Soon, it won't be free. ☐ ☐ You are right! Going blank during a conversation with a woman is not a crime, but how do you feel when you can't approach or go blank and in a loss of what to say to keep the conversation going? It sucks, right? What about when you get her, but can't satisfy her in bed? It sucks too, right? I have been there countless times and this is why I took it upon myself, for years, to find the final and permanent solution for men. Do you know what? There is good news. Those days of going blank, lacking what to say to get her or what to do to satisfy her are over after reading this book. The secrets have been discovered and only a few men know about it and you're one of the lucky ones who will read it and implement it today. As you read, you'll begin to say, "Wow! So, this is how easy it is? Why haven't I known all these all my life?" Let me make it clear before you scroll up and click the BUY NOW button. What is inside this book will transform your life when approaching, interacting, a pleasuring a woman-guaranteed! Would you rather have this handled now or keep wasting time for the rest of your life searching for a solution? Aren't you tired of reading blog posts, watching YouTube videos, and purchasing books on this issue that don't work? Do you want to waste more time? If no, then this book is all you need. If you haven't wasted time on the above yet, then you're lucky - I'll save you the stress and put you ahead of your fellow men. Happy reading and I expect your reviews on how it's working wonders for you soon. ☐ ☐ Currently, buy the Paperback and get the Kindle eBook included for free. Soon, it won't be free. ☐ ☐

**The Art of Receiving and Giving** - Betty Martin 2021-02-19

Why would most people endure unwanted or unsatisfying touch, rather than speak up for their own boundaries and desires? It's a question with a myriad of answers - and one that Dr. Betty Martin has explored in her 40+ years as a hands-on practitioner, first as a chiropractor and later as a Somatic Sex Educator, Certified Surrogate Partner and Sacred Intimate. In her client sessions, she noticed a pattern wherein many clients would "allow" or go along with discomfort or unease rather than speak up for what they wanted or didn't want. Betty discovered there was a major component missing for people -- the confidence that we have a choice about what is happening to us. In her framework, "The Wheel of Consent(R)" Betty traces the fundamental roots of consent back to our childhood conditioning. As children, we are taught that to be "good" we must ignore our body's discomfort and be compliant: to finish our food even if we're full, to go to bed - even if we're not tired, to let relatives hug and kiss us even if we don't want to. We learn that our feelings don't matter more than what is happening, and that we don't have a choice but to go along, whether or not we want it. As adults, this conditioning remains with us until we have an opportunity to unlearn it, which is why consent violations are often only called out after the violation has occurred - because we have not been taught or empowered to notice our boundaries, much less value or express our internal signals as the unwanted action is happening. In this book, Betty guides the reader through the Wheel of Consent framework, and shares practices to help us recover the ability to notice what we want and set clear boundaries. While the practices are based on exchanges of touch, they can also be learned without touch. In these practices, we discover that the Art of Giving includes knowing our own limits so we can be more generous within those limits, and not give beyond our capacity - a common problem which creates feelings of resentment or martyrdom. We also

discover that the Art of Receiving invites us to notice and ask for what we really want, and not just what we think we are supposed to want. This knowledge, and its embodied practice, is foundational for creating clear agreements and bringing more satisfaction into relationships. While much of consent education focuses on noticing what we don't want, or prevention of violation, Betty has developed a "pleasure-forward" approach to teaching consent. By first accessing and awakening (sometimes re-awakening) our bodies' relationship to pleasure and what we want, we can practice noticing and verbalizing what we don't want. Such an approach provides a more holistic frame in which to unlearn the childhood conditioning that taught us to be silent and compliant, and in which individuals can learn to ask for what they want and state what they don't, in a more empowered way. The implications of this approach to consent education extends beyond touch and intimate relationships. When we forget how to notice what we really want, we lose our inner compass. When we continue to go along with things we don't feel are right, we lose our ability to speak up against injustice. This has a profound effect on society. We allow all manner of inequality, corruption, theft of natural resources and our planet's future health - because "going along with it" feels normal. The Wheel of Consent offers a deeply nuanced way to practice consent as an agreement that brings integrity, responsibility, and empowerment into human interaction, starting with touch and relationships, and further expanding our understanding of consent to social issues of equality and justice.

