for her boss' boyfriend? the boss who has helped her this much?" it was a shame, I was guilty and ashamed but I wasn't the only one who was at fault, he did it. "You forced me to be in rel---," My words were left in my mouth when he crackled a laugh. "You believe that?" there was this smile on his face, making me sick in my stomach. "Honestly speaking, you were just a bet." his words shook the world from under my feet. All this time, I was just a bet? he made me change myself to worse for him, he made me do so many regrettable things,

including having an affair with my boss' bf and It was just a bet? I didn't wait to hear any further, marching towards the door I just wanted to escape but he has some wicked plans waiting for me. "Not so soon Kathleen." his voice dreaded me to turn and look at him. There was another guy with him, "you asked for her?" he gestured towards me. "Yeah, she escaped from me." I recognized his voice, my heart was trembling with fear. I've run so fast to escape from this guy and Ryker just did the worst for me. "Well, she is all yours because I'm bored of her," Ryker announced, narrowing his eyes like a monster.
