The Old Woman With the Knife

- Gu Byeong-mo 2022-03-03

She never presumed she herself would live out her natural life, so she wouldn't mind leaving this world through an untimely death. Hornclaw is a sixty-five-year-old female contract killer who is considering retirement. But while on an assassination job for the 'disease control' company she works for,

Hornclaw makes an uncharacteristic error, causing a sequence of events that brings her past well and truly into the present. Threatened with sabotage by a young male upstart and battling new desires and urges when she least expects them, Hornclaw steels her resolve, demonstrating that no matter their age, the female of the species is always more deadly than the male.

new bike. Suddenly, the ground disappears beneath her.

Waking up at the bottom of a deep pit, she sees an emergency rescue team above her. The people looking down see something far stranger...

"We always look forward. We never look back." That girl grows up to be Dr. Rose Franklyn, a brilliant scientist and the leading world expert on what she discovered. An enormous, ornate hand made of an exceptionally rare metal, which predates all human civilisation on the continent.

"But this thing ... it's different. It challenges us. It rewrites history." An object whose origins and purpose are perhaps the greatest mystery humanity has ever faced.

Solving the secret of where it came from - and how many more parts may be out there - could change life as we know it. "It dares us to question what we know about ourselves." But what if we were meant to find it? And what happens when this vast, global puzzle is complete...? "About everything." \* \* \* 'Bursts at the

BESTSELLER! "You can't really know anything if you just remember isolated facts. If the facts don't hang together on a latticework of theory, you don't have them in a usable form. You've got to have models in your head." - Charlie Munger, investor, vice chairman of Berkshire Hathaway The world's greatest problem-solvers, forecasters, and decision-makers all rely on a set of frameworks and shortcuts that help them cut through complexity and separate good ideas from bad ones. They're called mental models, and you can find them in dense textbooks on psychology, physics, economics, and more. Or, you can just read Super Thinking, a fun, illustrated guide to every mental model you could possibly need. How can mental models help you? Well, here are just a few examples... • If you've ever been overwhelmed by a to-do list that's grown too long, maybe you need the Eisenhower Decision Matrix to help you prioritize. • Use the 5 Whys model to better

girls and those who love them. It celebrates the wonders and uniqueness of who we are and who we want to be. Our worth isn't a matter of looks, we see, because we're so much more than that. Through engaging rhymes and vibrant artwork, this picture book finds a warm, inviting way to communicate powerful truths about what we're capable of, what we can do, and how we can live our dreams, regardless of our body's shape or size or what others think about us. We know we're free to think, act, and be without worry or judgment. We have opinions, voices, and the ability to choose our own way, while loving ourselves exactly as we are. Her Body Can reminds every one of us to be true to who we are as we create our paths. We can do anything, and our lives are full of possibilities when we embrace our bodies and souls and live without limits. This is a relevant and important book about body positivity, self-love, and respect for all girls. Whether we're 1 year old or 101 years old, our bodies CAN.

*From Blood and Ash* - Jennifer L. Armentrout 2020-03-30  
Captivating and action-packed, *From Blood and Ash* is a sexy, addictive, and unexpected fantasy perfect for fans of Sarah J. Maas and Laura Thalassa. A Maiden... Chosen from birth to usher in a new era, Poppy's life has never been her own. The life of the Maiden is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. Never to experience pleasure. Waiting for the day of her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. But the choice has never been hers. A Duty... The entire kingdom's future rests on Poppy's shoulders, something she's not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard honor bound to ensure her Ascension, enters her life, destiny and duty become tangled with desire and need. He incites her

anger, makes her question everything she believes in, and tempts her with the forbidden. A Kingdom... Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more, determined to take back what they believe is theirs through violence and vengeance. And as the shadow of those cursed draws closer, the line between what is forbidden and what is right becomes blurred. Poppy is not only on the verge of losing her heart and being found unworthy by the gods, but also her life when every blood-soaked thread that holds her world together begins to unravel. Reviews for From Blood and Ash: "Dreamy, twisty, steamy escapism. Take me back!" -New York Times bestseller Wendy Higgins "Jennifer Armentrout has the power to control my emotions with every word she writes. From swooning to crying to racing through the pages to find out what happens next, I couldn't stop reading about Hawke and Poppy, and you won't be able to either." -

