Rooted in the creative success of over 30 years of supermarket tabloid publishing, the Weekly World News has been the world's only reliable news source since 1979. The online hub www.weeklyworldnews.com is a leading entertainment news site.

When Gravity Fails - George Alec Effinger 2014-04-01

In a futuristic Middle East, plug-ins can turn anyone into a killer in this "wry and black and savage" Nebula and Hugo award finalist (George R. R. Martin). Set in a high-tech near future featuring an ascendant Muslim world and divided Western superpowers, this cult classic takes us into a world with mind- or mood-altering drugs for any purpose, brains enhanced by electronic hardware with plug-in memory additions and modules offering the wearer new personalities, and bodies shaped to perfection by surgery. Marid Audran, an unmodified and fairly honest street hustler, lives in a decadent Arab ghetto, the Budayeen, and holds on tight to his cherished independence. Then, against his best instincts, he becomes involved in a series of inexplicable murders. Some seem like routine assassinations, carried out with an old-fashioned handgun by a man wearing a plug-in James Bond persona; others, involving whores, feature prolonged torture and horrible mutilations. Soon the problem comes to the attention of Budayeen godfather Friedlander Bey—who makes Audran an offer he can't refuse. Nominated for the Nebula and Hugo awards, the highest honors in the genre, *When Gravity Fails*, which introduced

the cyberpunk Budayeen Cycle, is a pioneering work the Denver Post called "superior science fiction" and Harlan Ellison described as "crazy as a spider on ice skates . . . plain old terrific."

Clawback - J.A. Jance 2016-12-27

When her father is implicated in the murder of a man whose Ponzi scheme bankrupted hundreds of people, Ali Reynolds and her husband struggle to clear her father's name while seeking justice for the victims.

The Multimedia and CD-ROM Directory - 1998

Turkey Truffle Murder - Wendy Meadows 2022-04-09

Murder has struck again in this cozy Vermont town. Nikki is looking forward to Thanksgiving with her son Seth, but she is in for a shock when he brings home his new girlfriend. His much older girlfriend, Jackie. As Nikki tries her best to be a gracious host, she attends a murder scene with her detective boyfriend Hawk. As an amateur detective, Nikki is keen to figure out the gruesome murder of Howard Blanche. As Nikki and Hawk investigate further, they discover that there is no shortage of suspects, and the killer may be closer to home than they realize. This cozy mystery is a clean read: no graphic violence, sex, or strong language. It can be read in one to two hours. It is perfect for those moments when you are waiting at an appointment or want to enjoy a quick cosy novella read. Keywords: chocolate cozy mystery series, culinary cozy mystery books, Vermont amateur sleuth mystery, cozy mystery romance,

Death Overdue - Mary Lou Kirwin 2013-11-05
In the second novel in the "engaging" (Booklist) cozy library mystery series, Karen must work to clear her beau's name after his ex-girlfriend is killed by a falling bookshelf while staying at his inn. The Case of the Killer Case? Ropes, revolvers, daggers, arsenic. . . . They are the classic, go-to murder weapons, from Christie to Clue. But death by bookcase? With one good shove, a crafty killer can keep investigators guessing: did it fall or was it pushed? That's what sassy Midwestern librarian Karen Nash must determine—and if so, who did the pushing—when an avalanche of books and splintered wood fatally flattens Sally Burroughs, the ex-girlfriend of Karen's squeeze, London B&B proprietor Caldwell Perkins, who appears the most likely suspect for murder. In the library. With the bookcase. And maybe he has grounds? Just as he and his librarian love are making a go of opening their dream bookstore (that's bookshop, in British English), Sally pops up years after abandoning him, to demand her share of the B&B's sale. To Karen's orderly mind, sorting her jumbled feelings about uprooting her life in Minnesota and taking a chance on Caldwell is much like sorting his four-thousand-three-hundred-and-twenty-four precious volumes: everything has its place. A little research reveals that more than one person may have had Sally issues, and Karen must prove that Caldwell is obsessed with books, not revenge. But will her hunt for a killer turn up too little, too late?

Unfinished Business - J.A. Jance 2022-06-28
"Ali Reynolds's personal life is in turmoil when two separate men show up on the scene—a serial killer and a former employee of her husband's who has just been released from a sixteen-year prison sentence for murdering his girlfriend. With lives hanging in the balance, Ali must

thread the needle between good and evil in this heart-pounding and sharply written thriller from J.A. Jance, the "grand master of the genre" (The Providence Journal)"--

The Cuckoo's Egg - Cliff Stoll 2005-09-13
The first true account of computer espionage tells of a year-long single-handed hunt for a computer thief who sold information from American computer files to Soviet intelligence agents

The UNIX-haters Handbook - Simson Garfinkel 1994

This book is for all people who are forced to use UNIX. It is a humorous book--pure entertainment--that maintains that UNIX is a computer virus with a user interface. It features letters from the thousands posted on the Internet's "UNIX-Haters" mailing list. It is not a computer handbook, tutorial, or reference. It is a self-help book that will let readers know they are not alone.

