Annie Lennox: The Biography - Lucy Ellis 2009-12-16

The definitive biography of one of pop music's most private stars. Annie Lennox of the Eurythmics has always been an enigma, ill at ease with the trappings of fame, and giving away little about herself, but now the writers have given her the biography she deserves: compelling, sympathetic, unflinching and fair. [Been A Daughter. Life is a Story - Story.one](#) - Frida-Victoria Tillian 2023-08-05

The Birthday Girl - Sarah Ward 2023-04-06

Welcome to Eldey, an island with deadly secrets. Mona: a carefree artist, staying at the Cloister to work on her illustrations. Beth: the harried mother of a toddler, on the remote Welsh island for a weekend with her family. Charlotte: a reluctant stepmother who wanted a romantic getaway with her husband. One of them is a serial killer who poisoned four of her friends at her eleventh birthday party. They all fit the profile. Who will risk everything to kill again? An absolutely gripping Welsh crime novel, perfect for fans of Sarah Pearse and Lucy Foley. Praise for *The Birthday Girl* 'A brilliant Christie-esque page-turner with an amazing sense of location' Catherine Cooper, Sunday Times bestselling author of *The Chalet* 'Atmospheric, tense, with lots of twists and turns, I couldn't put this down. With a nod to Agatha Christie, the sharp narrative builds to a nail-biting climax.' Simon McCleave, author of *The Dark Tide* 'A pitch-perfect start to a new thriller series' Michael Wood, author of *Silent Victim* 'There is more than a whiff of Agatha Christie here, which made *The Birthday Girl* so satisfyingly compelling that I read into the small hours to finish it' Alis Hawkins, author of *A Bitter Remedy* 'Suspense and intrigue abound in this gripping, claustrophobic murder mystery set on a sinister Welsh island' Roz Watkins, author of *The Devil's Dice* 'Takes the classic Christie-esque trope of a remote location and a closed circle of suspects and reinvents it for the 21st Century, weaving a tale of murder, madness, and revenge. I absolutely loved it.' Amanda Mason, author of *The Hiding Place* 'Sharp, elegantly written, and dripping with suspense. A wonderfully crafted 'closed room' mystery that had me turning the pages at record speed.' J. A. Corrigan, author of *The Nurse* 'Cleverly plotted, full of twists and intrigue, with an ending that is both dramatic and satisfying' Jane Bettany, author of *In Cold Blood* 'A taut, intelligent thriller, elegantly written with an eerie atmosphere and an addictive plot. I utterly love this sharp, clever new series!' Victoria Dowd, author of *A Book of Murder* 'The Birthday Girl is a satisfying contemporary page-turner with more than a whiff of Christie's Golden Age locked-room mysteries about it. Compelling reading!' Marnie Riches, author of *All The Pretty Ones* 'A masterpiece of gothic, atmospheric, Agatha Christie-like mystery. If you love a good locked room style murder mystery, want a book that could keep you up all night guessing, or just want an absolutely thrilling read, *The Birthday Girl* is for you!' [Reader review](#) 'This thriller was absolutely amazing. It was gripping, full of suspense and this was perfect for grabbing you and not letting you go. Two days later and I still can't stop thinking about this!' [Reader review](#) 'This has truly been one of my favorite reads of all time. I truly was guessing until the end. This book will stay with me forever.' [Reader review](#) 'Absolutely loved this. It kept me guessing throughout and I could not put it down. Fantastic read.' [Reader review](#) 'Compelling, Claustrophobic. Perfectly set up in true Christiesque fashion, this immersive suspense is packed with a deftly drawn cast and a plot populated with red herrings galore.' [Reader review](#) 'I was hooked on this, so much so that I got up at two a.m. and read until four. I loved it.' [Reader review](#) 'Gripping, dark, atmospheric and thrilling... The best novel I have read this year.' [Reader review](#)

[A Dictionary of Slang and Unconventional English](#) - Eric Partridge 2006-05-02

The definitive work on the subject, this Dictionary - available again in its eighth edition - gives a full account of slang and unconventional English over four centuries and will entertain and inform all language-lovers.

Confessions of a Good Girl - Andrea McLean 2012-02-02

From GMTV weathergirl to Loose Women anchor, Andrea McLean has become one of our most-loved TV presenters. But for years her famous smile has been concealing some devastating secrets. With heartbreaking honesty she opens up about the end of her first marriage and how, on the edge of a breakdown, she found herself juggling her demanding career with raising her son alone. When her second marriage also fell apart - in the glare of the media spotlight - it seemed her life had really hit rock bottom. In her fully updated autobiography, Andrea writes movingly about her joys and sorrows, and about coming to terms with being a single mum again. She describes how she learns that messing up doesn't mean you're

wicked - just human. And she takes us behind the scenes at GMTV, Dancing on Ice and Loose Women to reveal that television can be a treacherous place for a good girl!

