The Subjection of Women John Stuart Mill 1870 The object of this essay is to explain as clearly as I am able, the grounds of an opinion which I have held from the very earliest period when I had formed any opinions at all on social or political matters, and which, instead of being weakened or modified, has been constantly growing stronger by the progress of reflection and the experience of life: That the principle which regulates the existing social relations between the two sexes- the legal subordination of one sex to the other- is wrong in itself, and now one of the chief hindrances to human improvement ; and that is ought to be replaced by a principle of perfect equality, admitting no power or privilege on the one side, nor disability on the other.

What Do We Need Men For? E. Jean Carroll 2019-07-02 As seen on the cover of New York Magazine, America's longest running advice columnist goes on the road to speak to women about hideous men and whether we need them. "Carroll's lively prose careens in constant pursuit of pleasure...indefatigably funny and full of life." -Lindsay Zoladz, *The Ringer* "Darkly humorous and deadly serious." -Sibbie O'Sullivan, *Washington Post* "A compulsively interesting feminist memoir." -Virginia Heffernan, *Slate* "Somehow hilarious, in the way that only E. Jean could have written it" -Leigh Haber, *Oprah Magazine* "Roving, curious, compassionate, whimsical." -Megan Garber, *The Atlantic* When E. Jean Carroll—possibly the liveliest woman in the world and author of the "Ask E. Jean" advice column in *Elle Magazine*, realized that her eight million readers and question-writers all seemed to have one thing in common—problems caused by men—she hit the road. Crisscrossing the country with her blue-haired poodle, Lewis Carroll, E. Jean stopped in every town named after a woman between Eden, Vermont and Tallulah, Louisiana to ask women the crucial question: What Do We Need Men For? E. Jean gave her rollicking road trip a sly, stylish turn when she deepened the story, creating a list called "The Most Hideous Men of My Life," and began to reflect on her own sometimes very dark history with the opposite sex. What advice would she have given to her past selves—as Miss Cheerleader USA and Miss Indiana University? Or as the fearless journalist, television host, and eventual advice columnist she became? E. Jean intertwines the stories of the fascinating people she meets on her road trip with her "horrible history with the male sex" (including mafia bosses, media titans, boyfriends, husbands, a serial killer, and a president), creating a decidedly dark yet hopeful, hilarious, and thrilling narrative. Her answer to the question What Do We Need Men For? will shock men and delight women.

The Spanish Love Deception Elena Armas 2022-02-08 A wedding. A trip to Spain. The most infuriating man. And three days of pretending. Or in other words, a plan that will never work. Catalina Martín, finally, not single. Her family is happy to announce that she will bring her American boyfriend to her sister's wedding. Everyone is invited to come and witness the most magical event of the year. That would certainly be tomorrow's

headline in the local newspaper of the small Spanish town I came from. Or the epitaph on my tombstone, seeing the turn my life had taken in the span of a phone call. Four weeks wasn't a lot of time to find someone willing to cross the Atlantic-from NYC and all the way to Spain-for a wedding. Let alone, someone eager to play along with my charade. But that didn't mean I was desperate enough to bring the 6'4 blue eyed pain in my ass standing before me, Aaron Blackford. The man whose main occupation was making my blood boil had just offered himself to be my date. Right after inserting his nose in my business, calling me delusional, and calling himself my best option. See? Outrageous. Aggravating. Blood boiling. And much to my total despair, also right. Which left me with a surly and extra large dilemma in my hands. Was it worth the suffering to bring my colleague and bane of my existence as my fake boyfriend to my sister's wedding? Or was I better off coming clean and facing the consequences of my panic induced lie? Like my abuela would say, que dios nos pille confesados. The Spanish Love Deception is an enemies-to-lovers, fake-dating.

Love in the Time of Serial Killers Alicia Thompson 2023-03-30 'Unique, sexy, hilarious, charming... The true crime is NOT reading this novel!' Ali Hazelwood, author of *The Love Hypothesis* 'A criminally addictive romance... this book is sheer perfection from beginning to end' Rachel Lynn Solomon, author of *The Ex Talk* -- Turns out that reading nothing but true crime isn't exactly conducive to modern dating - and one woman is going to have to learn how to give love a chance when she's used to suspecting the worst. PhD candidate Phoebe Walsh has always been obsessed with true crime. She's even analysing the genre in her dissertation - if she can manage to finish writing it. It's hard to find the time while she spends the summer in Florida, cleaning out her childhood home, dealing with her obnoxiously good-natured younger brother, and grappling with the complicated feelings of mourning a father she hadn't had a relationship with for years. It doesn't help that she's low-key convinced that her new neighbour, Sam Dennings, is a serial killer (he may dress business casual by day, but at night he's clearly up to something). But it's not long before Phoebe realises that Sam might be something much scarier - a genuinely nice guy who can pierce her armour to reach her vulnerable heart.