Count Me In - Sara Leach 2011-09
Tabitha will have to brave danger, and her cousin Ashley's hatred, on a hike to a secluded lake in British Columbia.

The Cuckoo's Calling - Robert Galbraith 2013-04-18
The 7th novel in the Strike series, THE RUNNING GRAVE, is coming in September 2023. Pre-order now and be the first to read it
'The Cuckoo's Calling reminds me why I fell in love with crime fiction in the first place' VAL MCDERMID ----- Now a major BBC drama: The Strike series
When a troubled model falls to her death from a snow-covered Mayfair balcony, it is assumed that she has committed suicide. However, her brother has his doubts, and calls in private investigator Cormoran Strike to look into the case. Strike is a war veteran - wounded both physically and psychologically - and his life is in disarray. The case gives him a financial lifeline, but it comes at a personal cost: the more he delves into the young model's complex world, the darker things get - and the closer he gets to terrible danger. . . . A gripping, elegant mystery steeped in the atmosphere of London - from the hushed streets of Mayfair to the backstreet pubs of the East End to the bustle of Soho - The Cuckoo's Calling is a remarkable book. Introducing Cormoran Strike, this is the acclaimed first crime novel by J.K. Rowling,

Changes in Espionage by Americans - Katherine L. Herbig 2009-12

Since 1990 offenders are more likely to be naturalized citizens, and to have foreign connections. Their espionage is more likely to be motivated by divided loyalties. Twice as many American espionage offenders since 1990 have been civilians than members of the military, fewer held Top Secret while more held Secret clearances, and 37% had no security clearance. Two thirds of Amer. spies since 1990 have volunteered. Since 1990, 80% of spies received no payment for espionage, and since 2000 it appears no one was paid. Six of the 11 most recent cases have involved terrorists, either as recipients of info., by persons working with accused terrorists at Guantanamo Bay, or in protest against treatment of detainees there. Illustrations.

Twisted Lies - Ana Huang 2022-07-26

The Florentine Deception - Carey Nachenberg 2015-09-01

In this action-packed techno-thriller, a routine computer cleanup sets off an electrifying quest for an enigmatic—and deadly—treasure. After selling his dorm-room startup for millions and effectively retiring at the age of twenty-five, Alex Fife is eager for a new challenge. When he agrees to clean up an old PC as a favor, he never expects to find the adventure of a lifetime waiting for him inside the machine. But as he rummages through old emails, Alex stumbles upon a startling discovery: The previous owner, a shady antiques smuggler, had been trying to unload a mysterious object known as the Florentine on the black market. And with the dealer's untimely passing, the Florentine is now unaccounted for and ripe for the taking. Alex dives headfirst into a hunt for the priceless

object. What starts out as a seemingly innocuous pursuit quickly devolves into a nightmare when Alex discovers the true technological nature of the Florentine. Not just a lost treasure, it's something far more insidious: a weapon that could bring the developed world to its knees. Alex races through subterranean grottos, freezing morgues, and hidden cellars in the dark underbelly of Los Angeles, desperate to find the Florentine before it falls into the wrong hands. Because if nefarious forces find it first, there'll be nothing Alex—or anyone else—can do to prevent a catastrophic attack. Leading security specialist Carey Nachenberg delivers expert technical details in this gripping, highly entertaining cyber thrill ride—perfect for fans of Neal Stephenson and William Gibson.

Bucharest Diary - Alfred H. Moses 2018

An insider's account of Romania's emergence from communism control In the 1970s American attorney Alfred H. Moses was approached on the streets of Bucharest by young Jews seeking help to emigrate to Israel. This became the author's mission until the communist regime fell in 1989. Before that Moses had met periodically with Romania's communist dictator, Nicolae Ceausescu, to persuade him to allow increased Jewish emigration. This experience deepened Moses's interest in Romania--an interest that culminated in his serving as U.S. ambassador to the country from 1994 to 1997 during the Clinton administration. The ambassador's time of service in Romania came just a few years after the fall of the Berlin Wall and the subsequent collapse of communism in Eastern Europe. During this period Romania faced economic paralysis and was still buried in the rubble of communism. Over the next three years Moses helped nurture Romania's nascent democratic institutions, promoted privatization of Romania's economy, and shepherded Romania on the path toward full integration with Western institutions. Through frequent press conferences, speeches, and writings in the Romanian and Western press and in his meetings with Romanian officials at the highest level, he stated in plain language the steps Romania needed to take before it could be accepted in the West as a free and democratic country. Bucharest Diary: An American Ambassador's Journey is filled with firsthand stories, including colorful anecdotes, of the