Looks Good From A Distance - Blade Champion 2021-10-09

Looks Good From A Distance. It's about love, a bit unconventional, but love all the same, and Bamboo, and old Vietnamese wooden sailing Junks, and Ha long Bay. and The Royal House of Saud and hired assassins and Los Angeles America, and Hedge Funds and sex, lot's of it, and a young vulnerable woman and a rich handsome young man and a reasonably well off middle aged woman. Did I mention fishing, fly fishing for trout, and there's a Maserati and a helicopter --- isn't there always! Oh! And did I mention LOVE!

North Sea Passage and the Women of Spirit - André Schulman 2013-02-01

This is a story like a novel, of two generations of a fugitive family who land at Harwich in 1939. There are backward glances through Germany and Poland to the mid-nineteenth century, and it ends in the present day. The actions take place in the villages of old Poland, Nazi Berlin, wartime London and seaside towns, in school and the sports-field, in the Paris of 1945, on Alpine glaciers, amongst rising stars of British politics... It has two main threads - the mind of Etienne, and the characters of the mother, the sister and later of the Cabinet Minister who was a leading persuader in the formation of the party that was to re-shape British politics and was its Leader in the Lords. The sister was 'the nearest thing the Left had to a political hostess'. Theme might be said to be corruption of character associated with idealistic politics; even more portentously, the pre-Socratic mind of Etienne through whom the action is seen - overwhelmed by his present experiences and historical daydreams, retarded in rationality, unable to speak, his mind a disorder of mists and his values dark - un-English, unmodern. *North Sea Passage and the Women of Spirit* is a memoir but written in the style of literary novel and will appeal to readers of that genre, as well as of biography and modern history.

[The Paradise Cookery School](#) - Daisy James 2022-11-24

Welcome to The Paradise Cookery School - a place where dreams, and chocolate, are made! Includes all three books in The Paradise Cookery School series; *Sunshine & Secrets*, *Confetti & Confusion* and *Mistletoe & Mystery*. *Sunshine & Secrets*: When newly heartbroken chef Millie Harper is offered a job overseeing the launch of The Paradise Cookery School she jumps at the chance. Leaving her ex behind, Millie jets off to the hilltop cocoa plantation in St Lucia. Despite the beautiful location Millie soon realises she faces a challenge to get the school ready on time. And sarcastic but extremely handsome estate manager Zach Barker isn't helping. As Millie adjusts to the Caribbean pace of life she discovers her own carefree side in the tropical paradise. But can she fulfil her promise? Or will fun in the sun prove too much of a distraction? *Confetti & Confusion*: Millie Harper has agreed to step in for a celebrity chef and run the first-ever Paradise Cookery School course. She is determined to give bride-to-be Imogen and friends an unforgettable Caribbean culinary experience. Meanwhile, gorgeous estate manager Zach Barker's ex-girlfriend arrives in St Lucia and Millie's hope for a relationship with him dwindles. When disaster strikes Imogen's wedding plans, Millie offers to go above and beyond to make sure the marriage goes ahead. Can Millie create a day that dreams are made of, and will she find a way to tell Zach how she feels? *Mistletoe & Mystery*: Fresh off the successful opening of the Paradise Cookery School in St Lucia, Millie Harper is headed to the Cotswolds for Christmas. Co-presenting Claudia Croft's famous Festive Feast cookery course at Stonelea Manor is a dream come true for Millie... as is reuniting with gorgeous estate manager Zach Barker. Upon arriving in the winter wonderland, Millie learns the manor is under a mysterious threat. It'll take a holiday miracle, but Millie is determined to save the school and get Zach under the mistletoe to finally finish what they started in the Caribbean! These glorious, uplifting romances are perfect for fans of Jenny Oliver, Sarah Morgan and Kat French. Praise for Daisy James 'OMG - the food!! The descriptions made me constantly hungry. The love interest was delicious, too.' Lilac Mills 'Well this was a delightful read! Food and romance, what more could you want?' The Book Trail 'Gorgeously romantic, with a wonderful setting, fantastic characters and a wonderful story. I absolutely loved this book.' [Reader review](#) 'This is an example of the perfect mix of love, friendship and humour.' [Reader review](#) 'A wonderful Christmas story... I love it's cosyness, it's christmassyness and it's foodieness! Read it!' [Reader review](#) 'Fabulous Christmas read!! Very cozy vibe that gets you immediately into the Christmas spirit!' [Reader review](#)

The History Of Us - Philip Leslie 2009-05-30

The History of Us is a beautiful exploration of love and obsession, based on the stories of a group of friends growing up in Norfolk and told in reflection focused on the incredibly close but conversely fractious relationship of the two central characters. Told in three parts, The History of Us, explores the relationships between the two and a close friend, bonded by love, but also by a single tragic moment in their shared lives. As the book unfolds, we hear many whispers, which shift our understanding of that tragic day, and ultimately, of course, our perceptions of the characters, and theirs of each other. Although we are offered a kind of resolution in the final pages, there remains a sense of ambivalence and unease that disturbs.

