**How to Tell If Someone Truly Loves You** - Femi Ogunjinmi 2020-03-25

Statistics show that about nine-in-ten Americans cited love as a very important reason to get married. Whether you are single, dating or in a relationship, the thought of if someone truly loves you or you are in love comes to mind. We all want to fall in love and get married to someone who feels the same way we feel about them. However, people find it hard to say those three big words (I Love You) we want to hear. The reason for their hesitation varies. They are afraid to be perceived as moving too fast if it's a relatively new relationship, so they don't want to push you away. It could be because they don't want to come off too strong if they cannot tell that you have similar feelings. And some people hold off saying it because they feel like the other person should say it first. Regardless if they are professing their love or hiding it, this book will reveal the signs that convey someone truly loves you and if what you are feeling also is true love. Dr. Femi "Gfem" Ogunjinmi is a global relationship new rule expert, TV host of Dr. Femi Show, United Nation Representative, and author of *Revelations of Relationship: What You Don't Know About Finding True Love and Sustaining Relationship*. He has been a go-to expert to media outlets like USA TODAY MAGAZINE, FOX NEWS, REWIRE.Org., and STYLECASTER. He has spoken on big media platforms including The Word Network, RADIO ONE, SIRIUS XM, SPLASH FM, and TEDx. His speech on TEDx has received over 2.8 million views and growing by 100,000 views every month. Apart from keynoting and speaking at conferences across the United State and overseas, Dr. Femi also conducts his own relationship programs. His signature conference, "Revelations of Relationship Seminar" occurs every year in United State and has been conducted internationally in Nigeria. Dr. Femi is the founder of National Relationship Equity Day, an organization that has created a national awareness day celebrated June 24th of every year. National Relationship Equity Day is dedicated to eradicating gender inequity in relationship and promoting the use of gifts, values, skill sets, and interests as a way of defining roles in relationship other than gender. **Getting a Woman, What to Text Her to Love You, & Keeping a Conversation** - J Covey 2020-01-12

It's sad, but I'm glad it happened... My heart is heavy to share this story-it's embarrassing and I don't want you to laugh yet. Listen, if I count how many times I have been friend-zoned, you'll feel depressed on my behalf. The last one was many years ago when I was studying in Singapore. The next day, after my heartbreak, my roommate, Michael, called me and said, "Barack Obama is around. He's at Orchard to meet with Lee Kuan Yew-come, come, come." Michael didn't know what I was going through. He was at Orchard having fun, but I was at home feeling heartbroken and Obama wasn't the solution I needed at that moment-I needed a relationship expert. Luckily, I have become that person I needed and I'll guide you through the ups and downs of how women work, how to get any woman without being friend-zoned and many more things acclaimed dating gurus won't tell you. In all things, honesty and foundation are key, and that's how we'll start. Skip this stage and you'll be in trouble... You've been lied to by dating gurus. Listen, my case was worse than yours. I thought it was because I came from a not-so-rich family or because I wasn't too tall and handsome. The truth is: I was in my head. I was the one killing myself-just the same way you're mentally sabotaging yourself without knowing. I wish someone had told me all the things I discovered throughout my struggles in understanding women-it would've saved me time and energy. Imagine the shame and pains you feel emotionally, but you have no one to run to for help except Google, yet there are too many inaccurate info by "acclaimed gurus"

trying to fill your brain with pickup lines. Sometimes, you feel resentful towards women because they either rejected or friend-zoned you. This makes you feel undesirable and angry. From today, things will forever change for you with the info you'll discover soon. After learning these secrets, don't revenge women-forgive them, but flaunt your newly found confidence and skills. W.H.O.L.E.-Women Handling The Oppositions of Life Exceptionally - Betty M. Knight 2009-11

A Call to the Black Man Give ear to what I'm about to say What in the world happened? It's not supposed to be this way. We fought so hard for freedom And you have put me back in chains Commitment, trust, seems to be bad words. I'm in bondage to your mind games Remember, you have a mother, sister, or daughter But it was me you gave the ring. I have come to this conclusion I don't need a king TO BE A QUEEN! I've had to raise the children alone Like when the master sold you astray Now I have to look for you And again you've become a runaway A man that can walk out on his family Is a part of slavery's aftermath? But enough with the dumb stuff The past is the past. I am still that woman Who made you feel like a man? Now you are so out of place Still, you want me to understand. Another form of rejection I'm asking myself "what's wrong with me" Why am I always to blame? For your misplaced priorities? Either you get it together Either you are right or you are wrong. I can raise the children with you. I should not have to do it alone. Come inside these pages. Allow me to tailor you to fit Coming from the strength of this Whole Woman. I should not be penalized for it I'm going to speak to the Whole Man in you Like I do in our time of intimacy. That's when I give you the freedom to be you And you give me the freedom to be me. Men are checking me out "right now" Making statements and, my, how they do flatter. They ask "Why are you alone or single?" Realize! I do have a choice in the matter. I was asked if I were to define the book WHOLE in one sentence, what would I say? "WHOLE is a groundbreaking, ground shaking, revolution that demands results!" "I recall the day as though it was yesterday. I stood in the mirror looking at a reflection of defeat never knowing if I would reach my God-ordained destiny. All my dreams, hopes, and desires devastated. I was distraught, frail, and I had gone from a size 12 to a size 6. I was beyond distressed I was destroyed. Lifelines can come in many ways. I knew I wanted and needed to come out, but I didn't know how. This is the time when I had to get real with myself and everyone else-so I threw out a lifeline. I made a simple telephone call to a friend and the Revolution began!"

**Me's Loves You's: The Fool's Way to a Woman's Heart** - Dan Herman Meckenstock 2006-03

Its light, whimsical, nonsensical verse is reminiscent of Ogden Nash. Me's Loves You's is a love story told in a set of 42 delightful poems and 19 cartoons. Me's, who narrates the story, is trying to win the heart of You's, the object of Me's desire. You's lives far way so Me's courts You's through letters. Me's is so in love with You's that Me's writes You's a poem everyday and in the process becomes a fool full of him/her self. That's right, Me's is either a he or a she. Who knows, maybe Me's is your alter ego looking to spice up your life. Regardless, Me's will make you laugh outloud as Me's wins your heart. Ah, to have a lover like Me's. Poems are also translated into Mandarin Chinese

**Woman Her Sex And Love Life** - William J. Robinson 2015-08-15

"Man's love is of man's life a thing apart, 'Tis woman's whole existence." Byron Yes, love is a woman's whole life. Some modern women might object to this. They might say that this was true of the woman of the past, who was excluded from all other avenues of human activity. The woman of the present day has other interests besides those of Love. But I claim that this is true of only a small percentage of women; and in even this small minority of women, social, scientific and artistic activities cannot take the place of love; no matter how busy and successful these women may be, they will tell you if you enjoy their confidence that they are unhappy, if their love life is unsatisfactory. Nothing, nothing can fill the void made by the lack of love. The various activities may help to cover up the void, to protect it from strange eyes, they cannot fill it. For essentially woman is made for love. Not exclusively, but essentially, and a woman who has had no love in her life has been a failure. The few exceptions that may be mentioned only emphasize the rule.