**The Mindfulness Edge** - Matt Tenney 2016-03-07

The one habit that can improve almost every leadership skill There is a simple practice that can improve nearly every component of leadership excellence and it doesn't require adding anything to your busy schedule. In *The Mindfulness Edge*, you'll discover how a subtle inner shift, called mindfulness, can transform things that you already do every day into opportunities to become a better leader. Author Matt Tenney has trained leaders around the world in the practice of mindfulness. In this book, he partners with neuroscientist Tim Gard, PhD, to offer step-by-step, practical guidance for quickly and seamlessly integrating mindfulness training into your daily life—rewiring your brain in ways that improve both the 'hard' and 'soft' skills of leadership. In this book, you'll learn how mindfulness training helps you: Quickly improve business acumen and your impact on the bottom line Become more innovative and attract/retain innovative team members Develop the emotional intelligence essential for creating and sustaining a winning culture Realize the extraordinary leadership presence that inspires greatness in others The authors make a compelling case for why mindfulness training may be the 'ultimate success habit.' In addition to helping you improve the most essential elements of highly effective leadership, mindfulness training can help you discover unconditional happiness and realize incredible meaning—professionally and personally.

**How to Please A Woman** - Jeff Gainey 2004

**Cues** - Vanessa Van Edwards 2022-03-03

It's not enough to have great ideas. You also need to know how to communicate them. What makes someone charismatic? Why do some people captivate a room, while others have trouble managing a small meeting? What makes some ideas spread, while other good ones fall by the wayside? Cues - the tiny signals we send to others 24/7 through our body language, facial expressions, word choices and vocal inflection - have a massive impact on how we, and our ideas, come across. Our cues can either enhance our message or undermine it. In this entertaining and accessible guide to the hidden language of cues, Vanessa Van Edwards teaches you how to convey power, trust, leadership, likability and charisma in every interaction. You'll learn: - Which vocal cues make you sound more confident - Which body language cues assert, 'I'm a leader, and here's why you should join me' - Which verbal cues to use in pitches, branding and emails to increase trust (and generate excitement about interacting with you) - Which visual cues you are sending in your profile pictures, clothing and professional brand Whether you're pitching an investment, negotiating a job offer or having a tough conversation with a colleague, Cues can help you improve your relationships, express empathy and create meaningful connections with lasting impact. 'A must-have guide to becoming an unstoppable force' - Mel Robbins 'Packed with invaluable strategies for maximizing your message, Van Edward's energy will inspire you to become the best possible version of yourself' - Nir Eyal

**YouTube** - Jean Burgess 2013-04-16

YouTube is one of the most well-known and widely discussed sites of participatory media in the contemporary online environment, and it is the first genuinely mass-popular platform for user-created video. In this timely and comprehensive introduction to how YouTube is being used and why it matters, Burgess and Green discuss the ways that it relates to wider transformations in culture, society and the economy. The book critically examines the public debates surrounding the site, demonstrating how it is central to struggles for authority and control in the new media environment. Drawing on a range of theoretical sources and empirical research, the authors discuss how YouTube is being used by the media industries, by audiences and amateur producers, and by particular communities of interest, and the ways in which these uses challenge existing ideas about cultural 'production' and 'consumption'. Rich with both concrete examples and featuring specially commissioned chapters by Henry Jenkins and John Hartley, the book is essential reading for anyone interested in the contemporary and future implications of online media. It will be particularly valuable for students and scholars in media, communication and cultural studies.

**Sex Bible for Women** - Susan Crain Bakos 2008-07-01

Most books on sexuality teach women that satisfying their partner is the key to a great sexual experience. However, for most women, great sex is predicated on understanding their own bodies and desires first. Moreover, a woman's sexual desires and preferences aren't fixed—they are greatly impacted by physical changes such as pregnancy, menopause, and hormonal fluctuations. This sensual yet practical guide provides a comprehensive overview of all the sexual options available for women throughout their lifetime. Intrepid sex journalist and expert Susan Crain Bakos shows women how to sexually satisfy themselves and their partners, through masturbation, touching, oral sex, and intercourse. Racy, full-color photographs instruct women on positions, foreplay techniques, and how to use sex toys on themselves or others. Women gain a deeper understanding of their own unique physiology, how to achieve orgasm, and how to stay healthy as they explore different sexual options.

**Love & Obey** - MS Marisa Rudder 2018-03-22

Put the fire back in your relationship! This brand new book is destined to be the most revolutionary, breakthrough, and fastest growing relationship guide of the next 20 years! No other Female Led Relationship guide on the market will give you the same level of evidence-based insight sure to help you strengthen, nurture, and live the relationship you've always wanted!