Diamonds Are A Girl's Best Friend - Jenny Colgan 2010-01-07

Escape with Jenny Colgan in 2021. The paperback of Jenny's latest bestseller, FIVE HUNDRED MILES FROM YOU and her new feel-good novel, SUNRISE BY THE SEA, are both out now. 'A sheer delight from start to finish' Sophie Kinsella How does an It Girl survive when she loses everything . . . ? PRAISE FOR JENNY COLGAN 'An evocative, sweet treat' Jojo Moyes 'Gorgeous, glorious, uplifting' Marian Keyes 'Irresistible' Jill Mansell 'Just lovely' Katie Fforde 'Naturally funny, warm-hearted' Lisa Jewell

_____ Sophie Chesterton is a girl about town - she knows all the right people, goes to all the right parties, and wears all the right clothes. But deep down she suspects that her superficial friends and lifestyle don't amount to very much. Her father is desperate for her to make her own way in the world, and when after one shocking evening her life is turned upside down, she suddenly has no choice. Scraping a living as a 'glamour' photographer's assistant, living in a hovel on the Old Kent Road with four smelly boys, eating baked beans from the can, Sophie is desperate to get her life back. But does a girl really need diamonds to be happy? _____ Why readers ADORE Jenny Colgan 'Jenny Colgan has a way of writing that makes me melt inside' 'Her books are so good I want to start over as soon as I have finished' 'There's something so engaging about her characters and plots' 'Her stories are just so fabulous' 'She brings her settings and characters so vividly to life' 'The woman is just magic'

_____ Why readers ADORE Jenny Colgan 'Jenny Colgan has a way of writing that makes me melt inside' 'Her books are so good I want to start over as soon as I have finished' 'There's something so engaging about her characters and plots' 'Her stories are just so fabulous' 'She brings her settings and characters so vividly to life' 'The woman is just magic'

Visitants - Stephen Jones 2010-11-01

A Simon & Schuster eBook. Simon & Schuster has a great book for every reader.

Mister Right - Cooper 2009-05-22

Known as the terrific trio and inseparable college roommates, Freddy Forest, Jack Scratch and Ermine Tuft ducked graduation ceremonies at the University of Midland so they could set off without delay to romance the universe. After all, what's an education for?

New Woman - Various

India's leading women's English monthly magazine printed and published by Pioneer Book Co. Pvt. Ltd. New Woman covers a vast and eclectic range of issues that are close to every woman's heart. Be it women's changing roles in society, social issues, health and fitness, food, relationships, fashion, beauty, parenting, travel and entertainment, New Woman has all this and more. Filled with quick reads, analytic features, wholesome content, and vibrant pictures, reading New Woman is a hearty and enjoyable experience. Always reinventing itself and staying committed to maintaining its high standard, quality and consistency of magazine content, New Woman reflects the contemporary Indian woman's dreams just the way she wants it. A practical guide for women on-the-go, New Woman seeks to inform, entertain and enrich its readers' lives.

Man and Woman, War and Peace, 1942-1951 - Robert William Doty 2004**Dangerous Women** - Jan Harwood 2011-08-01

Iconoclastic, courageous, feisty and enraged at the Constitution-busting actions of the G.W. Bush administration, a group of parody-singing old women, the Santa Cruz gaggle of Raging Grannies, plays a dirty little trick on a fanatically right-wing pundit on local TV. His ghastly death by poison the very next day sets them off to find his murderer--or was it, as the police believe, suicide?--and brings them very close to lethal danger themselves.

