The Banjo on Record - Uli Heier 1993

The appeal of the banjo has been shown to be timeless and universal---adaptable to almost any form of popular music. It was one of just a few instruments that could be faithfully reproduced in the early days of sound recording, and its recording history dates back to 1889. Heier documents that history on cylinders and 78-rpm disks in the pre-LP era ending in the mid-1950s. The book offers a comprehensive compilation of all such recordings on which the banjo plays a solo role or dominant part. Organized by performer or performing group, the recordings are listed chronologically with location, date, matrix number, and take-digit as available, as well as manufacturer and catalog number. Biographical information on the banjoist is provided wherever possible, and all performers anywhere in the world known to have recorded any type of music on banjo are included even if no data on the actual disks is available. Introduced in a foreword by British discographer Brian Rust, the discography also includes a narrative account of the banjo in phonograph recording history by Lowell Schreyer and an essay on the history of the banjo itself by Robert Lloyd Webb. In addition to the discography proper, the editors have provided a preface, A Quick Look at the Banjo Family, identifying the instruments; an extensive bibliography of sources; an index of all tune titles; and reproductions of 92 recording labels. These elements all combine to make this volume a true discopedia of the banjo.

How I Learned To Love Her - Shubham Joshi 2021-01-16

We all have got our journeys in life; some lead to destinations; others lead to a new beginning again, but everything ends up teaching something. Love is indeed very precious. In the walk of our lives, we come across many strangers with whom we share many moments. These are undoubtedly the one whom we love, and it becomes so arduous to understand when love happens by chance..... It feels so good to talk about a school love story, a story without a relation, where the two strangers, strangers even when they were well known to each other and continued to be a stranger, loved each other but believed in their Destiny. Shaurya, a nerd boy who just opposed his name's meaning, lacked the courage and courage to speak his heart. Time is his deadliest fear. Abhilasha, a lovely girl who was synonymous with the meaning of her name, was loved by all; happiness is her shadow... Both of them are busy accepting whatever is going on in their life, and their Destiny is still unjustified, which is desperate with many surprises. Waiting for years, the story is all about the unexpected that happened in their life. And finally, one question which strikes corner to corner in their heart and mind, "WHAT MATTERS"....

Hooked On Her - Stacey Lynn 2020-06-23

Tessa Chauncy is the best kind of trouble. Beautiful, sweet and completely off limits. I've sat by and watched other men drool after her and forced myself to stay in check. Hey, I'm in the NHL... I have self-control in spades. Except when it comes to her. With the bat of her lashes and quick whip of that sharply pointed tongue Tessa can knock grown men to their knees. I've seen them wither and crumble under her confident stare— something I'm pretty sure she learned from sparring with me, thankyouverymuch. But I'm not just falling for her. I'm down for the count. She's the girl I wanted, when wanting her was wrong. She's also my new roommate-- And oh yeah, my best friend's little sister. Heaven help me, I'm probably going to get his fist to my face or his hockey stick shoved in very dangerous places for what I'm about to do, but I don't think I care anymore. I'm in love with my best friend's little sister....and I'm done waiting.

But, nothing could prepare him for the high-maintenance, rich girl he's hired to protect. She's got a smart mouth, is hell-bent on pushing his buttons, and doesn't take the threats against her seriously. And despite the nightmares that plague her dreams, or the fact that he's the only one who knows about them, he's not there to befriend her. He's there to protect her. A New Adult, Bodyguard Romance.

Hawk & the Lady - Elizabeth Stevens 2020-07-31

Leah I didn't belong in their world, but I made a good show of pretending I did. Mother and Father expected it. All I wanted to do was get a cosy cottage in the suburbs and live with my million cats. What I got instead was suitor after suitor paraded in front of me and the threat of a looming engagement. So, what else was a girl to do? After bumping into Mrs Fortescue's 'companion' one too many times, I decided he'd do. Mother and Father wanted an engagement? They'd get one. Except I'd be the one having the last laugh because Patrick is the total opposite of what my parents want in a son-in-law - his nickname is Hawk for goodness' sake - and I have no obligations to him in any department. But of course, the best laid plans make fools of us all and it's not long before I want him to hold me accountable only to him in EVERY department. There's just the small problem of him being completely unsuitable and without any inclination to settle down. If there's one thing I know about men, it's that it takes a remarkable woman to tame them. I know I'm a remarkable woman. I only hope it's not too late for this lady to tame her hawk. Patrick If there's one thing that makes a guy reconsider his womanising ways, it's seeing his best mate and his little sister settle down. If there's another, it's a gorgeous woman in a stunning red dress. But she's a part of a world I can only pretend to fit into and she's a damned lady - elegant and sophisticated - and she's totally off-limits to a grunt like me. Every time we meet, there's a look in her eyes that suggests she's far less sophisticated than she'd have me believe. And it's not long before this hawk is close to begging to relinquish his freedom, even just for one night. So, how could I say no when she needed my help? I was expertly qualified to serve, and if I got to be myself for once that was just icing. But the more time I spend with her, the more I want to be around her. The more it feels less like a job and more like something real. There's just the small problem of her being an heiress with obligations that don't include me and the job will only last so long. I don't know a lot about ladies, despite my remarkable ability to play a part. All I know is there's always more underneath the mask, and there's only one lady who can tame this hawk.

Love Is The Answer - Sharon Cheney 2018-07-24

Discover the Power of Love to Heal and Transform Your Life. Love is universal, and every human craves it. Regardless of age, sex, race, status, or any other factor, we all need love to survive and thrive. But getting the love you want and letting it in is easier said than done. This book will make you fall in love with yourself again, transforming your relationships and allowing you to live an extraordinary life. The Search for Love That Never Ends. The word "love" is so overused and misused today that many of us are left wondering what it really means when someone says "I love you." But spiritual seekers and quantum physicists alike know that love is the driving force of the universe. It is the stuff that all human beings crave, and it exists in many forms and manifestations. Sharon illustrates the irony of a culture that idealizes love when so many people fail to love themselves. We hunger for what we don't have and constantly look for love outside of ourselves. She has packed the book with helpful advice on how you can learn to love and accept yourself unconditionally, allowing you to experience all the love you need without having to chase it or sacrifice your values in order to get others to like or love you. Love is the Answer looks at the many faces of love - from romance, friendship, and family relationships to love of humanity and self-love. You'll discover the incredible impact love has on our lives (and how the lack of love can wreak havoc in your life in mysterious and terrible ways). If you've experienced trauma, addiction, or recurring destructive patterns in relationships, love is the transformational key to breaking through and overcoming the chains that have been holding you back from living your dream life. Through radical self-love, you'll discover a new relationship with yourself and the people in your life. During her career as a relationship coach, author Sharon Cheney found that many people suffer from a lack of self-love, causing them to continually search for love and acceptance from others. This constant search for love leaves us starved and isolated, and can often cause us to pursue unfulfilling goals and relationships. When you feel stuck grasping at goals and relationship ideals that seem unattainable, love is what you're really looking for. The inspiration for Love is the Answer came from a remarkable event that happened in 2010. Sharon had an unusual experience: an opening of her heart, after which she became much more sensitive to the feelings of others, and could instantly experience everything they felt. She became aware of how her words impacted others and how we affect each other in our daily interactions. The experience changed Sharon's life so much that she wanted to share her newfound knowledge so others could enjoy the benefits of transformation through love. In this, her third book, she offers practical guidance on how we can learn to love and accept ourselves unconditionally. The book is filled with fascinating observations and practical advice on how to master self-love to attract the love we all want in life. For a better life and a better world, love truly is the answer. Scroll up and click "buy now" to bring more love into your life and our world.
