Twisted - Blair Babylon 2021-12-14

From USA Today Bestselling Author Blair Babylon, a thrilling romantic suspense tale about a twisted billionaire with a shady past. Behind every great fortune lies a great crime, and for Tristan "Twist" King, the time has come to commit his. Tristan is twenty-eight years old, six feet four, wealthy, frighteningly good at day-trading stocks, and lives on a yacht in Monaco. The Prince of Monaco is his buddy from boarding school, and his other friends are billionaires, politicians, CEOs, actors, and rock stars. He dates heiresses, minor princesses, models, and Fortune 50 vice presidents. He has it all. But a debt has come due, and Tristan needs a large amount of GameShack's stock. If he doesn't produce it, he'll be in debt for the rest of his life. It's worth far more money than Tristan has or can borrow. To get the stock, Tristan has to destroy GameShack. He haunts the stock forum Sherwood Forest day and night, looking for a crack in the company's financial armor, until the forum's moderator, QueenMod, suspects his motives and trolls his every move. But he'll figure it out. He has to. Otherwise, he'll be not only broke and in debt, but it will probably cost him his life. What Tristan hadn't counted on was meeting Colleen Frost, a perky, funny GameShack employee while on a recon trip. She has no idea what he's up to, or so he thought. ~~~~~ By day, Colleen Frost works the register at GameShack, but by night, she's a moderator on the infamous stock market activist website Sherwood Forest. She's paid back half her student loans by trolling short-traders who tried to make a quick buck by

setting companies on fire and selling the ashes. And it's fun, too. When her sub-forum begins to crackle with rumors that someone is trying to crash GameShack's stock, she suspects forum member TwistyTrader might be in on it. So she dogs him every time he's online, calling out his baloney and making his forum life a living heck. But when a tall, handsome hunk named Tristan King with incredible sapphire eyes walks into her GameShack store and starts flirting with her, all the while chatting about her favorite videogame, she gives him her online contact info, which turns into a coffee date, which turns into more. And that's when things get TWISTED. Includes your favorite romance tropes! Enemies to lovers, billionaire lifestyle, hidden and secret identity, steamy spicy reads, and so much more! The Guyde - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself.

There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish

I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

Get Over Yourself! - Patti Novak 2008-12-30

True love doesn't just happen, notes professional matchmaker Patti Novak. You have to work for it--and want it. Forget eight-minute speed dates or online dating sites with twenty-page questionnaires that promise a scientifically calculated perfect match. The fact that you both

like golf, stamp collecting, and pizza with anchovies is great, but it won't mean a thing if you don't feel that zing. But before there can be sparks, there have to be dates. And before the first date, you need to get over yourself! Taking a tough-love approach, and in her signature straight-shooting style, Patti will show you how to fix what needs to be fixed, reach your core, and identify who you are and what you want in a partner. She uses a three-part common-sense formula: • Getting Over What? Assess your dating weaknesses, recognize what's not working, and adjust your expectations. Delve into your personal history and past relationships, and pinpoint the issues that have been holding you back. • Almost Over It Fine-tune your attitude, your look, and your behavior to maximize your dating chances. Novak lays out strategies to help you deal with the brutal dating monsters you find along the way. • Over It Learn the do's and don'ts of the first date, the second date, and beyond. Remember, it's not a job interview or therapy session. Pretend you're meeting a new friend, not a prospective husband or wife. Finding your one and only isn't about having the right shoes or a flat stomach. It's about being true to yourself, being vulnerable, and being ready for love. Whether you're new to the dating scene, divorced and looking, or just trying to reach that second date, Get Over Yourself! will help you get the love you've always wanted and deserve.