Women Make Noise - Victoria Yeulet 2015-02-26

'When was the last time you heard an all-girl band on the radio? Why don't all-girl bands get attention they deserve?' In Women Make Noise musicians, journalists, promoters and fans excavate the hidden story of

the all-girl band: from country belles of the 20s-40s and girl groups of the 60s, to prog rock goddesses, women's liberationists and punks of the 70s-80s; from riot grrrl activists and queercore anarchists of the 90s to radical protesters Pussy Riot and the most inspiring all-girl bands today. These aren't the manufactured acts of some pop svengali, these groups write their own songs, play their own instruments and make music together on their own terms. All-girl bands have made radical contributions to feminism, culture and politics as well as producing some unique, influential and innovative music. It's time to celebrate the outspoken voices, creative talents and gutsy performances of the all-girl bands who demand we take notice. Including commentary from members of the original 60s girl groups and classic punk-inspired outfits like The Raincoats and The Slits, as well as contemporary Ladyfest heroines like Beth Ditto, this timely exploration shows the world that sidelining all-girl bands is a major oversight. Contributions by Victoria Yeulet, Elizabeth K. Keenan, Sini Timonen, Jackie Parsons, Deborah Withers, Jane Bradley, Rhian E. Jones, Bryony Beynon, Val Rauzier, Elizabeth K. Keenan and Sarah Dougher This book is a celebration of girl bands in all genres: girl bands who make music on their own terms. With a unique focus on the talented girl bands of the past 50 years rather than casting female musicians in the typical solo 'singer-songwriter' mode. New perspectives on each genre - from 1960s Motown groups to 1970s prog rock and punk to 1980s protest music, 1990s queercore, riot grrrl and beyond - written by musicians, performers, journalists, promoters and fans. Contents Introducing the All-girl Band: Finding Comfort in Contradiction | Julia Downes 1. Female Pioneers in Old-time and Country Music | Victoria Yeulet 2. Puppets on a String? Girl Groups of the 50s and 60s | Elizabeth K. Keenan 3. Truth Gotta Stand: 60s Garage, Beat and 70s Rock | Sini Timonen 4. Prog Rock: A Fortress They Call 'The Industry' | Jackie Parsons 5. Feminist Musical Resistance in the 70s and 80s | Deborah Withers 6. You Create, We Destroy: Punk Women | Jane Bradley 7. Post-Punk: Raw, Female Sound | Rhian E. Jones 8. Subversive Pleasure: Feminism in DIY Hardcore | Bryony Beynon 9. Queercore: Fearless Women | Val Rauzier 10. Riot Grrrl, Ladyfest and Rock Camps for Girls | Elizabeth K. Keenan and Sarah Dougher Epilogue: Pussy Riot and the Future | Julia Downes Notes Bibliography Reviews "Tales of race riots, intimidation and abuse by male music fans and management, and inspiring moments of in-your-face activism provide fascinating background to some of your favourite bands (and many you've never heard of). The greatest strength of Women Make Noise is that many of the contributors were themselves part of the bands they are chronicling. These women offer up inspiring, funny and enraging stories of being radical activists and prolific musicians in a world that worked constantly to push them down." - Gender Focus "Women Make Noise is a wonderful collection of essays, taking the reader from the days of Sassy country and Western women carving out a place in a horrendously sexist fledgeling music industry, all the way up to the Riot Grrrl movement of the 90s and beyond. Each chapter is written with such boundless enthusiasm for the subject matter that it'll keep you enthralled until you drift slowly out of your comfort zone without even realising it. Read the book cover to cover, have your eyes opened, discover your next favourite band and perhaps think about the role of Women in music a little differently from now on." - Intuition, review by Owen Chambers "Fascinating, diverse and, most importantly, inspiring - the title alone is as much a rallying cry as a joyous statement of the truth." - Zoe Street Howe, author of Typical Girls? The Story of The Slits, and other music titles "It's exhilarating to learn about different generations of female musicians from such diverse, strong voices." - Kathleen Hanna, American singer, musician, artist, feminist activist, pioneer of the feminist punk riot grrrl movement "A very important and timely contribution to the debates about "women in rock". All-girl bands have too often been written off as novelties, and this exciting book sheds new light on an under-researched area." - Lucy O'Brien, author of She Bop: The Definitive History of Women in Rock, Pop and Soul

An Old-Fashioned Darling - Charles Simmons 2014-02-04

DIVDIVA beleaguered young editor at a famous girly magazine swears off sex, only to find himself more deeply mired in lust and love than ever before/divDIV There are perks to working at a men's magazine that unabashedly celebrates the unclothed female form. However, the constant parade of exquisitely beautiful women strolling in and out of Oliver Bacon's office can prove most distracting./divDIV Oliver opts to treat his situation with extreme measures: he resolves to try celibacy. But being chaste is easier said than done when one is toiling in a garden of earthly delights, with temptation blooming all around. The challenge gets even more difficult when a particular darling turns up to plunge Oliver's life and libido both into pure

chaos. In an insightful and outrageous romp, Charles Simmons wickedly charts the minefields of lust and love./divDIV/div/div