Brigid Kemmerer, New York Times Bestselling Author of A Curse So Dark and Lonely "Action, adventure, sexiness, and angst! From Blood and Ash has it all and double that. So many feels and so many moments it made me cheer for the character. Read. This. Book! You'll be obsessed!" - Tijan NYT bestselling author "From Blood and Ash is a phenomenal fantasy novel that is filled to the brim with danger, mystery and heart melting romance. I loved every single second of it and I couldn't get enough of this new fantastical world. A heart stopping start to what is clearly going to be a stunning series, perfect for both those who love fantasy and those who are new to the genre. A must read." Kayleigh, K-Books "If you think you are ready for From Blood and Ash, think again. Jennifer L. Armentrout has woven a new fantasy universe that will leave you reeling. [Into the Metaverse](#) - Cathy Hackl 2023-01-19

An illuminating insight into the Metaverse - what it is, how it works, and why it will soon be playing a major role in business, technology and society. In Into the Metaverse, Cathy Hackl, a globally recognized futurist and one of the world's first Chief Metaverse Officers, shares her insights on what companies need to do to harness the next iteration of the internet - the metaverse. In this book you'll find a wealth of information on issues such as: - What is the metaverse and what it means for your brand, organization or company - How to make money in the metaverse through understanding the underlying concepts behind it such as gaming, synthetic media, spatial computing and artificial intelligence. - How to lead in the metaverse through industries that are already forging ahead, such as fashion and marketing. - Who should

manage the metaverse function within your organization and why some companies should consider creating a role for a Chief Metaverse Officer. - Finally, how to protect the metaverse and action steps you can take towards the future. Essential reading for any executive, *Into the Metaverse*, will reshape how you think about the internet and its place for those who want to lead successful businesses, today and into the future. If the internet was first used to connect us to information, and then developed into a social media forum to connect people, then Web3, which connects people, places and things, will help enable the successor state to today's mobile internet - the Metaverse. It will bring together and merge our physical and digital lives, and - in the same way that social media upended our lives and our businesses - the Metaverse will shake things up even more. *Into the Metaverse* is the essential business guide to understanding the ground-breaking technologies that

enable this monumental shift and the opportunities it presents from a business and societal perspective.

Winner of the 2018 Pura Belpre Award! “A book for anyone mending from childhood wounds.”—Sandra Cisneros, author of *The House on Mango Street* In this unforgettable multicultural coming-of-age narrative—based on the author’s childhood in the 1960s—a young Cuban-Jewish immigrant girl is adjusting to her new life in New York City when her American dream is suddenly derailed. Ruthie’s plight will intrigue readers, and her powerful story of strength and resilience, full of color, light, and poignancy, will stay with them for a long time. Ruthie Mizrahi and her family recently emigrated from Castro’s Cuba to New York City. Just when she’s finally beginning to gain confidence in her mastery of English—and enjoying her reign as her neighborhood’s hopscotch queen—a horrific car accident leaves her in a body cast and confined her to her bed for a long recovery. As Ruthie’s world shrinks because of her inability to move, her powers of observation and her

heart grow larger and she comes to understand how fragile life is, how vulnerable we all are as human beings, and how friends, neighbors, and the power of the arts can sweeten even the worst of times.

*Good Night Stories for Rebel Girls* - Elena Favilli 2017-03-02  
THE SENSATIONAL NO.1  
BESTSELLER 'The definitive book of the year in our house, for both parents and offspring' Maggie O'Farrell, Guardian Books of the Year 'Absolutely beautiful - get one for yourself and one to inspire a woman in your life' Stylist 'In an ideal world, not only would mothers read this aloud to their daughters, but teachers would read it to schoolboys' Sunday Times What if the princess didn't marry Prince Charming but instead went on to be an astronaut? What if the jealous step sisters were supportive and kind? And what if the queen was the one really in charge of the kingdom?

Illustrated by sixty female artists from every corner of the globe, *Good Night Stories for Rebel Girls* introduces us to one hundred remarkable women and their extraordinary lives, from Ada Lovelace to Malala, Amelia Earhart to Michelle Obama. Empowering, moving and inspirational, these are true fairy tales for heroines who definitely don't need rescuing.

**Are You There God? It's Me, Margaret** - Judy Blume

2012-03-21

The iconic coming-of-age novel from the beloved author, Judy Blume, whose "name has long been synonymous with young adult fiction" (Los Angeles Times). Now a major motion picture starring Rachel McAdams and Kathy Bates!

"Are You There God? It's Me Margaret is very special."

—Amy Poehler (Vulture)

"Generations of teenage girls have grown up reading the tales of teenage angst told by beloved author Judy Blume."

—Mashable Margaret Simon, almost twelve, has just moved from New York City to the suburbs, and she's anxious to fit in with her new friends. When she's asked to join a secret club she jumps at the chance. But when the girls start talking about boys, bras, and getting their first periods, Margaret starts to wonder if she's normal. There are some things about growing up that are hard for her to talk about, even with her friends. Lucky for Margaret, she's got someone else to confide in . . . someone who always listens.