diplomacy, both public and private, that helped Romania recover from four decades of communist rule and, eventually, become a member of both NATO and the European Union. Romania still struggles today with the consequences of its history, but it has reached many of its post-communist goals, which Ambassador Moses championed at a crucial time. This book will be of special interest to readers of history and public affairs--in particular those interested in Jewish life under communist rule in Eastern Europe and how the United States and its Western partners helped rebuild an important country devastated by communism.

A Father's Ghost -

Death Will Get You Sober - Elizabeth Zelvin
2008-04-15

"In *Death Will Get You Sober*, Bruce discovers that the church basements of AA are a small world in the big city of New York. As he grapples with staying sober, he finds that not drinking is only the beginning of coming back to life - a life he finds he wants to keep when it's threatened by a killer."--BOOK JACKET.

How to Choose a Husband - Suzanne Venker
2013

Argues that women must change their attitudes toward courtship and marriage, which have been overshadowed by indiscriminate sex and big careers, and explores what it takes to have a meaningful and lasting marriage.

Big Sky - Kate Atkinson 2019-06-25

Iconoclastic detective Jackson Brodie returns in a triumphant new novel about secrets, sex, and lies. Jackson Brodie has relocated to a quiet seaside village, in the occasional company of his recalcitrant teenage son and an aging Labrador, both at the discretion of his ex-partner Julia. It's picturesque, but there's something darker lurking behind the scenes. Jackson's current job, gathering proof of an unfaithful husband for his suspicious wife, is fairly standard-issue, but a chance encounter with a desperate man on a crumbling cliff leads him into a sinister network -- and back across the path of his old friend Reggie. Old secrets and new lies intersect in this breathtaking novel by one of the most dazzling and surprising writers at work today. "Thank goodness the long Jackson Brodie hiatus is

over." --Janet Maslin, *New York Times*
The Girl From Paradise Hill - Susan Lund
2018-07-04

Tess returns home to bury her father but what she finds buried in his attic makes her question everything she thought she knew about the mild-mannered trucker... PARADISE HILL, WASHINGTON The seemingly idyllic mountain town harbors a dark secret: four young girls have disappeared over a forty-year period. With no crime scenes, no leads and no suspects, the cases have gone cold. Until today. The remains of one missing girl are discovered in a burned-out cabin at a remote campsite, reopening the case and suggesting the worst may be true - a ruthless child killer is operating in Washington State. TESS MCCLINTOCK Crime reporter and amateur cyber-sleuth Tess is obsessed with the cold cases of missing girls in Washington State. As she works to settle her father's estate, she's shaken to her core when she uncovers evidence pointing to his involvement. FBI SPECIAL AGENT MICHAEL CARTER On leave after solving a particularly heartbreaking case of child abduction and murder for the FBI's Violent Crimes Against Children Task Force, Michael is back in Paradise Hill to recover and visit with family. Despite doctor's orders to stay clear of police work, Michael's drawn back in when Tess asks for his help understanding the secrets found in her father's attic. A RUTHLESS CHILD KILLER Having escaped justice for decades, he's bored and deliberately stirs the pot, revealing the body of one of the dead girls. Despite the fact he's hiding in plain sight, no one suspects that he's really a wolf and not the sheep he pretends to be. He sees Tess and Michael's involvement in the case as a challenge and views Tess as a temptation he can't resist. AN EIGHTEEN-YEAR OLD COLD CASE For Tess and Michael, the cases are personal: Tess's best friend in public school, Lisa Tate, was one of the missing girls from Paradise Hill. Michael was babysitting the night little Lisa vanished. The guilt they harbor over their role in her disappearance drives them both. Desperate for answers, Tess and Michael join forces to track a killer and uncover the secrets Tess finds in her father's attic. Will the answers bring Tess peace or shatter her? THE GIRL FROM PARADISE HILL is Book One in the McClintock-Carter

Crime Thriller Series. THE GIRL WHO CRIED TOO MUCH is Book Two in the McClintock-

Carter Crime Thriller Trilogy. THE ONLY GIRL LEFT ALIVE is Book Three, the conclusion to the series.
