I'm Glad My Mom Died Jennette McCurdy 2022-08-09 * #1 NEW YORK TIMES BESTSELLER * #1 INTERNATIONAL BESTSELLER * MORE THAN 2 MILLION COPIES SOLD! A heartbreaking and hilarious memoir by iCarly and Sam & Cat star Jennette McCurdy about her struggles as a former child actor—including eating disorders, addiction, and a complicated relationship with her overbearing mother—and how she retook control of her life. Jennette McCurdy was six years old when she had her first acting audition. Her mother's dream was for her only daughter to become a star, and Jennette would do anything to make her mother happy. So she went along with what Mom called "calorie restriction," eating little and weighing herself five times a day. She endured extensive at-home makeovers while Mom chided, "Your eyelashes are invisible, okay? You think Dakota Fanning doesn't tint hers?" She was even showered by Mom until age sixteen while sharing her diaries, email, and all her income. In I'm Glad My Mom Died, Jennette recounts all this in unflinching detail—just as she chronicles what happens when the dream finally comes true. Cast in a new Nickelodeon series called iCarly, she is thrust into fame. Though Mom is ecstatic, emailing fan club moderators and getting on a first-name basis with the paparazzi ("Hi Gale!"), Jennette is riddled with anxiety, shame, and self-loathing, which manifest into eating disorders, addiction, and a series of unhealthy relationships. These issues only get worse when, soon after taking the lead in the iCarly spinoff Sam & Cat alongside Ariana Grande, her mother dies of cancer. Finally, after discovering therapy and quitting acting, Jennette embarks on recovery and decides for the first time in her life

what she really wants. Told with refreshing candor and dark humor, I'm Glad My Mom Died is an inspiring story of resilience, independence, and the joy of shampooing your own hair.

The Easiest Way to Meet and Pick Up Girls-Ever!! Dusty White 2006-07-27 As of January 2014 I am taking this book off of the market forever. I stated when I wrote this that it was not for mass public distribution. This book was always to be limited to under 10,000 copies. Sales have been astounding (far more than I ever imagined) and it is time to let the existing copies wear out, and return this information back to the few people who actually do it well. I have unpublished all digital versions of this book and they will not return either. This book will not be sold again. Thank you to everyone who read--and used it--when you did. That was an interesting period in my life. But that was then, and this is not then. This book takes all of the guesswork out of meeting women. It is not about relationships or raising a family, and it is not another hokey book on how to have some mysterious "secret power" over women. This book teaches you how to get a date tonight--without having to spend any money. Anyone can do this. You will approach women any time, anywhere, instantly getting them interested in knowing you, without feeling nervous or having to resort to pick-up lines. You will know what to say first, what to say after that, how to grab her attention and focus it exclusively on you--and get her number or a date on-the-spot. The first section of this book analyzes every possible way you could approach women. The second section of this book reveals a secret, devious way to pick up almost every woman you meet without her even guessing that you are working your magic on her. Subsequent sections provide help and troubleshooting guides. We won't make you a "guru of getting girls." We will get you "dates." The biggest problem most men have in getting dates is knowing how to approach attractive girls they see every day of the week (at the office, gas station, standing in line anywhere). Too many men rely on nightclubs, bars, and personal ads to get dates, ignoring the women they see e-v-e-r-y d-a-y.

The Baby-sitters are sick of Ashley Wyeth, and they feel like Claudia is a traitor. Claudia has to decide: either the BSC or the new girl--one of them's got to go! The best friends you'll ever have--with classic BSC covers and a letter from Ann M. Martin!

It Ends with Us Colleen Hoover 2020-07-28 In this "brave and heartbreaking novel that digs its claws into you and doesn't let go, long after you've finished it" (Anna Todd, New York Times bestselling author) from the #1 New York Times bestselling author of *All Your Perfects*, a workaholic with a too-good-to-be-true romance can't stop thinking about her first love. Lily hasn't always had it easy, but that's never stopped her from working hard for the life she wants. She's come a long way from the small town where she grew up—she graduated from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily's life seems too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He's also sensitive, brilliant, and has a total soft spot for Lily. And the way he looks in scrubs certainly doesn't hurt. Lily can't get him out of her head. But Ryle's complete aversion to relationships is disturbing. Even as Lily finds herself becoming the exception to his "no dating" rule, she can't help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan—her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything

Lily has built with Ryle is threatened. An honest, evocative, and tender novel, *It Ends with Us* is “a glorious and touching read, a forever keeper. The kind of book that gets handed down” (USA TODAY).