**Great Sex Starts At 50** - Tracey Cox 2021

Reassuring, honest, funny, and most of all empowering, GREAT SEX STARTS AT 50 is the must-have sex and relationships book for men and women hitting half a century with little sign of slowing down. There's no denying that something happens to us sexually at 50. Thankfully, information and enthusiasm can help you reclaim a robust sex life. In this easy-to-follow guide, Tracey Cox uses a blend of research, case studies, practical techniques, and personal anecdotes to show you how to arouse yourself and your partner, regain your enthusiasm for sex, navigate relationship issues, and create the perfect conditions for sex. Tracey's authentic, trustworthy, and relatable approach will give you all the information and enthusiasm you need to do it!

**The Revolutionary Phenotype: The amazing story of how life begins and how it ends** - J. -F. Gariépy 2019-04-10

The Revolutionary Phenotype is a science book that brings us four billion years into the past, when the first living molecules showed up on Planet Earth. Unlike what was previously thought, we learn that DNA-based life did not emerge from random events in a primordial soup. Indeed, the first molecules of DNA were fabricated by a previous life form. By describing the fascinating events referred to as Phenotypic Revolutions, this book provides a dire warning to humanity: if humans continue to play with their own genes, we will be the next life form to fall to our own creation.

**The Sex Lives of African Women** - Nana Darkoa Sekyiamah 2021-07-22

A DOROTHY KOOMSON BOOK OF THE YEAR AN ECONOMIST BOOK OF THE YEAR 'Such a beautiful read, like chatting to a friend over a cuppa. This is the intimate, insightful read that I didn't know I needed. Just brilliant.' Dorothy Koomson Nana Darkoa Sekyiamah spent decades talking openly and intimately to African women around the world about sex. In this book, she brings together their extraordinary stories, whilst also chronicling her own journey towards sexual freedom. From finding queer community in Egypt to living a polyamorous life in Senegal to understanding the intersectionality of religion and pleasure in Cameroon, their necessary narratives are individual and illuminating. This stunning collection provides crucial insight into our quest for sexual power and offers all women inspirational examples to live a truly liberated life. 'Touching, joyful, defiant - and honest.' Economist, Books of the Year 2021 'Fascinating.' Bernadine Evaristo 'Honest and moving. A vital treasure.' Bolu Babalola, author of Love in Colour 'Stunning. Essential read! I couldn't put it down.' Nicole Dennis-Benn, bestselling author of Patsy and Here Comes the Sun 'Leaves you feeling deliciously empowered.' Lola Shoneyin, author of The Secret Lives of Baba Segi's Wives 'Boundary-breaking, fascinating and deeply affirming.' Otegha Uwagba, author of Little Black Book

**Nice Guys and Players** - Rom Wills 2000

**Girl Defined** - Kristen Clark 2016-05-10

In a Culture of Distortions, Discover God-Defined Womanhood and Beauty In a culture where airbrushed models and career-driven women define beauty and success, it's no wonder we have a distorted view of femininity. Our impossible standards place an incredible burden of stress on the backs of women and girls of all ages, resulting in anxiety, eating disorders, and depression. One question we often forget to ask is this:

What is God's design for womanhood? In *Girl Defined*, sisters and popular bloggers Kristen Clark and Bethany Beal offer women a countercultural view of beauty, femininity, and self-worth. Based firmly in God's design for their lives, this book helps women rethink what true success and beauty look like. It invites them on a liberating journey toward a radically better vision for femininity that ends with the discovery of the kind of hope, purpose, and fulfillment they've been yearning for. *Girl Defined* helps readers · discover God's design for femininity and his definition of a successful woman · uncover the secrets of lasting worth, purpose, and fulfillment · be equipped and empowered to live out a radically better vision for womanhood · gain personal insight through the chapter-by-chapter study guide

[Man Enough](#) - Justin Baldoni 2021-04-27

A GRIPPING, FEARLESS EXPLORATION OF MASCULINITY The effects of traditionally defined masculinity have become one of the most prevalent social issues of our time. In this engaging and provocative new book, beloved actor, director, and social activist Justin Baldoni reflects on his own struggles with masculinity. With insight and honesty, he explores a range of difficult, sometimes uncomfortable topics including strength and vulnerability, relationships and marriage, body image, sex and sexuality, racial justice, gender equality, and fatherhood. Writing from experience, Justin invites us to move beyond the scripts we've learned since childhood and the roles we are expected to play. He challenges men to be brave enough to be vulnerable, to be strong enough to be sensitive, to be confident enough to listen. Encouraging men to dig deep within themselves, Justin helps us reimagine what it means to be man enough and in the process what it means to be human.

[The School of Greatness](#) - Lewis Howes 2017-10-31

When a career-ending injury left elite athlete and professional football player Lewis Howes out of work and living on his sister's couch, he decided he needed to make a change for the better. He started by reaching out to people he admired, searching for mentors, and applying his past coaches' advice from sports to life off the field. Lewis did more than bounce back: He built a multimillion-dollar online business and is now a sought-after business coach, speaker, and podcast host. In the New York Times bestseller *The School of Greatness*, Howes shares the essential tips and habits he gathered in interviewing "the greats" on his wildly popular podcast of the same name. In discussion with people like Olympic gold medalist Shawn Johnson and Pencils of Promise CEO Adam Braun, Howes figured out that greatness is unearthed and cultivated from within. The masters of greatness are not successful because they got lucky or are innately more talented, but because they applied specific habits and tools to embrace and overcome adversity in their lives. A framework for personal development, *The School of Greatness* gives you the tools, knowledge, and actionable resources you need to reach your potential. Howes anchors each chapter with a specific lesson he culled from his greatness "professors" and his own experiences to teach you how to create a vision, develop hustle, and use dedication, mindfulness, joy, and love to reach goals. His lessons and practical exercises prove that anyone is capable of achieving success and that we can all strive for greatness in our everyday lives.

[Sexually Speaking](#) - Ruth K. Westheimer 2011-12-20

The ultimate women's guide to sexual health—new from Dr. Ruth In this down-to-earth guide, celebrated sex expert and bestselling author Dr. Ruth Westheimer teams up with prominent gynecologist at Cornell and New York Presbyterian Medical Centers, Dr. Amos Grunebaum, to address the most pressing health issues women face today. Written in Dr. Ruth's refreshingly candid and lively style, it gives you everything you need to take charge of your health—from finding a gynecologist to having a happy sex life to planning or avoiding a pregnancy. Covers everything you've ever wanted to know about women's

health—from celebrated sex expert and therapist Dr. Ruth and top gynecologist Dr. Amos Addresses questions related to sexuality, hormones, STDs, pregnancy, menopause, fibroids, ovarian cancer, and other women's health concerns Helps you overcome embarrassment and other common obstacles to understanding and safeguarding your personal health Combines Dr. Ruth's straightforward, reassuring approach to some of the more challenging and uncomfortable concerns related to women's health and the expertise of Dr. Amos, who has seen it all—from routine exams to high risk births

**ADHD After Dark** - Ari Tuckman 2019-07-03

This pioneering book explores the impact of ADHD on a couple's sex life and relationship. It explains how a better sex life will benefit your relationship (and vice versa) and why that's especially important for couples with one partner with ADHD. Grounded in innovative research, *ADHD After Dark* draws on data from a survey of over 3000 adults in a couple where one partner has ADHD. Written from the author's unique perspective as both an expert in ADHD and a certified sex therapist, the book describes the many effects of ADHD on couples' sex lives and happiness, covering areas such as negotiating sexual differences, performance problems, low desire, porn, making time for sex, infidelity, and more. The book outlines key principles for a great sex life for couples with ADHD and offers strategies and treatment interventions where specific issues arise. Written in a readable and entertaining style, *ADHD After Dark* offers clear information on sexuality and relationships and is full of valuable advice on how to improve both. This guide will be an essential read for adults with ADHD, as well as their partners or spouses, and therapists who work with ADHD clients and couples.

[They Were Her Property](#) - Stephanie E. Jones-Rogers 2020-01-07

Winner of the Los Angeles Times Book Prize in History A bold and searing investigation into the role of white women in the American slave economy "Compelling."—Renee Graham, Boston Globe "Stunning."—Rebecca Onion, Slate "Makes a vital contribution to our understanding of our past and present."—Parul Sehgal, New York Times Bridging women's history, the history of the South, and African American history, this book makes a bold argument about the role of white women in American slavery. Historian Stephanie E. Jones-Rogers draws on a variety of sources to show that slave-owning women were sophisticated economic actors who directly engaged in and benefited from the South's slave market. Because women typically inherited more slaves than land, enslaved people were often their primary source of wealth. Not only did white women often refuse to cede ownership of their slaves to their husbands, they employed management techniques that were as effective and brutal as those used by slave-owning men. White women actively participated in the slave market, profited from it, and used it for economic and social empowerment. By examining the economically entangled lives of enslaved people and slave-owning women, Jones-Rogers presents a narrative that forces us to rethink the economics and social conventions of slaveholding America.

**Mastering Yourself, How To Align Your Life With Your True Calling & Reach Your Full Potential** - Corey Wayne 2018-02-16

Dear Friend, This book teaches you the hidden secrets of self-reliance so you can reach your full potential and accomplish your grandest goals and dreams.