The Guyde Howie Reith 2016-11-19 *The Guyde* is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. *The Guyde* is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of *The Guyde* deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. *The Guyde* is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

The Man's Guide to Women John Gottman 2016-02-02 A great "philosopher" once said, "Trying to understand women is like trying to smell the color 9." But the fact is, men can understand women to their great benefit. All they need is the right teacher. And arguably there is no better teacher than John Gottman, PhD, a world-renowned relationships researcher and author of the bestselling 7 principles of Making Marriage Work. His new book, written with wife Julie Gottman, a clinical psychologist, and Doug Abrams and Rachel Carlton Abrams, MD, is based on 40 years of scientific study, much of it gleaned from the Gottman's popular couple's workshops and the "love lab" at the University of Washington. It's written primarily for men because new research suggests that it is the man in a relationship who wields the most influence to make it great or screw it up beyond repair. The Man's Guide to Women offers the science-based answers to the question: What do women really want in a man? The book explains the hallmarks of manhood that most women find attractive, and helps men hone those skills to be the man she desires.

How to Attract Women Zac Miller 2020-03-08 Can I Ask You a Question? What would life be like if you knew exactly how to attract women? If you could get the girls you've always wanted? If you could be a man women were sexually drawn to... would that change your life? Hi, my name is Zac Miller. In my many years here on earth I've had my share of experiences with women. And like most men, I wasn't born knowing what attracts women or what they want, but there came a point in my life where I was fed up and did something about it. Many men just say "women are crazy," and they leave it at that, not trying to understand them. I couldn't have that... While women are in fact crazy, I have put together a book which explains what they want, what attracts them to men, and how you can start attracting women. It's taken me many, many years, and many, many sleepless nights, but after all was said and done, I believe I have made the best book available when it comes teaching men everything it takes to successfully attract women. Here's What You'll Learn in This Book
Chapter 1: Appearance - While it's been this way for many years, the advent of website profiles and dating apps has made a masculine appearance much more important for men in this day and age. Here I share with you the many ways you can appear more attractive to women, as well the ideal body type women are looking for in a man (hint: it's not abs). Chapters 2 & 3: Attractive & Unattractive Qualities - Ever notice how women are attracted to jerks and "bad boys?" It's because they display many attractive qualities women desire. In these chapters, I share with you what exactly these qualities are, while also going over attributes you need to stay away from, which push women away. Chapter 4 & 5: Talking to Women - Next, we go over how to talk to women and connect with them, in turn attracting them to you. I show you how to approach girls, get their contact information, and how to conversant with them afterwards to secure a date. I go over the number one mistake most guys make during this process, as well as the one quality that will put you above all other men when talking to women (hint: it's not a lifted truck). Chapter 6: The Date - We then go over how to handle the date. I show you exactly how to ask for the date, where to go, and what to do during the date. This includes conversation topics that release dopamine (feel good) chemicals in a woman's brain, as well as techniques you can employ during the date to keep her attention. I then go over what to do after the date to keep her interested in you for the long run to make her your girlfriend. Chapter 7: The What If's? - What if she flakes on the date? What if she says maybe? What if she starts losing interest? All these questions and more are handled in this chapter, showing you the exact techniques to employ to handle each situation, which will keep a woman interested in you. Appendix - I provide 70 opening messages, original to this book, to use when texting girls. These are unique, funny messages, which will make you stand out from other men. As a FREE bonus, only to buyers of this book, I provide you with my special report, Subconscious Attraction: 3 Techniques that Will Attract Her Subconsciously. These are perfect to use during the first date! If you want to become more successful with women and start getting the girls you've always desired, you can't risk not knowing this information.
